DISTRICTWIDE ENGAGEMENT

Online Survey

We are in the process of developing our long-range State Center 2035 Vision Plan. This survey provides an opportunity for our diverse campus community members, across the district, to share their unique voices, perspectives, and ideas.

The survey takes 10-15 minutes to complete. We understand your time is valuable, and we greatly appreciate your participation. Your feedback will inform institutional planning for the future of our campuses! All responses will be kept confidential.

If you require accommodation or have questions about taking the survey, please email Bethany.
