Introduction of
Guests Deborah Ikeda introduced Clovis Unified School District Superintendent Janet Young; Board Members Jim Van Volkinburg, Sandra Bengel, and Betsy Sandoval; and Clovis City Manager Robert Wooley.

Approval of Minutes	<p>The minutes of the regular meeting of July 1, 2014, were presented for approval.</p> <p>A motion was made by Trustee Payne and seconded by Trustee Smith to approve the minutes of July 1, 2014, as presented. The motion passed without dissent.</p>
Public Comment	<p>Janet Young, Superintendent of Clovis Unified School District, said she appreciates the partnership with the District and, in particular, the Willow International campus. She stated that Clovis Unified and SCCC share the same vision for student success. She recognized several programs, including the Summer Scholars Advanced Academy. Over 100 students attended Willow International and received college credit for the courses taken. Willow International also works with Clovis West on a composition program that prepares students to be better readers and writers in preparation for college.</p> <p>Mark Blackney, President and CEO of the Clovis Chamber of Commerce, discussed the entrepreneurial program sponsored by the Chamber. He thanked Deborah Ikeda and Willow International for partnering in this program.</p>
Administer Oath of Office for 2014-2015 Student Trustees	<p>Dr. Bill Stewart administered the Oath of Allegiance to 2014-2015 Student Trustees Mr. Garret Hale of Fresno City College and Ms. Alyssa Najera of Reedley College.</p>
Joint District and Campus Presidents Reports	<p>Clovis Community College Center Campus President Deborah Ikeda reported on topics of interest from the District, Fresno City College, Reedley College, the Oakhurst and Madera Centers, and the Clovis Community College Center, which included the following highlights:</p> <ul style="list-style-type: none">• After nearly two years of careful planning, the District has successfully completed the SQL Migration of its data base systems, including Datatel and WebAdvisor. This process was extremely time-intensive and involved many users throughout the District. This migration puts SCCC on the map as one of the most state-of-the-art systems in California, if not the United States. Special thanks to the entire Information Systems team for their tremendous efforts to complete this project. The new system is up and running.• State Chancellor Brice Harris will be visiting SCCC this week to deliver a “State-of-the-State-of-California Community Colleges” presentation to the District management team on Wednesday evening. Chancellor Harris will speak at a special reception in the

OAB at Fresno City College. The following morning Dr. Harris will address the faculty, staff and administration at Fresno City College during Opening Day. As you may know, Dr. Harris served as President of Fresno City College from 1991 to 1996 before assuming the Chancellorship at Los Rios Community College District. In 2012, he was unanimously selected by the Board of Governors to serve as State Chancellor for the entire California community college system. Dr. Harris and Dr. Stewart will meet with the Editorial Board at the Fresno Bee later that morning.

- The FCC Fire Academy received formal accreditation under the leadership of Gordon Moncibais, Fire Technology Coordinator. The FCC Fire Academy is now an accredited regional training program with the California state Fire Marshall's office. After a two-day site visit from the state fire training office in the spring, the Fire Technology Program met all the standards for training, facilities, instructors and equipment.
- For the third year, the STAGES Program was held at FCC where 30 high school students from Fresno County schools participated in drama, dance, English and leadership classes. STAGES began as an idea between former Fresno County Superintendent Larry Powell, current Fresno County Superintendent Jim Yovino, and music instructor Bob Bullwinkle. The program is a collaborative effort between FCC, Fresno State and the Fresno County Office of Education. The main objectives are to stimulate arts education and help build skills in commitment, communication, collaboration, creativity and critical thinking. The FCC faculty members involved were theatre arts instructor Christopher Boltz and adjunct dance instructor Amy Querin.
- A Career and Transfer Center will now be built at the Madera Center as a result of private donations. The Briscoe family and the Cholewa family have each made a \$25,000 donation for the center. State Center Community College Foundation will contribute \$25,000 to complete the project.
- Three Reedley College students won top honors at the California State Fair open division swine show on July 25-27 in Sacramento. Gwen Alexander, Kasey Verreras, and Ryan Oxford exhibited three hogs in the show, competing against several breeders from across the state.
- Upward Bound students were featured on several local newscasts on July 22. In celebration of the 45th anniversary of the Apollo 11 moon walk, Reedley College Upward Bound students examined moon rocks. The moon rocks came directly from NASA moon landings between 1969 and 1972. RC Upward Bound science

instructor Steve Harness is one of only a few people in the Central Valley with the special NASA certification to handle the moon rocks.

- Clovis Community College Center held a college readiness event on August 4 for new students. It will be held again on August 6 and 9 and is an all-day event. Students and their parents are invited to attend the event, which is filled with informational workshops that include tips for success, choosing a major, WebAdvisor/student email/Blackboard, stress relief, and campus tours.
- Clovis Community College Center was awarded a \$50,000 grant from the CSU system for a Linked Learning Pathways to the Baccalaureate Degree. This project focuses on students who intend to pursue health careers and builds upon the contextualized learning experiences provided at the secondary level by integrating research projects that provide students with an opportunity to interface with health care professionals at the community college. The focus is on ensuring students have a clearly articulated pathway that results in appropriate preparation for further study in health areas and an Associate Degree for Transfer. In addition, some students are guaranteed admission to the School of Pharmacy at the California Health Science University.
- Extreme Registration took place on July 24, 25, and 26 at Willow International. Staff was on hand for counseling, financial aid, and registration as well as placement testing. Schedules, maps, and brochures were also available.

Annual Foundation
Report

Gurdeep He'Bert, Cindy Strom Arellano, Denise Hurst and Jim Briscoe reported on the following topics:

1. Auxiliary Services Report and Audit
2. Proposed Revised Master Agreement
3. Proposed Revised Board Policy 3600, "Auxiliary Organizations"

Gurdeep He'Bert provided an update on the Foundation for 2014-2015, which included information on assets, scholarship awards and Foundation fundraising events. Ms. He'Bert introduced Board Members Jim Briscoe and Paul Duckworth, and Foundation staff members Marcia Burg, Penny Christan, Geneva Skram and Vanessa Cabrera.

Ms. He'Bert and Dr. Stewart introduced Ms. Cindy Strom Arellano. Dr. Stewart stated that Ms. Arellano is one of the leading experts in

Annual Foundation
Report (continued)

California on foundations and their work.

Cindy Strom Arellano from the law firm Atkinson, Andelson, Loya, Ruud and Romo provided an update and opinion on the status of the Foundation's Master Plan, operating agreements, and related Board policies and administrative regulations. In preparing her opinion, she reviewed the Foundation's Articles of Incorporation, the Bylaws, the Master Agreement and District Board policies and administrative regulations. She also met with several members of the Foundation staff and Board. Ms. Arellano stated the District is in compliance with all Title 5 regulations and the California Education Code and that all agreements are sound. The Foundation is providing monetary benefits that far exceed the reimbursement costs paid for by the District. The use of District facilities is in compliance with the Education Code and Title 5. The services provide by the Foundation also exceeds the cost for the use of District facilities. She made recommendations for amendment to Board Policy 3600, as well as an amendment to the Master Agreement. She also addressed accounts managed by the Foundation. Those accounts are a part of the Foundation's operation. They are not separate accounts. The Foundation is the sole auxiliary organization with respect to those accounts.

Board President Patterson asked for clarification for funds related to the auxiliary organizations. He assumed the Foundation was a "pass through" for the funds. Ms. Arellano stated that, ultimately, the funds belong to the Foundation.

Denise Hurst from the accounting firm of Moore Grider and Company, provided audit information on the 2013 financial statements of the Foundation. She said the accounting firm's function is to provide an opinion on the financial statements. The process includes looking at internal controls and interviewing staff in order to determine the accounting procedures and controls used to determine the assets and transactions of the Foundation.

Jim Briscoe thanked Dr. Stewart and Board President Patterson for meeting with him to discuss the status of the Foundation. He thanked the law and accounting firms for looking at all of the documents and providing an opinion on such short notice. On behalf of the Foundation, he said he is very pleased with all of the findings. The Foundation is looking forward to moving forward to doing what it does best, and that is serving students. He thanked the Board for

supporting the Foundation.

Trustee Smith thanked the Foundation Board and staff for their hard work and commitment to the students.

Trustee Payne thanked Mr. Brisco for his service and leadership. He thanked Ms. He'Bert and staff for shattering the "glass ceiling" in obtaining a million dollar donation.

Dr. Stewart stated the Board will consider approval of the new Master Agreement between the District and the Foundation at the next Board meeting.

Entrepreneurship
Programs

Deborah Ikeda introduced instructor Matt Alanis who provided information on the Clovis Community College Center Entrepreneurship Program.

Trustee Smith asked if the high schools and middle schools are invited to the workshops or fairs.

Trustee Payne asked if Bitwise Industries is involved with the program. Mr. Alanis said the CEO of Bitwise will be speaking to the students this semester.

Trustee Barreras asked if they were working with the Fresno Hispanic Chamber of Commerce. Mr. Alanis said they met with the Hispanic Chamber in June.

Academic Senate

- FCC held a student leadership institute, where 44 incoming freshman participated.
- An event called “Keys to the City” which invites all incoming freshman to participate in a crash course in college readiness will take place on August 5 and 6.

RC Student Trustee Alyssa Najera introduced herself to the Board. She is a Native American and is very proud of her heritage

Trustee Barreras welcomed everyone back for the new school year.

Trustee Payne reported the following:

- Attended the City of Fresno general plan meeting held at FCC
- Fresno Food Expo reception hosted by Mayor Swearingin
- Congratulated Pedro Avila and staff on SQL migration and Extreme registration event.
- He thanked Dr. Stewart for his partnership with the Trade Council and the High Speed Rail.
- He announced that he was selected by the “People for the American Way” foundation to participate in Young Leaders’ reception, which featured Delores Huerta.
- Thanked Dr. Patterson for her work on the Dr. Mosely resolution and wished her well as she transitions to her faculty position.
- Invited to participate with Senator Kevin de Leon at a luncheon held in Fresno at the Downtown Club
- Appointed the new California State Director of the Young Elected Officials Network based in Washington D.C.

Trustee Leal reported the following:

- Represented the District at the EDCare meeting on July 15. He provided the Board with a written summary from the meeting.
- Thanked Dr. Stewart for meeting with him monthly.
- Serving on ad hoc committee working with FUSD superintendent Mike Hanson. They are discussing concerns expressed by Association of Mexican American Educators.

Reports of Board
Members
(continued)

Trustee Smith welcomed everyone back for the new year:

- She thanked Dr. Patterson for submitting on behalf of the District a recommendation for an ACCT award.
- She had the opportunity to participate as a rater to review grant applications for the Child Development Center. She was also asked to read to students at the center, which she thoroughly enjoyed.
- Attended the Food Expo
- Will be attending the California Economic Summit on August 11-12. She will report back to the Board at the next Board meeting
- Attended the Dr. Edwin Mosley memorial with Dr. Stewart and presented the resolution to the family.

Trustee Nishinaka attended several events throughout the month of July and the beginning of August, including the following:

- On July 21 he toured the Clovis Community College Center Herndon Campus's modernization project with Associate Vice Chancellor Brian Speece. He thanked Brian Speece, staff, Darden Associates, and contractors for their work on this key project.
- On July 23 he toured the Reedley College Farm with Associate Dean David Clark. He thanked David Clark and staff for their dedicated work on our signature farm.
- On July 23 and 24 he attended the Fresno Food Expo Mayor's VIP Reception and the Buyers Event. He thanked Alicia Rios and staff for their key role in the Expo event.
- On July 24 he attended the Reedley College Upward Bound 50th Anniversary Dinner with President Sandy Caldwell. He thanked Dr. Diana Tapia-Wright, Upward Bound staff, and all faculty and staff who assisted with this summer program.
- On August 5 he attended a Ribbon Cutting Ceremony for the City of Sanger's new Express Public Transit Route to Reedley College – "Make the Connection." This new system offers a direct Transit Route from Sanger to Reedley College, and creates an expanded educational career pathway for greater Sanger area students. He thanked the City of Sanger and Fresno County Rural Transit Authority.

Board President Patterson reported the following:

- Attended a two-day training session on insurance presented by ASCIP.
- Thanked CUSD trustees and Superintendent for their support and partnership.

Dr. Stewart presented proposed Board Policy 2735. No action is required at this meeting. It is recommended that the Board review and comment on the proposed revised Board Policy 2735. The Board may not act to adopt the revised policy until the following regular meeting, when it will be placed on the agenda for consideration of adoption.

Trustee Payne is concerned about directing Board members to attend certain events and not allow them flexibility to attend alternate events. He also mentioned that the Board does not regulate the Chancellor’s travel in terms of approval. He noted that other post-

(Unapproved) MINUTES OF SPECIAL MEETING OF
STATE CENTER COMMUNITY COLLEGE DISTRICT
BOARD OF TRUSTEES
August 21, 2014

Call to Order	A special meeting of the Board of Trustees of the State Center Community College District was called to order by President Pat Patterson at 4:30 p.m. on August 21, 2014, in the District Office Board Room, 1525 E. Weldon Avenue, Fresno, California
Trustees Present	Pat Patterson, President Ron Nishinaka, Vice President Dorothy Smith, Secretary Isabel Barreras John Leal Eric Payne (5:30 p.m.) Absent: Richard Caglia Also present were: Bill F. Stewart, Interim Chancellor, SCCCCD Ed Eng, Vice Chancellor of Finance and Administration, SCCCCD George Railey, Vice Chancellor of Educational Services and Institutional Effectiveness, SCCCCD Tony Cantu, President, Fresno City College Sandra Caldwell, President, Reedley College Deborah Ikeda, Campus President, Willow International Community College Center Diane Clerou, Associate Vice Chancellor of Human Resources, SCCCCD Brian Speece, Associate Vice Chancellor of Business and Operations, SCCCCD Gregory Taylor, General Counsel, SCCCCD Lucy Ruiz, Interim Executive Director, Public and Legislative Relations, SCCCCD Nina Acosta, Executive Secretary to the Chancellor, SCCCCD
Delegations, Petitions, and Communications	None

2014-2015 Budget Update

Ed Eng reviewed the Governor's 2014-2015 final adopted budget, including the allocations for Proposition 39, adult education, state mandates, economic and workforce development and pension reform. He reviewed the 2014-2015 one-time expenditures, including campus projects and parking lots throughout the District, as well as the modified 2014-2015 District Resource Allocation Model.

President Patterson expressed concerns about pensions and benefits expenditures.

Dottie Smith and John Leal requested an update on security, in particular, and events held at the FCC gym. An update on the procedures will be presented to the Board at the October Board meeting.

Direct Student Loans

Reedley College President Sandra Caldwell and Fresno City College President Tony Cantu presented information on direct student loans. Dr. Caldwell explained how the Department of Education calculates the cohort default rate (CDR). The critical penalty is if a school has a CDR of 30% or more for 3 consecutive years, the institution loses eligibility to participate in the Federal Pell Grant program. If Reedley College eliminates the direct student loan program, the number of students who are not eligible for other funding is only seven students. Dr. Caldwell stated that Reedley College can assist student who are truly in need of a loan with alternative options. She recommends eliminating this program in order to preserve the Pell Grant program.

President Cantu reported similar numbers and also recommended eliminating the direct student loan program

Trustee Smith asked if the students are counseled on the impact of taking out loans.

Trustee Barreras asked if this is the trend throughout the state.

Dr. Stewart stated the District will continue to offer the loans this school year. This item will return to a future Board meeting for the Board's consideration.

Sandra Caldwell and Tony Cantu thanked Reedley College Financial Aid Director Chris Cortez and Fresno City College Financial Aid Director Kira Tippins for their work on presenting this information.

Board Policy 2735,
“Board Member
Travel”

Dr. Stewart reviewed the draft Board Policy 2735 on Board member travel. He stated the Board could also consider dividing the budget equally between Board members.

The Board agreed to keep the current policy and continue to attend the conferences sponsored by organizations with which the Board has an affiliation. If there are other conferences that a Board member wants to attend, it can be reviewed on a case by case basis by the Board.

John Leal requested the District to re-visit the per diem for the Board and District employees. Dr. Stewart stated this will be addressed during the next budget cycle.

Trustee Patterson stated the Board as a whole should decide if other conferences or events are appropriate.

Trustee Payne noted that there are other affiliations and organizations such as the League for Innovation in Community Colleges that could offer important information for the District members and Board members.

Adjournment

The meeting was adjourned at 6:00 p.m. by unanimous consent.

SUBJECT: Consideration to Approve Reorganization of
Vacant Accounting Technician II to Accounting
Technician I, Fresno City College

ITEM NO. 14-62HR

EXHIBIT: None

Background:

Fresno City College Office of Instruction has had a vacant Accounting Technician II, Position No. 2075, being under-filled by a limited term Accounting Technician I pending an assessment of the duties. The assessment is complete and indicates many higher-level duties are no longer performed by this position. Administration is, therefore, recommending the reorganization of the vacant Accounting Technician II, Position No. 2075, to an Accounting Technician I at Fresno City College.

Examples of Duties:

Performs a wide variety of duties, including but not limited to:

- Complex accounting work
- Verifying, balancing and posting/recording data
- Preparing financial and reconciliation statements, audits, other reports, and bank deposits
- Calculating, preparing, reviewing and distributing checks, receipts, and financial documents
- Preparing and monitoring budgets and expenditure reports
- Entering and retrieving data from computer system as needed
- Assigning and/or reviewing the work of other employees and students
- Performing other related duties, as needed.

Recommendation:

It is recommended the Board of Trustees approve the reorganization of the vacant Accounting Technician II to Accounting Technician I, Fresno City College.

PRESENTED TO BOARD OF TRUSTEES

DATE: September 2, 2014

SUBJECT: Consideration to Approve Resolution of Layoff and Elimination of Categorically Funded Office Assistant III, State Center Consortium ITEM NO. 14-63HR

EXHIBIT: Resolution No. 2014.24

Background:

The District operates the State Center Consortium programs through state and federally funded grants. The District has been notified that the Career Technical Education (CTE) Transitions, CTE Community Collaborate (Phase VI), and AB86 (California's Adult Education legislation) grants are being reduced or eliminated effective November 30, 2014, and June 30, 2015. This necessitates the layoff of one permanent categorically-funded Office Assistant III, Position No. 1156, at the State Center Consortium due to lack of funds. The affected employee has seniority and bumping rights per the CSEA contract, Article 34, Layoff/Reduction of Hours/Abolition of Positions. A vacant position in the same classification will be offered during the negotiations of the effects of the layoff between CSEA and the District. Should CSEA and the employee accept this position, the employee will not need to be laid off.

Recommendation:

It is recommended the Board of Trustees approve the Resolution of Layoff authorizing the Interim Chancellor (or his designee) to give notice of layoff to Position No. 1156, Office Assistant III, pursuant to the District's rules and regulations, contract bargaining agreement and applicable provisions of the Education Code.

**STATE CENTER COMMUNITY COLLEGE DISTRICT
RESOLUTION NO. 2014.24**

AUTHORIZING NOTICE OF LAYOFF

WHEREAS, the State Center Consortium was awarded a Community Collaborative (Phase VI), CTE Transitions, and AB86 grants,

WHEREAS, the district employed a categorically funded Office Assistant III with the Community Collaborative (Phase VI), CTE Transitions, and AB86 grant funds,

WHEREAS, the district was notified effective November 30, 2014, the Community Collaborative (Phase VI) and June 30, 2015, the CTE Transitions and AB86 grants would no longer be funded,

WHEREAS, due to lack of funds, the Board of Trustees hereby finds it is in the best interest of this College District that, as of the date indicated, certain services now being provided be discontinued to the following extent:

<u>State Center Consortium</u>	<u>Position #</u>	<u>Date</u>
Office Assistant III	1156	October 20, 2014

NOW, BE IT RESOLVED that, as of the date listed above, the position listed above shall be discontinued to the extent set forth above.

BE IT FURTHER RESOLVED that the SCCCD Interim Chancellor is hereby authorized to give notice of layoff to one categorically-funded classified employee of the District pursuant to the district's rules and regulations and applicable provisions of the education code, not less than 45 days prior to the effective date of layoff, as set forth above, and to those individuals who are potentially subject to layoff due to seniority bumping rights of the individual receiving a layoff notice, as required by the terms of the collective bargaining agreement.

PASSED AND ADOPTED on this 2nd day of September, 2014, by the following vote:

COMPLIANCE WITH CALIFORNIA GOVERNMENT CODE AND COUNTY INVESTMENT POLICY

The County's Investment Portfolio is in compliance with California Government Codes 53601¹ & 53635. The County's Treasury Investment Pool Statement of Investment Policy is more stringent than the California Government Codes. As of 6/30/14, the Treasurer's Investment Pool portfolio complied with its Statement of Investment Policy.

SUMMARY OF PORTFOLIO

Holdings in the County's Treasury Pool represent a portfolio of assets with a high degree of quality. As of 6/30/14, the portfolio had a market value of \$2.25 billion with an average dollar-weighted quality of "AA+". Approximately 80% of the portfolio's assets are invested in securities with virtually no credit risk (i.e. U.S. Treasury, U.S. Agencies, and Cash). The dollar weighted average life of the pool is 2.6 years; 5.8% of the portfolio at cost matures within 30 days, 12.1% matures between 1 and 12 months, 45.2% between 1 and 3 years, and 36.9% matures between 3 and 5 years.

**THE COUNTY OF FRESNO TREASURY INVESTMENT POOL HAS AN AVERAGE
DOLLAR-WEIGHTED QUALITY RATING OF "AA+."**

¹ As of 6/30/14, the portfolio is in compliance; however on 6/18/14 the County violated policy (Code 53601) by purchasing a US Agency security that matured in over 5 years. As of 6/30/14, the security matures in under 5 years and is compliant with Code 53601.

SUBJECT: Financial Analysis of Enterprise
and Special Revenue Operations

ITEM NO. 14-80G

EXHIBIT: Financial Analysis

Background:

The financial reports for the enterprise and special revenue operations for the 12-month period ended June 30, 2014, are attached. The report consists of a combined balance sheet and combined statement of revenues and expenditures for the enterprise operations, comprised of the bookstores at Fresno City and Reedley College (including centers), and the special revenue operations, comprised of the Reedley College cafeteria and residence hall.

The enterprise and special revenue operations ended the fiscal year reflecting mixed operational positions. The combined bookstore operation ended the fiscal year with a net surplus of \$54,945. The Reedley College cafeteria and residence hall had operating losses of \$141,019 and \$49,787, respectively.

The enclosed statements are provided for Board information. No action is required.

PRESENTED TO BOARD OF TRUSTEES

DATE: September 2, 2014

SUBJECT: Acknowledgement of Quarterly Financial
Status Report, General Fund

ITEM NO. 14-81G

EXHIBIT: Quarterly Financial Status Report

Background:

Enclosed is the June 30, 2014, Quarterly Financial Status Report (CCFS-311Q) for the District General Fund, as required for California community college districts (ECS 84043). In accordance with state instructions, a copy of the report was forwarded electronically to the State Chancellor's Office.

The Quarterly Financial Status Report reflects the District ended the fiscal year with revenues exceeding expenditures by approximately \$105,874. The District budgeted the fiscal year anticipating an operational deficit, which included some one-time reserve spending plans; however, with unanticipated revenues materializing and expenditures being under budget, the District managed to end the year with a minor surplus.

The District served 25,978 credit full-time equivalent students (FTES) and 489 non-credit FTES in 2013-2014 with 150 credit FTES and 51 non-credit FTES currently unfunded.

Recommendation:

It is recommended the Board of Trustees acknowledge the Quarterly Financial Status Report (CCFS-311Q) as presented.

PRESENTED TO BOARD OF TRUSTEES

DATE: September 2, 2014

SUBJECT: Consideration to Authorize Agreement with
California Community Colleges Chancellor's
Office Tax Offset Program

ITEM NO. 14-82G

EXHIBIT: None

Background:

The California Community Colleges Chancellor's Office has partnered with the State of California Franchise Tax Board to help collect funds owed by students. This program, known as the Chancellor's Office Tax Offset Program (COTOP), has been particularly successful in collecting debts. Collection would be accomplished by having the State of California Franchise Tax Board offset (deduct) the amount owed to SCCCDC from the student's/debtor's personal state income tax refund, lottery winnings, or other state refund. The Franchise Tax Board would remit any amounts offset to the Chancellor's Office, which would then authorize the State Controller to disburse the offset amount, minus a 25% administrative fee, to SCCCDC.

The colleges and campuses notify students several times during the semester and again the following semester that their accounts are not paid in full. If the attempts to collect from students are unsuccessful, the campuses capture the student information and the amounts owed and send this data to the State Controller's Office for collection through the Chancellor's Office Tax Offset Program.

Recommendation:

It is recommended the Board of Trustees:

- a) authorize the District to enter into an agreement with the California Community Colleges Chancellor's Office for participation in the Chancellor's Office Tax Offset Program (COTOP); and
- b) authorize future annual renewal of the agreement with similar terms and conditions.

ITEM NO. 14-73

EXHIBITS: Amended and Restated Master Agreement

Background:

A Master Agreement which set forth the terms of the relationship between the District and the newly-formed State Center Community College Foundation was entered in to on February 13, 1987. That agreement has not been revised or updated since that time.

The attached draft Amended and Restated Master Agreement By and Between State Center Community College District and State Center Community College Foundation will replace the 1987 agreement. It was prepared to conform to updates in governing laws and regulations, District policies, and Foundation by-laws. It was initially presented to the Board of Trustees at its August 5, 2014, meeting. It was subsequently approved by the State Center Community College Foundation Board of Directors at its August 20, 2014, meeting.

Recommendation:

It is recommended that the Board approve the attached Amended and Restated Master Agreement and authorize the Interim Chancellor to sign it on behalf of the District.

AMENDED AND RESTATED MASTER AGREEMENT

BY AND BETWEEN

STATE CENTER COMMUNITY COLLEGE DISTRICT

AND

STATE CENTER COMMUNITY COLLEGE FOUNDATION

THIS AMENDED AND RESTATED MASTER AGREEMENT (the "Agreement") is entered into as of this ___ day of _____, 2014, by and between State Center Community College District (the "District"), and State Center Community College Foundation (the "Foundation"), a California nonprofit public benefit corporation.

RECITALS

- A. The District and the Foundation entered into a Master Agreement on or about February 13, 1987 to set forth the terms of the relationship between the District and the Foundation, which has been established as an auxiliary organization of the District pursuant to Education Code Section 72670 et. seq. and Section 59250 et seq. of Title 5 of the California Code of Regulations ("Title 5 Regulations"). The District and the Foundation desire to amend the terms of the February 13, 1987 Master Agreement.
- B. The District and the Foundation desire to amend the terms of the February 13, 1987 Master Agreement.

NOW, THEREFORE, the parties covenant and agree as follows:

ARTICLE I

FOUNDATION PURPOSES AND FUNCTIONS

Section 1.1. Statement Regarding Use of Foundation. The administration by the Foundation of the functions and activities described in this Agreement, instead of administration by and through the District, is deemed to be more effective in accomplishing such functions and activities than would be possible under usual governmental budgetary, purchasing, and other fiscal procedures.

Section 1.2. Foundation Functions. The Foundation may provide the following services and perform the following functions: conduct student association or organization activities; operate bookstores; conduct food and campus services and/or student union programs; provide facilities and equipment for the District; fund scholarships for current and prospective students at the District and award loans and grants-in-aid; conduct and operate workshops, conferences, institutes, and federal projects; conduct alumni activities; provide supplementary health services; receive gifts, bequests, devises, endowments, and donations for the benefit and advancement of

the District; and conduct public relations programs. All services, programs, and activities that may be undertaken by the Foundation shall be maintained for the general benefit of the District. Other services, programs, functions, or activities may be provided by the Foundation, if such services are first approved by the Board of Governors of the California Community Colleges and the Board of Trustees of the District (the "Board of Trustees").

Section 1.3. Covenant to Maintain Existence. During the term of this Agreement, the Foundation agrees to maintain its existence and to operate in accordance with this Agreement and with Education Code section 72670 et. seq. and section 59250 et. seq. of the Title 5 Regulations, as well as with District policy and the implementing regulations for auxiliary organizations adopted by the District.

ARTICLE II

ANNUAL AUDITS AND PROFESSIONAL SERVICES

Section 2.1. Attorney and Accountant Services. The Board of Directors of the Foundation shall have the benefit of the advice and counsel of at least one attorney admitted to practice law in California and at least one licensed certified public accountant. Neither the attorney nor the certified public accountant need be members of the Board of Directors of the Foundation.

Section 2.2. Annual Audit. The Board of Directors of the Foundation shall cause an annual fiscal audit of the Foundation to be conducted by a certified public accountant. This annual audit may, but need not, be conducted as part of a fiscal audit of the District. The annual audit will include a review of the internal control structure. The auditors will also issue a separate report of findings, if there are findings noted during the review of internal control and performance of audit procedures. Such report will also include recommendations related to those findings. Copies of the annual audit report and management letter comments shall be submitted to the District within thirty (30) days after it is received by the Foundation. The Foundation shall annually publish the audited statement of its financial condition. The statement shall be disseminated as widely as feasible and be available to any person on request. A reasonable fee may be charged to cover the costs of providing such copies.

Section 2.3. Annual Budget. The Foundation shall also prepare for the District an annual budget of its revenues and expenses. This report shall be provided to the District prior to the beginning of each Foundation fiscal year.

Section 2.4. Foundation Records. The Foundation shall keep and maintain records and accounts of its operations, financial status and program expenditures for a period of not less than five (5) years following each budget period. Such records and reports may be maintained in the District office, subject to the terms of Article III of this Agreement. Such records and reports shall cover all activities of the Foundation whether pursuant to this Agreement or otherwise. The District shall have the right to inspect and audit such records and accounts during and/or following the close of any Foundation fiscal year following reasonable notification to the Foundation. The District shall also have the right to take custody of all records generated by the Foundation in any way relating to its administration of the services, programs, functions, or activities described in Section 1.2 of Article I of this Agreement. The rights and obligations provided in this Section shall survive the termination of this Agreement.

Section 2.5. Annual Statement of Benefits. The Foundation shall provide the District with an annual statement describing the benefits and services of the Foundation to the District. This report shall be presented to the Board of Trustees of the District no later than 120 days following the close of the Foundation's fiscal year.

ARTICLE III

USE OF DISTRICT FACILITIES

Section 3.1. Use of District Facilities. The Foundation, separately or jointly with the District, may occupy, operate, and use District facilities and property as identified in Appendix A to this Agreement, which may be amended from time to time, to accomplish the purposes of this Agreement. However, the Foundation's operations under any such amendment shall be integrated with District operations and shall be under the general supervision of District officials. Furthermore, it is understood and agreed that District officers, employees and agents shall have the right to enter any such facilities or any part thereof at any time for the purpose of examination or supervision. A description of facilities to be used by the Foundation is set forth in Appendix A to this Agreement. The Foundation's use of District facilities does not establish a landlord/tenant relationship between the District and the Foundation, unless such a relationship is otherwise established by a separate written agreement entered into between the District and the Foundation.

Section 3.2. Charge or Rental. Appendix A sets forth the charge or rental to be paid to the District by the Foundation for the use of such facilities or property. Such charge or rental may be for less than fair rental value to the extent permitted by Section 81440(b) of the Education Code.

Section 3.3. Use of Facilities. The Foundation shall use the facilities and property of the District pursuant to Appendix A only for those services and functions that are consistent with this Agreement and consistent with the policies, rules and regulations which have been or may be adopted by the Board of Trustees of the District.

Section 3.4. District Right to Terminate. The right to use any of the District facilities or property granted in Appendix A shall cease upon written notice by the District that the facilities or property are needed for the exclusive use of the District.

Section 3.5. Maintenance and Operating Expenses. The Foundation agrees that it shall keep and maintain all such facilities and property in a clean and orderly condition and shall, at its own expense, at reasonably frequent intervals and in a lawful manner, dispose of all waste from such facilities and property. The Foundation further agrees that it shall keep all such facilities and property in good repair.

Section 3.6. Third Party Agreements By Foundation. The Foundation shall not enter into any contract that would obligate the District, its facilities, equipment, or personnel, without the prior written approval of the District. The Foundation has no authority to bind the District, by contract or otherwise, in any amount.

Section 3.7 Indemnification. The Foundation agrees to indemnify, defend, and hold harmless the District, its officers, agents, and employees from any and all loss, damage, or liability

that may be suffered or incurred by the District, its officers, agents, and employees, caused by, arising out of, or in any way connected with the use of any of such facilities by the Foundation in connection with this Agreement; provided that the loss, damage, or liability does not arise from the intentional or negligent acts or omissions of the District, its officers, agents, or employees.

Section 3.8. Signs, Fixtures, and Equipment. During the term of this Agreement, the Foundation shall have the right to erect, place, and attach fixtures, signs, and equipment in or upon facilities as authorized by the Chancellor of the District in writing as to number, size and location. Fixtures, signs or equipment so erected, placed or attached by the Foundation shall be and remain the property of the Foundation and shall be removed therefrom by the Foundation upon the termination of this Agreement or written direction of the Chancellor of the District.

Section 3.9. Restoration. Upon termination of this Agreement, the District shall have the option to require the Foundation, at the Foundation's expense and risk, to restore all such facilities as nearly as possible to the condition existing prior to the execution of this Agreement; provided, however, that if the Foundation shall fail to do so within ninety (90) days after the District exercises such option, the District may restore the property at the expense of the Foundation; and all costs and expenses of such restoration shall be paid by the Foundation upon demand of the District.

Section 3.10 Authority to Enter into Contracts. The Foundation may not enter into any contract or other business arrangement involving real property either by lease involving payments of more than \$25,000 per annum and duration terms of more than one year, or by purchase without prior notification and consultation with the Chancellor.

Section 3.10. Survival of Rights. The rights and obligations provided in this Article shall survive the termination of this Agreement.

ARTICLE IV

REIMBURSEMENT OF DISTRICT COSTS

Section 4.1. Reimbursement for District Expenditures. The Foundation shall reimburse the District for expenditures incurred by the District as a result of the Foundation's activities. This reimbursement shall include, but not be limited to, custodial and other District employee services, utility costs, maintenance costs and supplies. The Foundation's reimbursement of these costs may be in the form of non-monetary benefits provided by the Foundation to the District to the extent authorized by section 59257(j)(6) of the Title 5 Regulations and California Attorney General Opinion 81 Ops. Atty. Gen. 111 (1998). The District shall annually invoice the Foundation for such expenditures, indicating items charged and the method of determining costs. The reimbursement shall be computed on a simple but equitable basis and shall be made by the Foundation within thirty (30) days of receipt of the invoice. The Foundation may provide reimbursement under this section either by making monetary reimbursement and, to the extent authorized by the Title 5 Regulations and California Attorney General Opinion 81 Ops. Atty. Gen. 111 (1998), by providing a statement of the in-kind contributions or benefits provided to the District by the Foundation, as may be agreed upon between the District and the Foundation.

Section 4.2. Indirect Costs Relating to Federal Programs. If the Foundation administers a federally-sponsored program, it shall reimburse the District for indirect costs associated with the

performance of services by District for the Foundation relating to the federally-sponsored project. Such reimbursement shall take into consideration the District's federal indirect cost rate and the approved indirect cost allocation, if any, of the federal program award. In the event that the District's federal indirect cost rate has not been determined, the District's Chancellor shall determine and specify such costs and the amount thereof. All such reimbursements shall be made by the Foundation within thirty (30) days of receipt of an invoice with a determination of such costs.

ARTICLE V

DISPOSITION OF FOUNDATION ASSETS

Section 5.1. Approval of Expenditures. The Board of Directors of the Foundation shall approve all expenditures and fund appropriations of the Foundation. Appropriations of funds for use outside the normal business operations of the Foundation shall be approved in accordance with policy and further consistent regulations adopted by the District Board of Trustees.

Section 5.2 Expenditures for Public Relations. With respect to expenditures for public relations or other purposes which would serve to augment District appropriations for the operation of the District, the Foundation may expend funds in such amount and for such purposes as are approved by the Board of Directors of the Foundation. Prior to the expenditure of such funds, the Board of Directors of the Foundation shall file with the Chancellor a statement of the Foundation's policy on accumulation and use of public relations funds. The statement shall include the policy and procedure on solicitation of funds, source of funds, amounts, and purposes for which the funds will be used, allowable expenditures, and procedures of control.

Section 5.3. Disposition of Net Earnings. Net earnings derived from the operations of the Foundation shall be used solely to benefit the District and its students or used for reserves as established by the Board of Directors of the Foundation.

Section 5.4. Disposition of Assets Upon Dissolution. Upon dissolution of the Foundation or the cessation of its operations under this Agreement, its assets remaining after payment, or provisions for payment, of all debts and liabilities shall be distributed to either (i) such organization organized and operated exclusively for public, charitable, and/or educational purposes in support of District and which has established its tax-exempt status under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, or (ii) the State Center Community College District.

ARTICLE VI

MISCELLANEOUS

Section 6.1. Term of Agreement. The term of this Agreement shall be five (5) years beginning on the date of this Agreement, unless sooner terminated as herein provided; provided, however, that this Agreement shall be renewed automatically for subsequent annual periods, unless either party notifies the other party in writing not later than sixty (60) days prior to any renewal date of its intention not to renew. In any event of termination, the provisions of Section 5.4 of Article V of this Agreement (concerning the distribution of assets upon dissolution) shall survive such termination.

Section 6.2. Termination. Either party may terminate this Agreement on sixty (60) days written notice to the other party if the party to whom such notice is given is in material breach of this Agreement. The party claiming the right to terminate hereunder shall set forth in such notice the facts underlying its claim that the other party is in breach of this Agreement. Remedy of such breach within thirty (30) days of the receipt of such notice shall prevent the termination of the Agreement.

Section 6.3. Termination in Event of Foundation's Loss of Auxiliary Organization Good Standing. If and when the Chancellor or other designee of the District has reason to believe that the Foundation should be removed from the District's list of auxiliary organizations which are in good standing (the "Good Standing List"), that person shall give the Foundation's Board of Directors reasonable notice that a conference will be held to determine whether grounds for removal of the Foundation from the Good Standing List do in fact exist. Representatives of the Foundation's Board of Directors shall be entitled to be present at such conference and to be heard. Based upon such conference, the Chancellor or such other District designee shall recommend to the District Board of Trustees whether the Foundation should be removed from the Good Standing List, after which the District Board of Trustees, in its sole discretion, may remove the Foundation from said Good Standing List. Notwithstanding the terms of section 6.2, above, this Agreement shall immediately terminate on the Foundation's removal from the Good Standing List. In the event that the Foundation is removed from the Good Standing List, the Foundation shall promptly wind up its affairs and dissolve.

Section 6.4. Effects of Termination. Upon termination of this Agreement, neither party shall have any further obligation hereunder except for (1) obligations occurring prior to the date of such termination; and (2) obligations, promises, or covenants contained herein which expressly extend beyond the term of this Agreement, including but not limited to those set forth in this Section. Upon termination or expiration of this Agreement, the Foundation shall within thirty (30) days of such termination or expiration (1) vacate any District facilities and/or real property the Foundation is occupying; (2) return all District equipment and supplies to the District; (3) transfer all documents and records in its possession relating to its administration of the services, programs, functions or activities described in Section 1.2 of Article I of this Agreement to the District; and (4) perform all other obligations required of the Foundation under the terms of this Agreement.

Section 6.5. Non-Assignability; Amendment. This Agreement, either in whole or in part, is not assignable by the Foundation. This Agreement may not be altered or modified except by a writing signed by the parties.

Section 6.6. Notices. Any notice, request, information, or other document to be given hereunder to any party by any other party shall be in writing and shall be deemed given and served upon delivery, if delivered personally, or three (3) days after mailing if sent by certified mail, postage prepaid, as follows:

If to District:
STATE CENTER COMMUNITY
COLLEGE DISTRICT
1525 E. Weldon Avenue
Fresno, CA 93704
Attn: Chancellor

If to Foundation:
STATE CENTER COMMUNITY
COLLEGE FOUNDATION
390 W. Fir Avenue
Clovis, CA 93611
Attn: Executive Director

Any party may change the address or persons to which notices are to be sent to it by giving the written notice that such change of address or persons to the other parties in the manner provided for giving notice.

Section 6.7. Headings. The titles and headings of the various sections of this Agreement are intended solely for convenience of reference and are not intended to explain, modify or place any construction on any of the provisions of this Agreement.

Section 6.8. No Waiver. A party's failure to insist on the strict performance of any covenant or duty required by this Agreement, or to pursue any remedy under this Agreement, shall not constitute a waiver of the breach or the remedy.

Section 6.9. Governing Law. The agreement shall be governed by and construed according to the laws of the State of California.

IN WITNESS WHEREOF, this Agreement has been executed by the parties hereto as of the date set forth above.

APPENDIX A
TO
AMENDED AND RESTATED MASTER AGREEMENT
BY AND BETWEEN
STATE CENTER COMMUNITY COLLEGE DISTRICT
AND
STATE CENTER COMMUNITY COLLEGE FOUNDATION

See Attached

MASTER AGREEMENT
BY AND BETWEEN
STATE CENTER COMMUNITY COLLEGE DISTRICT
AND
THE AUXILIARY FOUNDATION OF THE
STATE CENTER COMMUNITY COLLEGE DISTRICT

This Agreement is made and entered into this 13th day of February, 1987, by and between the State Center Community College District, hereinafter referred to as "District," and The Auxiliary Foundation of the State Center Community College District the State Center Community College Foundation hereinafter referred to as "Foundation".

PURPOSE

Administration by the foundation of the functions and activities described herein, instead of administration by and through the District, is deemed to be more effective in accomplishing these functions and activities than would be possible under usual governmental, budgetary, purchasing, and other fiscal procedures.

AREAS OF SERVICE

The Foundation may administer functions or activities as follows: Student union programs; facilities and equipment;

loans, scholarship, grants-in-aid; workshops, conferences, institutes and federal projects; alumni activities; gifts, bequests, devises, endowments and trusts; and public relations program. Other services may be provided if first approved by the Board of Governors of the California Community Colleges.

USE OF FACILITIES

The Foundation may occupy, operate, and use district facilities and property separately or jointly with the District as agreed to by the district from time to time.

The Foundation shall use the facilities and property only for those services and functions that are consistent with the policies, rules, and regulations, which have been or may be adopted by the Board of Trustees of the State Center Community College District.

The right to use any of the District facilities or equipment included in this Agreement or amendments shall cease upon written notice by the Chancellor that the facilities are needed for the exclusive use of the District.

AUTHORITY AND RESPONSIBILITY OF AUXILIARY ORGANIZATIONS

The foundation shall not offer courses for which State funding is received.

All services, programs and activities that may be undertaken by the Foundation shall be maintained for the general benefit of the educational program of the District. Upon Board of Trustees approval, the Foundation may assume any of the services, programs and activities listed in district Implementing Regulations, Section 1.2 in order:

1. To provide the fiscal means and the management procedures that allow the District to carry on educationally-related activities not normally funded by the State;
2. To eliminate the undue difficulty that would otherwise arise under the usual governmental, budgetary, purchasing, and other fiscal controls; or
3. To provide fiscal procedures and management systems that allow effective coordination of The Foundation activities with the District in accordance with sound business practices.

Gifts to the District thereof shall be accepted under the provisions of Education Code Section 72241 or 72303. Gifts to the Foundation shall be accepted as authorized by these Rules.

The Foundation may not enter into any contract or other business arrangement involving real property, either by lease or by purchase, without prior notification and consultation with the Chancellor and the approval of the Board of Trustees.

REIMBURSEMENT FOR SERVICES AND FACILITIES

The Foundation shall maintain records of the substantial use of District facilities and shall reimburse the District at regular intervals for costs to the District of facilities pursuant to Title 5, Section 59257(j)(5) of the California Administrative Code as required by the district.

The cost of district employees on loan or providing professional services to the Foundation may be reimbursed by the Foundation as required by the district.

The Foundation may provide services to the District for which the District shall reimburse the Foundation. Such service areas and reimbursement shall be as required by the district.

Accounting and recordkeeping services provided by the District at the request of the Foundation may be reimbursed by the Foundation as required by the district.

COMPLIANCE WITH LAWS AND REGULATIONS

During the term of this Agreement, the Foundation agrees to maintain its existence and to operate in accordance with Section 72670-72682 of the California Education Code and with Sections 59250-59276 of the California Administrative Code, Title 5, as well as the State Center Community College District Implementing Regulations.

SIGNS, FIXTURES AND EQUIPMENT

During the term of this Agreement, the Foundation shall have the right to place and attach fixtures, signs, and equipment in or upon facilities as authorized by the District in writing as to number, size, and location. Fixtures, signs, or equipment so erected, placed, or attached by the Foundation shall be and remain the property of the Foundation and shall be removed therefrom by the Foundation upon the termination of this Agreement.

RIGHT OF ENTRY

It is understood and agreed that at any time the District and its agents shall have the right to enter described

facilities or any part thereof for the purpose of examination or supervision.

INDIRECT COSTS

If the Foundation administers a federally-sponsored program, it shall reimburse the District for indirect costs associated with the performance of services by the District for the Foundation relating to the federally-sponsored project. Such reimbursement will take into consideration the District's federal indirect cost rate and the approved indirect cost allocation, if any, of the federal program award.

DISPENSATION OF EARNINGS

Income generated by the Foundation in excess of costs and provisions for equipment, maintenance, reserves, and working capital shall be used to benefit the District. Capital provisions shall be established by the Board of Directors of the Foundation to insure fulfillment by the Foundation of this Agreement.

DISTRIBUTION OF ASSETS UPON CESSATION

Upon cessation of operations of the Foundation under this Agreement, unless extended or renewed, the net assets of the Foundation resulting or arising from this Agreement shall be

either transferred to the district or expended for the benefit of the District.

MAINTENANCE AND OPERATING EXPENSES

The Foundation agrees that it will keep and maintain any district facilities used by it in a clean and orderly condition and shall at its own expense, at reasonably frequent intervals, and in lawful manner, dispose of all waste from the facilities. The Foundation further agrees that it will keep the facilities in good repair.

PUBLIC RELATIONS

With respect to expenditures for public relations or other purposes which would serve to augment College appropriations for the operation of the College, the Foundation may expend funds in such amount and for such purposes as are approved by the Board of Directors of the Foundation. The Foundation shall file with the District Chancellor a statement of its policy on accumulation and use of public relations funds. The statement will include the policy and procedure for solicitation of funds, source of funds, purposes for which the funds will be used, allowable expenditures, and procedures for control.

THIRD PARTY AGREEMENTS BY FOUNDATION

The Foundation shall not enter into any contract that would obligate designated District facilities, equipment, or personnel if that contract does not contain sixty-day to ninety-day cancellation provisions and no cancellation penalties.

INSURANCE, INDEMNIFICATION, AND RESTORATION

The Foundation shall be included in the District's insurance policies for all of its regular functions. When special events are sponsored by the Foundation, separate insurance coverage may be required by the District.

The Foundation agrees to indemnify, defend, and save harmless the District, its officers, agents, and employees from any and all loss, damage, or liability that may be suffered or incurred by the District, its officers, agents, and employees caused by, arising out of, or in any way connected with the use of any district facilities by the Foundation or in connection with this Agreement.

Upon termination of this Agreement, District shall have the option to require Foundation, at Foundation's own expense and risk, to restore the facilities as nearly as possible to the condition existing prior to the execution of the Agreement.

But if the Foundation shall fail to do so within ninety (90) days after District exercises said option, District may restore the property at the risk of Foundation and all costs and expenses of such removal or restoration shall be paid by Foundation upon demand of District.

REAL PROPERTY

The Foundation shall not enter into any transaction concerning real property without the prior approval of the District Chancellor and the Board of Trustees.

NONASSIGNABILITY

This Agreement is not assignable by the Foundation, either in whole or in part, nor shall the Foundation permit anyone else to use any district facilities or any part thereof without written permission of the District Chancellor.

TERM OF AGREEMENT

This Agreement shall begin on February 13, 1987. This Agreement may be terminated by either party giving sixty (60) days written notice to the other, subject to the provisions of the paragraph entitled "Distribution of Assets Upon Cessation".

The Foundation must remain in good standing with the District. Otherwise, this agreement will immediately terminate and the Foundation will terminate any contracts with third

parties and meet the provisions of the paragraph entitled "Distribution of Assets Upon Cessation".

NOTICES

All notices herein required to be given, or which may be given by either party to the other, shall be deemed to have been fully given when made in writing and received by the Foundation or the Chancellor.

Notice to the Foundation shall be addressed as follows:

SUBJECT: Consideration to Adopt Proposed Revised Board Policy 3600, “Auxiliary Organizations”

ITEM NO. 14-74

EXHIBITS: Redline version of proposed revised BP 3600, “Auxiliary Organizations”

Background:

Board Policy 3600 “Auxiliary Organizations” governs the District’s establishment of the State Center Community College Foundation. The regulations of Title 5 section 59257(j) require submission of the written agreement between the Foundation and the District and the Foundation bylaws to be submitted to the State Chancellor’s Office.

Board Policy 3600 already requires that the agreement comply with section 59257(j), but it does not spell out the specific requirement to submit the documents to the State Chancellor’s Office. In the interest of clarity, it is advisable to revise the Board Policy to add a clause to make reference to that regulatory requirement.

This draft revision was first presented to the Board at its August 5, 2014, regular meeting.

Recommendation:

It is recommended that the Board adopt the attached Revised Board Policy 3600, “Auxiliary Organizations.”

Auxiliary Organizations

The Board may recognize and approve auxiliary organizations established for the purpose of providing to the District any and all supportive services, specialized programs and functions identified in Title 5.

Administrative regulations shall be established to fully comply with California law relating to auxiliary organizations, and to submit this policy and those regulations to the Chancellor for the California Community Colleges as required by law. At a minimum, the regulations shall address the subjects required by Title 5.

Recognition and establishment of auxiliary organizations shall include a public hearing on the recommendation to recognize or establish an auxiliary organization; Board approval of the auxiliary organization; and approval of a written agreement between the District and the auxiliary organization describing the services, programs or functions to be performed; and submission of the written agreement and the articles of incorporation, bylaws, or other governing instrument of the auxiliary organization to the Chancellor for the California Community Colleges as required by law. All such written agreements shall comply fully with the requirements of Title 5, Section 59257(j).

Any auxiliary organization recognized by the Board shall conduct its business in accordance with established administrative regulations pursuant to this policy. Notwithstanding anything contained in the administrative regulations, any auxiliary organization recognized by the Board shall comply with Education Code provisions regarding:

- the composition of a board of directors and the way in which it conducts its meetings;
- conducting an annual audit;
- employing its work force;
- expending and appropriating its funds, and keeping its records.

No funds or resources, other than funds or resources derived from gifts or bequests, shall be transferred by the District to any of its auxiliary organizations for the purpose of either avoiding laws or regulations that constrain community college districts or providing the District with an unfair advantage with respect to any state funding mechanism. Such state funding mechanisms include, but are not limited to, general apportionment funding, capital outlay funding, Extended Opportunity Programs and Services funding, and funding for programs and services for disabled students.

2014-2015 Final Budget

ITEM NO. 14-75

EXHIBIT: 2014-2015 Final Budget

Background:

The 2014-2015 SCCCDC Final Budget for the general fund, other funds and accounts, capital projects fund, and Measure E projects fund is presented for approval by the Board of Trustees. This budget is based on the 2014-2015 state-adopted budget passed by the Legislature on June 15, 2014 and signed by the Governor on June 20, 2014.

The state general fund budget is \$108 billion with \$1.6 billion being placed into a reserve fund to cushion future economic downturns. Voters in November will have an opportunity to approve a constitutional amendment that will set aside money in a reserve fund every year to address the state's debt and long-term costs.

The 2014-2015 SCCCDC Final Budget was developed using the following fiscal assumptions:

- Restoration of enrollment funding \$140.4 million (2.75%) or approximately \$4.9 million to SCCCDC
- Cost-of-living adjustment \$47.3 million (0.85%) or approximately \$1.1 million to SCCCDC
- \$94 million in deferred apportionment funding or approximately \$2.7 million to SCCCDC
- Proposition 30 – Education Protection Account (EPA) funding estimated at \$820.1 million or approximately \$21.5 million for SCCCDC
- \$372.8 million augmentation to major categorical programs
 - \$100 million Student Success and Support Program or approximately \$3.7 to SCCCDC
 - \$70 million Student Success and Support Program – Equity*
 - \$114.2 million Disabled Student Programs and Services*
 - \$88.6 million Extended Opportunity Programs and Services*

- \$25 million in adult education planning grants for 2013-2014 and 2014-2015 or approximately \$495,000 to SCCCCD
- \$32.7 million for energy efficiency from Prop 39 or approximately \$747,000 to SCCCCD
- \$28 per funded FTES in the state mandates block grant or estimated at \$750,000 to SCCCCD
- \$148 million “block grant” for scheduled maintenance and instructional equipment or approximately \$3.5 million to SCCCCD (local decision to split equally between the two programs)
- Use of \$3,936,612 of campus reserves to address safety, instruction, student success, and maintenance projects

(*Impact to SCCCCD is currently unknown for these programs)

By law, the Board of Trustees is required to review and adopt the State Center Community College District’s 2014-2015 Final Budget on or before September 15 of the fiscal year. The administration recommends approval of the District’s 2014-2015 Final Budget, as presented. The District has provided proper public notice of the Board's intent to review and adopt the District’s 2014-2015 Final Budget on September 2, 2014.

Recommendation:

The Board should conduct a public hearing to solicit comments from interested members of the public. Following the close of the public hearing, it is recommended the Board of Trustees adopt the State Center Community College District 2014-2015 Final Budget, as presented.

Chancellor's Message

The passage of Proposition 30 in 2012 was the start of the state's intent to reinvest in education. Since that time, the Governor and the legislature have demonstrated their commitment to restoring California as the leader in higher education by prioritizing state funds towards California's community colleges. After years of drastic cuts, the district has begun the process of restoring access for students in the communities we serve. Campuses and centers within State Center Community College District (SCCCD), including Fresno City College and Reedley College, are once again offering robust summer schedules as well as significant increases in course offerings for fall and spring of 2014-2015. In addition, the district will address other critical issues such as facility updates and maintenance, innovative technology upgrades, and fair compensation improvements for our faculty and staff.

The SCCCD 2014-2015 budget reflects the Board of Trustees' ongoing commitment to the guiding principles approved by the Board on March 4, 2014.

This recommended budget allows the district to continue its commitment to support student access, success and completion, and provides additional funding to improve the educational experience for students through modernization of facilities, increases in safety and security, technology improvements and the addition of qualified faculty and staff to provide instruction and support. In addition, the district remains committed to expand and strengthen its partnerships with business, industry, community organizations and other educational entities.

It is time to move forward and aggressively reclaim California's status as a premier leader in higher education. The 2014-2015 budget is more than numbers...It is a statement of our commitment to be the best.

2014-15 BUDGET OVERVIEW

Introduction

One of the most significant responsibilities of a community college district is the preparation, presentation and approval of the annual budget. A district's budget serves as a cornerstone document to our constituents regarding the utilization of available tax dollars and other funding sources and as a resource allocation document to support the district's planning goals and priorities for the ensuing school year. The State Center Community College District administration is confident the enclosed budget documents reflect the effective utilization of financial resources to meet the educational goals of our district.

State Budget Overview

On June 20, 2014, Governor Brown signed the 2014-15 state budget. This budget relies on Proposition 30 which was approved by the voters in November 2012 and an improving economy. Proposition 30 will provide the state with a limited-term revenue stream by increasing the sales tax rate by 0.25 percent for four years (Jan. 2013 to Dec. 2016) and increasing personal income taxes on high income earners for seven years (Jan. 2012 to Dec. 2018). The governor's

focus continues to invest in education and address long term debt in his proposal. One surprise in this budget is the governor and legislature finally addressing the unfunded liabilities associated with the State Teachers' Retirement System (STRS). The State of California, teachers, and employers all will be required to contribute more to address the estimated \$74 billion shortfall in STRS. Employers will be required to take the lead with contribution rates increasing in 2014-15 to 8.88% and increasing annually until they reach a rate of 19.1% in 2020-21.

The governor has not forgotten the lessons learned from the boom and bust economies of the state and has incorporated prudence in this budget. To address these volatile cycles, the governor is proposing two rainy day funds: one for education and one for the rest of the budget. Additionally, the adopted budget is fiscally conservative in nature in that it does not provide additional funding for many of the health and social service program needs not addressed over the past several years. One area that has received an increase in funding (up \$766 million) since the tentative budget is Medi-Cal as the governor tries to address the needs of the federal Affordable Care Act. For the most part, the governor has been able to defer

the pent-up demands and needs of the state that had been severely tested during the recent economic recession of the state. Major features of the Governor's proposal with impacts to the California Community colleges are: (*italicized notes relate to the Tentative Budget*)

- \$140.4 million (2.75%) in apportionment restoration (*down from \$155.2 million or 3%*),
- \$47.3 million (0.85%) in COLA (*down from \$48.5 million or 0.86%*),
- \$94 million “apportionment deferral buy-back” (*previously eliminated*),
- \$25 million for adult education local planning grants (*continuation of 2013-14 budget - no change*),
- \$39.0 million for energy efficiency from Proposition 39 (*no change*),
- \$148 million one-time funding block grant for scheduled maintenance and instructional equipment (*previously \$87.5 million for each program, \$175 million total*) and,
- \$170.0 million for Student Success and Support Program (categorical funding):
 - \$100.0 million Student Success and Support Program (*no change*)

- \$70.0 million for underserved students to provide “equity” (*down from \$100 million*).

The adopted 2014-15 Budget Act continues from the 2013-14 adopted State Budget in addressing restoration funding to provide greater access to students, COLA, Proposition 39 to increase energy efficiency, adult education and deferral buy downs. Albeit, the governor makes a significant effort in 2014-15 to almost completely eliminate the apportionment deferral so that community college districts receive their state funding timely and do not have to wait until after the academic year is over to receive their full apportionment funding from the state.

The adult education funding for 2014-15 remains the same as the previous year. As you may recall, this money was allocated over two years so community college districts would form adult education consortiums with K-12 districts and other providers of adult learning (faith-based organizations, libraries, prisons and others) to address how to better serve adult learners in their communities. After this initial planning period of two years, the governor proposes funding adult education programs and services in his 2015-16 budget. Adult education is proposed to address coursework in the following areas:

apprenticeship; adults with disabilities; basic skills; general educational development (GED); citizenship; and career technical education (CTE).

The adopted 2014-15 State Budget makes significant financial commitments to scheduled maintenance, instructional equipment and student success and support programs over the 2013-14 adopted state budget. However, scheduled maintenance and instructional equipment funds remain as one-time funds rather than on-going funding. The biggest winner in funding from the governor's budget proposal is student success. The governor has provided the system significant resources to address one of the community college system's highest priority - STUDENT SUCCESS AND SUPPORT PROGRAMS. The budget proposal commits \$170 million dollars to this endeavor. The first \$100 million will be to address student success and support programs with another \$70 million for student equity to benefit students who have traditionally been underserved by addressing both access and student achievement. How the equity portion of student success and support programs funding is to be allocated is unknown at this time.

The state and national economic situation appears to be continuing on a path of slow economic recovery. California's revenues related to Proposition 98 which

funds education looks promising for the next few years. This assumption is based on preliminary budget analysis combined in part with the governor's conservative approach to budgeting and not wanting to overspend resources. There are concerns the legislature will want to use any new-found money later in the year to address social programs and services if this positive trend continues. The governor is currently stressing restraint and any new-found revenue be used primarily to address long-term obligations.

2014-15 District Budget Summary

In the development of the budget over the years, the Board has been conservative and forward-thinking in its understanding and direction by focusing on maintaining access for students and employment stability for staff. The Board further understands and accepts that the economics of the state are fluid and that tremendous fluctuation can occur between good and bad economic times. Examples include the severe state economic downturns that occurred between fiscal years 2002-03 and 2004-05 and then again between 2008-09 and 2012-13.

The district has consistently developed responsible budgets that balance fiscal strengths and weaknesses over several years rather than riding the fiscal roller

coaster with all the implications for increases and downfalls in student access and the employment cycles of hiring and reducing permanent staff. Additionally, the district recently received notification that Clovis Community College Center is a candidate for college status and will be going through accreditation this fiscal year. The state's current economic situation, while more optimistic, has created an overly optimistic impression that the district has sufficient funds to address the pent-up demands of the past few years.

The district actively plans to serve more students and is proactively enhancing student enrollments as state funding is gradually being restored. Additionally, student success - the new priority for community colleges - requires rethinking policies and procedures as new regulations and requirements change to meet this goal. As the economy starts to heat up, the district is aware that enrollment demand will decline based on historical trends. Furthermore, the district is analyzing the enrollment demographics of the K-12 student population, our potential future students. These analyses show that the number of K-12 students is declining due to lower birth rates and typically smaller families. To address these concerns administration has developed a marketing campaign to inform students of class availability, opened up a four week summer session above and beyond our

traditional six week summer session, and augmenting course offerings for the new academic year by the use of \$1 million of reserve funds to increase course offerings in high demand areas. Students of our district can no longer say "courses are not available."

The district needs to strategically address the physical unmet needs of the past (deferred maintenance, district operations equipment, and campus projects) as well as address obligations and commitments (including the impacts of pension reform and the Affordable Care Act) to provide a comprehensive approach to budgeting while resources are relatively more plentiful.

During the prior and current academic year, the district and colleges plan to utilize some campus reserves to address the much-needed scheduled maintenance, safety, instructional and non-instructional equipment, and student success initiatives that have been deferred during the economic challenges of the past few years.

Additionally, in the 2014-15 final budget administration has not incorporated any revenues or expenditures for the equity piece (\$70 million system-wide) of the student success and student support program, since there is not enough information available to determine how much funding the district

is going to receive. When information becomes available, administration will update the Board of Trustees.

With a general fund budget of approximately \$190.7 million and a total budget in excess of \$273.2 million, including \$8.3 million in capital expenditures (capital outlays and Measure E projects), the district recognizes its importance as a shareholder in the educational opportunities for the numerous constituency groups. The district further recognizes the importance of assisting the communities in the economic development needed to provide employment opportunities and prosperity for the region as it emerges from the economic recession of the community and region.

BUDGET CALENDAR

The timelines and requirements for publication and availability of a community college district's budget are specifically outlined in the California Code of Regulations. These requirements include the scheduling for approval of the district's tentative budget on or before July 1 and subsequent adoption of a final budget prior to September 15. In addition, a public hearing must be held prior to the adoption of the final budget with appropriate publication in a local newspaper making the proposed budget available for public inspection.

The final 2014-15 State Center Community College District budget will be presented to the Board of Trustees for adoption on September 2, 2014.

The process of developing a community college district budget is an ongoing function and must be addressed by the board and administration throughout the academic year. In order to effectively develop a fiscal document that reflects the goals and objectives of the district, the budget process must include a well-defined budget calendar outlining when each component of the budget is to be completed and the responsibility for completion.

The following budget calendar for preparation of the 2014-15 budget was adopted by the governing board at its February 18, 2014 meeting.

DISTRICT ORGANIZATION

The 2014-15 budget was developed to reflect the mission and educational programs and services of the State Center Community College District. The programs of the district are consistent with the mission of the California community colleges.

California Community Colleges Mission

The mission of the California community colleges is to offer academic and vocational education at the lower division level for recent high school graduates and those returning to school. Another primary mission is to advance California's economic growth and global competitiveness through education, training and services that contribute to continuous workforce improvement. Essential functions of the colleges include: basic skills instruction, English as a second language, adult non-credit instruction, and support services that help students succeed.

State Center Community College District Mission

State Center Community College District is committed to student learning and success, while providing accessible, high quality, innovative educational programs and student support services to our diverse community. SCCCDC offers associate degrees, university transfer courses and career technical programs that meet the academic and workforce needs of the San Joaquin Valley and cultivate an educationally prepared citizenry.

District Organization

State Center Community College District (SCCCDC) anticipates serving in excess of 46,000 students at its various campuses/centers in 2014-15. The district covers approximately 5,580 square miles and services the greater Fresno area, including Fresno, Madera and portions of Kings and Tulare counties. The district encompasses 17 high school and unified districts. SCCCDC is one of 72 community college districts in California and includes two of the 112 colleges, as well as three centers and other community-based services.

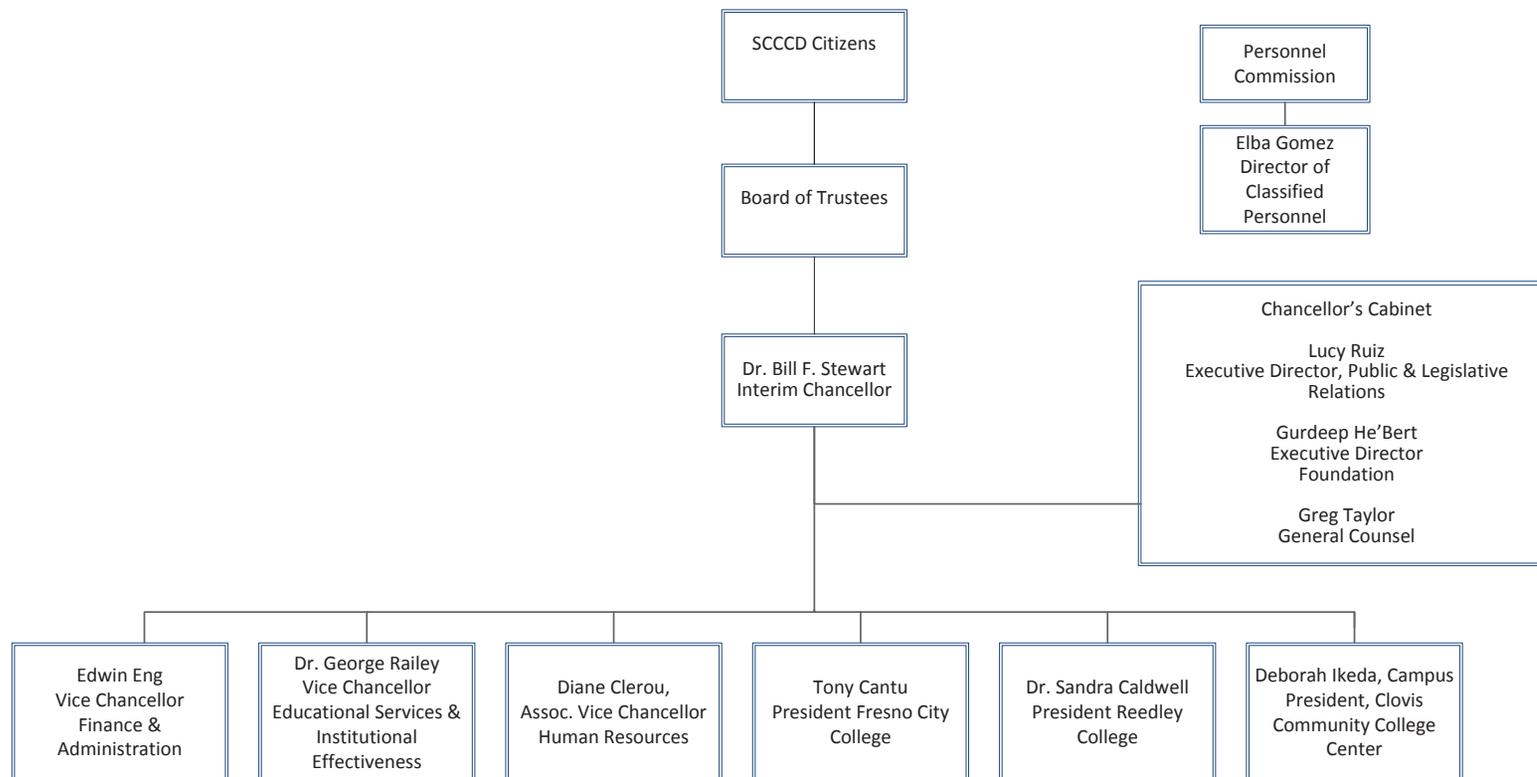

The district is governed by a seven-member Board of Trustees elected from seven by-trustee areas. Regular board meetings are held at 4:30 p.m. on the first Tuesday of the month. Meetings are held in various locations throughout the district with meeting locations adopted by the Board of Trustees each December.

The following organizational structure is in effect for the 2014-15 academic year.

FUNDING METHODOLOGY

Introduction

The financial support for the California community college system has evolved over the years as have the colleges and the purpose for its services. Since the inception of the Community college system in 1907, there have been numerous changes in the method of distributing state and local funds for the support of community colleges. In 2006-07, legislation was passed and signed into law (SB 361) that provides a basic allocation for each college or center, plus a per credit FTES funding amount of at least \$4,367 to bring all districts in the system to the 90th percentile in funding per FTES. The 2014-15 credit FTES funding rate is anticipated to be approximately \$4,676. This new model was developed in consultation with the State Chancellor's Office, the consultation council, community college chief business officials, and the board of governors.

In 1988 California voters approved Proposition 98, an initiative that amended Article XVI of the state constitution and provided specific procedures to determine a minimum guarantee for annual K-14 funding. The constitutional provision links K-14

funding formulas (which include community colleges) to growth factors, including state revenues and student population. These various factors determine the percent of the state's budget dedicated to K-14 education.

Funding Models under SB 361 of 2006

Under SB 361 a district receives a basic allocation for each college or center of varying amounts based on the size of the college and center. The basic allocation amount is augmented by a per FTES funding level. The primary components of the apportionment funding calculation, the basic allocation and the per FTES funding level, are adjusted each year by the following:

1. COLA (cost-of-living adjustment); and
2. Stability (for districts experiencing decline).

Growth funding in this model simply becomes the state-funded growth FTES for the district multiplied by the per FTES funding level for the year.

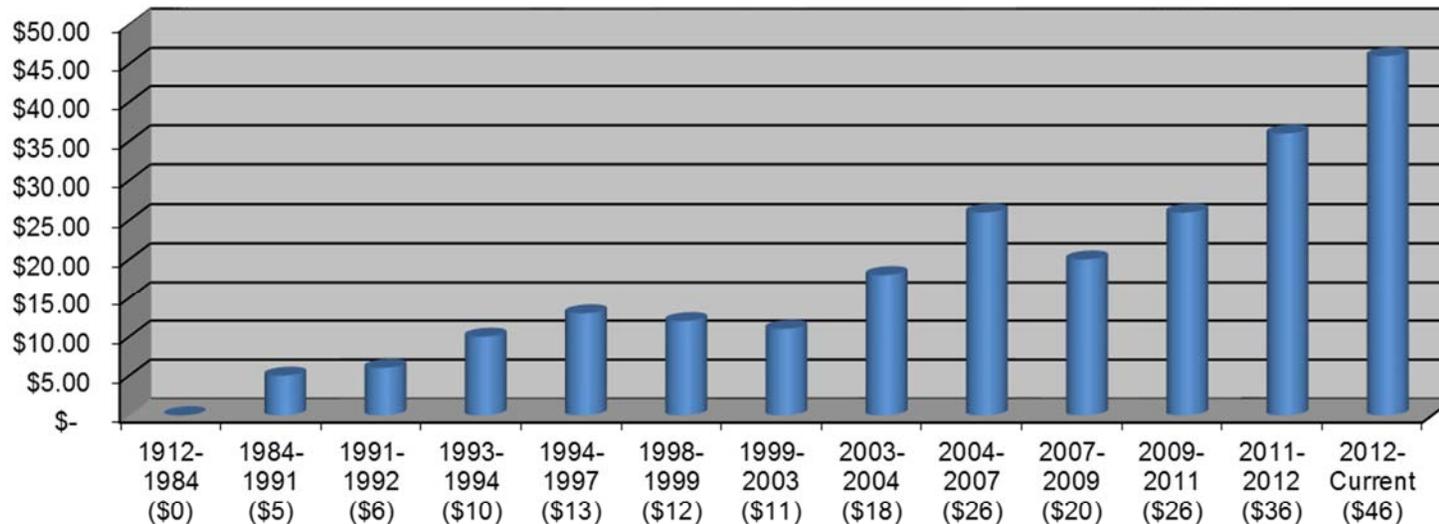

Additionally, the financing of a community college district in the system is provided in accordance with Education Code Section 58870, which states that for each district the state shall subtract from the total computational revenue a district's local property tax revenue and 98 percent of the enrollment fees collected by the district. The remainder shall be apportioned for each district by the state of California. This means the actual amount of revenue provided to a community college to operate is not impacted by the wealth of the local area's property tax base or the amount of enrollment fees collected since they are deducted from the state's calculated apportionment for each district.

Student Fees

The amount of enrollment fees and other student-related fees is strictly controlled by the state of California. Enrollment fees have remained relatively flat over the past couple years. The fee last increased for the summer 2012 semester to \$46 per unit and remains at that level currently.

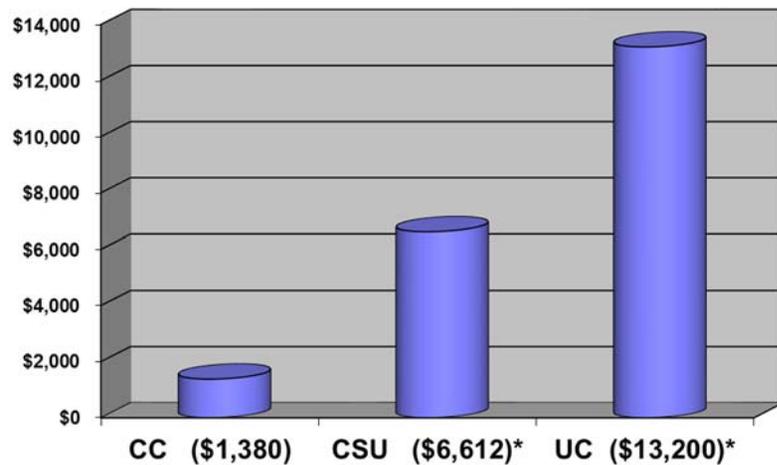

Outlined in the graph below is a history of community college per unit enrollment fees:

California’s Community Colleges – Efficient and Effective

The California community colleges represent an outstanding financial and educational value for the largest and most diverse student body in the world. Based upon 2013-14 information provided by the Community College League of California (CCLC),

the community college system receives \$5,997 per full-time equivalent student, which is approximately 48% of the \$12,506 per student funding provided to the California State University (CSU) system and is only 27% of the \$22,428 per student funding received by the University of California (UC) system. This maximization of educational resources allows the state to serve more students and to preserve more resources for other important services.

Not only does the system provide a high level of cost effectiveness, but California’s community colleges continue to excel in all areas of the system’s mission.

The mission of the California community college system and its related responsibilities and expectations have expanded to not only meet academic and vocational education needs, but also to play an active role in the economic development activities of communities and to serve as a leader in the societal transition from welfare to work. With the current economic situation facing the citizens of the United States and California in particular, the California community college system is positioned to play an increasingly important role in assisting in the training and retraining of California's workforce to meet the new demands placed on our economy.

While the community colleges have been among the most effective and efficient higher education systems in the world, additional resources are needed to maintain the high level of service to the state's population. Currently, several challenges exist for the system including obtaining the necessary resources to meet the growing student demand for services and responsibilities of the system to educate the people in California in an ever-changing state, national, and world environment.

STUDENT ENROLLMENT TRENDS

The California community college system, consisting of 72 districts and 112 colleges, currently serves 2.1 million students per year.

Since a significant majority of a community college's funding is based upon full-time equivalent students (FTES), it is important to understand enrollment trends both in the system and at SCCCD.

California Community College Enrollment and FTES Trends

Over the past five years, the California community college system has undergone significant funding reductions. In 2008-09 the total number of funded FTES for the system was 1.21 million and as of the 2013-14 Second Principal (P-2) Apportionment Report, FTES have declined to 1.10 million (~110,000 fewer funded FTES) representing an overall system reduction during this five-year period. The system has undergone several workload reductions in this timeframe, which accounts for why the system has lost enrollment. However, if funding had been available from the state, the system would have most likely grown over this period. A significant

concern now that Proposition 30 has passed and restoration of prior lost funding is occurring, is whether the prior years of course reductions will have a long-term impact on students who may have deferred their educational plans.

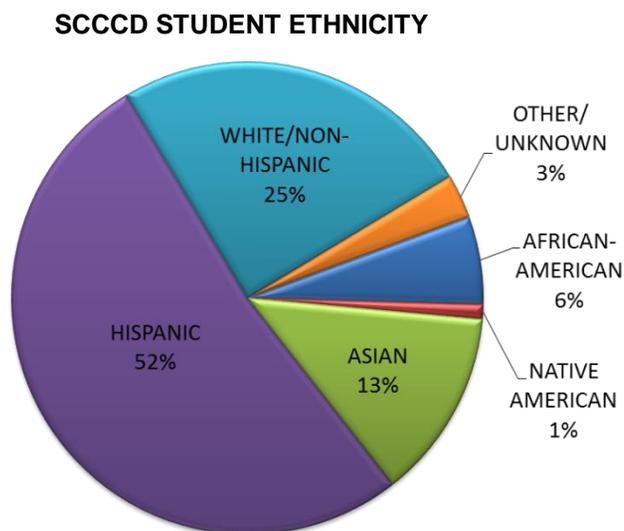

For the 2014-15 final budget, the community college system anticipates receiving additional funds of approximately \$140.4 million to restore some of the prior year's workload reductions and \$47.3 million for cost of living adjustments (COLA).

SCCCD FTES Trends

State Center Community College District has traditionally targeted FTES growth at a level higher than the statewide average. State Center was not able to maintain enrollment levels over the same five year period primarily due to the state's reduction in funding which resulted in student access reductions to the community college system, including State Center. The district has historically served more students than funded by the state.

Student Population

The geographic area served by State Center Community College District represents a diverse population. Following is a graphic display of the makeup of the district's student population:

SCCCD Future Funded Growth

With the passage of Proposition 30 and a slowly improving economy, the community college system

should continue to see additional funding from the state aimed at restoring previous enrollment reductions. The district will need to be strategic in allocating these funds, since Proposition 30 funding is limited to seven years. The district will focus on enhancing student enrollment while at the same time ensuring students are successful in completing degrees, certificates, increasing job skills and/or transferring to a four-year institution.

Community colleges have usually seen growth during slower economic times. With the passage of Proposition 30 and signs of a modest economic recovery, the challenge for the district will be to enhance student enrollment against the pent-up demand of the past few years of reduced funding. The district has been successful and is very optimistic about its ability to provide educational opportunities to its students during this transitory period, both financially and programmatically, as the system serves both student access and student success.

STATE CENTER COMMUNITY COLLEGE DISTRICT BUDGET SUMMARY

State Center Community College District is comprised of Fresno City College, Reedley College, Clovis Community College Center, Madera Center, the Career Technology Center, and Oakhurst, plus a number of community outreach programs. Each campus has a distinct identity and unique program offerings. The district offers higher education opportunities to thousands of students who might otherwise be unable to attend classes beyond the high school level. Associate of arts and science degrees are offered in a wide variety of subjects in addition to many vocational programs.

The district serves a population area in excess of one million residents characterized by a lower-than-state average income and socio-economic makeup. These demographics create unique challenges to the district in meeting the needs of the communities it serves. State Center Community College District looks forward to continuing to meet the needs of its growing and diverse service area.

The final budget allocates an additional \$1,245,397 to address additional positions at Clovis Community College Center (CCCC) as it prepares for college

status. Accreditation standards require the center to add new staffing as Clovis Community College Center (CCCC) transitions from a center to college status. Additionally, the district will be spending up to \$1,000,000 of reserve funds to aggressively add new course sections to increase student enrollments. This is necessary for the district to reach its enrollment goals for 2014-15. Additionally, the district has negotiated with all bargaining groups and committed to pay for a salary increase of 3% for this year, of which 2.15% (approximately \$2.4 million) will be paid out of reserves as a one-time off-schedule payment.

The campuses are continuing to use a portion of their reserve funds to address needs on their campuses. Funding for safety, scheduled maintenance, instructional projects, student success and non-instructional equipment have been non-existent during the years of workload reduction. Only recently has the state provided minimal resources to address these needs. In an effort to address this backlog of needs, the campuses are using a portion of their campus reserves (\$3,936,612).

Lottery revenue for the budget year 2014-15 is anticipated to generate \$4,300,000. Lottery expenditures for 2014-15 are anticipated to be \$4,938,200. This results in a projected use of lottery reserves of \$638,200.

And lastly, it is anticipated that prior fiscal year parking fees and fines revenue will exceed the cost of parking patrols and related parking lot costs by approximately \$150,000. These excess funds will be transferred to the capital projects fund (41) to pay for parking lot maintenance including re-sealing and striping the lots or in severe cases, replacing asphalt in the parking lots.

DISTRICT OFFICE/OPERATIONS BUDGET SUMMARY

The district office provides many administrative and delivery services available to the various campuses of the State Center Community College District. The district office, including the operations department, houses the Chancellor's Office, finance and administration, educational services and institutional research functions, curriculum coordination, admissions and records, personnel/human resources, management information systems/data processing, purchasing services, accounting, accounts payable, accounts receivable, payroll, legal services, public relations, coordination of district grants, the State Center Consortium (SCC), the Center for International Trade Development (CITD) and the State Center Community College Foundation.

In 1996-97, the operations services - including maintenance, grounds, police, construction, transportation, warehouse, utilities, and safety - were re-organized into centralized services. The purpose of the re-organization was to better service the various district sites and to be more cost effective by utilizing personnel and coordinating contracts and outside purchases. Additionally, it provided greater consistency in programs for the various campuses, as well as the community at large.

The district office/operations budget includes personnel and operational costs to provide delivery of the various services to the district campuses.

Following is a budget summary by object for the 2014-15 fiscal year for the district office/operations:

FRESNO CITY COLLEGE BUDGET SUMMARY

Fresno City College (FCC), with an annual student population in excess of 30,000 nestled in the central part of the city of Fresno, has the distinction of being the oldest California community college. Since opening its doors in 1910, FCC has been a model for academic and extracurricular activities. Students are afforded multiple educational opportunities at the college including availability of over 100 major courses of study for the achievement of an associate in arts or science degree. Others have found the ever-increasing vocational curriculum with a certificate of achievement and employment opportunities appealing. Additionally, Fresno City College offers training in over 200 vocational/occupational programs.

Fresno City College offers a comprehensive program of study. Students have the option of taking introductory to advanced classes in the sciences, humanities, fine and performing arts, social sciences, allied health, and occupational education. These programs are designed to meet the various needs of students: transfer, the workforce, or lifelong learning. The college also offers a variety of student learning support services that assist students in developing the necessary skills for success in the classroom and the workplace.

The student services area is designed to assist students both academically and personally. Financial aid, counseling, disabled student programs and services (DSPS), extended opportunity programs and services (EOPS), health services, psychological services, assessment testing, re-entry services, outreach, veterans and other services are available to meet students' varying needs.

The student body is made up of a diverse student population representing various age brackets and ethnic makeup reflective of the greater Fresno community. A wide range of activities and co-curricular programs encourages participation by our diverse student population. Student opportunities include clubs, student government, athletics, music, theater arts, forensics, publications, and various cultural events. FCC offers a truly comprehensive college environment.

The Fresno City College campus includes more than 51 buildings located on 104 developed acres. These buildings comprise approximately 792,000 square feet of space for educational and support programs. Continuous renovations and improvements to existing buildings and grounds have been undertaken for the

convenience and access of the college's diverse student population. Examples of these projects include the modernization of classrooms, carpet, paint and concrete maintenance.

The college also includes the Career & Technology Center (CTC), offering open-entry, 20-30 week vocational programs, and The Training Institute that provides skill-based training to individuals and customized training to local businesses. In November 2002, a \$161 million Measure E facilities bond were allocated to SCCC with \$30 million remaining to begin the development of a 120-acre site for CTC. The police academy, currently at FCC, the fire academy, and vocational and general education classes at CTC will be relocated to this new site. Until the passage of a new state bond to be matched with our remaining \$30 million in Measure E funds, these plans will remain on hold.

The Strategic Planning Council approved a process for identifying increases to the existing budget allocations using the college Action Plan process. This process is a result of the program areas reflecting on the mission and vision of the college, student learning outcomes, program review, and other college planning processes that affect programs and services. The process is reviewed at the Budget Advisory Committee to ensure that the process is followed and allows for questions

and transparency. The final recommendation for resource allocation is reviewed by the Strategic Planning Council and forwarded to the college president.

Following is a 2014-15 budget summary by object for Fresno City College:

REEDLEY COLLEGE BUDGET SUMMARY

Reedley College was established in May 1926. In 1956 the college relocated to its current site at 995 North Reed Avenue. On July 1, 1964, the college was united with Fresno City College, to create the State Center Community College District.

In 1980 the name of Reedley College was changed to Kings River Community College and, subsequently, in September 1997 the Board of Trustees restored the name to Reedley College effective July 1, 1998.

Located at the foot of the Sierra Nevada mountain range and bordered by the Kings River, the college offers a unique blend of urban sophistication and rural values. The Reedley community, located 30 minutes from Fresno, is within a two-hour drive of three popular recreational areas: Kings Canyon National Forest, Sequoia National Forest and Yosemite National Park.

The campus consists of 67 buildings with a total of approximately 409,976 square feet located on 110.8 acres. The campus also includes a 310 acre college farm consisting of prime agricultural land.

Reedley College offers a wide variety of educational opportunities. Students may choose to earn a two-year associate in arts or science degree, a guaranteed associate transfer degree, a certificate of achievement or completion, or transfer to a four-year university. Students may also gain career skills by attending one of the college's occupational programs. These programs are designed to give practical training for the careers of today and for the next century. Programs operate on a 17 ½ -week semester system consisting of fall and spring terms.

Reedley College provides unique curricula in its land and forestry programs and provides occupational programs, including: computer technology, aviation maintenance, agriculture, mechanized ag, industrial technology, and dental assisting. Reedley College is one of 11 California community college campuses to provide on-campus housing or dormitory living.

Reedley College has created a legacy of serving surrounding communities with quality education and will continue to provide innovation and guidance to maintain its status as a leader in education.

In an effort to meet accreditation requirements, Reedley College transformed the budget development process to look globally at issues impacting the colleges and distributing resources equitably in support of the mission, vision, and strategic initiative and goals. Budget development began at the division level and included faculty, staff, and students. The budget provides reasonable access for students' educational opportunities and strives to maintain employment of permanent employees.

In addition to comprehensive programs at Reedley College, the college operates several education centers in neighboring communities. The programs are concentrated at the Madera Center and the Oakhurst outreach site. Reedley College was also charged with developing an operational budget for both Madera and Oakhurst.

Madera Center

The Madera Center has been in operation for 28 years, initially operating at Madera High School. In August 1996 State Center Community College District opened a dedicated site for Madera Community College Center. The center is situated on 114 acres off of Highway 99 on Avenue 12 at the edge of the City of Madera. The initial campus consisted of 24 re-locatable classrooms and a permanent student

services building along with a re-locatable classroom to house the child development learning center and child care related programs.

A permanent 26,000-square-foot education and administrative building and utility/maintenance facility were completed for the 2000-01 school year. Funding from the 2001-02 state budget act funded the academic village complex completed in January 2004. The 50,000 square feet of classroom, laboratory, and office space includes academic classrooms and offices, as well as components and laboratory space for biology, physical science, chemistry, computer studies, business, art, and a licensed vocational nursing and LVN - RN program. Furthermore, the project provided funding to retrofit the educational/administrative building housing the library, student services, and administrative offices.

As a result of funding from local bond and business donations, a full service physical education program and facilities has been completed, including a fitness center, aerobic center, and softball field complex.

Additionally, the construction of a center for advanced manufacturing opened in fall 2009. The 7,750-square-foot center supports the maintenance mechanic program and future career technical courses that will address local manufacturing business needs. Madera Center annually serves approximately 4,200

students, generating a full-time equivalency of approximately 1,600 students per year. The center offers a wide variety of academic, basic skills, and occupational programs and opportunities for students. Utilizing services and course catalogs from its parent institution Reedley College, the Madera Center offers over 515 courses each year in 38 areas of study and gives students a choice of transfer, associate degree, certificates of achievement, and certificates of completion including LVN and LVN – RN programs.

Oakhurst Center

Oakhurst Center, serving more than 1,000 students annually and generating a full-time equivalency of approximately 300 students per year, was established as a result of Legislative mandate (Senate Bill 1607). In fall 1996 the campus relocated from Yosemite High School to its current location in the central business district of Oakhurst. In April 1999 the district acquired the 2.7 acres housing the Oakhurst Center campus. The 100 academic and occupational education courses are taught annually in nine re-locatable classrooms.

Included within the site are two distance learning classrooms allowing connectivity to sister campuses at Willow International Community College Center, Madera Center, Reedley College, and Fresno City

College. Also included are a science lab, a computer lab, and an open computer lab established in 2008 for student access. Two additional re-locatable classrooms and a restroom were added to the Oakhurst site in summer 2009.

Following are budget summaries by object for the 2014-15 fiscal year for Reedley College including Madera and Oakhurst Centers:

CLOVIS COMMUNITY COLLEGE CENTER BUDGET SUMMARY

In addition to comprehensive programs at Fresno City College and Reedley College, the district operates education centers in neighboring communities. The largest of these programs is located at the Clovis Community College Center.

In 2003, in response to the tremendous growth in the northeast area of Clovis and Fresno, the Board of Trustees completed the acquisition of approximately 110 acres for a permanent site located at Willow and International Avenues across the street from the Clovis Unified School District's third education center.

The first phase of Clovis Community College Center then known as Willow International Community College Center was opened for the fall 2007 semester. Funding for the 80,000-square-foot academic center facility in the amount of \$50.0 million was provided through local and state bond funds. Facilities include an open computer lab, additional computer laboratories, a multi-media studio, art studio, physics and waste water treatment laboratories, forum hall, distance learning, and traditional classrooms and offices. Also included with the initial phase were a

bookstore, internet café, and utility/maintenance facility.

Additionally, the phase I facilities include a state-of-the-art childhood development center. Through collaboration with the Clovis Unified School District and State Center Community College District, matching funds were secured through the AB 16 California Joint Use Facilities legislation. The \$6.0 million facility was also opened in the fall 2007 semester and is used as a toddler and pre-school licensed child care laboratory for high school and college students taking child development and pre-teaching courses.

Academic center phase II was opened in fall 2010 in an 80,000-square-foot facility. Funding for phase II in the amount of \$38.5 million was provided through local and state bonds. The facility is located north of the existing academic center and includes allied health and science laboratories, a fitness center, dance room, library/learning resource center, student services, offices, and classrooms.

Tremendous growth has occurred at Clovis Community College Center. Annually, over 8,000 students attend the center, with full-time equivalency students (FTES) of 3,800 per year. Clovis Community College Center offers over 750 courses annually in 50 areas of study and provides students a choice of basic skills, transfer, associate degrees, certificates of achievement, and local certificates through the Reedley College catalog and curriculum. In fall 2014, Clovis Community College Center began offering classes at an off-campus site. The Herndon Campus is located at Peach and Herndon Avenues approximately four miles from Clovis Community College Center.

The Clovis Community College Center received candidacy status in March 2013 from the Accrediting Commission for Community and Junior Colleges and may now move forward towards initial accreditation as Clovis Community College. The Clovis Community College Center's Academic Senate was approved by the Statewide Academic Senate in September 2012 as the 113th member senate.

Following is the budget summary by object for the 2014-15 fiscal year for the Clovis Community College Center.

LOTTERY/DECISION PACKAGES

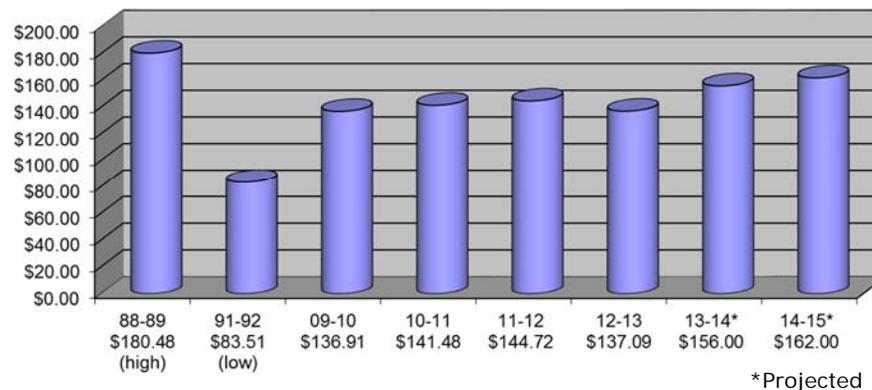

Summary

In November 1984 the California electorate approved a statewide initiative authorizing a state lottery program. As part of the initiative, 34 percent of lottery proceeds are to be distributed to all public educational entities in the state, including local school districts, community colleges, and state university systems.

Since the inception of the program, there has been a considerable variance in lottery collections and subsequent proceeds to community college districts. These amounts have varied from a high of \$180 per FTES in 1988-89 to a low of \$84 per FTES in 1991-92. Based on early projections by the Chancellor's Office, the district estimates receiving approximately \$4.3 million in lottery revenue for the 2014-15 fiscal year.

The following chart highlights actual and projected lottery funding rates to the district for the fiscal years 2009-10 through 2014-15, including the highest and lowest years:

**CALIFORNIA STATE LOTTERY
Per FTES Allocations and Estimates
2009-10 through 2014-15 with High/Low Years**

In March 2000 the California electorate approved Senate Bill 20 requiring 50 percent of any lottery proceed increases from 1997-98 to be spent on instructional materials. Since that time, because of the nature of the district's lottery/decision package program, whereby funds are utilized for one-time allocations largely distributed to the campuses, funding well in excess of this requirement has been expended on instructional materials.

The district utilizes the decision package process through which funds are allocated out of the prior year's proceeds for one-time, non-salary expenses in areas such as staff development, equipment, minor facility improvements, and scheduled maintenance related projects. By allocating resources from the prior year's revenues, the district is able to withstand the variances in lottery collections without overspending its budget. This process has allowed the district to enhance programmatic offerings to meet the needs of students and has provided a funding source for minor facility improvements.

With the state's budget challenges over the past several fiscal years still lingering into 2014-15, the district is using the lottery decision packages to not only accomplish the objectives outlined above, but also to offset the impact

of prior year budget reductions to the general fund. The colleges/centers and the district office have prepared decision packages to ensure adequate operational funds are available to meet the stated goals of the district for managed student access and to maintain financial stability. The proposals were approved through fiscal processes at each location with input provided by various employee groups and site representatives.

The decision package proposal was developed using a 2013-14 revenue projection of \$4.3 million plus the use of an additional \$.6 million of unspent prior year lottery funds for a total decision package proposal of \$4.9 million. Following is a summary by site of the recommended 2014-15 lottery/decision package program:

OTHER FUNDS AND ACCOUNTS

Introduction

In addition to the general fund, capital outlay projects fund, and the Measure E projects fund, the district operates several additional funds and recognized accounts. Each fund or account is required to account for the corresponding program revenues and expenditures. In general, each budget reflects the maintenance of the existing program or activities operating within the respective area.

Outlined is a brief description of each fund and account as well as changes anticipated for the 2014-15 fiscal year. It should be noted the budgets outlined are based upon projected revenues and expenditures and unaudited beginning balances.

Cafeteria Fund

The cafeteria fund reflects revenues and expenditures for cafeteria programs operated by the district. In 2014-15 the Reedley College campus will be the only site operated in-house by the district. Cafeteria programs at the remaining sites are all based upon third-party lease agreements. In 2005, the district extended an agreement with Taher, Inc., through 2010

to operate the FCC cafeteria, FCC catering, and the Madera Center food service program. The Taher agreement for FCC and Madera food service programs is currently administered on a month-to-month basis. A second restaurant located at the FCC bookstore is provided through Pacific Café with an agreement extended in 2009 through 2014. Food service at the Clovis Community College Center is provided by the Clovis Community College Center Café through a lease agreement entered into in 2002 for the former Clovis Center, located on Herndon Avenue, and then transferred to the Clovis Community College Center, located at Willow and International; the agreement is administered on a month-to-month basis.

In accordance with the California community colleges accounting manual, funds generated by lease agreements, including leased cafeteria programs, are accounted for in the district's general fund. The cafeteria fund collects all revenues and expenditures associated with the operation of the Reedley College program. In 2014-15 the Reedley cafeteria program is expected to have revenues of \$682,409 and expenditures of \$842,409, resulting in an operational

loss of \$160,000 to be covered by a transfer in from the general fund.

Dormitory Revenue Fund

The dormitory revenue fund is the operating account for the Reedley College residence hall (dormitory) and summer camps. It receives income from room rent, as well as interest and other charges, and pays expenses related to day-to-day operations.

Through Measure E funding, a new residence hall opened in December of 2009 that not only provided a modern residential facility, but also included an upgraded study/computer center and wireless networking for the students. While the dormitory revenue fund is budgeted to make a profit, expenditures outlined do not include all indirect or overhead costs. In 2014-15 the Reedley College dorm is expected to have revenues of \$507,770 and expenditures of \$470,865 resulting in an operational profit of \$36,905.

Internal Service Funds

Self-Insurance Fund

The district's self-insurance fund is currently used to receive premiums from the general fund and other

auxiliary operating funds to primarily disburse payments for long-term disability claims. Effective September 1, 2013, the district transitioned our long-term disability benefits from a self-insured plan to a purchased insurance provider plan. The district still maintains an obligation for the existing LTD claims established prior to the conversion date of the purchased insurance plan. The proposed budget reflects the premiums and operating costs for this benefit, as well as a transfer out to cover the cost of some anticipated vacation leave payoffs.

Retirement (OPEB) Fund

The district established this fund at the county to transfer monies to fund its Other Post Employment Benefit (OPEB) obligation for retired and current employees. The governmental accounting standards board (GASB) established statement numbers 43 and 45 related to the OPEB accounting and reporting requirements that mandates state and local governmental entities (including school districts) begin recognizing their OPEB obligation beginning with the 2007-08 fiscal year.

The district conducts an actuarial study every other fiscal year to determine its OPEB obligation with the most recent study being prepared as of July 1, 2012. The current study determined the present value of

future benefits (PVFB) for retirees and active employees is \$34.5 million with an actuarial accrued liability (AAL) of \$23.8 million (discount rate at 5.0%). The annual required contribution (ARC) is established at \$2.1 million. The ARC includes the “pay as you go” portion of the district’s current payment for retirees, the subsidized portion for retirees currently utilizing the district’s health plans, and payment for retirees and current employees based upon a 30-year amortization of the incurred, but not funded, cost for retirees and active employees.

GASB 43/45 does not mandate the funding of the OPEB obligation at this time, but does recommend funding the obligation. However, the accreditation standards for community colleges requires us to plan for and allocate appropriate resources for the payment of liabilities and future obligations, including OPEB, compensated absences and other employee related obligations. The Board and administration believed it to be prudent to begin funding the obligation made during previous negotiations to pay for a portion of the employee's retirement health costs. Furthermore, full GASB 43/45 compliance requires the district to deposit at a minimum its ARC contribution.

The Board approved the establishment of an irrevocable trust to be compliant with the GASB 43/45 guidelines. The California School Board

Association (CSBA) sponsored program was approved by the Board on August 2007 for the GASB 43/45-compliant irrevocable trust and Public Agency Retirement Services (PARS) was hired by CSBA to be the trust administrator with US Bank to manage the investments of the trust. Additionally the Board of Trustees formed a Retirement Board with oversight responsibility of the trust and its investments.

The SCCCD retirement board approved the transfer of \$5.7 million representing the 2006-07 and 2007-08 ARC payments into the irrevocable trust. In 2008-09, the OPEB contribution of \$2.8 million was transferred to the district controlled fund rather than the irrevocable trust account. In December 2013, the district transferred \$4.1 million to the irrevocable trust fund to fully fund the existing net OPEB obligation of approximately \$3.2 million, and to cover the anticipated amount needed to fund the 2013-14 obligation. The 2014-15 budget reflects the plan to transfer the remaining balance in the district’s retiree benefits fund to cover the current year’s obligation. The irrevocable OPEB trust and district retiree funds contain \$12.0 million and \$0.8 million respectively, as of June 30, 2014.

Bookstore Fund

The budgets for the campus' bookstores reflect the maintenance of existing services in the district, including operation of four retail stores in the district. The budgets reflect the necessary adjustments to the salary, benefits, and other operating expenses. The bookstore also budgets for the transfer of these funds used to support co-curricular activities. The bookstores are expected to generate approximately \$8.73 million in revenue with \$8.67 million in expenditures. The estimated profit of \$63,401 is mainly attributed to additional classes being offered and better control of inventory purchased.

Co-Curricular Accounts

The co-curricular expenditure budgets for each campus include provisions for athletics and athletic insurance, forensics, publications, etc. Major funding sources for co-curricular activities at both campuses are from gate receipts for athletic events and transfers from bookstores and campus allocations; in 2014-15 the budgeted bookstore transfer to campus co-curricular programs will be \$194,400. These accounts, although operating separately, are actually an extension of the general fund.

Direct Student Financial Aid Accounts

These accounts have been established at each campus for disbursing direct student financial aid, which consists primarily of PELL Grants, Supplemental Educational Opportunity Grant (SEOG) awards, Cal Grants, and Extended Opportunity Programs and Services (EOPS) awards. Funding is provided by the U.S. Department of Education, the California Student Aid Commission, and the California Community College Chancellor's Office. Projected expenditures and offsetting revenues are based on the best estimates at this time of approximately \$61.8 million.

CAPITAL OUTLAY PROJECTS

Introduction

The district operates several components of its capital facilities projects in the capital outlay projects fund. Following is a summary of the various capital outlay programs accounted for.

State Funded Building Projects

The state of California provides funding for community college facilities expansion and remodeling based upon established criteria. Basically, districts become eligible for state-funded building programs based upon the number of students served and the population growth projections for the service area. Because the state has inadequate funding for meeting the capital facilities needs for education, there is a significant backlog of eligible projects waiting for funding.

The final phase of remodeling for the Old Administration Building, at Fresno City College was funded by the State. This project is complete, with the exception of minor construction in the amount of \$35,990.

Listed below is the State Funded Building project funded in 2014-15:

1. **Old Administration Building, Phase 3**, Fresno City College - \$35,990

Total State Funded Building Projects - \$35,990

The California Clean Energy Jobs Act (Proposition 39) Projects

The California Clean Energy Jobs Act (Prop 39) allocates funding for five fiscal years, beginning in fiscal year 2013-2014, for projects that will improve energy efficiency and expand clean energy generation in schools. Under this initiative, projects are identified and an application for funding is submitted to the California Energy Commission. The Energy Commission approves plans and distributes funds for the projects.

In the fiscal year 2013-2014, funds in the amount of \$922,748 were approved and distributed to SCCC. This project replaced exterior lighting district wide with high-efficiency LED lights. In the 2014-2015 fiscal year, the funding amount is expected to be

\$745,843, which will complete the districtwide exterior lighting replacement and install interior LED lighting at a portion of the Fresno City College campus.

Listed below is the Proposition 39 project funded in 2014-15:

1. **Exterior & Interior Lighting Upgrades**, District wide - \$745,843

Total Proposition 39 Funded Projects - \$745,843

Scheduled Maintenance and Hazardous Substance & Locally Funded Projects

In 2003-04 the state began funding scheduled maintenance along with instructional equipment in a block grant format. The funds are allocated based on actual reported FTES. In 2004-05 the budget added hazardous substances funding to the block grant format. During the 2009-10 through 2012-13 budget years, no funding was received from the state for scheduled maintenance or hazardous substance projects, which decreased the overall funding available to complete all the projects identified during those fiscal years. The district continued to maintain its facilities even without state support to ensure the

capital investment was not rendered obsolete through years of neglect and, more importantly, to provide a positive learning environment.

This year the state has provided \$1,748,676 in funding for scheduled maintenance projects, and is not requiring a district match this fiscal year. Additionally, the district will locally fund \$150,000 for the remaining scope of work required for the Clovis Community College Center Herndon Campus Remodel project, which includes ADA requirements, and \$500,000 for pavement rehabilitation.

Listed below are the scheduled maintenance & local projects funded in 2014-15:

1. **Replace Air Conditioning Pans at Cafeteria**, Reedley College - \$42,000
2. **Fire Alarm Upgrade**, Reedley College - \$95,000
3. **Fire Alarm Upgrade**, Fresno City College - \$115,000
4. **Repair Chill Water Loop (Campus wide)**, Reedley College - \$53,000
5. **Replace South Underground Hot Water Loop**, Fresno City College - \$315,000

MEASURE E PROJECTS

Introduction

In November 2002 voters passed Measure E, a \$161.0 million local bond measure for the district. The district received \$20.0 million from the initial bond sale in the summer of 2003. The initial issuance was followed by a second issuance of \$25.0 million in the summer of 2004, a third issuance of \$66.0 million in the summer of 2007, and a fourth issuance of \$20.0 million in the summer of 2009. This leaves a balance of \$30.0 million yet to be sold from the Measure E program designated for the southeast site.

In March of 2012 the district refunded approximately \$23.8 million of the earlier issued general obligation bonds to take advantage of the current low interest rates. The bond refunding does not provide savings directly to the district, but it is anticipated to save the district's taxpayers approximately \$2.3 million over the term of the bonds.

In addition to the Measure E bond funding, the District and Foundation transferred funds to the Measure E Capital Projects Fund to provide the resources needed to supplement the local bond

funding primarily for the Old Administration Building renovation.

Following are a list of the on-going and pending projects and the current year projected expenditures for the Measure E Fund. The amounts budgeted for the current fiscal year are utilizing the remaining funds contributed by the district and foundation to supplement the original bond funds, as all issued bond funds have been exhausted:

1. **Southeast Site, Phase 1 - \$0**

The Southeast Site Phase I project is estimated to cost approximately \$79.4 million. The project will be funded with \$31.0 million of District Measure E bond funds, along with a state match of \$48.4 million. The state needs to pass a statewide bond to provide the district the resources to be able to move forward on this project. The next opportunity for a statewide bond will be in November 2014. Statewide bonds are placed on the ballot in even numbered years for voter approval. The last statewide bond on the ballot was in 2006, which passed with nearly 57 percent support. No bonds were submitted for statewide voter consideration in 2008, 2010, or 2012.

2. **Remodel Building A, B, Portables, Clovis Community College Center, Herndon Campus - \$1,031,731**

This project will replace the HVAC units at Building A, remodel the classrooms throughout the campus. Furnishings and technology equipment will be purchased to complete the renovation for classroom instruction.

Glossary of Financial Terms

Allocation: Division or distribution of resources according to a predetermined plan.

Annual Required Contributions (ARC): The employer's periodic required contributions to an OPEB plan.

Apportionment: Federal, state or local monies distributed to college districts or other governmental units according to legislative and regulatory formulas.

Basic Aid Districts*: There are a few districts in which the property tax revenues generated in the district are equal to or greater than the state allocation amount generated through the state apportionment formula. They receive the amount of the revenue generated from local property tax and fee revenues, and are known as "basic aid districts." In 2007-2008, Marin, Mira Costa, and South Orange County fell into this category.

Budget Document: A written statement translating the educational plan or programs into costs, usually for one future fiscal year, and estimating income by sources to meet these costs.

Budget Act: The legislative vehicle for the State's appropriations. The Constitution requires it be passed by a two-thirds vote of each house and sent to the Governor by June 15 each year. The governor may reduce or delete, but not increase, individual items.

Capital Outlay: The acquisition of or additions to fixed assets, including land or existing buildings, improvements of grounds, construction of buildings, additions to buildings, remodeling of buildings, or equipment.

Categorical Funds: Also called restricted funds, these are monies that can only be spent for the designated purpose. Examples: funding to serve students with disabilities (DSPS) or the economically disadvantaged, low income (EOPS), scheduled maintenance, and instructional equipment.

Contingencies Fund (also Undistributed Reserve): That portion of the current fiscal year's budget not appropriated for any specific purpose and held subject to transfer to other specific appropriations as needed during the fiscal year.

Cost of Living Adjustments (COLA): An increase in funding for revenue limits or categorical programs tied to increases in the cost of living. Current law ties COLAs to indices of inflation, although different amounts may be appropriated by the legislature.

Deficit: The excess of liabilities over assets or the excess of expenditures or expenses over revenues during an accounting period.

Discount Rate: The interest rate used to adjust for the time value of money.

* In 2011-12 San Mateo County became a Basic Aid District

Glossary of Financial Terms

Disabled Student Programs & Services (DSPS): Categorical or restricted funds designated to provide services that integrate disabled students into the general college program.

Employee Benefits: Amounts paid by an employer on behalf of employees. Examples are group health or life insurance payments, contributions to employee retirement, district share of O.A.S.D.I. (Social Security) taxes, and worker's compensation payments. These amounts are over and above the gross salary. While not paid directly to employees, they are a part of the total cost of employees.

Ending Balance: A sum of money available in the district's account at year end after subtracting accounts payable from accounts receivable or the difference between assets and liabilities at the end of the year.

Enrollment Cap: A limit on the number of students (FTES) for which the state will provide funding.

Enrollment Fee: Charges to resident students for instructional costs; established in the annual budget act.

Equipment: Tangible property with a purchase price of at least \$200 and a useful life of more than one year, other than land or buildings and improvements thereon.

Estimated Income: Expected receipt or accruals of monies from revenue or non-revenue sources (abatements, loan receipts) during a given period.

Expenditures: Amounts disbursed for all purposes. Accounts kept on an accrual basis include all charges whether paid or not. Accounts kept on a cash basis include only actual cash disbursements.

Extended Opportunity Programs and Services (EOPS): Categorical funds designated for supplemental services for disadvantaged students.

Faculty Obligation Number (FON): The annual figure provided to each district by the Chancellor's Office for the number of full-time credit faculty positions required to comply with 75/25 goals.

Fee: A charge to students for services related to their education. The System Office annually publishes a list of mandated, authorized, and prohibited fees.

Fifty-Percent Law: Requires that fifty percent of district expenditures in certain categories are spent for classroom instruction. The intent of the statute is to limit class size and contain the relative growth of administrative and non-instructional costs.

Financial Stability: Utilization of available resources (revenues) to address the obligations or needs (expenditures) for the current and future periods (multi-year) of the organization.

Final Budget: The district budget that is approved by the board in September, after the state allocation is determined.

Glossary of Financial Terms

Fiscal Year: Twelve calendar months; for governmental agencies in California, it begins July 1 and ends June 30. Some special projects have a fiscal year beginning October 1 and ending September 30, which is consistent with the federal government's fiscal year.

Full-Time Equivalent Students (FTES): An FTES represents 525 class (contact) hours of student instruction/activity in credit and noncredit courses, generally 15 semester credit hours. Full-time equivalent student (FTES) is the workload measure used to compute state funding for California Community Colleges.

General Fund: The fund used to account for the ordinary operations of the district. It is available for any legally authorized purpose not specified for payment by other funds.

General Reserve: An account to record the reserve budgeted to provide operating cash in the succeeding fiscal year until taxes and state funds become available.

Governor's Budget: The Governor proposes a budget for the state each January, which is revised in May (the May Revise) in accordance with updated revenue projections.

Indirect Expenses or Costs: The elements of cost necessary in the production of a good or service not directly traceable to the product or service. Usually these costs relate to expenditures not an integral part of the finished product or

service, such as rent, heat, light, supplies, management, and supervision.

Lottery Funds: The share of income from the State Lottery, which has added about 1-3 percent to community college funding. A minimum of 34 percent of state lottery revenues must be used for "education of pupils."

Mandated Costs: Expenditures that occur as a result of (or are mandated by) federal or state law, court decisions, administrative regulations, or initiative measures.

May Revise: The Governor revises his or her budget proposal in May in accordance with up-dated projections in revenues and expenses.

Noncredit: Courses taught for which no college credit is given. Adult education and basic English as a Second Language are two examples. The state reimbursement for noncredit education is less than for credit courses.

OPEB: Other Post Employment Benefits include postemployment healthcare benefits, and all Post Employment Benefits provided separately from a pension plan, excluding benefits defined as termination offers and benefits.

Operating Expenses: Expenses related directly to the fund's primary activities.

Operating Income: Income related directly to the fund's primary activities.

Glossary of Financial Terms

Pay-As-You-Go: A method where a sponsor recognizes plan costs and contributes to a plan equal to the current year's benefit outlay. A sponsor using "Pay-As-You-Go" does not fund for future OPEB payments.

Present Value of Future Benefits: The value, discounted to the valuation date, of all benefits estimated to be payable on or after the valuation date.

Proposition 13: An initiative passed in June 1978 adding Article XIII A to the California Constitution. It provided that tax rates on secure property were restricted to no more than 1 percent of full cash value. Proposition 13 also defined assessed value and required a two-thirds vote to change existing or levy new taxes.

Proposition 39: An initiative passed in 2000 that reduced the voting threshold required for local bonds from two-thirds to 55% and added conditions for proposing and using bond funds.

Proposition 98: An initiative passed in November 1988, guaranteeing at least 40 percent of the state's budget for K-12 and the community colleges. The split was proposed to be 89 percent (K-12) and 11 percent (CCC), although the split has not been maintained.

Reserves: Funds set aside in the college district budget to provide for future expenditures or to offset future losses, for working capital, or for other purposes. There are different

categories of reserves, including contingency, general, restricted and reserves for long-term liabilities.

Restricted Funds: Money that must be spent for a specific purpose either by law or by local board action. Revenue and expenditures are recorded in separate funds. Funds restricted by board action may be called "designated" or "committed" to differentiate them from those restricted by external agencies. Examples of restricted funds include the federal vocational education act and other federal program funds; state "categorical" programs such as those for disabled and disadvantaged students' state monies targeted for specific purposes, such as instructional equipment replacement; grants for specific programs; and locally generated revenues such as the health and parking fees.

Retiree Health Benefits: Benefits provided to retirees provide health insurance, negotiated through collective bargaining. Also called "Other Post Employment Benefits."

Revenue: Income from all sources.

Revolving Fund: A revolving cash account used to secure or purchase services or materials.

Shortfall: An insufficient allocation of money, which will require additional appropriations, reduction in expenditures, and/or will result in deficits.

Glossary of Financial Terms

Stabilization Funding: Districts that experience enrollment decline are held harmless for any revenue loss in the year the enrollment decline occurs, and the district is funded to its base enrollment. In the year immediately following the year of decline, the revenue associated with the enrollment decline (stabilization funding) will be reduced from a district's base revenue if the district has not restored the enrollment. (Education Code Section 84750.5)

State Apportionment: An allocation of state money paid to a district on a monthly basis once the state budget is enacted.

STRS (CalSTRS) California State Teachers' Retirement System: State law required school district employees, school districts, and the State contribute to the fund for full-time academic employee.

Structural Deficit: Budgeted expenditures exceed budgeted revenues over an extended period of years.

Student Financial Aid Funds: Funds designated for grants and loans to students; includes federal Pell grants, College Work-Study, and the state funded EOPS grants and fee waiver programs.

Sustainability: Utilization of available resources (revenues) to address the obligations or needs (expenditures) of the organization for the current and future periods (multi-year).

Tentative Budget: The budget approved by the board in June, prior to when state allocations have been finalized.

Title 5, California Code of Regulations: The section of the California Administrative Code that regulates community college. The Board of Governors adopts Title 5 regulations.

Unfunded FTES: FTES generated in excess of the enrollment/FTES cap.

Unrestricted Funds: Generally those monies of the General Fund not designated by law or a donor agency for a specific purpose. They are legally regarded as unrestricted since their use is at the Board's discretion.

PRESENTED TO BOARD OF TRUSTEES

DATE: September 2, 2014

SUBJECT: Consideration to Change Title of Associate Vice Chancellor of Human Resources to Vice Chancellor of Human Resources ITEM NO. 14-78

EXHIBIT: Classification Specification

Background:

Beginning in November 2013, Human Resources presented a Human Resources Office Reorganization document to the Board of Trustees. The document contained three phases of implementation for the reorganization. As you may recall, the Board of Trustees approved phase I at its November 7, 2013, board meeting. Phase II was approved at the December 10, 2013, board meeting. Human Resources has implemented both phases. Phase III contains only one component and that is the title change of Associate Vice Chancellor of Human Resources to Vice Chancellor of Human Resources.

In 2011 it was the recommendation of the College Brain Trust to change the position of Associate Vice Chancellor of Human Resources to Vice Chancellor of Human Resources in order to provide equity among the other Chancellor Cabinet positions with similar levels of responsibility. In addition, this is the “chief” human resources position for the District in charge of long-term organizational changes such as diversity, organizational effectiveness/efficiency, and financial changes to improve the District’s long-term sustainability. This change in title is an increase of \$13,835 in the human resources budget. This increase is offset by other financial savings resulting from Phase I and Phase II of the Human Resources Office Reorganization. Please see the attached classification specification for details of the duties of this position.

Recommendation:

It is recommended the Board of Trustees approve the change in title from Associate Vice Chancellor of Human Resources to Vice Chancellor of Human Resources, effective September 3, 2014.
