In compliance with the 'Timely Notice' provisions of the Federal Jeanne Clery disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, the State Center Community College District Police Department is providing Fresno City College and Reedley College campus community notice of the following reported incident:

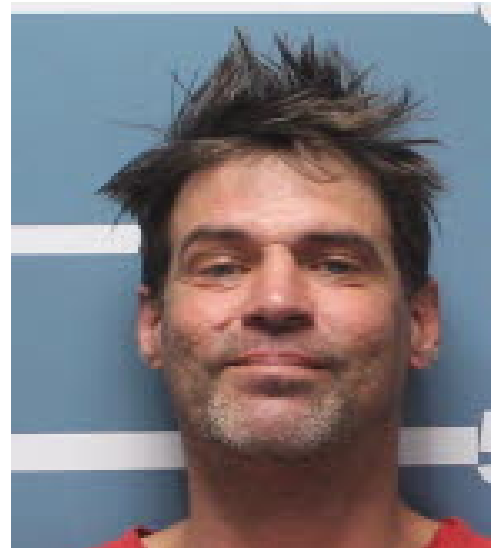

Domestic Violence

Case # SC19-0922FC

Suspect: Stephen Maxwell,

DOB: 11/06/1974

5'-11", 145 lbs., Brown Hair, Blue Eyes,

On September 6, 2019, Maxwell was released from the Tulare County jail after being involved in a violent incident of Domestic Violence with a State Center Community College District student who attends Fresno City and Reedley College. Although the alleged incident occurred off campus, in many cases an abuser will attempt to find his victim and cause more abuse during which innocent bystanders may be harmed in the process. Because the alleged incident involved a knife, Maxwell should be considered dangerous and should not be approached. This information is being published due to the potential for violence by Maxwell, the possibility of him coming onto the Fresno City or Reedley College campuses, and so the campus community can take precautions if he is seen at either college.

If you see Stephen Maxwell, do not confront him, call SCCCD PD at 559-244-6140 or 559-244-5911.
