# WHY LONG-TERM PLANNING?

- Engage constituent groups in a dialogue about the future
- Establish overarching goals based on a shared vision of what an institution can become
- Demonstrate that long-term goals support the institution's mission
- Confirm that the overarching long-term goals support and unify other planning efforts
- Ensure that educational needs drive site and facilities improvements
- Inform the public of the institution's mission, vision, values, and goals and garner support

*WHAT ELSE?*

# APPROACH

Integrated  
Participatory  
Data-Informed

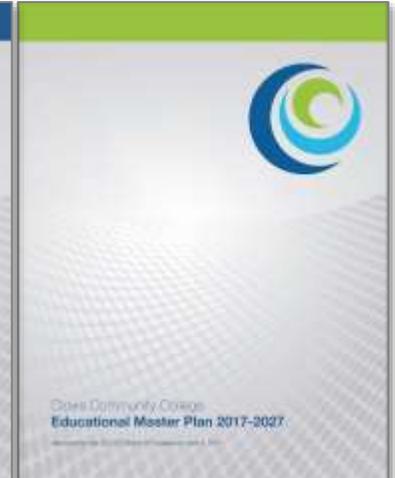

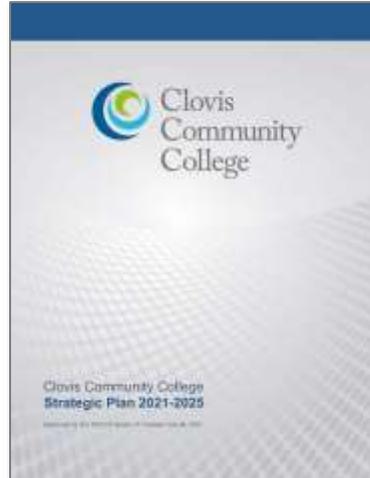

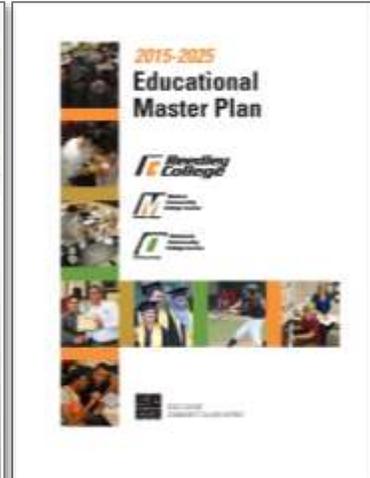

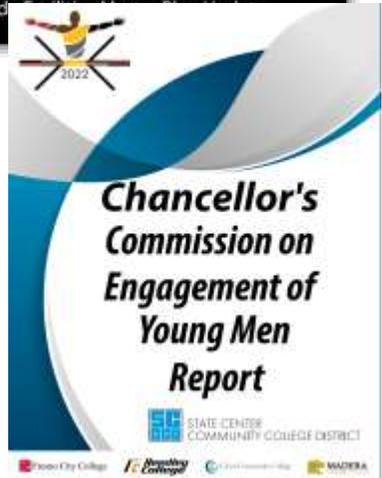

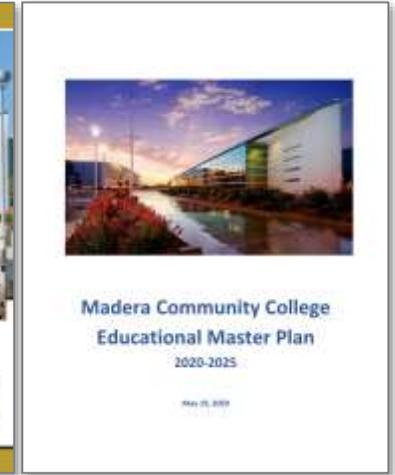

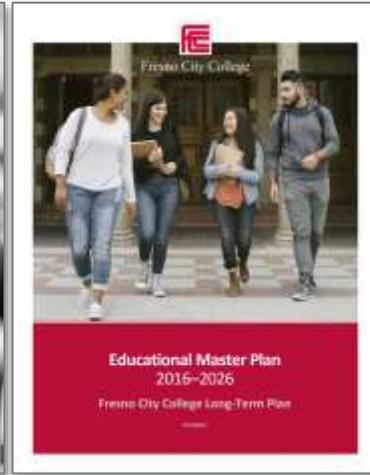

# APPROACH

INTEGRATED

*A SUSTAINABLE APPROACH TO PLANNING THAT  
builds **relationships**,  
**aligns** the organization, and  
**emphasizes preparedness for change.***

# STATE CENTER 2035 COMMISSION

## CHARGE

To build a better learning and working environment, we must also acknowledge and embrace our responsibility to critically reassess our own structures, practices, and values. The primary charge of this commission is to provide expert advice to the Chancellor on the development of a new Districtwide long-term integrated plan.

This State Center 2035 Commission is a taskforce that will guide the development, review, and Districtwide vetting of State Center 2035.

Members of this Commission will be responsible for analyzing and discussing key findings and recommendations as well as providing input during the writing process.

The Commission recommendations will be presented to Chancellor's Cabinet.
