LEGISLATIVE REQUIREMENTS

Title IX is a federal law that applies to educational institutions receiving federal financial assistance and prohibits discrimination on the basis of sex in an educational institution's programs or activities, including employment, academic, educational, extracurricular and athletic activities (both on and off campus). Title IX protects all people regardless of their gender or gender identity from sex discrimination, including sexual harassment and sexual violence, which are forms of sex discrimination. Title IX requires institutions to take necessary steps to prevent sexual assault on their campuses, and to respond promptly and effectively when an assault is reported. The Clery Act requires colleges and universities to report annual statistics on crime, including sexual assault and rape, on or near their campuses, and to develop and disseminate prevention policies. The Violence Against Women Reauthorization Act (VAWA) which includes the Campus SaVE Act clarifies that "sexual violence" includes domestic violence, dating violence and stalking, which must be included in campus Clery reports, and also requires that institutional policies address and prevent sexual violence through training, education, and certain disciplinary procedures. The California Equity in Higher Education Act prohibits discrimination based on any protected status, including gender or sex, in all postsecondary institutions in the state. California Education Code § 67385.7 et seq. requires the California Community Colleges to provide educational and preventive information about sexual violence to students.

Together, these laws require California Community College campuses to (1) publish and widely disseminate a notice of nondiscrimination on the basis of gender or sex; (2) designate one employee to coordinate Title IX compliance (including compliance with VAWA/Campus SaVE Act, and all other relevant sexual discrimination, harassment and violence legislation); (3) adopt appropriate complaint and investigation procedures; (4) implement education and prevention programs for students and employees, as well as victim resource programs for victims of sexual harassment or sexual violence; (5) provide written rights and options information to victims of sexual violence; (6) provide training to the campus community on how to prevent, identify and report sex discrimination (including sexual harassment and sexual violence); (7) provide training on how to conduct investigations to those employees who investigate allegations of sex discrimination (including sexual harassment and sexual violence); (8) provide training to student conduct hearing officers.

The State Center Community College District is committed to creating and sustaining an educational and working environment free of sex discrimination, sexual harassment, sexual violence, domestic violence, dating violence, and stalking. The safety and well-being of the campus community is a priority for the State Center Community College District.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

JEANNE CLERY

Jeanne Clery was a 19-year-old Lehigh University freshman who was raped and murdered in her dorm room on April 5, 1986. Her parents later discovered there were approximately 38 violent crimes on the Lehigh campus in the three years prior to Jeanne being murdered. They joined with other victims of campus crime and persuaded Congress to enact a law, originally known as the "Crime Awareness and Campus Security Act of 1990."

THE CLERY ACT

In 1990, the Higher Education Act of 1965 (HEA) was amended to include the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101- 542). This amendment required all postsecondary institutions participating in Title IV student financial aid programs to disclose campus crime statistics and security information. In 1998, the act was renamed the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This act is more commonly known as the "Clery Act". The Clery Act requires colleges and universities to:

- Collect, classify and count crime reports and statistics
- Issue campus alerts
- Publish an annual security report
- Submit crime statistics to the Department of Education
- Maintain a daily crime log
- Disclose missing student notification procedures
- Provide fire safety information

State Center Community College District Police Department publishes an annual Campus Security and Fire Safety Report in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998 ("Clery Act"), 20 U.S.C. § 1092(f), Title 34 U.S. Code of Federal Regulations Section 668.46, and the California Education Code Sections 67380-67385. This report includes important information about safety and security policies implemented to protect the welfare of our campus community, as well as crime statistics for all of the campuses and centers within the District. You may view this report on the district website www.scccd.edu. You may also request a copy of the report by contacting the District Police Department at 1940 N. Calaveras Avenue, Fresno, CA 93704.

Crime Statistics for each campus within the State Center Community College District for calendar year 2016 thru 2014 may be viewed at the U.S. Department of Education, Campus Safety and Security Data Analysis Cutting Tool at <https://ope.ed.gov/campussafety/#/>.

THE CAMPUS SAVE ACT

The Campus Sexual Violence Elimination Act or Campus SaVE Act was signed into law on March 7, 2013, and has four central components in which institutions of higher learning must comply.

- Identify the institution's Campus Security Authority personnel
- Create a Campus Sexual Assault Victim Bill of Rights

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

- Expand sexual crime reporting on campus
- Ensure the college has standard operating procedures for handling incidents of sexual violence.

State Center Community College District is committed to providing a safe learning and working environment. In compliance with federal law, specifically the Jeanne Clery Act (Clery Act) and the Campus Sexual Violence Elimination Act (SaVE Act), State Center Community College District has adopted policies and procedures to prevent and respond to incidents of sexual assault, domestic violence, dating violence, and stalking. These guidelines apply to all members of the State Center Community College District (students, faculty, and staff) as well as contractors and visitors.

State Center Community College District will not tolerate sexual assault, domestic violence, dating violence, or stalking, as defined in this report, in any form. Such acts of violence are prohibited by Board Policy, AR 3540 Sexual and Other Assaults on Campus of the State Center Community College District, as well as state and federal laws. Individuals who the District determines more likely than not engaged in these types of behaviors are subject to penalties up to and including dismissal or separation, regardless of whether they are also facing criminal or civil charges in a court of law.

Sexual Assault, Domestic Violence, Dating Violence, and Stalking Definitions:

- Sexual Assault refers to any sexual act directed against another person, forcibly and/or against the person's will; or not forcibly or against the person's will where the survivor is incapable of giving consent, as well as incest or statutory rape.
- Domestic Violence includes felony or misdemeanor crimes of violence committed by:
 - A current or former spouse or intimate partner of the survivor;
 - A person with whom the survivor shares a child in common;
 - A person who is or was residing in the same household as the survivor; or
 - Any person against someone who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- Dating Violence refers to violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
- Stalking occurs when an individual engages in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

Reporting an Incident:

State Center Community College District encourages any student, faculty or staff member who has experienced sexual assault, domestic violence, dating violence, or stalking, or knows of another member of the community who has experienced sexual assault, domestic violence, dating violence, or stalking to report the incident to the District Police Department, Human Resources, or Vice President of Student Services.

If a student, faculty, or staff member, visitor, or contractor has experienced a sexual assault, domestic violence, dating violence, or stalking, they should immediately report the incident to the District Police Department at 559-244-5911, or extension number 5911 on a District phone.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

Individuals who are on campus can also make an in-person report at District Police Department headquarters located at 1940 North Calaveras Ave, on the Fresno City College campus. The District Police Department will assist all students, faculty and staff reporting an incident by assessing the incident, advise them on how he or she can seek legal protection as well as how to obtain medical and/or counseling services. If a reported incident did not occur on campus, the District Police Department can assist the victim in notifying the local police department with jurisdiction over the crime. In case of an emergency or ongoing threat, a victim should get to a safe location and call 559-244-5911, or 911. Calling 911 will put you in touch with local police.

Students who have experienced a sexual assault, domestic violence, dating violence, or stalking may report an incident to the District Police Department or Vice President of Student Services at the particular campus they attend.

Employees who have experienced a sexual assault, domestic violence, dating violence, or stalking may report the incident to the District Police Department or Human Resources Department of State Center Community College District, located at 1525 E. Weldon Fresno, CA 93704 or by phone 559-244-5990.

These offices will provide victims of sexual assault, domestic violence, dating violence, and stalking with information of available support services and resources. These offices will also assist any victim in notifying the appropriate law enforcement agency, if the victim elects to do so.

Written Notification of Right and Options:

Any student or employee, who reports an incident of sexual assault, domestic violence, dating violence, or stalking, whether the incident occurred on or off campus, shall receive a written explanation of their rights and options as provided for under this policy.

These rights and options include the right(s) of a victim to:

- Go to court, and to file a domestic abuse complaint requesting an order restraining your attacker from abusing you, and/or an order directing your attacker to leave your household, building, school, college, or workplace;
- Seek a criminal complaint for threats, assault and battery, or other related offenses;
- Seek medical treatment (the police will arrange transportation for you to the nearest hospital or otherwise assist you in obtaining medical treatment if you wish);
- Request the police remain at the scene until your safety is otherwise ensured;
- Request that a police officer assist you by arranging transportation or by taking you to a safe place, such as a shelter or a family or friend's residence; and
- Obtain a copy of the police incident report at no cost from the police department.
- Student victims have the option to change their academic and/or on-campus living situations after an alleged sexual assault, if such changes are reasonably available.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

Procedures for Victims:

If an incident of sexual assault, domestic assault, dating violence, or stalking occurs, it is important to preserve evidence so that successful criminal prosecution remains an option.

The victim of a sexual assault should not wash, shower or bathe, douche, brush teeth, comb hair, or change clothes prior to a medical exam or treatment. If a survivor has removed the clothing he or she was wearing during the assault prior to seeking medical treatment, that clothing should be placed in a brown paper, not plastic, and brought to the hospital when treatment is sought. If the victim is still wearing the clothes that he or she was wearing during an assault, he or she should bring a change of clothes with him or her to the hospital so that the clothes containing possible evidence can be preserved and examined for evidence of the crime.

Evidence of violence, such as bruising or other visible injuries, following an incident of sexual assault, or domestic or dating violence, should be documented by taking a photograph. Evidence of stalking, including any communications such as written notes, email, voice mail, or other electronic communications sent by the stalker, should be saved and not altered in any way.

Victim Confidentiality:

State Center Community College District recognizes the sensitive nature of sexual assault, domestic violence, dating violence, and stalking incidents. We are committed to protecting the privacy of individuals who report incidents of abuse, to the extent that doing so is permitted by law and consistent with the District's need to protect the safety of the community. Different officials and personnel of the District are able to offer varying levels of privacy protections to victims.

Reports made to the District Police Department may be shared with the Title IX Coordinator, as well as the accused in cases where criminal prosecution is pursued. Reports received by Campus Security Authorities or any other member of the District concerning the abuse of a minor or juvenile must be reported to state officials in compliance with state law requiring mandatory reporting of child abuse. All members of the State Center Community College District is required by policy, AR 3518 Child Abuse Reporting to report any instances of known child abuse or neglect to the District Police Department. The District Police Department will report such information to the appropriate state authorities.

Reports and information received by medical professionals, licensed mental health counselors, are considered legally protected or 'privileged' under California law. This information will not be shared with others within the institution (including any of the District's Title IX Coordinators) or with any third party except in cases of imminent danger to the victim or third party. Absent such circumstances of imminent danger, the only information that these employees will report to the District concerning these incidents is statistical information, which does not identify the victim, so that the incident can be included in the annual Clery Report. Such crime reporting statistics are also included in a Title IX trend report maintained by the District.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

Reports of sexual assault, domestic or dating violence, or stalking which are shared with the District's Title IX Coordinator or other College officials, will be treated with the greatest degree of respect and privacy possible while still fulfilling the District's obligation to investigate and effectively respond to the report. Every effort will be made to limit the scope of information shared to keep it to a minimum of detail, and only when absolutely necessary. It is the victim's choice whether to participate in the investigation; however the College may proceed with the investigation without the victim's participation if there is a potential threat to other members of the community.

A victim's ability to speak in confidence and with confidentiality may be essential to his or her recovery. The District thus expects employees to treat information they learn concerning incidents of reported sexual assault, domestic violence, dating violence, and stalking with as much respect and as much privacy as possible. College employees must share such information only with those College officials who must be informed of the information pursuant to College policy. Failure by any District employee to maintain privacy in accordance with the State Center Community College policy will be grounds for discipline.

While federal law requires State Center Community College District to include certain reported incidents of sexual assault, domestic violence, dating violence, and stalking among its annual campus crime statistics, such information will be reported in a manner that does not permit identification of victims.

POLICIES REGARDING CAMPUS SEX OFFENSE PROGRAMS and PROCEDURES MISSING POLICY

State Center Community College District Educational Programs:

The District is committed to increasing the awareness of and prevention of violence. The District makes continued efforts to provide students and employees with education programming, and strategies intended to prevent rape, acquaintance rape, sexual assault, domestic violence, dating violence, and stalking before they occur.

To address the issue of sexual assaults, domestic violence, dating violence, and stalking in a college environment, the District offers practical guidance for risk reduction, violence prevention, and bystander intervention.

Personal Safety Workshops – In an effort to educate the District community about safety, the police department provides opportunities for all members of the community to learn about safety precautions, alcohol awareness, the definition of consent and sexual assault, and wellness.

Safety Escorts – The District Police Department provides safety escorts twenty-four hours a day, seven days a week. This service provides students, faculty, and staff a uniformed member of our department to walk or transport individuals to locations on campus or to a car in the parking lot. Call 559 244-6140 if you require this service.

Crime Bulletins and Alerts – The District Police Department periodically distributes crime bulletins or alerts to inform members of the District community about incidents of crime in the areas surrounding the College that may pose an imminent threat of harm to members of the

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

community. Bulletins and alerts are also circulated at times, not in response to specific incidents, but as general reminders to community members about measures that members of the community can take to enhance personal and property security.

New Employee Orientation – All new employees receive online training on Sexual Harassment and Title IX through Human Resources. The District Police Department also provides new employees with information concerning issues of safety and personal awareness on such subjects as Emergency Preparedness, Campus Security Authorities, and personal safety.

Residence Hall Programs – These programs are run through the Resident Hall Supervisor and inform students on a wide variety of topics, such as, alcohol awareness, sexual assault, consent, bystander awareness, personal safety, and fire safety.

Personal Safety Presentations – The District Police Department is aware that most sexual assaults are perpetrated by people known by the victim, and not by strangers. However, many members of the District community have expressed an interest in presentations on personal safety, and members of the community who have attended such presentations in the past have indicated they have found it to be useful. The District Police Department teaches that once a decision is made to resist a violent encounter, the resistance should come in the form of quick, deliberate, and precise defensive movements. Instructors teach students, staff, and faculty who choose to attend these presentations, how to increase personal safety by increasing risk awareness, risk recognition, risk reduction, and risk avoidance.

Conduct Proceedings

State Center Community College District strictly prohibits all acts of sexual assault, domestic violence, dating violence, and stalking. In addition to facing criminal investigation and prosecution, students, employees, and other affiliates may also face action by the District. When students or employees are accused of having engaged in sexual assault, domestic violence, dating violence, or stalking, the College may, depending on the facts alleged, issue interim safety measures prior to the resolution of the charges. Such interim safety measures might include issuing No Contact orders between the parties, altering an individual's work or class schedule or a student's on-campus housing assignment, placing an employee accused of misconduct on administrative leave, or placing a student accused of misconduct on an interim suspension.

The District's Title IX Coordinators will oversee all investigations of allegations of gender-based violence. Employees who are found responsible for having committed such a violation could face termination of employment, and students who are found responsible for having committed such a violation may face disciplinary probation, deferred suspension, suspension from college housing, dismissal from college housing, suspension from the college, or dismissal from the college. In addition, the District Police Department may issue No Contact Orders and No Trespass Orders to those found responsible.

If a Title IX investigation concludes that evidence exists which suggests a student more likely than not engaged in sexual assault, domestic violence, dating violence, or stalking, the matter will be referred to the Dean of Students' office for adjudication pursuant to the Student Code of Conduct. The Office of Human Resources will handle any incidents involving employees and

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

College affiliates who are found by the College to have engaged in behavior that violates College policy, including but not limited to sexual assault, domestic violence, dating violence, or stalking.

All conduct proceedings, whether the conduct is reported to have occurred on or off campus, shall provide a prompt, fair, and impartial investigation and resolution. All investigations and proceedings shall be conducted by officials who receive annual training on the nature of the types of cases they are handling, how to conduct an investigation, and how to conduct a proceeding in a manner that protects the safety of survivors and promotes accountability.

The District seeks to investigate and adjudicate any official complaints of sexual abuse, domestic violence, dating violence, or stalking that are filed with the College within sixty (60) days of receipt of that complaint, unless mitigating circumstances require the extension of time frames beyond sixty (60) days. Such circumstances may include the complexity of the allegations, the number of witnesses involved, the availability of the parties or witnesses, the effect of a concurrent criminal investigation, College breaks or vacations that occur during the pendency of an investigation, or other unforeseen circumstances. In these matters the complainant and the respondent shall be notified, provided an explanation, and given information about the amount of additional time required.

In all investigatory and adjudication proceedings conducted by the College concerning charges of sexual misconduct, domestic violence, dating violence, or stalking, including any related meetings or hearings, both the complainant and the respondent will be afforded the same process rights, including equal opportunities to have others present. This includes the right to be accompanied by an advisor of their choice. Both the complainant and respondent will also be afforded an equal opportunity to introduce evidence and identify witnesses.

When a student is accused of any violation of the student conduct code, including but not limited to charges that he or she engaged in sexual assault, domestic or dating violence, or stalking, the charges will be decided using the preponderance of evidence standard, which means that it is more likely than not that the reported misconduct occurred. The Title IX Coordinators and the Dean of Students have discretion to decide whether sufficient evidence warrants referring charges of misconduct against a student to an Administrative/Faculty Hearing Board (a "Board"). If a Board hears such charges and issues a finding of responsibility against a student respondent, the Board may also recommend sanctions to the Dean of Students. However, the Dean of Students retains authority to determine the sanctions that will be issued to any student who has been found responsible for violating the Code of Conduct.

When the Title IX Coordinators complete an investigation and/or when a Board issues a decision, both the complainant and the respondent shall simultaneously be informed in writing within 7 business days of the outcome of the investigative or adjudicative proceeding. Both the complainant and respondent will be given the same procedures and timeframe to appeal the outcome of the proceeding, both parties will receive the same process rights if an appeal is granted, and the parties will both receive timely notice when the outcome becomes final. Disclosure of the outcome shall be made to both parties unconditionally, and each shall be free to share or not share the details with any third parties.

STATE CENTER COMMUNITY COLLEGE DISTRICT

The District's campuses and learning centers are unique in size and location. Fresno City College sits on 93 acres in the heart of the City of Fresno and student enrollment is in excess of 33,185. The Career and Technology Center is located on 5.3 acres and has a student population of approximately 331. Reedley College rests on 420.8 acres and has a student population of approximately 9,575. It also has a large farming operation. The Madera Center is located on 114.2 acres with a student population of approximately 4,338. Clovis Community College sits on 111.19 acres and has a student population of approximately 10,000. Oakhurst Center rests on acres with a student population of approximately 1,287. The Clovis Center is located on 6.4 acres and houses the Work Force Development and Educational Services, Grant Funded Programs and the Training Institute. Total district enrollment for the fall semester 2016 was over 50,000 students.

District Operations is responsible for grounds, transportation, environmental health and safety, construction, maintenance and operations, warehouse and police services, at the various campuses and learning centers. District Police Officers patrol the campuses and centers and report malfunctioning lights or other unsafe physical conditions to maintenance and operations for disposition. In addition, the District receives reports of physical hazards from the Health and Safety Committees on each of the campuses.

Residential Buildings

Reedley College is the only campus within the District that has student housing. The Residence Hall Supervisor, a live-in Assistant and twelve Residence Office Assistants and Advisors work closely with District Police to create a safer and more comfortable living and learning environment. The security of residential areas involves on-duty residence hall staff and periodic walk-throughs by on-duty district officers and an enhanced CCTV camera system.

The residence hall is only accessible by card key 24 hours a day. To ensure the safety of our students living in campus housing, residents are only allowed to enter and leave the residence hall by a monitored front entrance. Visitors are only allowed into the residence hall between the hours of 8AM-10PM. The front counter located at the main entrance is monitored by a Residence Office Assistant and all visitors and guests must register with this person prior to being permitted into the facility. There is also an on-site Assistant Resident Hall Supervisor living within the facility who responds to any situation that might arise.

Residents are encouraged to take an active role to ensure their own safety and security by using common sense and learning to follow campus security procedures. Residents should keep the door to their room locked at all times and should always carry their key card within their immediate possession to protect it against theft or loss. It is strongly recommended that Residents not loan their key card to anyone. In the event a resident's key card is lost or stolen, a report should be made immediately to the residence hall staff. Residents are encouraged to report suspicious persons and activity to the District Police Department and residence hall staff.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

Non-residential buildings

State Center Community College District consists of 175 buildings with over 1, 230,662 square feet of classroom and office space on 885 acres. The majority of these buildings can be accessed 24/7 by staff and faculty with a district issued FOB, (a personalized access device), or key. Many of these buildings automatically alarm at 11PM and remain in this state until the first employee arrives to work the next morning and FOB's the building which shuts off the alarm system and unlocks the door(s). It is imperative that faculty and staff work together to ensure District buildings are locked and the alarm system is armed each evening to prevent unauthorized entrance. Doors to buildings are not to be propped open, or left unlocked. Lost or stolen FOBs and/or keys should be reported to the employees Division Dean/Supervisor and the District Police Department as soon as possible.

LAW ENFORCEMENT AUTHORITY

The State Center Community College District Police Department is empowered pursuant to section 830.32 (a) of the California Penal Code and Section 72330 of the California Education Code which fully subscribes to the standards of the California Commission on Peace Officer Standards and Training (POST).

The department is comprised of 18 sworn police officers who are armed and have the same authority under the law as municipal police officers. District police officers patrol the campuses 24 hours a day, seven days a week. They enforce applicable local, state, and federal laws; arrest violators; investigate and suppress crime; investigate traffic accidents; and provide a full range of police-related services, including immediate response to all medical and fire emergencies. The dispatch communication center is in operation 24 hours a day and has access to telecommunications systems that provide vehicle registration, driver license and criminal record information.

LAW ENFORCEMENT PARTNERSHIPS

Pursuant to California Education Code Section 67381, the District Police Department, Fresno Police Department, Reedley Police Department, Madera County Sheriff's Department and Clovis Police Department have adopted and signed written Memorandums of Understanding that clarifies and affixes operational responsibilities for the investigation of violent and non-violent crimes occurring on District property. Due to the sophisticated investigative resources required to properly investigate certain crimes, the District Police Department, by agreement, has arranged in certain circumstances for assistance from the above mentioned agencies. The agreement states that the District Police Department will be the primary reporting and investigating law enforcement agency for all crimes occurring on property owned and operated by State Center Community College District, with the exception of Class One cases of Homicide, Robbery, Kidnapping, Felony Assault, Auto Thefts, Sex Crimes and crimes against children.

In addition, the District Police Department seeks assistance from federal, state and city law enforcement agencies as needed.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

PREPARING THE ANNUAL SECURITY REPORT

This annual security report is compiled and prepared by the District Police Department at State Center Community College District. Statistical information for activity that occurs off campus is retrieved from the Fresno Police Department, Madera County Sheriff's Department, Reedley Police Department and Clovis Police Department. For purposes of issuing timely warnings and the annual statistical disclosure required under Clery, the campus community should report all crimes to the District Police Department.

The District Police Department does not provide law enforcement services to off-campus residences or organizations. There are currently no fraternities or sororities located off-campus that is recognized by the State Center Community College District. Criminal activity occurring off-campus is monitored and recorded by the following agencies: Fresno Police Department, Reedley Police Department, Madera County Sheriff's Department and Clovis Police Department. Students involved in criminal activity off-campus may be contacted, cited or arrested by one of these agencies. During the preparation of the Annual Security Report, each of the above agencies is contacted and a good faith effort is made to obtain information as to crimes that are reportable under the Clery Act.

CAMPUS SECURITY AUTHORITIES

Who is a Campus Authority?

2016 Handbook: "Even at institutions with a police department on campus, a student who is the victim of a crime may report it to someone other than the campus police." The handbook also says, "For this reason, the Clery Act requires all institutions to collect crime reports from a variety of individuals and organizations that Clery considers to be "campus security authorities" under the law."

Who is a Campus Security Authority?

- A campus police department or a campus security department of an institution
- Local Police/Sheriff (Good Faith Request)
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).

Although the reporting of criminal activity directly to the District Police Department is encouraged, crimes may also be reported to college officials who have significant responsibility for student and campus activities. The faculty and staff of State Center Community College District Police are trained to assist students in contacting (CSA's) Campus Security Authorities in the event the student needs to report a crime. Campus Security Authorities (CSA) are responsible for forwarding non-identifying information to the District Police Department for inclusion in the annual security report, regardless of whether or not the victim chooses to file a report with law enforcement or press charges. As defined under the Clery Act, CSA's include college deans and assistant deans, college directors, assistant directors, athletic team coaches, athletic assistant coaches, faculty advisors to student groups, and campus staff involved in

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

disciplinary and judicial proceedings. Please be aware that information forwarded by CSA's is for statistical purposes only.

PROFESSIONAL AND PASTORAL COUNSELORS

When acting in their official capacity, professional and pastoral counselors are not required to report crimes for inclusion in the annual disclosure of crime statistics under 20 U.S.C. Section 1092(f). Professional and pastoral counselors are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures available for reporting crimes on a voluntary, confidential basis for inclusion in the annual crime statistics. A "pastoral counselor" is a person who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling, and functioning within the scope of that recognition as a pastoral counselor. A "professional counselor" is a person whose official responsibilities include providing mental health counseling to members of the State Center Community College District and who is functioning within the scope of his or her license or certification.

COUNSELING SERVICES DIVISION

Although counselors typically have significant responsibility and involvement in student and campus activities, they are exempt from Clery reporting requirements. They are, however, contacted and encouraged to forward non-identifying information to the District Police Department on crimes that may be reported through their offices for inclusion in the annual security report.

Crisis Intervention Team (CIT)

The Crisis Intervention Team (CIT) of State Center Community College District is composed of professional counselors from Psychological Services and nurses from Health Services. The CIT counselors are available to assist when a student or staff member experiences a psychological emergency and is in need of immediate help.

What is a crisis?

A crisis is a life event that an individual perceives as stressful to the extent that normal coping mechanisms are insufficient. The CIT members have always been at the forefront of providing personal counseling, guidance, and referring students to the most appropriate resources available both on campus and off campus.

VOLUNTARY/CONFIDENTIAL REPORTING

If you are the victim of a crime, we encourage you to file a crime report with the District Police Department. If you would like to maintain confidentiality and do not wish to pursue action within the college or criminal justice system, you are encouraged to consider filing a confidential report for purposes of inclusion in the annual disclosure of crime statistics. By filing a confidential report, the victims contact information will be registered confidentially and only accessible to authorized campus officials. This information can only be disclosed to law enforcement personnel in furtherance of a missing person investigation. These types of reports can be made to the District Police Department. Individuals can do this by mail or by going to the District Police Department website at <http://scccdpolice.com/report-a-crime> and complete the report template. The information can enhance community safety by allowing the college to keep a more accurate record of crimes, helping to determine whether a pattern of crime exists and alerting the campus to potential danger.

SECURITY AND ACCESS TO DISTRICT FACILITIES

During business hours, District facilities are open to the community. During non-business hours, access to facilities throughout the District is restricted to those with issued keys, or to those admitted for unscheduled, and/or scheduled access through the District Police Department. Many of the buildings within the District utilize intrusion alarms, panic buttons and video cameras to enhance security in these areas.

TIMELY WARNING

Timely Warning

- Scope: Narrow focus on Clery crimes.
- Why: Timely warnings are triggered by crimes that have already occurred but represent an ongoing threat. Timely warnings are issued for any Clery crime committed within your Clery geography that is reported to your campus security authorities or a local law enforcement agency and is considered by the institution to represent a serious or continuing threat to students and employees.
- Where: Applies to crimes that occur anywhere on your geographical locations.

EMERGENCY NOTIFICATIONS

- Scope: Wide focus on any significant emergency or dangerous situation (may include Clery crimes).

- When: Initiate procedures immediately upon confirmation that a dangerous situation or emergency exists or threatens.
- Upon confirmation of a serious or emergency situation that poses an immediate threat to the health or safety of the campus community, a campus-wide notice will be disseminated, unless issuing a notification will, in the judgment of the responding authorities, compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency events that qualify for emergency notifications include, but are not limited to:
 - Outbreak of Meningitis, Norovirus, or other serious illness
 - Approaching tornado, hurricane or other extreme weather conditions

The notification will be distributed as soon as possible under the following guidelines: Authority to activate a public notification will rest with the Chancellor, College President, Vice President, Associate Vice Chancellor of Business and Operations, Director of Environmental Health and Safety, Police Lieutenant or Chief of Police who may designate agents with the authority to activate a notification.

In situations when there is not time for consultation, a Police Officer or Dispatcher from the District Police Department may initiate a notification.

In matters of a criminal nature, the District Police Department will determine whether notifications are appropriate and necessary. The Chief of Police or designee will determine an incident's extent and scope, and whether it meets the criteria for an emergency notification.

In matters not of a criminal nature, the campus department or District function that has jurisdiction will determine whether notifications are appropriate and necessary. When a campus department that has jurisdiction over an incident is not available to make a determination about notifications, the Chief of Police or designee may determine an incident's extent and scope and whether it meets the criteria for an emergency notification.

Once requested by a designated authority, notifications will be made as soon as practicable. Notifications will generally be made by a police dispatcher, or designee who has been trained and is authorized to send notifications.

All messages should include the type of situation, the location of the situation, the time and date, instructions for the recipient and an additional method for the public to obtain information. One or more of the following systems will be used for sending notifications:

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

The campus Emergency Operations Plan provides the framework for an organized response to various human-caused and natural emergency situations including fires, hazardous spills, earthquakes, flooding, explosion and civil disorders.

The Emergency Operations Plan includes information about Incident teams, parameters; incident priorities and performance expectations; shelter-in-place and evacuation guidelines; and local contingency and continuity planning requirements. The police and Environmental Health and Safety Departments as well as numerous District Administrators are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility. The District conducts numerous emergency response exercises each year, such as table top exercises, field exercises, and tests of the emergency notification systems on campus. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution. District Police Officers and supervisors have received training in Incident Command and Responding to Critical Incidents on campuses. When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually from the District Police Department, Fire and Emergency Medical Services, and allied law enforcement agencies. These departments typically respond and work together to manage the incident. Depending on the nature of the incident, other departments and other local or federal agencies could also be involved in responding to the incident.

General information about the emergency response and evacuation procedures are publicized each year as part of the institution's Clery Act compliance efforts and that information is available on the District Police Department web page.

All members of State Center Community College District are notified on an annual basis that they are required to notify the District Police Department of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of students and/or employees on campus. The District Police Department has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, the District Police Department has a responsibility to respond to such incidents to determine if the situation does in fact, pose a threat to the community. If that is the case, Federal Law requires that the institution immediately notify the campus community or the appropriate segments of the community that may be affected by the situation.

In the event of a serious incident that poses an immediate threat to members of the State Center Community College District, the police department has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to any of the campus community. These methods of communication include network emails, emergency text messages that can be sent to a phone or PDA (individuals can sign up for this service by logging into Web Advisor and selecting

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

that they would like to receive notifications). There are also speakers placed throughout each campus that provide intelligible voice messages. Additionally, State Center Community College District has upgraded its phone system with IP phones that are able to receive audible messages.

The purpose of evacuation drills is to prepare building occupants for an organized evacuation in case of an emergency. At State Center Community College District, evacuation drills are used as a way to educate and train occupants on issues specific to their building. During the drill, occupants 'practice' drill procedures and familiarize themselves with the location of exits. In addition to educating the occupants of each building about the evacuation procedures during the drills, the process also provides an opportunity to test the operation of fire alarm system components. Evacuation drills are monitored by the District Police Department, EHS, and the Residence Hall to evaluate egress and behavioral patterns. Reports are prepared by participating departments which identify deficient equipment so that repairs can be made immediately. Recommendations for improvements are also submitted to the appropriate departments/offices for consideration. Students receive information about evacuation and shelter-in-place procedures during meetings and during other educational sessions that they can participate in throughout the year. State Center Community College District conducts monthly announced or unannounced drills and exercises each year and conducts follow-through activities designed for assessment and evaluation of emergency plans and capabilities. *The District Police Department coordinates announced and unannounced evacuation drills each semester, as described above, to test the emergency response and evacuation procedures, and to assess and evaluate the emergency evacuation plans and capabilities.* State Center Community College District will publish a summary of its emergency response and evacuation procedures in conjunction with at least one drill or exercise each calendar year.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

During each of the testing dates, an audible test message is sent via our InformaCast system to all VoIP phones and exterior speakers throughout each campus. In addition to the audible test message, the police department sends a text message to all students, faculty and staff that have subscribed to our 1st2Know text notification system. The testing is monitored closely by police department personnel as well as the Information Systems Department.

Shelter-in-Place Procedures—What it Means to "Shelter-in-Place" If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to "shelter-in-place" means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

CAMPUS SAFETY AND CRIME PREVENTION EDUCATION

The District Police Department is available to conduct crime prevention presentations on a variety of topics. While the police department may offer advice and assistance regarding campus safety, all members of the campus community are encouraged to take responsibility for their own safety and, when possible, assist others. Members of the campus community are encouraged to report crimes or suspicious circumstances to the District Police Department.

Sexual Assault Prevention Program:

Members of the District Police Department are available for video and slide presentations that outline ways to maintain personal safety and residence hall security. Students are told about crime on-campus and in surrounding neighborhoods. Similar information is presented to new employees. Crime Prevention Programs and Sexual Assault Prevention Programs are offered on a continual basis. Periodically, during the academic year, the police department, in cooperation with other campus organizations and other departments, present crime prevention awareness sessions on sexual assault (rape and acquaintance rape), Rohypnol abuse, theft, and vandalism, as well as educational sessions on personal safety and residence hall security. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Crime Prevention Programs on personal safety and theft prevention are sponsored by various campus organizations throughout each year. District Police Department personnel facilitate programs for students, parents, faculty, and new employee orientations, student organizations, community organizations, in addition to quarterly programs for Resident Advisers and residents within the residence hall providing a variety of educational strategies and tips on how to protect themselves from sexual assault, theft and other crimes. Starting in the fall we will be offering Rape Aggression Defense System (RAD) training. It is a comprehensive course that begins with awareness, prevention, risk reduction and avoidance, while progressing on to the basics of hands-on defense training. Certified RAD instructors will teach the courses provided.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

The District Police Department is in the process of developing and implementing a women's self-defense course called R.A.D, Rape Aggression Defense System to enhance the crime prevention training it offers in the area of sexual assault prevention. This program will be available starting the Fall semester 2016. This is a comprehensive course that begins with awareness, prevention, risk reduction and avoidance, while progressing on to the basics of hands-on defense training. Personnel from the police department will be required to attend an instructor course to certify them to teach these courses.

In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets, security alert posters, displays, videos, and articles and advertisements in the student newspapers.

When time is of the essence, information is released to the campus community through security alerts posted prominently throughout campus, or sent by electronic mail and/or an audible broadcasting system.

SEXUAL ASSAULT PREVENTION AND RESPONSE

State Center Community College District does not tolerate sex offenses in any form, including sexual assault, sexual misconduct, harassment, exploitation, or intimidation. Reports of sex offenses may be made to the District Police Department, Vice President for Student Services, the Health Center and Psychological Services.

Persons who believe that they have been sexually assaulted or were the object of any sex offense should immediately contact District Police, either by telephone (559-224-5911) or in person, to initiate a crime report. We encourage all victims to obtain necessary medical treatment as soon as possible. The District Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a police officer, Health Center personnel, Psychological Services, campus administrators and/or to a Housing and Residential Education representative. Filing a police report with the police department will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Victims of sexual assault are strongly encouraged to take the following actions:

- Get to a safe place as soon as possible
- Call the police by dialing 9-1-1
- To preserve evidence that will be helpful in prosecution, do not eat, drink, wash, shower, go to the bathroom, douche, or clean up prior to a medical exam.

Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system as well as the campus disciplinary process. A representative from the Police Department will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from psychological services at State Center Community College District. Counseling and support services outside those available at State Center Community College District can be obtained through various organizations listed on page 26 of this document.

The preservation of criminal evidence is essential to the successful prosecution of a sex offense. Therefore it is essential that in cases of sexual assault, District Police should be contacted as soon as possible. Staff counselors are available to assist and to accompany the victim of a sex offense from the initial report to the final resolution of the case.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

If you do not wish to make a report to the police, you are still encouraged to seek professional medical advice. (Please note that all health-care providers are legally required to report all cases of suspected sexual or physical assault to law enforcement).

Students and employees of State Center Community College District suspected of committing a sex offense of any kind are subject to criminal prosecution in addition to disciplinary action under District policies, regulations and collective bargaining agreements. Campus disciplinary action can be initiated even if criminal charges are not pursued.

In addition to criminal prosecution, complaints against students accused of sexual battery, attempted rape, rape, or other sex offenses will be processed in accordance with the procedures in the student Code of Conduct. The accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding, and both shall be informed of the outcome of any campus disciplinary proceeding brought forth alleging a sex offense.

Sex offenses can be addressed both through college administrative procedures and through the criminal justice system. Any criminal proceeding is entirely separate from administrative proceedings of the college. In addition; students have the option of changing their academic situations after an alleged sexual assault, if such changes are reasonably available.

The college will disclose to an alleged victim of a crime of violence (as defined under United States Code Title 18, Section 16) or a non-forcible sex offense the report on the results of any disciplinary proceeding. If the alleged victim is deceased as a result of the alleged crime, the next of kin shall be treated as the alleged victim for this purpose.

Victims of Crime Program: and Sexual Assault Victim Information

If you are a victim, you may qualify for reimbursement from the Victims of Crime Program for out-of-pocket wages, medical and/or funeral burial expenses, which you have incurred as a result of a crime. SEX OFFENDER REGISTRATION INFORMATION

The federal Campus Sex Crimes Prevention Act requires institutions of higher learning to issue a statement in their annual security report detailing where members of their campus community can obtain information concerning registered sex offenders. It also requires sex offenders who are required to register under state law, to provide notice of their enrollment or employment at any institution of higher learning in the state where he/she resides. In addition, California law requires sex offenders who attend a campus, and all campus affiliated sex offenders, to register

with campus law enforcement. Members of the public may access sexual offender information at the Megan's Law website maintained by the Department of Justice: www.meganslaw.ca.gov.

SOURCES FOR CRIME STATISTICS

This report contains crime statistics compiled for the 2014 calendar year, plus the previous two calendar years. The information was compiled from reports received by the District Police Department.

Crime Statistics

Under the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the campuses of State Center Community College District annually report statistics on occurrences of the following offenses to the U.S. Department of Education.

- Homicide
- Manslaughter
- Robbery
- Aggravated Assault
- Sex offenses (Forcible and non-forcible)
- Burglary
- Motor vehicle theft
- Arson
- Hate Crimes

Statistics for the above mentioned offenses are made available through the Department of Education's Office of Post-Secondary Education. Statistics are available on-line at: <http://ope.ed.gov/security/>.

OFFENSE DEFINITIONS

Per the Clery Act, crimes are classified based on the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting Handbook (UCR). For sex offenses only, the definitions used are from the FBI's National Incident-Based Reporting System (NIBRS) edition of the UCR. Hate crimes are classified according to the FBI's Uniform Crime Reporting Hate Crime Data Collection Guidelines and Training Guide for Hate Crime Data Collection. Although the law states that institutions must use the UCR for defining and classifying crimes, it does not require Clery Act crime reporting to meet all UCR standards.

Murder and Non-Negligent Manslaughter: the willful (non-negligent) killing of one human being by another.

Negligent Manslaughter: the killing of another person through gross negligence.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

Sex Offenses, Forcible: any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. There are four types of forcible sex offenses:

- **Forcible Rape** is the carnal knowledge of a person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity (or because of his/her youth). This offense includes the forcible rape of both males and females.
- **Forcible Sodomy** is oral or anal sexual intercourse with another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/ her youth or because of his/her temporary or permanent mental or physical incapacity.
- **Sexual Assault with an object** is the use of an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity. An object or instrument is anything used by the offender other than the offender's genitalia. Examples are a finger, bottle, handgun, stick, etc.
- **Forcible Fondling** is the touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will; or, not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/ her temporary or permanent mental incapacity. Forcible fondling includes "indecent liberties" and "child molesting."

Sex Offenses, Non-forcible are incidents of unlawful, non-forcible sexual intercourse. Only two types of offenses are included in this definition:

- **Incest** is non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- **Statutory Rape** is non-forcible sexual intercourse with a person who is under the statutory age of consent. If force was used or threatened, or the victim was incapable of giving consent because of his/her youth, or temporary or permanent mental impairment, the offense should be classified as forcible rape, not statutory rape.

Robbery: the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

2017 - ANNUAL SECURITY AND FIRE SAFETY REPORT

Aggravated Assault: an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury.

This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary: the unlawful entry of a structure to commit a felony or a theft. The UCR classifies offenses locally known as Burglary (any degree); unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts at these offenses as Burglary.

Motor Vehicle Theft: the theft or attempted theft of a motor vehicle.

Arson: any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Hate Crimes: any of the aforementioned offenses, larceny, simple assault, intimidation and vandalism reported to local police agencies or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. Categories of bias are:

- **Race.** A preformed negative attitude toward a group of persons who possess common physical characteristics (color of skin, eyes, and/or hair; facial features, etc.) genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind (Asians, blacks, whites).
- **Gender.** A preformed negative opinion or attitude toward a group of persons because those persons are male or female. Gender bias is also a Clery Act-specific term, not found in the FBI's Hate Crime Data Collection Guidelines.
- **Religion.** A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being (Catholics, Jews, Protestants, atheists).
- **Sexual orientation.** A preformed negative opinion or attitude toward a group of persons based on their sexual attraction toward, and responsiveness to, members of their own sex or members of the opposite sex (gays, lesbians, heterosexuals).
- **Ethnicity/national origin.** A preformed negative opinion, or attitude, toward a group of persons of the same race or national origin who share common or similar traits, languages, customs and traditions (Arabs, Hispanics).
