Approval of Minutes The minutes of the Board meeting of October 2, 2007, were presented for approval. A motion was made by Mr. Smith and seconded by Mr. Forhan to approve the minutes of the October 2, 2007, meeting, as presented. The motion carried unanimously.

Delegations, Petitions,
and Communications None.

Chancellor's Report Dr. Crow reported the following:

Strategic Planning Charrette – On October 29, nearly 200 business, education and community leaders met at Fresno City College to participate in a districtwide strategic planning charrette. The purpose of the charrette was to solicit feedback and input for the SCCC strategic plan. Participants were given a draft copy of the plan ahead of time and were asked to bring their comments, questions and concerns to the charrette. The response was overwhelming. There was a lot of energy and excitement in the room, and as a result of the charrette, there were some very helpful suggestions for revisions throughout the plan. This is exactly the kind of input and “buy-in” we had hoped for in order to produce a final document that is dynamic and, more importantly, “doable.” The next step in the process is to review the input received and present a draft of the plan to the Board at their December 11, 2007, meeting.

Dr. Crow thanked Trustees Ron Feaver, Phil Forhan, Dorothy Smith and Les Thonesen for participating in the charrette. He extended his appreciation to Dr. Cynthia Azari, Dr. Teresa Patterson and their staff for planning and orchestrating the event. He also thanked the faculty and staff who served as facilitators and recorders.

Old Administration Building Kick-off – November 7, 2007, will mark another significant rite of passage in the campaign to restore the Old Administration Building at Fresno City College. The gathering to celebrate the construction kick-off is scheduled for 11 a.m. at the OAB south entrance. Community members will also join SCCC in celebrating this long-awaited moment.

Chancellor's Report
(continued)

Dr. Crow said that SCCC Board members have demonstrated their support for the OAB through words and actions by supporting the Measure E bond in 2002, which provided the catalyst for the "Legacy Renewed" capital campaign. The Board also voted to direct \$5 million from unexpended Measure E dollars towards the OAB project. In addition, each Board member made a personal contribution towards the project. The celebration is the next step in seeing the OAB project to fruition by marking the first day of construction.

Gary Soto Award – Noted author and poet, Gary Soto, will be honored November 16, 2007, at the annual convention of the Community College League of California. Gary, a Fresno native and former student at Fresno City College, will receive the prestigious California Community College Distinguished Alumni Award. Gary's work as an author and poet has earned him numerous awards and accolades. Gary has been a major supporter of Fresno City College and the Old Administration Building project, and community colleges in general. He has generously shared his time, talent and treasure to help advance our mission.

Campus Reports

Dr. Doffoney reported on the following topics from Fresno City College. Copies of the report were provided.

- A special Veterans' Day ceremony on November 9 will pay tribute to all veterans who served in the Navy, particularly submariners. The annual Citizens Soldier Award will be presented to business instructor Jim Makofske.
- Native American Heritage Month will be commemorated with a procession on November 1, along with the Pow Wow Dancers, food booths, films, speakers, and a panel discussion. A scholarship fundraiser dinner on November 8 will feature acclaimed poet, activist, actor, and national recording artist John Trudell. Trudell will also be a speaker on November 9.
- Geology instructor Brandy Anglen will discuss her dissertation research on ice-covered lakes in Antarctica at the November 16 cross-campus colloquium.
- Donations for the annual Holiday Baskets for needy students are now being accepted. The goal is to distribute 350 baskets.

Dr. Hioco reported on the following topics from Reedley College. Copies of the report were provided for the Board.

- Animal Science Instructor David Lopes was honored by the Big Fresno Fair with a service recognition award.
- Students in Free Enterprise (SIFE) is coordinating "A Night with Elvis" scholarship fundraising dinner on Saturday November 17 at the Reedley Opera House.

Campus Reports

- "Extreme Registration" dates for Spring 2008 are November 26-27 and January 3.
- Classified Staff Development Flex Day is scheduled for November 12 from 8:30 a.m. to 3:30 p.m.
- The Reedley College annual holiday dinner is December 13.

Dr. Kershaw reported on the following topics from the North Centers. Copies of the report were provided for the Board and interested attendees.

- The Madera Community College Center hosted its first business conference with workshops for students, faculty, and community business and workforce partners. Dr. Victoria Halsey, Vice President of Applied Learning with Ken Blanchard Companies, was a presenter.
- The annual High School Counselors' conference was held at the Clovis Center on November 5. Ninety counselors from throughout the State Center service area participated.
- November Transfer Center activities at the North Centers include student field trips to UC Santa Cruz and UCLA, CSU online application workshops, a UC application workshop, and visits from UC Merced, CSU Fresno, and Fresno Pacific representatives.

Academic Senate
Report

Mr. Rick Santos, Fresno City College Academic Senate President, reported the following:

- The Academic Senate discussed the FCC mission, vision and core values statements and is looking forward to having them implemented.
- Fresno City College Academic Senate and the Reedley College Academic Senate are jointly working on a resolution for starting the use of an FW grade.
- Another resolution being worked on is recommending that all instructors submit all their end of the grading period paperwork online.
- Bill Turini, Rick Santos and two members from the executive board went to the statewide plenary last week. Two resolutions that were approved are 1) the agents for change (examining role of student learning outcomes and assessment coordinators in California Community Colleges), and 2) an articulation transfer resolution asking the senates to begin discussions at the local level about the potential of expanding current enrollment for secondary students.

Classified Senate
Report

Ms. Renee Dauer, Reedley College Classified Senate President, reported the following:

- Training for MS Access will be held November 29.

- The Classified Senate hosted the alumni booth at the Reedley College homecoming game.
- Halloween spare the air potluck was held October 29.
- Annual staff development day activities are November 12.
- December activities will include a cookie exchange, adopt a family, See's candy fundraiser, and a gift package for Reedley's Marjorie Mason Center.

Community College
Leadership Academic
Seminar Series
(CCLASS)

Randy Rowe, Associate Vice Chancellor of Human Resources, presented a report on the Community College Leadership Academic Seminar Series (CCLASS), a professional development program in partnership with the CSU Central Valley Educational Leadership Institute. CCLASS is a two-year academic leadership program designed for aspiring academic leaders throughout SCCC. It is a comprehensive cohort program that focuses on the demands, multiple roles, and critical nature of academic leadership in community colleges. First year class topics include leadership traits and vision, coaching, personnel/legal issues, client/education/business relationships, and learning community/team building. Year two provides participants an opportunity to put into practice the leadership knowledge and skills presented in the first year of the program. Topics include case studies, shadowing experiences, conflict resolution training, historical mapping of SCCC, and a leadership film study. Cohort I will hold their final class on November 13, 2007, and Cohort III has just begun their classes. The average class size is 24 members.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 11, 2007

SUBJECT: Election of Officers, Representatives,
and Adoption of Board Calendar

ITEM NO. 07-86

EXHIBIT: None

Background:

At its meeting on November 6, 2007, the Board established the December 11, 2007, meeting as the time for the Annual Organizational Meeting required by the Education Code.

The following officers are elected for a one-year term, and representatives are to be elected to serve for the next year, unless otherwise indicated:

President
Vice President
Secretary

Board Representative, Fresno County Committee on School District Organization.

Represents the District, as a voting member, at a meeting called once each year by the Fresno County Superintendent of Schools.

(Current representative is Trustee Thonesen.)

The County is also asking that an alternate voting member be named. The Board will need to appoint an alternate voting member at the December 11, 2007, meeting.

(Current alternate is Trustee D. Smith.)

Board Representative, Executive Board of the Madera County School Boards Association.

Represents the District, as a voting member, at meetings called three to four times each year by the Madera County School Boards Association.

(Current representative is Trustee Barreras.)

Legislative Representative

Works with a Countywide Trustee Network, established at the request of the Fresno County School Trustees Association, for the purpose of more effective cooperation with the legislature on behalf of public school needs.

(Current representative is Trustee Thonesen.)

Item No. 07-86 (continued)

Fresno Area Self-Insured Benefits Organization (FASBO, also known as ED CARE)

Meets on the third or fourth Tuesday of each month at Barthuli & Associates in Fresno. Meetings are at 2:00 p.m. Board members review the Administrator's reports, Broker's reports, financial status, authorize expenditures, establish policy, and hear appeals. (Current representative is Trustee Forhan.)

Two Board Representatives for the State Center Community College Foundation Board

Attends quarterly meetings, an annual meeting, and a few special events. (Current representatives are Trustee Patterson and Trustee D. Smith.)

Director, Valley Insurance Program JPA

The Board of Directors of the Valley Insurance Program Joint Powers Agency is made up of three appointees from each member district: One Board member and the Vice Chancellor-Finance and Administration with the Director of Finance serving as Alternate Director. There are two full Board meetings each year, one scheduled in February or March and another in September, as well as a two-day strategic planning meeting in July. The current term of the Board representative expires in 2007, and the Board of Trustees should appoint a representative to serve a two-year term.

(Current representative is Trustee Forhan).

PRESENTED TO BOARD OF TRUSTEES

DATE: December 11, 2007

SUBJECT: Consideration of Acknowledgement to Appoint
CSEA Nominee to the Personnel Commission

ITEM NO. 07-56HR

EXHIBIT: None

Background:

The term of Cal Johnson, the CSEA appointed Commissioner, ends December 1, 2007. Mr. Johnson has notified the Personnel Commission and CSEA he will not seek another appointment to the Personnel Commission. CSEA has selected John Veen to be his replacement. Mr. Veen is a former classified employee of the State Center Community College District. While employed with the District he served as the CSEA Chapter President and worked closely with the Personnel Commission. Mr. Veen is currently a Business Representative for the International Union of Operating Engineers. He has also worked for the Service Employees International Union. According to Education Code Section 88066 and State Center Community College District Personnel Commission Rule 2.2(b), the Board shall appoint the CSEA nominee unless CSEA voluntarily withdraws the name of the nominee.

Recommendation:

It is recommended that the Board of Trustees acknowledge the appointment of Mr. John Veen as the CSEA appointee to the Personnel Commission to serve the term, December 1, 2007-December 1, 2010, on the State Center Community College District Personnel Commission.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 11, 2007

SUBJECT: Consideration of Acknowledgement of Stipulation that Robert R. Bergeson Shall Act as Arbitrator in Termination of Tenure Faculty Member, Pursuant to Education Code Section 87674

ITEM NO. 07-57HR

EXHIBIT: None

Background:

On August 7, 2007 the Board of Trustees approved a recommendation to terminate a tenure faculty member (ID#11112). Through the grievance/arbitration process, this employee has appealed the decision for termination. The District and counsel for the terminated employee have jointly selected Robert R. Bergeson, arbitrator, to hear this matter. Pursuant to Education Code Section 87674, it is necessary for the Board to take action to enter into a written stipulation acknowledging the joint selection of the arbitrator who will assume complete and sole jurisdiction over the matter.

Recommendation:

It is recommended the Board of Trustees acknowledge the stipulation that Robert R. Bergeson shall act as arbitrator in the termination of tenure faculty member (ID#11112) pursuant to Education Code Section 87674.

DATE: December 11, 2007

SUBJECT: Consideration to Approve New Position of
Police Officer, North Centers

ITEM NO. 07-58HR

EXHIBIT: None

Background:

The North Centers are in need of a full-time police officer. The student population of Willow International, Clovis, and Madera Centers exceeds 6,700 students. Currently, calls for police service during daytime hours are handled by an officer from the Fresno City College campus. The driving time to these campuses is at a minimum of 25 minutes. The presence of a full-time officer will allow the department to have a proactive presence at the North Centers. This position will be funded from the 2007-08 General Fund budget.

Police Officer Examples of Duties:

Duties include investigating criminal activity, apprehending law violators, controlling dangerous and violent persons, operating emergency vehicles within legal guidelines, conducting plant security inspections, assisting staff and public with directions, unlocking or jumpstarting vehicles, and investigating non-criminal incidents. Police officers may be required to perform other duties such as field training officer, firearms and tactical weapons instructor, first aid and CPR training, background investigations, and other related duties as assigned.

Recommendation:

It is recommended the Board of Trustees approve a full-time Police Officer position at the North Centers effective December 12, 2007.

SUBJECT: Consideration to Approve New Positions of
Lead Custodian and Groundskeeper I,
Willow International Center

ITEM NO. 07-59HR

EXHIBIT: None

Background:

The Willow International Center is in need of two new positions: a full-time Lead Custodian and a full-time Groundskeeper I. These positions are needed based on the completion of the 80,000 square-foot academic building and new central plant, the 11,000 square-foot child development center and the 5,000 square-foot food service and bookstore facility, as well as 30 acres of landscaped area, a child development play yard, 12 acres of parking lots and roadways, 60 acres of undeveloped land, and 1.5 miles of street right-of-ways. These positions will be funded from the 2007-08 General Fund budget.

Lead Custodian Example of Duties:

Duties include leading, training and monitoring employees in the performance of custodial duties including emptying trash containers, cleaning chalkboards, arranging furniture, dusting, cleaning, disinfecting and restocking restrooms, sweeping and mopping floors, vacuuming carpet, washing windows, stripping and waxing floors. Performs other related duties as needed.

Groundskeeper I Example of Duties:

Duties include mowing lawns, trimming shrubbery, pruning trees, general cleanup on campus, raking and weeding flowerbeds, applying pesticides and fertilizer, repairing and maintaining irrigation systems, assisting in the preparation of sports turf, planting of new shrubs, trees or plants, maintenance of the campus grounds, participating in seminars, workshops or other training opportunities. Performs other related duties as needed.

Recommendation:

It is recommended the Board of Trustees approve a full-time Lead Custodian position and a full-time Groundskeeper I position at the Willow International Center effective December 12, 2007.

NONCREDIT

1. **Manufacturing Mechanic CTC 351, Introduction to Manufacturing, 0 units, 9 lecture hours, (1 week), (Pass/No Pass), (Repeats = 3). Prerequisite: None.**
Careers in manufacturing, local job market, pay scales; basic mechanical skills required throughout the industrial areas; safety and safe working environment will be stressed. **(Voc) (Unique)**
2. **Manufacturing Mechanic CTC 352A, Trade Mathematics, 0 units, 18 lecture hours, (2 weeks), (Pass/No Pass), (Repeats = 3). Prerequisite: None.**
Industrial technology and trade-related math. The use of metric system of weights and measures, arithmetic application of integers and fractions, along with ruler and caliper readings commonly used in manufacturing trades. **(Voc) (Unique)**
3. **Manufacturing Mechanic CTC 352B, Programmable Controllers, 0 units, 4.5 lecture hours, 13.5 lab hours, (2 weeks), (Pass/No Pass), (Repeats = 3). Prerequisite: None.**
An introduction to the equipment and peripheral devices used to interface with industrial controlling devices. **(Voc) (Unique)**
4. **Manufacturing Mechanic CTC 352C, Job Preparation, 0 units, 4.5 lecture hours, 13.5 lab hours, (2 weeks), (Pass/No Pass), (Repeats = 3). Advisory: Completion of Manufacturing Mechanic CTC 352B.**
Preparing resumes, portfolios, and improving employment-seeking skills. **(Voc) (Unique)**
5. **Manufacturing Mechanic CTC 352D, Technical Report Writing, 0 units, 4.5 lecture hours, 13.5 lab hours, (2 weeks), (Pass/No Pass), (Repeats = 3). Advisory: Completion of Manufacturing Mechanic CTC 352B.**
Identify and write various types of reports; analyze data, and record information that are associated with production work. **(Voc) (Unique)**
6. **Manufacturing Mechanic CTC 353A, Fluid Power Fundamentals, 0 units, 9 lecture hours, (1 week), (Pass/No Pass), (Repeats = 3). Prerequisite: None.**
Fundamentals of fluid power; physics principles pertaining to fluid power; various differences in hydraulics and pneumatics; characteristics of liquids and gases; how and why the fluid power industry was started. **(Voc) (Unique)**
7. **Manufacturing Mechanic CTC 353B, Pneumatic Fundamentals, 0 units, 4.5 lecture hours, 13.5 lab hours, (2 weeks), (Pass/No Pass), (Repeats = 3). Advisory: Completion of Manufacturing Mechanic CTC 353A.**
Theory and application in the operation, service, and function of pneumatic systems including design and application of systems in industrial environments. **(Voc) (Unique)**
8. **Manufacturing Mechanic CTC 353C, Hydraulic Fundamentals, 0 units, 4.5 lecture hours, 13.5 lab hours, (2 weeks), (Pass/No Pass), (Repeats = 3). Advisory: Completion of Manufacturing Mechanic CTC 353A.**
Theory and application in the operation, service, and function of hydraulic systems including design and application of systems in industrial environments. **(Voc) (Unique)**
9. **Manufacturing Mechanic CTC 354A, Power Transmission, 0 units, 9 lecture hours, (1 week), (Pass/No Pass), (Repeats = 3). Prerequisite: None.**
Study and application of power transmission through chains, belts, gear trains and augers. **(Voc) (Unique)**
10. **Manufacturing Mechanic CTC 354B, Welding Fundamentals, 0 units, 4.5 lecture hours, 40.5 lab hours, (3 weeks), (Pass/No Pass), (Repeats = 3). Advisory: Completion of Manufacturing Mechanic CTC 354A.**
Basic metallurgy and properties of metals, oxyacetylene welding and cutting processes, arc welding, and safety within the work environment. **(Voc) (Unique)**

11. **Manufacturing Mechanic CTC 354C, Electrical Fundamentals, 0 units, 4.5 lecture hours, 40.5 lab hours, (3 weeks), (Pass/No Pass), (Repeats = 3). Advisory: Completion of Manufacturing Mechanic CTC 354A.**
Introduction to the basics of electrical fundamentals, AC circuitry, as well as an introduction to motor control. (Voc)

CREDIT, DEGREE APPLICABLE, TRANSFERABLE

1. **Real Estate 55, Elements of Residential Design and Structure, 3 units, 3 lecture hours. (Voc) (Unique)**
This class has not been offered for sometime and is not a requirement under any of the existing Real Estate Program Options.
2. **Real Estate 61, Escrow Practices, 3 units, 3 lecture hours. (Voc) (Unique)**
This course is being deleted from the program based upon the recommendation of the Real Estate Program Advisory Committee. At its meeting in April of 2007, the committee recommended that the escrow-related courses in the real estate program curriculum be consolidated into a single course. Real Estate 60 has been revised to incorporate that recommendation.
3. **Real Estate 62, Escrow Problems and Procedures, 3 units, 3 lecture hours. (Voc) (Unique)**
This course is being deleted from the program based upon the recommendation of the Real Estate Program Advisory Committee. At its meeting in April of 2007, the committee recommended that the escrow-related courses in the real estate program curriculum be consolidated into a single course. Real Estate 60 has been revised to incorporate that recommendation.
4. **Theatre Arts 27, Introduction to Scenic and Lighting Design, 4 units, 3 lecture hours, 3 lab hours. (Voc) (Unique)**
Theatre Arts 27 was split into Theatre Arts 27A and 27B. The hope of this split is to closer align the class to the way most four year institutions teach the material. It is hoped that students will get a more in depth understanding of the material by teaching it over two semesters.
5. **Theater Arts 33, Shakespeare in Performance, 3 units, 3 lecture hours. (Unique)**
It has been five years since this course has been offered.
6. **Theatre Arts 37, Fashion History, 3 units, 3 lecture hours. (Voc) (Unique)**
This class has not been taught in our department in the last five years.

**Agriculture Business (VOC)
Associate in Science Degree**

This Associate in Science Degree combines an in-depth understanding of business principles with a breadth of agricultural knowledge. Students will be able to work within the increasingly complex business operations of production agriculture and agribusinesses. Students will make fundamental management decisions concerning resource allocation, apply the five decision-making steps in solving a practical farm problem, compute fixed and variable costs associated with production agriculture operations, predict the effects of changes in supply and demand on market prices of commodities, select appropriate computer applications as a management tool for agricultural businesses, effectively market agricultural products and services, record financial transactions in accordance with fundamental accounting principles, and analyze financial records to determine the solvency of a business.

Environmental Horticulture (VOC)

Associate in Science Degree

Upon completion of the program of study students will have developed skills and competencies in landscape installation & maintenance, nursery propagation & production, pest identification & control, irrigation principles, and computer applications; turf & irrigation management, soils, and pest identification & control; and landscape horticulture, design & estimation process, and plant materials usage. Beyond these entry to mid level technical skills also attainable in the Environmental Horticulture Certificate of Achievement, this AS degree program allows students who complete it to develop those skills within a broader academic context that both enhances those skills and better prepares students to assume responsibility for leadership and management positions in horticultural business organizations and/or governmental agencies such as landscape contracting, landscape and grounds maintenance, landscape design, retail and wholesale nursery operations, golf course and sports turf management, pest control, floral design, and other industry areas.

Environmental Horticulture (VOC)

Certificate of Achievement

These programs will provide students with the skills necessary for entry level employment in the nursery and landscaping career pathway; sports and recreation turf, and irrigation management career pathway; or landscape design career pathway. Industry topics of the California Certified Nursery Professional (CCN Pro) and California Certified Landscape Technician (CLT) Certification programs are infused into the instructional elements of the courses.

The **Certificate of Completion** programs provides knowledge and competencies for students who seek employment in the Environmental Horticulture field with Options in: **Nursery & Landscaping, Turf & Irrigation Management, or Landscape Design** with emphasis on key components of the respective industry areas.

Upon completion of the program of study, students will have developed skills in one of the following:

Nursery & Landscaping Option – planting & maintaining landscape areas, propagating & growing plants, identifying & controlling pests, installing & repairing irrigation systems, and applying computer skills to become future landscape contractors, plant propagators, nursery sales associates, pest control applicators, and gardeners;

Turf & Irrigation Management Option – planting & managing turf areas, installing & repairing irrigation systems, and identifying & controlling pests to become future golf course superintendents, sports turf managers, grounds maintenance managers, irrigation contractors, water managers, and sales representatives;

Landscape Design Option – landscaping horticulture, designing & estimating cost, and using plant materials to become future horticulturists, landscape designers, project estimators, landscape construction managers, and garden consultants.

Forestry/Natural Resources (VOC)

Associate in Science Degree

The Associate in Science Degree in forestry and Natural Resources is designed to provide students with the knowledge, training, and hands-on experience necessary to pursue a career in Natural Resources. Students are exposed to the guiding principles and philosophies of forestry and natural resource management in the context of ecosystem management. Following completion of this program, students will have the specialized training and technical skills for entry-level positions that can lead to accelerated advancement into supervisory and/or management positions. Opportunities exist within private, state and national park systems, and other resource agencies such as the California Department of Fish and Game, Cal Fire, U.S. Forest Service, and the U.S. Fish and Wildlife Service. Careers abound in the areas of fire suppression and management, outdoor recreation, interpretation, wildlife management, forest surveying, and watershed management.

ITEM NO. 07-133G

EXHIBIT: None

Background:

Fresno City College is requesting Board approval for out-of-country travel for music department and concert band students to travel to Italy to perform at three evening concerts as part of the American Celebration of Music in Italy. They will depart on June 8, 2008, and return June 17, 2008. The advisor accompanying the students will be Gary Deeter. The students will be traveling at no cost to the District.

Recommendation:

It is recommended that the Board of Trustees approve out-of-country travel for Fresno City College music department and concert band students to travel to Italy to perform as part of the American Celebration of Music in Italy from June 8, 2008, through June 17, 2008, with the understanding that the trip will be financed without requiring expenditures of District funds.

Background:

With the passage of Measure E in November 2002, the State Center Community College District established a Citizens' Bond Oversight Committee, as required under law (Local School Construction Bond Act of 2000), and in 2003 the Board of Trustees adopted the Citizens' Bond Oversight Committee Bylaws.

It is the recommendation of the administration to appoint Audrey Redmond for a term ending on June 30, 2009. Ms. Redmond is a resident of Fresno. As previously mentioned, the Citizens' Bond Oversight Committee membership can be of a flexible size but must have at least seven members, representing specific interest groups in the community. Ms. Redmond's appointment will increase the Committee's membership to eight.

If Board members wish to nominate a member, they may do so by contacting Douglas Brinkley, who will follow through on recommendations. In the spring of 2008 the administration will also request nominations for Citizens' Bond Oversight Committee members to serve terms which will begin in July 2008 and end in June 2010.

Recommendation:

It is recommended that the Board of Trustees appoint Audrey Redmond to the Citizens' Bond Oversight Committee for a term ending on June 30, 2009.

I. Executive Summary

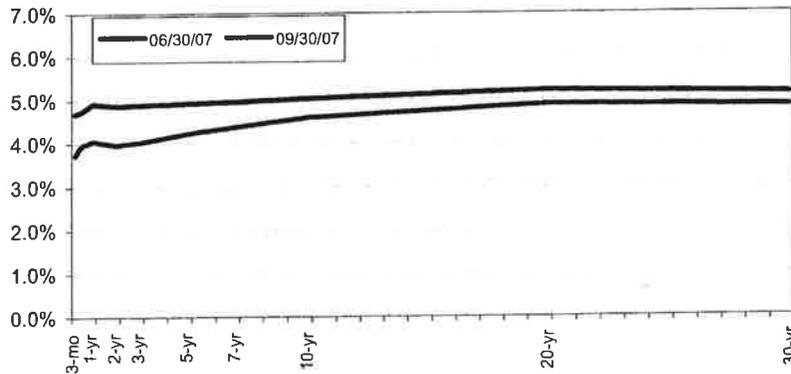

Introduction

This is the Compliance Review of the County of Fresno’s Treasurer’s Investment Pool Portfolio for the period ended September 30, 2007, pursuant to California Government Code 53646. The report has two primary objectives: (1) to provide information regarding portfolio holdings as to compliance with California Government Code Sections 53601 and 53635, as well as the County Treasurer’s Statement of Investment Policy and (2) to detail portfolio characteristics of the portfolio’s investment holdings.

Quarterly Overview of Markets

During the quarter, the U.S. Treasury curve grew more precipitous as yields decreased across the entire maturity spectrum. At the September 2007 meetings, the Federal Reserve decided to lower its target for the federal funds rate 50 basis points to 4.75%. The Federal Reserve noted that while growth was moderate during the first half of the year, the tightening of credit conditions has the potential to intensify the housing correction and to restrain economic growth more generally. The lowering of the federal funds rate is intended to help forestall some of the adverse effects on the broader economy that might otherwise arise from the disruptions in financial markets and to promote moderate growth over time.

Source: ITI

As indicated on the previous page, during the third quarter of 2007, yields decreased across the entire maturity spectrum. The yield on 1-year Treasury Bonds decreased 86 basis points to 4.05%, while the yield on 30-year Treasury Bonds decreased 29 basis points to 4.83%. The spread between the 1-year Treasury and the 30-year Treasury ended the quarter at 78 basis points, widening from 21 basis points at the end of last quarter. During the quarter, yields on 90-day Certificates of Deposits decreased 11 basis points, and 180-day maturity yields also decreased 23 basis points. The 30-day Commercial Paper decreased 51 basis points from last quarter.

Portfolio Position

The portfolio maintained a weighted maturity of less than 21 months. The County of Fresno Investment Policy (revised December 2006) Section 11.0 recommends a portfolio of securities with a weighted average maturity not to exceed 550 days. Keeping the portfolio within this maturity range minimized its exposure to potential interest rate shifts that can occur in the mid-maturity sectors of the yield curve. The portfolio was oriented towards high quality, with 77.4% of the portfolio's assets invested in risk-free instruments.

Compliance with California Government Codes 53601 & 53635:

The Investment Portfolio is compliant with the **California Government Codes 53601 and 53635**.

Compliance with Treasury Investment Pool Statement of Investment Policy:

The Statement of Investment Policy is more stringent than the California Government Code. As of 9/30/07, the Treasurer's Investment Pool portfolio complied with its Statement of Investment Policy.

Please refer to the next section of the report for a more detailed evaluation of the portfolio in relationship to the California Government Code and the Treasurer's Investment Pool Statement of Investment Policy.

Portfolio Characteristics

The Treasury Pool's portfolio characteristics are indicative of a plan exhibiting a high degree of quality with short-term maturities.

- As of 9/30/07, the portfolio had a market value of \$2.1 billion with an average dollar-weighted quality of "AAA."
- Approximately 77.4% of the portfolio's assets are invested in securities with virtually no credit risk (i.e., U.S. Agencies and cash).
- The dollar weighted average life of the pool is 616 days.
- 17.1% of the portfolio at cost matures within 30 days, 21.5% matures within 90 days, and 29.3% within 180 days (see Appendix for further details).

Based on its relative high quality and near-term liquidity, and assuming no significant changes to pool funding policies, the Treasury Investment Pool is well positioned to meet its expenditure requirements over the next six months.

BlackRock Liquidity Funds: updated 06/20/07; prospectus 2/21/07

To determine T-Fund's net asset value per share, the daily valuation of portfolio securities is performed in accordance with BIMC's matrix pricing policy.

BIMC uses a matrix pricing methodology that is based on pricing tiers called matrix codes, and time cells that extend out the yield curve.

The matrix codes represent how a security trades relative to other securities of the same type. Security prices (yields) represent the bid side of the market and are indicative of where Blackrock would expect to be able to sell that security.

Prices of repurchase agreements come from Bloomberg. BlackRock also checks the data against Broker/Dealers who are major participants in specific money market areas. IDC provides prices for Treasury bills, notes, and bonds.

Portfolio valuations are performed daily. Portfolio managers who are members of the matrix pricing team check data for accuracy. This data feeds the fund accounting system that determines the fund's net asset value per share. The variance to a \$1.00/share is noted and reported to the portfolio manager daily.

Depending on market conditions, the number of matrix codes and the spread between tiers may change. BlackRock reviews these factors periodically and change them as conditions warrant.

GLOSSARY OF TERMS

Average Maturity - The weighted average time to principal repayment. Useful as an approximation of a single maturity where the mean or average maturity is used to describe the life of the instrument.

Bankers Acceptance - Money market instrument created from transactions involving foreign trade. In its simplest form, a bankers acceptance is a check, drawn on bank by an importer or exporter of goods.

Basis Point - 1/100th of 1%.

Certificate of Deposit - A short term money market instrument representing a receipt from a bank for a deposit at a specified rate of interest for a specified period of time.

Coupon Rate - The annual interest paid of a fixed-income instrument.

Commercial Paper - Money Market instrument representing a short-term promissory note of a large corporation at a specified rate of return for a specified period of time.

Current Yield - A bond's coupon expressed as a percentage of the bond's market price.

Discount Rate - The interest rate used to translate a future value into a present value.

Duration - Often times referred to as Macaulay's duration is a fixed income measure of price sensitivity to changes in yields. It is calculated by taking a weighted average of the time periods to receipt of the present value of the cash flows from a fixed income instrument.

Federal Home Loan Mortgage Corporation - Also known as "FHLMC" and Freddie Mac. FHLMC is a Private Corporation authorized by Congress, which sells notes, participation certificates and other mortgage obligations backed by mortgage pools.

Federal National Mortgage Association - Also known as "FNMA" and Fannie Mae. A private corporation which buys and sells residential mortgages insured by FHA or guaranteed by VA. FNMA also issues notes, participation certificates and other mortgage obligations backed by mortgage pools.

Government National Mortgage Corporation - Also known as "GNMA" and Ginnie Mae. A wholly-owned U.S. government corporation. GNMA issues and guarantees mortgage-backed securities which are backed by the full faith and credit of the United States Government.

Repurchase Agreement - Short term collateralized loan at a specified rate for a specified period, used by large investors as an alternative for cash investments.

Yield to Maturity - The internal rate of return of a standard bond held to maturity.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 11, 2007

SUBJECT: Consideration to Approve 2008-09
Residence Hall Rate, Reedley College

ITEM NO. 07-143G

EXHIBIT: None

Background:

It is necessary that the residence hall rental rate at Reedley College be established early in order that the information may be included in the college publications so that incoming students for 2008-09 can be properly informed. Because of an increase in the cost of operations, it is appropriate to raise the fees for the 2008-09 academic year. The current rental rate is \$2,480 (\$1,240 per semester), plus a nonrefundable contract fee of \$135. It is proposed that the 2008-09 residence hall rental rate be established at \$2,620 (\$1,310 per semester), plus a nonrefundable contract fee of \$140.

Fiscal Impact:

Dormitory Fund Revenue Increase: \$24,500

Recommendation:

It is recommended that the Board of Trustees establish the residence hall annual rate for 2008-09 at \$2,620 plus a nonrefundable contract fee of \$140.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 11, 2007

SUBJECT: Consideration to Approve Schedule of
Materials Fees, Fresno City College and
Reedley College

ITEM NO. 07-144G

EXHIBIT: Materials Fee Schedules

Background:

Title V of the California Code of Regulations allows districts to charge instructional materials fees for materials which are of continuing value to the students outside of the classroom setting, including, but not limited to, textbooks, tools, equipment, clothing, and those materials which are necessary for a student's vocational training and employment.

Many of the non-credit courses and various credit courses provide programs that are appropriate for assessment of an instructional materials fee. These programs include such items as woodworking projects, flower arranging, ceramics projects, and welding projects. Because these materials are of continuing value to the students and in most cases are retained by the students, it is appropriate to charge a materials fee. It should be noted that the fee cannot exceed the actual cost of the materials provided and cannot be a prerequisite to taking the available class. In order to provide courses of this nature, the District must rely upon the students paying the expenses for the value of the personal items; therefore, it is necessary for the Board of Trustees to adopt an instructional materials fee schedule for assessment of the appropriate fee.

Fiscal Impact:

None

Recommendation:

It is recommended that the Board of Trustees approve the Schedule of Materials Fees for Fresno City College and Reedley College.

Background:

The Workforce Investment Act provides funding for various programs to facilitate increased employment opportunities and placements for students in the various counties serving State Center Community College District. One of the programs eligible for Workforce Investment Board dollars is the reimbursement of student fees and costs associated with attending college training programs. The District is requesting authorization to enter into an Agreement with the Fresno Area Workforce Investment Corporation to allow eligible Workforce Investment Act clients to attend training programs at Fresno City College. The Agreement is effective for the period July 1, 2007, through June 30, 2009.

Recommendation:

It is recommended that the Board of Trustees:

- a) authorize the District, on behalf of Fresno City College, to enter into an Agreement with the Fresno Area Workforce Investment Corporation to provide occupational skills training to eligible Workforce Investment Act clients in exchange for the reimbursement of student training and tuition costs for the period July 1, 2007, through June 30, 2009;
- b) authorize renewal of the Agreement with similar terms and conditions; and
- c) authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign the Agreement on behalf of the District.

PRESENTED TO BOARD OF TRUSTEES

DATE: June 28, 2005

SUBJECT: Consideration to Adopt Resolutions of
Exemplary Service, Personnel Commissioners

ITEM NO. 07-87

EXHIBIT: Resolutions

Background:

State Center Community College District relies on the willingness of community members to serve on various committees and commissions associated with the District. Compensation for service for these appointments is minimal and certainly does not exceed the time commitment and expertise needed to fulfill the duties the positions require. The Board of Trustees would like to recognize individuals for their service to the District by adopting formal resolutions to acknowledge the contributions these dedicated volunteers have made for past service. The Board is being presented with two resolutions to recognize the contributions of the following individuals: Lindsay "Cal" Johnson, former Personnel Commissioner, and Patt Taylor, former Personnel Commissioner.

Recommendation:

It is recommended that the Board of Trustees adopt the Resolutions of Exemplary Service for Lindsay "Cal" Johnson, former Personnel Commissioner, and Patt Taylor, former Personnel Commissioner

RESOLUTION NO. 2007-25 HONORING LINDSAY "CAL" JOHNSON FOR
EXEMPLARY SERVICE AS A MEMBER OF THE STATE CENTER COMMUNITY
COLLEGE DISTRICT PERSONNEL COMMISSION

- WHEREAS: Lindsay "Cal" Johnson has served the State Center Community College District Personnel Commission from 2005 to 2007; and
- WHEREAS: he has faithfully upheld the principles on which the merit system is based; and
- WHEREAS: he has unselfishly represented the California School Employees Association as their Commission designee; and
- WHEREAS: he has actively promoted the Commission's mission through countless hours of dedicated service; and
- WHEREAS: he has served as a strong advocate for fairness and equity for all employees; and
- WHEREAS: he has demonstrated his commitment to the District and to the employees he represents.

THEREFORE BE IT RESOLVED, that the Board of Trustees of State Center Community College District does hereby recognize and acknowledge the contributions and efforts made by Lindsay "Cal" Johnson over his years of dedicated service to the State Center Community College District Personnel Commission.

The foregoing Resolution was passed and adopted at a regular meeting of the Governing Board on December 11, 2007, by the following vote:

SUBJECT: Presentation of Draft
SCCCD 2008 Strategic Plan

ITEM NO. 07-88

EXHIBIT: Draft SCCCD 2008 Strategic Plan

Background:

The District is submitting a draft of the SCCCD 2008 Strategic Plan for the Board of Trustees' review. Five strategic areas have been addressed through the work of committee members representing all stakeholder groups throughout the District. In addition, on October 29, 2007, the District hosted a charrette involving faculty, staff, administration and community leaders representing business, education and non-profit sectors. The purpose of the charrette was to provide additional insight and commentary to the initial draft. After review by the Board of Trustees, the District will submit a final plan for approval at the January 8, 2008, Board meeting.

Mission, Vision and Core Values

MISSION

State Center Community College District is committed to lifelong learning and success for all students by providing accountable, accessible, innovative and quality educational programs and services that enable productive citizenship in a diverse, global society.

VISION

State Center Community College District will be recognized as the regional leader in educational programs and services in response to an ever-changing world.

CORE VALUES

State Center Community College District values:

- Inlusiveness – The District values diversity and creates a respectful and welcoming environment for all.
- Excellence – The District fosters an environment that promotes and sustains high quality programs and services.
- Accountability – The District accepts responsibility for achieving stated objectives as measured by the collection, maintenance and analysis of reliable data.
- Integrity – The District adheres to established policies, practices and professional standards and promotes fairness and transparency to instill public confidence.
- Continuous Improvement – The District is engaged in review and design of incremental changes to improve products and services for all constituents.
- Participation – The District encourages positive engagement in its activities and processes and works to eliminate real or perceived barriers to involvement.
- Stewardship – The District is committed to the enhancement, preservation, conservation and effective utilization of its resources.
- Collaboration – The District works to develop productive relationships with its constituents by sharing knowledge and building consensus.

1. Access and Awareness

State Center Community College District is committed to the success of the adopted mission and vision. The District seeks knowledge of the constituencies served, the needs of students and employees, and its role in the communities. At each of the campuses and centers, the District encourages students to enter a pathway to success. The District will promote programs and services that establish immediate recognition in all educational communities, pre-kindergarten through university, public agencies, the business community, and to all residents throughout the region. The District ensures a consistent message and image that encourages everyone to engage in life-long learning. As an organization, it provides opportunities for students to master the learning outcomes that will prepare for success in the family, workforce, and the local and global communities.

Goal: State Center Community College District will be the learning institution of choice in its service area.

Objective 1.1

Increase enrollment, retention and persistence as reflected in the Accountability Report for Community Colleges.

Objective 1.2

Establish a baseline and demonstrate improvement of student processes used in admissions, orientation assessment and testing which address the needs of a diverse student population.

Objective 1.3

Establish a baseline and improve student support services throughout the district, including outreach and recruitment; retention; academic and career-occupational advising; and co-curricular, social and career activities.

2. Excellence in Teaching and Learning

Central to the State Center Community College District mission is the pursuit of excellence in teaching and learning. The District believes in life-long learning and continuous improvement of teaching and learning. All members of the organization participate in the effort to pursue excellence in teaching and learning. The District will commit energies and resources in response to the needs of its constituents seeking to increase their knowledge and improve their skills. The District seeks to support teachers in their pedagogical practice and students in the achievement of their goals. Evaluation and assessment of the teaching process and learning outcomes are keys to improvement.

Goal: The District will promote excellent teaching and learning in all of its colleges and centers, provide them data and support, and celebrate success and improvement.

Objective 2.1

Increase the persistence rate of students, as measured by the Accountability Report for Community Colleges.

Objective 2.2

Increase the student progress and achievement rate, as measured by the Accountability Report for Community Colleges.

Objective 2.3

Establish a baseline and improve the course completion rates of pre-collegiate and basic skills of students.

3. Workforce Readiness and Communication

The quality of life in the San Joaquin Valley depends heavily upon the competency and quality of the workforce. State Center Community College District recognizes that the quality of life sought by valley residents is a result of a collaborative effort. By forming partnerships with the business community, service organizations, and other educational institutions, State Center will be the most proactive, agile, and effective educational and training institution in the area.

Goal: State Center Community College District will develop and coordinate its programs and services to meet the needs of the workplace, providing education and training in basic skills, communication, technological expertise and specific job-related competencies.

Objective 3.1

Establish a baseline and expand current partnerships which benefit all stakeholder groups, including both employee and student constituencies.

Objective 3.2

Establish a baseline and increase the course completion rates for credit and non-credit vocational programs.

Objective 3.3

Establish a baseline and increase the number of work experience, internship, apprenticeship, job shadowing and service learning opportunities.

4. System Effectiveness – Planning and Assessment

Planning and assessment are crucial to building an efficient and effective organization. It is for this reason that State Center Community College District is committed to a continual planning process that is assessed annually. This strategic plan calls for ongoing review of District level operations and functions and continuous improvements in providing services to the colleges, centers and community. Working as a team, the SCCCD Board of Trustees, District Office and operations staff, the colleges and centers, community partners and students, will chart the course of the organization. The District will be able to make timely adjustments to its operations and assist the colleges in the coordination and collaboration of their plans.

Goal: State Center Community College District will engage in an ongoing planning process to assess effectiveness and efficiency of its operations.

Objective 4.1

Demonstrate how research and fact-based decision making are used to ensure quality and innovation.

Objective 4.2

Demonstrate that all programs and services meet the needs of our students and other stakeholders as evidenced by student and employer satisfaction surveys.

Objective 4.3

Demonstrate how the educational processes and operations of SCCCD are enhanced through the integration of technology.

5. Resource Development

State Center Community College District prides itself on stewardship of all resources committed to its charge. The District seeks to maximize those resources, human, physical and financial, in service to its students, employees and the community. The District accepts the responsibility to expand those resources, using them wisely and developing them qualitatively and quantitatively.

Goal: State Center intends to manage its resources to provide maximum opportunity to its students, employees and community.

Objective 5.1

Increase the diversity of the District workforce to reflect the demographics in the communities we serve.

Objective 5.2

Establish a baseline and increase avenues of internal and external funding for scholarships, capital projects, teaching innovations, and identified District needs.

Objective 5.3

Improve the safety and maintenance of the educational environment to meet the current and future needs of students, staff and communities as measured by student and employee satisfaction surveys.

Objective 5.4

Implement staff development programs that address the goals and objectives of the strategic plan.

Objective 5.5

Continue to be fiscally solvent.

Community Values of the Fresno Region from the Fresno Area Collaborative Regional Initiative

- **Stewardship** – We will lead and follow as stewards of our region, caring responsibly for our community assets. We will work together to achieve the greatest, long-term benefit for the community as a whole.
- **Boundary Crossing and Collaboration** – We are willing to cross political, social, ethnic and economic boundaries and partner with others to achieve community outcomes. We will lead “beyond the walls” to create an inclusive, cohesive community through partnership and collaboration.
- **Commitment to Outcomes** – We are willing to take responsibility for tasks and achieving specified outcomes. We are committed to staying involved until the tasks are completed.
- **“Art of the Possible” Thinking** – We believe that anything is possible in the Fresno Region. We will envision “success without limitations” and then backward map a specific, attainable strategy for achieving that vision.
- **Fact-Based Decision Making** – To the greatest extent possible, we will base decisions and action plans on objective data, thereby avoiding distortion of issues by personal feelings or agendas.
- **Truth Telling** – We value the empowerment of everyone involved, along with all community stakeholders, to honestly and forthrightly share all knowledge, experiences, and insights relative to the work at hand. We take responsibility for ensuring our “truth” is current, not historical. We all share the responsibility for maintaining the truth telling standard.
- **Power Parity** – We respect all persons and recognize that there are diverse viewpoints. Positional power will not determine a strategy or preferred outcome, merit will. Viewpoints from diverse constituencies will be proactively sought to ensure the best possible outcomes for the community.
- **Commitment to Resolving Conflict** – Conflict is inevitable and is sometimes required in order to achieve the best outcomes possible. Healthy conflict involves valuing every individual, regardless of his or her stance on a specific issue, and an unwavering commitment to working through the conflict in a positive manner despite its severity.
- **Asset-Based Approach** – We are focused on using a strengths-based, asset-oriented approach to people and issues. We believe that positive change occurs when we appreciate, value and invest in what is best in our people and community.
- **Conflict of Interest** – We agree to disclose any personal or professional conflict of interest that may affect our objectivity before engaging in work that will impact the community. We seek to avoid even the appearance of impropriety.

Glossary

- **Assessment** – Methods than an institution employs to gather evidence and evaluate quality. (Accrediting Commission for Community and Junior Colleges, 2002)
- **Charrette** – (shär-ret) is from the French noun meaning *cart*. Used in architecture, it refers to an intensive critique and planning session. In the 19th century at the École des Beaux-Arts in Paris, student architects collected their project materials for final jurying by the faculty, seated themselves on a charrette and were pulled by other would-be architects to their examination. Along the way, in a kind of intensive planning process, the group would join their talents and background to critique and redesign the preliminary architectural plan or solution, despite the short time available. Thus, the charrette process came to be an assembly of professional architects and students who would jointly analyze a major design problem, develop a number of solutions to the problem, critique these, and select the best. The charrette brought a number of architectural talents, interests, biases, and resources to bear at one time on an important problem.
- **Strategic Planning** – A disciplined effort to produce fundamental decisions and actions that shape and guide what an organization (or other entity) is, what it does, and why it does it. At its best, strategic planning requires broad scale information gathering, an exploration of alternatives, and an emphasis on the future implications of present decisions. It can facilitate communication and participation, accommodate divergent interests and values, and foster orderly decision making and successful implementation. (Olson and Eadie, 1982)
- **Student Learning Outcomes** – Knowledge, skills and attitudes that a student has attained at the end (or as a result) of his or her engagement in a particular set of collegiate experiences. (Accrediting Commission for Community and Junior Colleges, 2002)
- **Key Performance Indicators (KPI's)** – Financial and non-financial quantifiable measures used to determine to what extent an objective has been achieved. KPI's reflect the organization's goals and differ from one organization to another based on the nature of the organization and its mission. They help an organization measure its progress towards achieving goals. Key performance indicators rely on consistent and accurate data. (Reh, F. John. "Glossary of Business Management Terms")
- **Pedagogy** – The art and science of educating students. Effective teaching strategies, influenced by the educational philosophy of the teacher, are determined by the students' knowledge, experiences and environment. "This complex combination of skills and abilities is integrated in the professional teaching standards that also include essential knowledge, dispositions, and commitments that allow educators to practice at a high level." (National Board for Professional Teaching Standards)
- **Stakeholders** – Individuals or organizations who stand to gain or lose from the success or failure of a system. (Nuseibeh and Easterbrook, 2000)

PRESENTED TO BOARD OF TRUSTEES

DATE: December 11, 2007

SUBJECT: Consideration of Bids, Block Wall
Construction, Old Administration Building,
Fresno City College

ITEM NO. 07-89

EXHIBIT: None

Background:

Bid #0708-15 is for the labor and materials necessary to construct a concrete block wall and other related improvements for a new trash compactor to be located west of the cafeteria at the Fresno City College campus. Approved plans for the construction of the Old Administration Building (OAB) central plant made it necessary to move the existing trash compactor and greenwaste container to the interior of the campus. These project plans also require that a new compactor for foodservice be located behind the cafeteria adjacent to the loading dock. The work of this project will prepare the site for this new trash compactor and, as noted in the Final Environmental Impact Report, provides for construction of a 10-foot-high by 32-foot-long solid block wall along the north side of the compactor for acoustic and visual screening purposes. Also included in this project are foundation and concrete improvements, the extension of the existing loading dock, and related paving and utility work in support of the new trash compactor.

Funding for this project will be provided by Measure E General Obligation Bond Funds. Bids were received from four (4) contractors as follows:

<u>Bidder</u>	<u>Bid Amount</u>
The HC Brock Company	\$ 89,000.00
Celtic Construction, Inc.	\$107,056.00
Stan Phillips Concrete Const., Inc.	\$119,000.00
FM Diaz Construction, Inc.	\$130,000.00

Fiscal Impact:

\$89,000.00 – Measure E General Obligation Bond Funds

ITEM NO. 07-89 - Continued

Recommendation:

It is recommended that the Board of Trustees award Bid #0708-15 in the amount of \$89,000.00 to The HC Brock Company, the lowest responsible bidder for the Block Wall Construction at the Old Administration Building, Fresno City College, and authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign an Agreement on behalf of the District.
