# STATE CENTER COMMUNITY COLLEGE DISTRICT

## State Center Community College District is proud to serve more than 60,000 students each year.

- We serve an area the size of Connecticut which includes 1.7 million people in Fresno, Madera, Kings and Tulare counties.
- Our four colleges:
  1. Fresno City College
  2. Reedley College
  3. Clovis Community College
  4. Madera Community College
- Four educational centers or outreach campuses:
  1. West Fresno Center
  2. Madera Community College at Oakhurst
  3. First Responder Campus
  4. Clovis Community College at the Herndon Campus
- Our campuses cover 5,743 sq. miles and offer students the flexibility of taking classes close to home or work.

COMMUNITY COLLEGE DISTRICT

## Affordable Higher Education

- Our local students and families rely on us for the affordable quality education we provide
- University of California and California State Systems have become so expensive; more students rely on our local community colleges
- We must continue to increase opportunities for local students to earn college credits, certifications and job skills at a reasonable price. We also prepare students to transfer to four-year universities to continue their education.

# Preparing Our Local Workforce

STATE CENTER  
COMMUNITY COLLEGE DISTRICT

# Our Job Training Programs

*Our local community colleges provide **training and support** for students to get the skills and training needed to compete for good-paying jobs in today's competitive global economy.*

STATE CENTER  
COMMUNITY COLLEGE DISTRICT

# Job Training Lab & Classroom Conditions

- To continue to provide these programs it is necessary to improve classrooms, labs, and equipment for career education programs.
- These programs train local police officers and firefighters, and prepare students for careers in nursing, engineering, agriculture, technology, advanced manufacturing and other in-demand jobs.

STATE CENTER  
COMMUNITY COLLEGE DISTRICT

# Local First Responders

- Our community colleges are where our area's nurses, police officers, firefighters, paramedics, and 911 emergency responders are trained.
- Our colleges are striving to expand the Police and Firefighter Academies and improve healthcare education programs to ensure our local area has well-trained first-responders needed to keep communities safe.

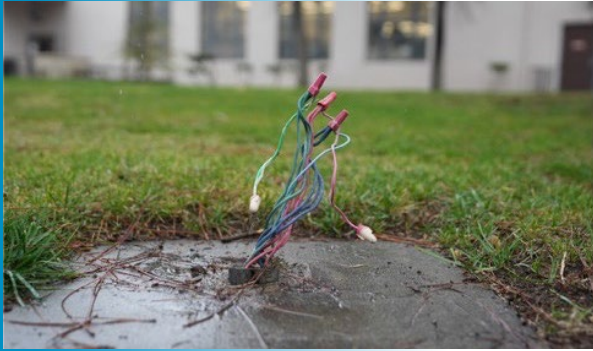

# Serving Our Local Veterans

- **Our local community colleges serve military veterans, many of whom have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disability.**
- **Our colleges must be able to provide counseling, tutoring, career education programs and other vital services for veterans to help them complete their education and enter the civilian workforce.**

STATE CENTER  
COMMUNITY COLLEGE DISTRICT

# Community Educational Priorities

**In a survey conducted last year, the community identified higher education priorities.**

**The top community priorities included:**

- Improving job training programs for nursing, allied health, agriculture and advanced manufacturing
- Preparing returning veterans for high-paying jobs
- Expanding career and vocational programs
- Improving job training programs in technology, engineering and clean energy
- Fixing leaky roofs
- Repairing deteriorating gas, electrical and sewer lines
