Approval of Minutes

The minutes of the regular Board meeting of June 1, 2010, were presented for approval. A motion was made by Ms. Smith and seconded by Ms. Barreras to approve the minutes of the regular Board meeting of June 1, 2010, as presented. Ms. Smith made a correction to the minutes to include the statement she had made in her June 1 report that she attended the Fresno City College graduation on May 21. The motion carried unanimously, absent Mr. Smith, to approve the minutes of the June 1, 2010 Board of Trustees meeting, as corrected.

Delegations, Petitions, and Communications

Mr. Patterson recognized Mr. Zwi Reznik, who requested to address the Board of Trustees.

Mr. Reznik said that on the occasion of his last Board meeting he is attending as State Center Federation of Teachers President, he wanted to take the opportunity to say goodbye. Since he is not an employee of the SCCC anymore and has not been since May 21, 2010, he did want to introduce the new Federation President, Dr. Lacy Barnes of the Reedley College psychology department, who will be occupying the SCFT seat starting in August and will be interacting with the Board of Trustees over the next several years.

Chancellor's Report

Dr. Deborah G. Blue, SCCC Chancellor, reported the following:

- Federal Grant—Department of Labor – On June 29, SCCC received good news from Washington, DC. Nearly \$3 million of federal grant money is on the way to help train people for jobs in the health-care field. State Center is one of 41 organizations nationwide to receive a share of approximately \$125 million allocation from the U.S. Department of Labor's Community-Based Job

Chancellor's Report  
(continued)

Training Grant program. The purpose of the grant is to train people in high-unemployment areas in health care, including surgical technician and nursing. State Center will serve as the lead administrator for the grant and will partner with West Hills Community College, as well as the Fresno and Madera Workforce Investment Boards. SCCCD is waiting for the federal contracts to come in for implementation. In the meantime, the campuses are gearing up for the grant and more details will be shared later.

- Leadership State Center – This is the tenth year for Leadership State Center. Class X is starting this summer and Dr. Blue will have the privilege to attend that first meeting with the presidents and vice chancellor for the kickoff of this year's classified professionals development program. It is very impressive in what has been done with the program and what is still being done by Dr. Janice Emerzian. The program has received many awards, and Dr. Blue stated she is very proud to now be a part of this initiative. The date for the tenth anniversary awards ceremony is December 3, 2010.
- Summer School Enrollment – Dr. Blue has had the opportunity to begin looking at some of the enrollment data for summer and reported that the numbers are down by design as had been intentionally planned, including the discontinuance of the four-week summer session. The six-week, eight-week and ten-week classes are at full capacity. Enrollment management strategies that have been implemented at the campuses are going as was planned. Chancellor Blue said that it is going to be a continuing challenge that is also an opportunity to become much more strategic in how we manage enrollment by trying to balance keeping access and opportunity available to the communities that we serve, but, at the same time, being fiscally prudent in the way that we go about doing that.

In conclusion, Dr. Blue reflected on her first day at SCCCD as Chancellor stating that it has been an exciting day. Everyone has been very welcoming and available to respond with answers to her questions. Dr. Blue said she sincerely thanks the Board of Trustees, and the entire State Center community for a warm welcome and being exemplary employees and colleagues, and is looking forward to many more exciting days to come.

Campus Reports

Dr. Cynthia Azari, Fresno City College President, reported the following from Fresno City College:

- Centennial – The Fresno City College Convocation will be held, Friday, September 10 at 9 a.m. at Radcliffe Stadium. The Board members have received a save-the-date card. This academic gathering will include local, state, and national dignitaries. State Chancellor, Jack Scott, has confirmed his attendance. Invitations for this event will be forthcoming.
- Resolution – Mira Costa Community College District has passed a resolution recognizing FCC's 100<sup>th</sup> anniversary.
- Ram Ready – On July 17, FCC will host the inaugural Ram Ready Welcome Day, which is a new orientation for the registration-to-go students.
- Art Exhibit – Production Manager Richard Harrison has an exhibit of his photos at the Spectrum Art Gallery throughout July.
- Fresno Athletic Hall of Fame – The 1955 State Champion Basketball team will be inducted into the Fresno Athletic Hall of Fame on November 4.
- Memorial Benches – Two benches in honor of the late Dr. Art Elish were placed in front of the FCC library. Dr. Elish, former FCC dean of instruction, passed away in 2009. The benches were funded by contributions from his colleagues.

Dr. Barbara Hioco, Reedley College President, reported the following from Reedley College:

- Upward Bound – RC Upward Bound hosted 150 Upward Bound middle school and high school participants in the six-week summer bridge activities as part of the grant. The Upward Bound Awards Banquet is July 21.
- TRiO – RC hosted the Central California TRiO program Summer Jam, which brought 700 Upward Bound Students from colleges and universities to campus.
- Student Awards – Nine RC students earned awards at the 5<sup>th</sup> Annual Student Film and Video Festival.
- Youth Leadership – College Center Coordinator Adelfa Lorenzano was appointed to the Youth Leadership Executive Board, which designs and implements community-based leadership programs in the areas of drug/alcohol abuse prevention, philanthropy, and civic engagement.
- Accreditation – RC completed both a student survey and a faculty/staff survey. The results will be used by the various

standard committees. Approval has been received to submit a substantive change request in the fall to reflect the growth in online degree programs.

- Associated Student Body – The ASB participated in the “Walk Like MADD event to raise money for MADD.
- K16 Bridge – Dinuba High School has committed to the K16 Bridge program and will be implemented Fall 2010. There are now five high schools as partners in this very successful program.
- Activities – The Jim Bailey Memorial Golf Tournament will be held on August 7 at Valley Oaks Golf Course in Visalia. The 19<sup>th</sup> Annual Athletic Hall of Fame Banquet is at the Reedley Community Center, August 7.

Dr. Terry Kershaw, North Centers Vice Chancellor, reported the following from the North Centers:

- NAEYC Accreditation for Willow CD Lab – The Willow International Child Development Center was granted accreditation on June 11, 2010, from the National Association for the Education of Young Children. The accreditation is valid through July 1, 2015.
- Madera Center Upward Bound Program – The MC Upward Bound Program began its Summer Empowerment Program on June 14. During the six-week summer program, students attend a variety of classes, workshops, and cultural and social activities. The program concludes with a banquet on July 23, at 5 p.m. at the Madera Center.
- Migrant Scholars Program – A two-week academic Migrant Scholars Program for sixty-six 4<sup>th</sup>-8<sup>th</sup> graders is being held at the Willow International Center. The program focuses on English, language arts, health nutrition and arts and provides instruction, career awareness, college exposure, and mentoring.
- CAA Update – The Madera Center Career Advancement Academy program awarded 16 Maintenance Mechanic Certificates of Completion and 10 Pre-Health Careers Certificates of Completion in the Spring 2010 semester.
- Willow International AC2 – The move into the Academic Center Two building at WI is in progress. The move should be completed by the week of July 12. A tour of the facility for the Board of Trustees will be held on August 3 at 3:30 p.m., beginning in the library. The regular Board of Trustees meeting will be held in AC1-150.

Consent Agenda  
Action

Mr. Patterson announced that the Consent Agenda Item 10-20HR Academic Personnel has been amended and copies provided. Before proceeding with the consideration of the Consent Agenda, President Patterson recognized Ms. Barreras for a procedural matter. Ms. Barreras requested Consent Agenda Items 2, and 3 (10-21HR, and 10-22HR) be removed from the consent agenda and considered separately.

Mr. Patterson acknowledged Ms. Barreras' request and stated that Consent Items 2 and 3 (10-21HR and 10-22HR) would be considered separately.

Mr. Patterson called for a motion to approve the consent agenda as presented, excluding Items 2 and 3 (10-21HR and 10-22HR).

It was moved by Ms. Smith and seconded by Mr. Caglia that the Board of Trustees approve Consent Agenda Items 10-20HR, as amended, and 10-52G through 10-69G, as presented.

Ms. Smith asked a question regarding 10-20HR (B) Change of Contractual Duty Days. She said that she understands that reductions in duty days have been made because of budget reductions, but her concern is the importance and the need for counseling services for students and the direct impact it will have on services to students and getting them into classes. She asked if this is a permanent change and what would happen in the future, and if the budget improves, would the duty days also improve.

In the response from staff it was noted that the duty days being changed in the consent item are for DSP&S counselors. The DSP&S budget has experienced a 40 percent reduction. Currently, there has been no indication that the budget situation will improve, but if it does, the assignment of duty days would be looked at again.

Ms. Barreras expressed the need to be very conscientious about what cuts are made to any types of direct services to students, including areas such as tutoring, and to come up with creative ways to keep those services.

Ms. Smith added that she knows that the counselors and professors are doing what they need to do to provide the services, and who work above and beyond, with or without

budget cuts. From her perspective, this is the essence of the majority of the employees, and it is appreciated.

The motion to approve Consent Agenda Items 10-20HR, as amended, and 10-52G through 10-69G, as presented, passed unanimously, absent Mr. Smith.

Ms. Barreras stated that she is currently serving in a temporary internship with the CSEA, the exclusive bargaining representative for the classified employees of the District, and so must recuse herself from consideration of these matters as they may involve CSEA's representation of classified employees. She also noted that later on the agenda there is a closed session item for conference with labor negotiator regarding the District's ongoing labor negotiations with CSEA and the faculty bargaining unit. She recuses herself from the portion of closed session Item B concerning the CSEA contract and from the salary and medical benefits provisions of the faculty contract, and will not participate in those deliberations. She does this to prevent the appearance of conflict, on the advice of the District's counsel.

Mr. Patterson noted Ms. Barreras statement for the record, and asked for a motion to consider Consent Agenda Items 2 and 3 (10-21HR and 10-22HR), as presented.

It was moved by Ms. Smith and seconded by Mr. Caglia to approve Consent Items 10-21HR and 10-22HR, as presented. There was no discussion on these items. The motion passed by the following vote, and Trustee Barreras abstained from the voting.

Consideration of Bids,  
Emergency Mass  
Notification System,  
Districtwide  
[10-41]  
Action

Item 10-41 was introduced by Mr. Brinkley, and he explained the purpose and function of the emergency mass notification system, and how it would be funded. A motion was made by Mr. Thonesen and seconded by Ms. Smith that the Board of Trustees award Bid #0910-06 in the amount of \$557,874.00 to BMY Construction Group, Inc., the lowest responsible bidder for the Emergency Mass Notification System, Districtwide, and authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign an agreement on behalf of the district.

In the discussion Mr. Patterson stated his concern for the costs of the mass emergency notification system and asked if there was a way to maximize the system by also using it for a dual purpose. There was discussion about the value and purpose of a dedicated emergency mass communication system, what other colleges use this system and why, as well as the staffing, training, and practice drills.

The motion to award Bid #0910-06, as previously motioned and seconded, passed unanimously, absent Mr. Smith.

Consideration to Lease  
Office Space at the Clovis

SUBJECT: Consideration to Authorize Agreement with  
the California Community Colleges Chancellor's  
Office Tax Offset Program

ITEM NO. 10-71G

---

EXHIBIT: None

---

Background:

The California Community Colleges Chancellor's Office has partnered with the State of California Franchise Tax Board to help collect funds owed by students. This program, known as the Chancellor's Office Tax Offset Program (COTOP), has been particularly successful in collecting debts. Collection would be accomplished by having the State of California Franchise Tax Board offset (deduct) the amount owed to SCCCDC from the student's/debtor's personal state income tax refund, lottery winnings, or other state refund. The Franchise Tax Board would remit any amounts offset to the Chancellor's Office, which would then authorize the State Controller to disburse the offset amount, minus a 25% administrative fee, to SCCCDC.

The colleges and campuses notify students several times during the semester and again in the following semester that their accounts are not paid in full. If the attempts to collect from students are unsuccessful, then the campuses capture the student information and the amounts owed and send this data to the State Controller's Office for collection through the Chancellor's Office Tax Offset Program.

This will be the second consecutive year that staff has recommended using COTOP to collect funds owed by students. Last year the District submitted 4,100 accounts worth \$800,798 and collected approximately \$46,300, net of the 25% administration fee.

Recommendation:

It is recommended that the Board of Trustees:

- a) authorize the district to enter into an agreement with the California Community Colleges Chancellor's Office for participation in the Chancellor's Office Tax Offset Program (COTOP); and
- b) authorize future and annual renewal of the agreement with similar terms and conditions

Background:

The Fresno County Department of Social Services wishes to enter into an Independent Living Program (ILP) agreement with State Center Community College District to provide educational training to eligible foster youth. Fresno City College will provide classes and mentoring services for up to 240 foster youth ages 14 to 24 years old to assist in the successful transition from the foster youth program. Funding in the amount of \$41,500 is for the six-month period July 1, 2010, through December 31, 2010.

Recommendation:

It is recommended that the Board of Trustees:

- a) authorize the district, on behalf of Fresno City College, to enter into an agreement with the County of Fresno Department of Social Services to provide basic living skills education and training services for eligible foster youths with funding in the amount of \$41,500 for the period July 1, 2010, through December 31, 2010;
- b) authorize the renewal of the agreement with similar terms and conditions; and
- c) authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign the agreement on behalf of the district.

SUBJECT: Consideration of Bids, Auditorium Seat  
Restoration, Old Administration Building,  
Fresno City College

ITEM NO. 10-45

---

EXHIBIT: None

---

Background:

Bid #0910-17 provides for the complete restoration and installation of 650 fixed chairs inside the Old Administration Building Auditorium at Fresno City College. Since the restoration of historical seating is a highly specialized trade, the selection of a contractor to provide this service was not included with the original bid packages for the OAB. Specifications for this restoration required that in order to retain the historical significance of the facility, the successful contractor must re-use as many of the existing chair components as possible, including existing seat backs, armrests, wood and cast iron standards, support brackets and metal components. Where a sufficient number of existing components are not available, the contractor may fabricate those components to match the existing seating.

Bids were solicited from three pre-approved contractors known to have expertise in the rehabilitation of historical seating. A sample chair crafted from existing inventory of parts was required from each participating contractor for district evaluation purposes. For this recommendation of award, a committee was formed to evaluate the quality of the chair sample, including the historical accuracy, aggressive use of the existing components, comfort and functionality, construction methodology, and the relevant experience of the firms performing the work. This committee consisted of the following representatives: Cynthia Azari, Jothany Blackwood, Tony Cantu, Michael Dana, Michael Guerra, Gurdeep He' Bert, John Hiebert, Christine Miktarian, Olga Quercia, Jewell Riversmith, Brian Speece, Wendell Stephenson, and Randall Vogt.

Evaluation and scoring by the committee showed the chair proposed by Sierra School Equipment Company to best match the intent of the specifications and is the preferred seating solution of the committee for the OAB Auditorium. In addition to having the lowest price, this contractor has partnered with Somerset Studios for the actual restoration of the auditorium seating. Somerset Studios has performed numerous historical seating renovations and was identified as one of the three pre-approved specialty contractors prior to bidding.

ITEM NO. 10-45 - Continued

Page 2

The installation of the restored seating will be scheduled for completion in January 2011. Funding for this project will be provided by the State Center Community College Foundation. Bids were received from two (2) contractors as follows:

<u>Bidder</u>	<u>Award Amount</u>
<b>Sierra School Equipment Company</b>	<b>\$258,725.00</b>
Irwin Seating Company	\$295,435.13

Fiscal Impact:

\$258,725.00 – State Center Community College Foundation

Recommendation:

It is recommended that the Board of Trustees award Bid #0910-17, in the amount of \$258,725.00 to Sierra School Equipment Company, the lowest responsible bidder for the Auditorium Seat Restoration, Old Administration Building, Fresno City College, and authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign an Agreement on behalf of the District.

2012-2016 Five-Year Construction Plan  
and Priority Projects

ITEM NO. 10-46

EXHIBIT: List of Priority Projects

Background:

The State Capital Outlay Program includes various steps to ultimately receive State approval and funding for capital projects as outlined below:

- District prepares and submits an Initial Project Proposal (IPP) to State Chancellor's Office (by July 1).
- State Chancellor's Office reviews IPP and approves or rejects the proposal.
- If IPP is approved, the District is authorized to proceed with the preparation of a Final Project Proposal (FPP) for submission to the State the following year (by September 1).
- State Chancellor's Office reviews FPP and approves or rejects the proposal.
- If FPP is approved, the project will compete with other approved community college FPP's for funding from future statewide education construction bonds on even-numbered years.

In addition to the submission of IPP's and FPP's, the District is required to complete and submit to the Chancellor's Office, on an annual basis, a Five-Year Construction Plan identifying facility footage, space utilization, and proposed construction projects necessary to meet the enrollment and programmatic needs for the five-year period. The Chancellor's Office also requires that all locally funded projects, including those that will be designed and constructed beyond the current five-year period, be identified and included in this Plan.

Enclosed is a listing of District projects, including the Measure E projects, submitted in the Five-Year Plan.

Recommendation:

It is recommended that the Board of Trustees approve submittal of the Five-Year Construction Plan for the years 2012-2016.

                 Submittal of Final Project Proposal, Physical  
                 Education Complex Modernization, Reedley College

EXHIBIT:      Resolution

---

Background:

The State Capital Outlay Program includes various steps to ultimately receive State approval and funding for capital projects as outlined below:

- District prepares and submits an Initial Project Proposal (IPP) to State Chancellor's Office (by July 1).
- State Chancellor's Office reviews IPP and approves or rejects the proposal.
- If IPP is approved, the district is authorized to proceed with the preparation of a Final Project Proposal (FPP) for submission to the State the following year (by July 1).
- State Chancellor's Office reviews FPP and approves or rejects the proposal.
- If FPP is approved, the project will compete with other approved community college FPPs for funding from future statewide education construction bonds on even-numbered years.

At the June 5, 2007, meeting the Board authorized the submittal of an IPP for the physical education complex modernization. The IPP was approved by the State Chancellor's Office for submission of a FPP.

At the June 3, 2008, meeting the Board authorized the submittal of a FPP for the physical education complex modernization. The FPP was not approved for future funding by the State Chancellor's Office based on the total project score. The architect determined that to increase the project score some assignable space had to be moved to inactive space. The architect worked with the college staff to identify square footage which could be moved to inactive space, thus increasing the project score.

At the June 2, 2009, meeting the Board authorized the district to resubmit the FPP for the physical education complex modernization with the change in assignable space to inactive space to the State Chancellor's Office for acceptance and funding from future statewide bonds.

In December of 2009, the district received a response to the June 2009 FPP from the State Chancellor's Office. The response identified renovations that the State Chancellor's Office would not support, which included any space that was specifically used for intercollegiate sports including locker rooms, team rooms, equipment storage rooms, and bleachers. The swimming pool had to be redesigned to meet the maximum size requirements allowable for physical education classes (25 ft X 25 m). The architect with college staff has redesigned and rewritten the FPP to correspond to meet these requirements which has resulted in a decrease in project size from 61,000 gross/46,000 assignable square feet to 25,000 gross/21,700 assignable square feet and a decrease in the total estimated project cost from \$15.1 million to \$10.6 million.

**Project Scope as Redesigned:**

The existing gymnasium complex was constructed in two phases with the first phase in 1956 and the second phase in 1961. The facility does not provide the instructional and support spaces necessary to meet the college's academic needs. This project would modernize the lab, lecture, office and support spaces, including HVAC, electrical, data, and interior finish upgrades. Accessibility throughout the facility will be brought up to current ADA standards; relocation of spaces would improve the function of existing programs. The Final Project Proposal requests 100% funding from the State. The first opportunity for funding would be in 2013 should a 2012 statewide bond be placed on the ballot and approved.

Recommendation:

It is recommended that the Board of Trustees adopt Resolution No. 2010-16, authorizing submittal to the State Chancellor's Office of the Final Project Proposal for the physical education complex modernization at Reedley College.

RESOLUTION NO. 2010-16

OF THE STATE CENTER COMMUNITY COLLEGE DISTRICT  
AUTHORIZATION TO SUBMIT FINAL PROJECT PROPOSAL

WHEREAS, under provisions of Education Code Section 81800, et al., of the California Community College Construction Act of 1980, State Center Community College District is required to submit a Final Project Proposal, as requested, for the 2012-13 fiscal year funding; and

WHEREAS, the requested project is part of the District's 2012-16 Five-Year Construction Plan;

NOW, THEREFORE, BE IT RESOLVED that the President and Secretary of the Board be, and they are hereby, authorized to submit the proposed project, as directed by the Chancellor's Office, California Community Colleges, under said Act, and to execute the necessary application, assurance, and authentication forms for the following project:

---

Background:

With the passage of Measure E in November 2002, the State Center Community College District established a Citizens' Bond Oversight Committee as required under law (Local School Construction Bond Act of 2000), and in 2003 the Board of Trustees adopted the Citizens' Bond Oversight Committee Bylaws. The Bylaws allow for members of the Committee to serve up to two (2) consecutive two-year terms. Jeff Reid of McCormick, Barstow, Sheppard, Wayte & Carruth, LLP, has indicated his willingness to serve on the Committee beginning July 1, 2010. Mr. Reid is a member of Valley Taxpayers Coalition, Inc. and would be the representative from a bona fide taxpayers association within the district.

Recommendation:

It is recommended that the Board of Trustees appoint Jeff Reid as the representative from a bona fide taxpayers association within the district to serve on the Measure E Citizens' Bond Oversight Committee through June 30, 2012.

State Center Community College District will partner with West Hills Community College District, the Fresno County Workforce Investment Board, and the Madera County Workforce Investment Board to expand training in the critical health care fields for the underserved populations of Fresno, Madera, and Kings Counties. The grant award, in the amount of \$2,999,913.00, is for the three-year period July 1, 2010, through June 30, 2013.

Recommendation:

It is recommended that the Board of Trustees:

- a) authorize the district to accept a grant agreement from the U.S. Department of Labor, Employment and Training Administration to expand training in the critical health care fields for the underserved populations of Fresno, Madera, and Kings Counties, with funding in the amount of \$2,999,913.00 for the three-year period July 1, 2010, through June 30, 2013;
- b) authorize renewal of the grant agreement with similar terms and conditions; and
- c) authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign the grant agreement on behalf of the district.
