PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve an Increase in ITEM NO. 16-80HR
 Compensation for Student Aide and Art Model
 Positions Due to California Minimum Wage
 Increase

EXHIBIT: None

Background:

California's present minimum wage is \$10.00 per hour. The Governor and the California Legislature have agreed to a minimum wage increase of 50¢ per hour, increasing the minimum wage to \$10.50 per hour, effective January 1, 2017.

Due to this increase in the minimum wage, administration is recommending the following implementation:

Effective January 1, 2017

Title	Current Salary	Proposed Salary
Student Aide I	\$10.00/hour	\$10.50
Student Aide II	\$11.00/hour	\$11.25
Student Aide III	\$12.00/hour	Remains the same
Student Aide IV	\$13.25/hour	Remains the same
Art Model	\$10.00/hour	\$10.50

Recommendation:

In accordance with Board Policy 7230, it is recommended the Board of Trustees approve the minimum wage increases of Student Aide and Art Model position as presented, effective January 1, 2017.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve Six-Month Limited ITEM NO. 16-81HR
 Term Position of Administrative Aide, District
 Office

EXHIBIT: None

Background:

A six-month limited term administrative aide position is being requested by the Educational Services and Institutional Effectiveness Division due to unanticipated personal issues resulting in reduced staff support. A six-month limited term administrative aide position will allow the division to continue to provide needed support functions and to meet workload and deadline requirements.

Recommendation:

In accordance with Board Policy 7230, administration recommends the Board of Trustees approve the six-month limited term position of Administrative Aide, District Office.

STATE CENTER COMMUNITY COLLEGE DISTRICT

Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve Four New Positions of Permanent Part-Time Food Service Worker I/II, Reedley College ITEM NO. 16-82HR

EXHIBIT: None

Background:

The Reedley College Food Services Department currently has two vacant positions. One is a full-time cafeteria attendant position, the other is permanent part-time cafeteria attendant position. These vacancies have allowed for the opportunity to address staffing needs within the food services operation at Reedley College.

Administration is recommending defunding the full-time cafeteria attendant position and the permanent part-time cafeteria attendant position, and adding four permanent part-time food service worker I/II positions. These positions would be 19 hours per week and would allow food services to better cover the cash register and food services line to better serve the needs of the students. This would also allow more flexibility to perform additional essential duties within the food services operations.

This recommendation would result in a net savings per year of \$2,986.01. Although this is a minimal cost savings, the overall operation of the food services department would be improved.

Recommendation:

In accordance with Board Policy 7230, administration recommends the Board of Trustees approve four new positions of Permanent Part-Time Food Service Worker I/II, Reedley College.

SUBJECT: Consideration to Approve New Position of
Administrative Assistant, Madera Community
College Center

ITEM NO. 16-83HR

EXHIBIT: None

Background:

District administration is recommending the addition of a new administrative assistant as support for the vice president of the Madera and Oakhurst community college centers. This position is currently supported by a vacant administrative aide position.

Administration has reviewed the duties and is recommending the new position as the higher level duties will better support the vice president and better serve the needs of the students and staff. This new position will align the secretarial position duties with the title of the supervisor at the community college centers. The department will defund the administrative aide position in order to offset the increased budget expense.

Recommendation:

In accordance with Board Policy 7230, administration recommends the Board of Trustees approve the new position of Administrative Assistant, Madera Community College Center.

SUBJECT: Consideration to Appoint Dean of Student
Services, Reedley College

ITEM NO. 16-84HR

EXHIBIT: None

Background:

The position of Dean of Student Services, Reedley College, was posted on August 15, 2016, and the district received 35 completed applications. The search advisory committee was composed of two academic administrators, one classified manager, seven faculty members, one classified staff member and one student. The committee paper screened the applications and invited ten candidates to be interviewed. Following the interviews, four candidates were forwarded to the president for interviews.

Following those interviews, Ms. Terri Sanders is being recommended for the position of Dean of Student Services, Reedley College. Ms. Sanders has been employed at Georgia State University for the past fifteen years. She is currently employed as the associate director of academic advisement and has held that position for one year. Prior to that she was the assistant director of academic advisement for four years. Ms. Sanders held the position of academic advisor for five years and the position of housing coordinator/complex director for five years. Ms. Sanders received a bachelor of arts in English from the University of Mississippi and a master of science in counseling psychology from the University of Southern Mississippi.

Recommendation:

In accordance with Board Policy 7110, administration recommends the Board of Trustees appoint Ms. Terri Sanders as Dean of Student Services, Reedley College, with placement on the Management Salary Schedule at Range 62, Step 1 (\$9,279.58 monthly), effective January 3, 2017.

 Applied Technology, Fresno City College

ITEM NO. 16-85HR

EXHIBIT: None

Background:

The position of Dean of Instruction, Applied Technology, Fresno City College, was posted on August 29, 2016, and the district received ten completed applications. The search advisory committee was composed of two academic administrators, five faculty members, and two classified staff members. The committee paper screened the applications and invited seven candidates to be interviewed. Following the interviews, five candidates were interviewed by the president.

Following those interviews, Becky Barabe is being recommended for the position of Dean of Instruction, Applied Technology, Fresno City College. Ms. Barabe is currently employed as the director of business, industry, community services at Merced Community College District. She has been employed in this position for five years. Prior to that she worked for one year as the director of workplace learning resource center at Merced Community College District. Ms. Barabe served as the executive director at the Westside Tule Enterprise Community in Coalinga for seven years. Additionally, she served as the training coordinator for the Fresno County Workforce Investment Board's American Recovery and Reinvestment Act-funded projects.

Ms. Barabe was the coordinator/project specialist at the Fresno County Office of Education for a year and a half. Ms. Barabe has been an adjunct faculty member at West Hills Community College District for seventeen years. She earned her bachelor of arts in comparative literature from the University of California, Berkeley, and earned her masters of arts in administrative leadership from Fresno Pacific University. She is currently enrolled in the educational leadership in higher education doctoral program with Concordia University, Portland, Oregon.

Recommendation:

In accordance with Board Policy 7110, administration recommends the Board of Trustees appoint Ms. Becky Barabe as Dean of Instruction, Applied Technology, Fresno City College, with placement on the Management Salary Schedule at Range 62, Step 1 (\$9,279.58 monthly), effective January 3, 2017.

SUBJECT: Consideration to Appoint Vice Chancellor of ITEM NO. 16-86HR
 Human Resources, District Office

EXHIBIT: None

Background:

The position of Vice Chancellor of Human Resources was posted on August 1, 2016, and the district received 15 completed applications. The search advisory committee was composed of two academic administrators, four classified managers, three faculty members, three classified staff members, one confidential staff member, one personnel commissioner and one community member. The committee paper screened the applications and invited six candidates to be interviewed. Following the interviews, two candidates were forwarded to the chancellor for interviews.

Following those interviews, Ms. Julianna Mosier is being recommended for the position of Vice Chancellor of Human Resources. Ms. Mosier currently serves as the supervisor, human resources, at Pasadena City College and has held this position for three years. In her current position she is responsible for the direct management of the day-to-day operations of the human resources office and functions. She leads the district negotiating teams, all aspects of the contract preparation, she coordinates and facilitates the district grievance processes and works closely with district and union leadership. She oversees the benefits administration, leaves of absence, complaints and investigations. She is responsible for the coordination of the district recruitment. Ms. Mosier interprets, applies and explains laws, codes, rules and regulations to staff and management, and she is responsible for the oversight of the HR budget.

She was previously the senior human resources generalist at College of the Canyons for six years. Ms. Mosier has also held human resources management positions in the private industry for nine years. Ms. Mosier received her bachelor of arts degree in history from the University of California, Santa Barbara. She received a professional designation in human resources management from the University of California, Los Angeles, and her masters of business administration from California State University, Northridge.

Item No. 16-86HR

Page 2

Recommendation:

In accordance with Board Policy 7110, administration recommends the Board of Trustees appoint Ms. Julianna Mosier as Vice Chancellor of Human Resources with an annual salary of \$177,677, effective January 23, 2017.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve New Positions for
Capital Projects, District Operations

ITEM NO. 16-87HR

EXHIBIT: None

Background:

With the recent passage of the Measure C, the district has begun the necessary steps to initiate the district's planning and construction process. The bond implementation process brings forth staffing needs to manage several consultants, staff, and contractors to ensure the program is initiated, coordinated, and implemented effectively and efficiently.

Internal staff is necessary to ensure consistent management of bond project processes, while ensuring cost containment of consultant services. Administration is recommending the addition of a district director of capital projects, a construction services assistant and an office assistant III position to assist in managing the process of implementation of the projects, which includes programming; coordination of plan preparation and bid specifications; ensuring compliance with state and local building code requirements; coordinating and evaluating architecture and engineering services for the project designs; overseeing construction progress; reviewing change orders and inspection reports; maintaining project files; working with the architects, engineers, consultants, suppliers and operations staff.

Recommendation:

In accordance with Board Policy 7230, administration recommends the Board of Trustees approve the new positions of District Director of Capital Projects, Construction Services Assistant and Office Assistant III, District Operations.

1. Monthly Receipt and Monthly Disbursement amounts are estimates based upon historical cash flows and may change as actual cash flow information becomes available.

2. Beginning balance: is taken from LAIF, Bank of the West MMF, and Bank of the West Service Bank.

3. Actual Investment Maturities: excludes vault.

4. Available to Invest > 6 Months: is calculated as Actual Investment Maturities less Required Investment Maturities.

STATE CENTER COMMUNITY COLLEGE DISTRICT
1525 E. Weldon
Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve Quarterly
Budget Transfers and Adjustments Report

ITEM NO. 16-141G

EXHIBIT: Budget Transfers and Adjustments

Background:

The enclosed Budget Transfers and Adjustments Report reflects budget adjustments through the period ending September 30, 2016. The adjustments represent changes to meet the ongoing needs of the district, including categorically funded programs, educational needs of the campuses, and new grants and agreements.

Recommendation:

In accordance with Board Policy 6250, administration recommends the Board of Trustees approve the September 30, 2016, Budget Transfers and Adjustments Report.

STATE CENTER COMMUNITY COLLEGE DISTRICT
1525 E. Weldon
Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Accept Gift/Donation from
the Hashimoto Trust

ITEM NO. 16-142G

EXHIBIT: None

Background:

On May 14, 2002, Valerie H. Demaree, a former Reedley College student, passed away. As a part of the dispositive provisions of the Hashimoto Trust, her total estate, currently estimated at \$344,122.15, will be settled and portions will be distributed to several organizations. A portion equal to 20% of the trust estate, approximately \$68,000, will be distributed to Reedley College. It will be used to establish a memorial endowment scholarship in Valerie Hashimoto's name for women who will major in business, preferably accounting. Board Policy 3820 requires that the board take action to accept gifts to the district.

Recommendation:

In accordance with Board Policy 3820, administration recommends the Board of Trustees accept the gift/donation from the Hashimoto Trust estate and authorize the chancellor and the executive director of the State Center Community College Foundation to develop a plan to use the funds in a manner consistent with the wishes of Valerie Hashimoto's will.

Item No. 16-143G

Page 2

Recommendation:

In accordance with Board Policies 6100 and 6600, administration recommends the Board of Trustees approve the reimbursement resolution number 2016.30 of the Board of Trustees of the State Center Community College District regarding its intention to issue tax-exempt general obligation bonds.

STATE CENTER COMMUNITY COLLEGE DISTRICT

REIMBURSEMENT RESOLUTION OF THE
BOARD OF TRUSTEES REGARDING ITS INTENTION
TO ISSUE TAX-EXEMPT GENERAL OBLIGATION BONDS

RESOLUTION NO. 2016.30

WHEREAS the State Center Community College District (the “District”) has passed a \$485,000,000 general obligation bond election on June 7, 2016 ballot through the adoption of Resolution No. 2016.02 adopted on March 1, 2016 (the “Election Resolution”); and

WHEREAS, the Board of Trustees of the District desires to finance the costs of acquiring, constructing, reconstruction and/or equipping of school facilities as provided in Exhibit B to the Election Resolution (the “Project”); and

WHEREAS, the District intends to finance the acquisition, construction, reconstruction and/or equipping of the Project or portions of the Project with the proceeds of the sale of general obligation bonds or other forms of debt, the interest upon which is excluded from gross income for federal income tax purposes (the “Obligations”); and

WHEREAS, prior to the issuance of the Obligations the District desires to incur certain capital expenditures (the “Expenditures”) with respect to the Project from available moneys of the District; and

WHEREAS, the Board of Trustees has determined that those moneys to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period and it is necessary to reimburse the District for the Expenditures from the proceeds of the Obligations.

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE STATE CENTER COMMUNITY COLLEGE DISTRICT DOES HEREBY RESOLVE, ORDER, AND DETERMINE AS FOLLOWS:

SECTION 1. The District hereby states its intention and reasonably expects to reimburse Project costs incurred prior to the issuance of the Obligations with proceeds of the Obligations. Exhibit B of the Election Resolution describes the general character, type, purpose, and function of the Project.

SECTION 2. The reasonably expected maximum principal amount of the Obligations is \$100,000,000.

SECTION 3. This resolution is being adopted not later than 60 days after the payment of the original Expenditures (the “Expenditures Dates or Dates”).

SECTION 4. The District will make a reimbursement allocation, which is a written allocation that evidences the District’s use of proceeds of the Obligations to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. If both the District and a licensed architect or engineer certify that at least 5 years is necessary to complete construction of the Project, the maximum reimbursement period is changed from 3 years to 5 years.

SECTION 5. Each Expenditure will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Obligations, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the District so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the District.

SECTION 6. This resolution is consistent with the budgetary and financial circumstances of the District, as of the date hereof. No moneys from sources other than the Obligations are, or are reasonably expected to be reserved, allocated on a long-term basis, or otherwise set aside by the District (or any related party) pursuant to their budget or financial policies with respect to the Project costs. To the best of our knowledge, this Board is not aware of the previous adoption of official intents by the District that have been made as a matter of course for the purpose of reimbursing expenditures and for which tax-exempt obligations have not been issued.

SECTION 7. This resolution is adopted as official action of the District in order to comply with Treasury Regulation §1.150-2 and any other regulations of the Internal Revenue Service relating to the qualification for reimbursement of District expenditures incurred prior to the date of issue of the Obligations.

SECTION 8. The limitations described in Section 3 and Section 4 do not apply to (a) costs of issuance of the Obligations, (b) an amount not in excess of the lesser of \$100,000 or five percent (5%) of the proceeds of the Obligations, or (c) any preliminary expenditures, such as architectural, engineering, surveying, soil testing, and similar costs other than land acquisition, site preparation, and similar costs incident to commencement of construction, not in excess of twenty percent (20%) of the aggregate issue price of the Obligations that finances the Project for which the preliminary expenditures were incurred.

SECTION 9. All the recitals in this resolution are true and correct and this Board of Trustees so finds, determines and represents.

ADOPTED, SIGNED AND APPROVED this 13th day of December, 2016

Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve Qualified List for Architectural Services, Districtwide ITEM NO. 16-144G

EXHIBIT: None.

Background:

The successful passage of Measure C in June provides the opportunity to update our list of qualified and approved architectural firms for the district capital construction program. This capital construction program will provide new, upgraded and modernized facilities throughout the district all of which will require architectural services. These architectural services are required for campus planning, to develop project designs, construction drawings, bidding packages and other related services for each of the capital projects. Because of the significant amount of architectural work needed, administration determined that the district should strive to award contracts to a variety of architectural firms based upon their specialties and competencies and to allow for completion of projects concurrently with completion of the overall program in the shortest time possible.

Request for Qualifications #1617-01 for Architectural Services Districtwide was publicly advertised to allow the district to establish a pool of qualified architectural firms from which to select and award agreements for architectural services. Eighteen firms responded to the solicitation by submitting their qualifications. Proposals were evaluated for responsiveness, thoroughness of the submission, specialty experience and relevant experience of the firm and its consultants, experience with California community colleges, other educational institutions and state agencies, references, and the ability to perform competitively within the boundaries of the district. Based upon these evaluations, seventeen firms are recommended to be placed in the pool to perform architectural services for the capital construction program of the district. These firms are as follows:

BCA Architects	Sacramento, Calif.
Darden Architects	Fresno, Calif.
Dyson Siegrist Janzen Architects, Inc. ELS	Fresno, Calif.
Architect and Urban Design	Berkeley, Calif.
IBI Group Architecture Planning Integrated	San Luis Obispo, Calif.
Design by SOMAM, Inc. Klassen	Fresno, Calif.
Corporation	Bakersfield, Calif.
Little Diversified Architectural Consulting	Newport Beach, Calif.
LPAS Architecture + Design	Sacramento, Calif.
Muratore Associates, Inc.	Fresno, Calif.

Paul Halajian Architects	Fresno, Calif.
PMSM Architects	San Luis Obispo, Calif.
S.I.M. Architects and PBK Architects	Fresno, Calif.
TAM+CZ Architects, LLP	Fresno, Calif.
Teter, LLP	Fresno, Calif.
The Taylor Group Architects of California, Inc.	Fresno, Calif.
WLC Architects, Inc.	Berkeley, Calif.

The district does not guarantee that all firms within the pool will be engaged for a project or projects. As each new project commences, separate agreements will be recommended for award to one of the architectural firms within the pool based upon the best match of qualifications, experience, skills, and acceptable contract terms. It is anticipated that this list of qualified architects will remain active for a period of five years. This approved list does not preclude the selection of architects outside of the list for specialty projects, additional needs, or for firms not available at this time.

Fiscal Impact:

None at this time. Separate architectural agreements will be issued on a project by project basis from the approved pool of qualified architects.

Recommendation:

In accordance with Board Policies 6340 and 6600, administration recommends the Board of Trustees approve the qualified list of architects for the capital construction program of the district.

STATE CENTER COMMUNITY COLLEGE DISTRICT
1525 E. Weldon
Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve Qualified List for Environmental Consultant Services, Districtwide ITEM NO. 16-145G

EXHIBIT: None.

Background:

With the passage of the Measure C general obligation bond, it is appropriate to secure the services of consultants for the purpose of environmental review for the capital projects program. Based upon the scopes of the pending projects and the extent of environmental work required to comply with the California Environmental Quality Act (CEQA), consultant services will be necessary to prepare required environmental assessments and/or special studies in support of the projects.

Request for Qualifications (RFQ) #1617-04 for Environmental Consultants, Districtwide, was publically advertised to allow the district to establish a pool of qualified firms from which to select and award agreements for environmental services. Three firms responded to the solicitation by submitting qualifications. Proposals were evaluated for responsiveness; thoroughness of the submission; specialty experience and relevant experience of the firm; experience with California community colleges, other educational institutions, and state agencies; references; and the ability to perform competitively within the boundaries of the district. Based upon these evaluations, all three firms are recommended to be placed in the pool to perform environmental services for the capital construction program of the district. These firms are as follows:

Krazan & Associates, Inc.	Clovis, Calif.
Odell Planning & Research, Inc.	Oakhurst, Calif.
Quad Knopf, Inc.	Fresno, Calif.

The district does not guarantee that all firms within the pool will be engaged for a project or projects. As each new project is started, a separate agreement will be recommended for award to one of the environmental consultant firms within the pool, based upon the best match of qualifications, experience, skills, availability, and acceptable contract terms. It is anticipated that this list of approved environmental consultants will remain active for a five year period. This approved list does not preclude the selection of consultants outside of the approved list.

Fiscal Impact:

None at this time. Separate agreements will be issued on a project-by-project basis from the approved pool of qualified environmental consultants.

Recommendation:

In accordance with Board Policies 6340 and 6600, administration recommends the Board of Trustees approve the qualified list of environmental services consultants for the capital construction program of the district.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Adopt Resolution Authorizing ITEM NO. 16-146G
 Issuance of Credit Cards for Co-Curricular
 Activities, Clovis Community College

EXHIBIT: Resolution No. 2016.31

Background:

At the June 2, 2015 meeting, the Board of Trustees authorized the establishment of bank accounts for Clovis Community College. Clovis Community College now has a need for credit cards for co-curricular activities. Clovis Community College is establishing a \$30,000 dollar limit and each card will not exceed a \$5,000 limit.

Recommendation:

In accordance with Board Policy 6100, administration recommends the Board of Trustees adopt Resolution 2016.31 authorizing the issuance of credit cards for co-curricular activities, Clovis Community College.

STATE CENTER COMMUNITY COLLEGE DISTRICT
RESOLUTION NO. 2016.31

AUTHORIZING THE ESTABLISHMENT OF TREASURY
MANAGEMENT SERVICES WITH ACH ORIGINATION FOR
CLOVIS COMMUNITY COLLEGE

WHEREAS, the Board of Trustees of the State Center Community College District previously authorized the establishment of four bank accounts for Clovis Community College with Central Valley Community Bank.

WHEREAS, Clovis Community College (SCCCD) is in need of credit cards for co-curricular activities from Central Valley Community Bank. The Vice President of Administrative Services will be Administrator as outlined in the Credit Card Agreement and updated as necessary. In addition, the Vice President of Administrative Services is authorized to open and close cardholder accounts and make necessary changes.

WHEREAS, Clovis Community College (SCCCD) requests to enter into an agreement for credit cards with Central Valley Community Bank.

NOW, THEREFORE, BE IT RESOLVED, the employees named within this resolution below have been duly authorized, are now acting, and are authorized to enter into an agreement for credit cards with Central Valley Community Bank.

1. Vice President of Administrative Services, Clovis Community College; and
2. Vice Chancellor of Finance and Administration, SCCC

The foregoing Resolution was adopted upon motion of Trustee _____, seconded by Trustee _____, at a regular meeting of the Board of Trustees of the State Center Community College District on this 13th day of December 2016, by the following vote:

AYES: _____ NOES: _____ ABSENT: _____ ABSTAIN: _____

Board of Trustees Secretary
State Center Community College District

STATE CENTER COMMUNITY COLLEGE DISTRICT

Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve Grant Agreements

ITEM NO. 16-147G

EXHIBIT: Grant Agreement Recommendations

Recommendation:

In accordance with Board Policy 3280, administration recommends the Board of Trustees:

- a) approve the grant agreement recommendations, items A through D, as presented;
- b) authorize renewal of the grant agreements with similar terms and conditions; and
- c) authorize the chancellor or vice chancellor of finance and administration to sign the grant agreements on behalf of the district.

GRANT AGREEMENT RECOMMENDATIONS

Recommendation to approve the following grant agreements:

A. Peace Officer Standards and Training

Agency: Commission on Peace Officer Standards and Training

Agreement Term: July 1, 2016 – June 30, 2017

District Location: Fresno City College

Total Funding Amount: \$419,148

Background: Fresno City College has been awarded grant funding from the Commission on Peace Officer Standards and Training (POST). Funding from POST will provide the continuation of the Robert Presley Institute of Criminal Investigations (ICI) course training presentations (criminal investigation, auto theft, gang investigation, and narcotics) conducted by the Fresno City College Police Academy.

B. Career Advancement Academy

Agency: West Hills Community College District

Agreement Term: July 1, 2016 – June 30, 2018

District Location: Districtwide

Total Funding Amount: \$216,000

Background: The district has received a subcontractor renewal agreement from West Hills Community College District to continue funding of the Career Advancement Academy Program. West Hills CCD, as acting fiscal agent, has been awarded a grant from the California Community Colleges Chancellor's Office. The funding will continue to provide the undereducated/underemployed youth and young adults opportunities to increase their performance levels in reading, writing, and mathematics and to obtain career technical training skills that will lead to careers and additional higher education opportunities.

C. A Taste of California Focusing on Specialty Crops

Agency: California Department of Food and Agricultural

Agreement Term: October 1, 2016 – March 31, 2019

District Location: Center for International Trade Development

Total Funding Amount: \$449,956

Background: The Center for International Trade Development received an amended agreement from the California Department of Food and Agricultural. The additional funding in the amount of \$8,950 will be used to enhance the competitiveness of specialty crop through increased sales. The buying trade missions will feature buyer and seller meeting, chef demonstrations and media tours.

D. Innovation & Effectiveness Grant

Agency: Santa Clarita Community College District

Agreement Term: January 1, 2017 – December 31, 2017

District Location: Districtwide

Total Funding Amount: \$200,000

Background: The district has received a new subcontractor agreement from Santa Clarita Community College District as acting fiscal agent. The new funding is initiated from the California Community College Chancellor's Office to help advance colleges institutional effectiveness, and in the process significantly reduce the number of accreditation sanctions and audit issues, and most importantly, enhance the system's ability to serve students effectively. The funding will be used to support the District's Institutional Innovation and Effectiveness Plan (IIEP) by purchasing software and licenses for the district's data warehouse, provide training and materials for the professional development and training plan.

STATE CENTER COMMUNITY COLLEGE DISTRICT
1525 E. Weldon
Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Authorize Agreement for
Clinical Simulation Mannequins,
Madera Community College Center

ITEM NO. 16-148G

EXHIBIT: None

Background:

The Madera Community College Center has identified an immediate need for a clinical simulation mannequin necessary for instructional purposes in the Licensed Vocational Nursing (LVN) and the LVN to RN nursing program. This SimMan Essential Manikin with accessories is an advanced patient simulator that can display both neurological and physiological symptoms. This training device includes various software modules and simulation packages that increase the versatility of the available training. This technology is a key component of clinical nursing instruction and SimMan devices, available only through Laerdal Medical Corporation, have been used exclusively by the district for a number of years. This purchase also includes installation, training, and a three year warranty.

The Foundation for California Community Colleges has recently added Master Agreement #CB 16-203 to their list of available suppliers. Administration has identified this agreement to allow for the piggyback purchase of the SimMan products and related accessories for the Madera Center and any other locations across the district. This agreement has the advantage of increased discounts due to the combined purchasing power of multiple participating public agencies. Funding for the purchase of the mannequin and accessories for the Madera Community College Center will be from the California Career Pathways Trust Grant. Any additional purchases against this agreement will be from previously approved general fund and categorical budgets.

Fiscal Impact: \$95,259.89.00 – California Career Pathways Trust Grant

Recommendation:

In accordance with Board Policy 6340, it is recommended that the Board of Trustees approve participation in Foundation for California Community Colleges Master Agreement #CB 16-203 for the purchase of clinical simulation mannequins and accessories, and authorize purchase orders to be issued against this cooperative agreement.

STATE CENTER COMMUNITY COLLEGE DISTRICT

Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Authorize Agreement for
 Data Warehouse Solution, Districtwide

ITEM NO. 16-149G

EXHIBIT: None

Background:

Request for Proposal (RFP) #1617-08, Data Warehouse Solution. Software for database software and services, districtwide, was advertised and distributed to interested firms to provide a quality data warehouse software solution for the district and colleges. This solution will provide the ability to store current and historical data to be used for creating analytical reports for various departments throughout the district. These departments include institutional research, student services, instruction, outreach, marketing, finance, and others with a need for analytical data reports. A main requirement of this system is the ability to integrate with Ellucian Colleague, the Enterprise Resource Planning (ERP) system for the district. This solution will eliminate wasted time and inaccuracies for users that currently build SQL queries to extract data and reports out of the district database.

Two firms, Zogo Technologies, LLC (ZogoTech) and ASR Analytics, responded to the RFP with two additional firms expressing interest but dropping out before the submittal deadline. Both firms were interviewed by a districtwide team composed of vice presidents; deans; directors and staff from information technology, institutional research, admissions and records, and purchasing; and other power users of our current SQL database. The committee considered the qualifications, experience, expertise, product solutions and pricing of the firms in relation to the requirements as identified in the RFP. After careful consideration, ZogoTech was chosen, based upon their superior system features, ease of integration with our current ERP system and database, technical support, and user-friendly interface. Additionally, ZogoTech has expertise in supporting a large number of community colleges nationwide. The ZogoTech solution will help improve the analytical reporting processes of the district with a solution that is accessible, sustainable, and timely.

Fiscal Impact:

\$201,433.00 – one-time costs of this project will be covered from grant funds received by the colleges and district from the California Community Colleges Chancellor’s Office Institutional Effectiveness Planning Initiative (IEPI). Recurring license fees for succeeding years are \$36,996.00 per year and will be covered from lottery funds.

Recommendation:

In accordance with Board Policy 6340, administration recommends the Board of Trustees:

- a) authorize an agreement with Zogo Technologies, LLC for the Data Warehouse Solution, Districtwide; and
- b) authorize future renewals of this licensing agreement with similar terms and conditions; and
- c) authorize the chancellor or vice chancellor of finance and administration to sign an agreement on behalf of the district.
- d)

STATE CENTER COMMUNITY COLLEGE DISTRICT

Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Authorize Purchase of
Industrial Technology Equipment,
Madera Community College Center

ITEM NO. 16-150G

EXHIBIT: None.

Background:

The Madera Community College Center has identified an immediate need for advanced industrial technology equipment items related specifically to their vocational manufacturing program offered at the Center for Advanced Manufacturing (CAM) facility. This specialized equipment consists of a Haas ST-10 Computer Numerical Controlled (CNC) Lathe and a Haas TM-1P CNC Toolroom Mill. This specialized equipment is critical to today's technologies, necessary for the instruction and training in precision machining, and is integral in training skilled production workers and machinists. This purchase has been identified by faculty and administration as critical to stay in step with current industry technology and to align the program with industry needs.

The Madera Community College Center vocational manufacturing program works closely with Reedley College, and both offer instruction based upon Haas Automation, Inc., CNC equipment. Due to the uniqueness of this equipment and the necessity to match existing instructional technology, administration is recommending purchasing the specified lathe, mill and related accessories from Selway Machine Tool Company. Selway is the exclusive sole source dealer for Haas Automation for northern California.

This equipment has been evaluated by the respective faculty and approved by administration as necessary for instructional purposes. Value analysis has been performed to confirm that pricing is fair, accurate, and compares favorably with similar purchases by the district and other educational institutions. The administration is requesting authorization to purchase these items as identified.

Fiscal Impact:

\$92,354.28 – California Apprenticeship Initiative Grant Funds for Madera Community College Center

Item No. 16-150G

Page 2

Recommendation:

In accordance with Board Policy 6340, administration recommends the Board of Trustees authorize the purchase of industrial technology equipment for Madera Community College Center, from Selway Machine Tool Company, in the amount of \$92,354.28, and authorize purchase orders be issued for these items.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration of Bids, Electric Utility Carts,
 Districtwide

ITEM NO. 16-151G

EXHIBIT: None.

Background:

Bid #1617-05 is for the purchase of eight electric utility carts needed by the maintenance department at various locations throughout the district. These utility carts will be placed at Fresno City College, Reedley College, Clovis Community College and the Madera Community College Center. These new vehicles are flat bed carts with a 3,000 lb. load capacity that are used to haul equipment, repair parts, and tools necessary for maintenance and repairs across the campuses. Taylor Dunn electric utility carts, as specified in the bid documents, have proven to be efficient and reliable and are an integral part of the district maintenance program

Funding for this project will be provided by 2016-2017 Decision Package funds for district operations. Bids were received from four equipment suppliers as follows:

<u>Bidder</u>	<u>Award Amount</u>
Toyota Material Handling of Northern CA	\$ 93,419.82
Central Valley Golf & Utility Vehicles	\$ 94,805.10
Electric Movement	\$ 102,019.29
Technology International, Inc.	\$ 104,328.90

Fiscal Impact:

\$93,419.82 – 2016-17 Decision Package funds for district operations

Recommendation:

In accordance with Board Policy 6340, administration recommends the Board of Trustees award Bid #1617-05 in the amount of \$93,419.82 to Toyota Material Handling of Northern California, the lowest responsible bidder for the purchase of Electric Utility Carts, Districtwide, and authorize purchase orders to be released on behalf of the district.

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Appoint Director and
Alternate Director, Valley Insurance Program
Joint Powers Agency

ITEM NO. 16-152G

EXHIBIT: None

Background:

The Valley Insurance Program Joint Powers Agency (VIPJPA) Board of Directors is made up of one board and one management appointee from each member district. Vice Chancellor Edwin Eng, with Director of Environmental Health and Safety Darren Cousineau, were appointed director and alternate director, respectively, to two-year terms commencing January 31, 2015. It is recommended Edwin Eng continue serving as director and Darren Cousineau continue serving as the alternate director commencing January 31, 2017. With these to appointments, the district will continue to have full representation and an alternate on the VIPJPA Board of Directors.

Recommendation:

In accordance with Board Policy 6540, administration recommends the Board of Trustees reappoint Edwin Eng to the Valley Insurance Program Joint Powers Agency Board of Directors commencing January 31, 2017, and Darren Cousineau as Alternate Director commencing January 31, 2017.

STATE CENTER COMMUNITY COLLEGE DISTRICT
1525 E. Weldon
Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve College and Career Access Partnership Agreements (AB288 Dual Enrollment) ITEM NO. 16-153G

EXHIBIT: None

Background:

The College and Career Access Partnership Agreements (AB 288) authorizes the governing board of a community college district to enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district to offer or expand dual enrollment opportunities for students who may not already be college bound or are from groups underrepresented in higher education with the goal of developing seamless pathways from high school to community college for career-technical education or preparation for transfer, improving high school graduation rates, or helping high school students achieve college and career readiness. The bill outlines the conditions that must be met prior to the adoption of a CCAP partnership.

These updated dual enrollment partnerships will allow for the following:

- College courses offered at a high school during the regular school day are limited solely to high school students. This eliminates the requirement of having to advertise dual enrollment courses on the class schedule and for an open high school campus. Also, it allows to fully dedicate all dual enrollment seats to high school students.
- Allow CCCs to assign priority enrollment and registration to high school students enrolling in courses required for a partnership program.
- Students can enroll in up to a maximum of 15 units per term (no more than four classes). Currently, dual enrollment students are limited to 11 units per term.
- It excludes high school students from the 5% summer dual enrollment limitation.

Recommendation:

In accordance with Board Policy 5010, administration recommends the Board of Trustees approve the partnership agreements listed below.

- Kerman Unified School District
- Madera Unified School District
- Sanger Unified School District
- Chawanakee Unified School District
- Fresno Unified School District

PROPOSED NEW COURSES

Effective Spring 2017

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

CREDIT, DEGREE APPLICABLE, TRANSFERABLE

Allied Health 19, Work Experience (Cooperative), Occupational, 1-8 units, (Pass/No Pass). Corequisite: Allied Health 204. Fall and Spring Semesters: Must be enrolled in at least one other course, in addition to occupational work experience. Summer Session: Enrollment in another college course is optional. Supervised employment directly related to the student's major. Offered under specific majors. Advisory: Eligibility for English 1A recommended.

Supervised employment extending the classroom based on occupational learning related to the student's major. Collaborative learning objectives established specific to the particular occupational field. Seventy-five hours of paid work or 60 hours of non-paid work per unit per semester. Maximum of 8 units per semester. Maximum 16 units total. Orientation hours may be required. **(unique) (voc)**

CREDIT, DEGREE APPLICABLE, NONTRANSFERABLE

Allied Health 100, Introduction to Health Careers, 2 units, 2 lecture hours. Prerequisite: None.

A prerequisite course for allied health programs to establish a solid foundation in the understanding of allied health professions and the multidisciplinary environment. **(unique) (voc)**

CREDIT, NONDEGREE APPLICABLE

1. **Administration of Justice 233M, Patrol Canine Handler Update, 0.5 unit, 1.8-2.23 lab hours, (Pass/No Pass) (Open Entry/Open Exit). Prerequisite: A California Peace Officer Standards and Training Basic Course certificate issued from an accredited regional police academy or equivalent as determined by the division Dean or their appointee. Certified law enforcement canine handler. These skills and knowledge base are related to adopted POST and/or industry standards. NOTE: Approval or equivalent training is not a guarantee that state regulatory or licensing agencies will also grant equivalency.**

Course contains legal updates, safety concerns, obedience training, canine personalities, handling techniques, search techniques, environmental concerns, person apprehensions, first aid, and documentation for handlers of patrol canines. **(unique) (voc)**

2. **Administration of Justice 233N, Search and Rescue Training Update, 0.5 unit, 1.78-2.34 lab hours, (Pass/No Pass), (Open Entry/Open Exit). Prerequisite: A California Peace Officer Standards and Training Basic Course certificate issued from an accredited regional police academy or equivalent as determined by the division Dean or their appointee. These skills and knowledge base are related to adopted POST and/or industry standards. NOTE: Approval of equivalent training is not a guarantee that state regulatory or licensing agencies will also grant equivalency.**

Law Enforcement search and rescue techniques, rope training, rescue equipment, patient packaging, navigation, tracking, survival skills and field operations. **(unique) (voc)**

3. **Administration of Justice 233O, Underwater Search and Recovery Update, 0.5 unit, 1.8-2.23 lab hours, (Pass/No Pass), (Open Entry/Open Exit). Prerequisite: A California Peace Officer Standards and Training Basic Course certificate issued from an accredited regional police academy or equivalent as determined by the division Dean or their appointee. These skills**

and knowledge base are related to adopted POST and/or industry standards. Students must be advanced law enforcement certified SCUBA divers. NOTE: Approval of equivalent training is not a guarantee that state regulatory or licensing agencies will also grant equivalency.

Underwater search and recovery techniques for SCUBA diving in poor conditions, search and navigating underwater, and utilizing a helicopter during a search. **(unique) (voc)**

4. **Administration of Justice 233P, Search & Rescue Inclement Weather Update, 0.5 unit, 1.8-2.23 lab hours (Pass/No Pass), (Open Entry/Open Exit). Prerequisite: A California Peace Officer Standards and Training Basic Course certificate issued from an accredited regional police academy or equivalent as determined by the division Dean or their appointee. These skills and knowledge base are related to adopted POST and/or industry standards. NOTE: Approval of equivalent training is not a guarantee that state regulatory or licensing agencies will also grant equivalency.**

Law Enforcement search and rescue techniques for rescue of persons in swift water environments, snow, inclement weather, various terrains and interaction with helicopter or air support. **(unique) (voc)**

5. **Administration of Justice 246H, MACTAC – Multi Assault, Counter Terrorism Action Capabilities, 0.1 unit, 0.47 lab hours (Pass/No Pass), (Open Entry/Open Exit). Prerequisite: A California Peace Officer Standards and Training Basic Course certificate issued from an accredited regional police academy or equivalent as determined by the division Dean or their appointee. These skills and knowledge base are related to adopted POST or industry standards. NOTE: Approval of equivalent training is not a guarantee that state regulatory or licensing agencies will also grant equivalency.**

Multi-assault, counter terrorism capabilities overview related to the response to terrorism in the United States for local law enforcement. **(unique) (voc)**

6. **Allied Health 204, Autism Technician Training, 3 units, 3 lecture hours, (Pass/No Pass), (Open Entry/Open Exit). Prerequisite: None.**

Prepares students for entry-level positions in the field of behavioral health treatment for individuals with autism spectrum disorders (ASD). Students who successfully complete the course will have the training and experience required to be eligible to take the exam to become a Registered Behavior Technician (RBT). Provides students with foundational knowledge in autism spectrum disorders (ASD), applied behavior analysis, and evidence-based intervention techniques. **(unique) (voc)**

7. **Fire Technology 233, Advanced Firefighter Continuing Education, 0.5-1 unit, 2-4.45 lab hours, (Pass/No Pass), (Open Entry/Open Exit). Prerequisite: Successful completion of a California State Fire Marshal's Office Accredited Firefighter 1 Academy or equivalent as determined by the Division Dean, Director or their representative. Note: Approval of equivalency training approval is not a guarantee of state regulatory or licensing agencies will also grant equivalency. Prior to beginning this course students shall be familiar with and be able to demonstrate all of the skill and general knowledge requirements of the California State Fire Marshals' Office 2013 Firefighter 1 curriculum. This curriculum is based on the National Fire Protection Association 1001: Standard for Firefighter Professional Qualifications, National Fire Protection 1051: Standard for Wildland Firefighting Personnel Professional Qualifications and the National Fire Protection Association 472: Standard for Competence of Responders to Hazardous Materials/Weapons of Mass Destruction Incidents. These skills will not be taught in this course; rather they will be the starting point for advanced training that build upon them. These subject areas are: Knowledge of Fire Fighter Safety, have the ability to don and doff personal protective ensemble and self-contained breathing apparatus; knowledge of, and familiarity with fire apparatus and operating at an emergency scene; knowledge of, and familiarity with fire department communications equipment; knowledge and familiarity with firefighting tools and equipment; knowledge of and familiarity with structural fire suppression methods;**

knowledge of and familiarity with firefighting apparatus; knowledge of and familiarity with firefighter survival self-rescue techniques as well as downed firefighter rescue techniques; knowledge of and familiarity with passenger vehicle fires and the hazards associated with them; knowledge and familiarity with wildland response and suppression methods, have the ability to don and doff wildland personal protective equipment and know its limitations; knowledge and familiarity with Hazardous Materials and Weapons of Mass Destruction Incidents.

Satisfies annual mandatory continuing education requirements of local Fire Agencies, Fresno County Health Department, the California State Fire Marshals Office, and the appropriate sections of the California Code of Regulations; may be offered in seminar, lecture, and/or lab format; specific course deliver method to be determined by each respective agency. **(unique) (voc)**

PROPOSED **DELETED COURSES**

Effective Spring 2017

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

CREDIT, DEGREE APPLICABLE, TRANSFERABLE

African-American Studies 36, Contemporary Africa, 3 units, 3 lecture hours.

This course has not been offered for more than six years, and the course content is covered in other AFRAM courses. The emphasis of this program, African American Studies focuses more on the African experience in the United States, with historical references to Africa. A study of contemporary Africa is more aligned with an Africana Studies programs as upper division course work, programs that examine topics in greater depth and detail of modern day Africa. **(unique)**

CREDIT, NONDEGREE APPLICABLE

Administration of Justice 293, Drug Influence – H&S 11550, 1.5 units, 33.6 lecture hours, 1 week.

Delete course due to state revisions coming in 2017 making this course format non useable in Spring 2017. Will rebuild course once state issues new format in 2017. **(unique) (voc)**

Program description or non-course changes made to the following degrees and certificates:

1. Business Administration, Management #2181, Certificate of Achievement
2. Office Manager, Certificate of Achievement

Fresno City College

Office of Instruction

PROPOSED NEW COURSES

Effective Fall 2017

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

CREDIT, DEGREE APPLICABLE, TRANSFERABLE

- 1. Computer Information Technology 70, Beginning Swift Programming, 4 units, 4 lecture hours, 1 lab hour. Advisory: Eligibility for English 1A recommended.**
An introduction to programming using the Swift language. Emphasis on fundamentals including computation, control structures, functions, classes, object-oriented design, inheritance, and algorithm performance. Preparation for software development on the macOS and iOS platforms. **(unique) (voc)**
- 2. Geography 1L, Physical Geography Lab, 0.5 unit, 2 lab hours. Corequisite: Geography 1.**
Lab class must be taken concurrently with Geography 1, Physical Geography. Lab provides hands-on learning paralleling Geography 1 curriculum, covering map reading and interpretation, remote sensing/GIS, Earth's structure, Earth-sun relationships, weather and climate, exogenic and endogenic processes, plate tectonics, rocks and minerals, landforms, vegetation and soils, and climate change. **(unique)**
- 3. Health Information Technology 16, Healthcare Reimbursement, 2 units, 2 lecture hours. Prerequisite: Health Information Technology 1. Corequisite: Health Information Technology 6. Advisory: Eligibility for English 1A recommended.**
Functions and history of healthcare payment systems including insurance plans, government healthcare programs, and managed care; fraud and abuse compliance; revenue cycle management including claims processing, electronic submission, and tools for accurate reimbursement. **(unique) (voc)**
- 4. Health Science 3, Concepts in Health and Fitness, 3 units, 3 lecture hours. Advisory: Eligibility for English 1A recommended.**
Students learn about the different components of physical fitness, cardiovascular endurance, muscular strength, muscular endurance, flexibility, and body composition as related to healthy living. **(unique)**
- 5. Physical Education 19, Work Experience (Cooperative), Occupational, 1-8 units. Corequisite: Fall and Spring Semesters: Must be enrolled in at least one other course, in addition to occupational work experience. Summer session: Enrollment in another college course is optional. Supervised employment directly related to student's major. Offered under specific majors. Advisory: Eligibility for English 1A recommended.**
Supervised employment extending the classroom based on occupational learning related to Physical Education and Sports Medicine. Collaborative learning objectives established specific to the particular occupational field. Seventy-five (75) hours of paid work or 60 hours of non-paid work per unit per semester. Maximum of 8 units per semester. Maximum 16 units total. Orientation hours may be required. **(unique) (voc)**
- 6. Women's Studies 22, History of American Women, 3 units, 3 lecture hours, (See also History 22). Advisory: English 1A.**
Women in American history: social, political, and economic actions and reactions of American women; racial, ethnic, religious, geographic, and class differences. **(unique)**

CREDIT, DEGREE APPLICABLE, NONTRANSFERABLE

1. **Business & Technology 135, Capstone - One-Person Office, 3 units, 2 lecture hours, 3 lab hours. Advisory: Business & Technology 106. Eligibility for English 1A recommended.**
A project-based capstone course designed to explore productivity freeware, open-source software, and web-based tools to prepare the entrepreneur to efficiently and effectively run the office side of business. **(unique) (voc)**
2. **Music 150, Piano Teaching I, 2 units, 2 lecture hours, 1 lab hour. Prerequisite: Music 20.**
Methods for teaching beginning and elementary piano students including a survey and comparison of piano books available for studio teaching. Practical suggestions for maintaining a private piano studio. **(unique)**

NONCREDIT

Music 322, Senior Piano Skills, 1 lecture hour, 3 lab hours. Prerequisite: Students must meet the minimum age requirement.

Builds skills in piano performance. Technical, stylistic and aesthetic elements of the performing repertory from the standard literature of piano solo and ensemble music. Weekly individual instruction: ensemble and solo performance required. Students are required to perform solo juries in front of faculty each semester. **(unique)**

PROPOSED DISTANCE EDUCATION

Effective Spring 2017 and Fall 2017

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

1. New, 100% Internet, new

a. *Effective Spring 2017*

- i. Allied Health 100, Introduction Health Careers
- ii. Computer Aided Drafting and Design 14, 2D CAD I
- iii. Computer Aided Drafting and Design 16, 3D Solid Modeling I

b. *Effective Fall 2017*

- i. African-American Studies 1, Introduction to African American Studies
- ii. African-American Studies 3, African-American Art
- iii. African-American Studies 15, African-American Music
- iv. American Indian Studies 31, American Indian Culture
- v. American Indian Studies 32, American Indian History
- vi. American Indian Studies 34, The American Indian in Contemporary Society
- vii. American Indian Studies 35, American Indian Art
- viii. Decision Science 21, Finite Mathematics
- ix. Decision Science 23, Business Statistics
- x. Health Information Technology 16, Healthcare Reimbursement
- xi. Health Science 1, Contemporary Health Issues
- xii. Women's Studies 47, Introduction to Lesbian and Gay Studies

2. Internet and Face-to-Face, new

a. *Effective Spring 2017*

- i. Photography 23, Photoshop 2: Digital Darkroom (60% Internet, 40% Face-to-Face)

b. *Effective Fall 2017*

- i. Computer Information Technology 62, Beginning Objective C Programming (40% Internet, 60% Face-to-Face)
- ii. Computer Information Technology 63, Beginning Java Programming (40% Internet, 60% Face-to-Face)
- iii. Computer Information Technology 65, Android Programming Applications (40% Internet, 60% Face-to-Face)
- iv. Computer Information Technology 66, Beginning C++ Programming (40% Internet, 60% Face-to-Face)
- v. Computer Information Technology 69, iOS Programming Applications (40% Internet, 60% Face-to-Face)
- vi. Computer Information Technology 70, Beginning Swift Programming (40% Internet, 60% Face-to-Face)
- vii. English for Multi-Lingual Students 263R, Low Intermediate Academic Reading and Vocabulary (50% Internet, 50% Face-to-Face)
- viii. English for Multi-Lingual Students 263W, Low Intermediate Academic Writing and Grammar (50% Internet, 50% Face-to-Face)
- ix. English for Multi-Lingual Students 264R, Intermediate Academic Reading and Vocabulary (50% Internet, 50% Face-to-Face)

- x. English for Multi-Lingual Students 264W, Intermediate Academic Writing and Grammar (50% Internet, 50% Face-to-Face)
- xi. English for Multi-Lingual Students 265R, High Intermediate Academic Reading and Vocabulary (50% Internet, 50% Face-to-Face)
- xii. English for Multi-Lingual Students 265W, High Intermediate Academic Writing and Grammar (50% Internet, 50% Face-to-Face)
- xiii. Physical Education 27, Cardio Interval Training (90% Internet, 10% Face-to-Face)
- xiv. Spanish 9, Spanish Business and Culture (50% Internet, 50% Face-to-Face)
- xv. Welding Technology 2B, Advanced Multi-Process Welding (20% Internet, 80% Face-to-Face)
- xvi. Women's Studies 10, Changing Roles of Women (75% Internet, 25% Face-to-Face)

FIVE-YEAR CURRICULUM REVIEW

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

(Courses listed under discipline had revisions to texts only or no revision.)

1. **African-American Studies**

2. **American Indian Studies**

American Indian Studies 20, Native Peoples of California
American Indian Studies 31, American Indian Culture
American Indian Studies 32, American Indian History
American Indian Studies 35, American Indian Art

3. **American Studies**

American Studies 10, American Pluralism: A Search for Common Ground in a Multicultural Society

4. **Asian-American Studies**

5. **Chicano-Latino Studies**

Chicano-Latino Studies/Dance 17A, Beginning Mexican Folk Dance
Chicano-Latino Studies/Dance 17B, Beginning Intermediate Mexican Folk Dance
Chicano-Latino Studies 21, Chicano Literature
Chicano-Latino Studies/Dance 27A, Intermediate Mexican Folk Dance
Chicano-Latino Studies/Dance 27B, Advanced Mexican Folk Dance

6. **Music**

Music 1B, Music Theory II
Music 2A, Music Theory III
Music 2B, Music Theory IV
Music 4, Jazz Theory
Music 7C, Ear Training: Level III
Music 7D, Ear Training: Level IV
Music 8, Audio Engineering
Music 10A, Beginning Jazz Improvisation
Music 18, Basic Conducting and Score Reading
Music 40, Concert Band
Music 46, Symphony Orchestra
Music 49, Advanced Large Ensemble
Music 59, Advanced Chamber Ensembles
Music 74A, Intermediate/Advanced Brass Performance Practices
Music 74B, Intermediate/Advanced Woodwind Performance Practices
Music 74D, Intermediate/Advanced Percussion Performance Practices

7. **Women's Studies**

Women's Studies/Sociology 5, Sociology of Rape
Women's Studies/Sociology 7, Domestic Violence: Abuse within the Family
Women's Studies 47, Introduction to Lesbian and Gay Studies

EFFECTIVE FALL 2016**

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

Psychology

Associate in Arts for Transfer Degree

Courses added, existing

Biology 10 Introduction to Life Science Lecture

Biology 10L Introduction to Life Science Lab

**PROPOSED COURSE MODIFICATIONS
EFFECTIVE SPRING 2017**

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

DEGREE APPLICABLE TRANSFER

- 1. Education 10 Introduction to Teaching, 3 units, 2 lecture hours, 3 lab hours, pass/no pass. Advisories: English 1A.** Added limitation on enrollment *This course requires verification of measles vaccination and pertussis, freedom of tuberculosis, and verification of flu vaccination within the past 12 months.* (in-lieu FCC's EDUC 30, CCC's EDUC 10)
- 2. Plant Science 16 Wine Sensory Analysis and Evaluation, 3 units, 3 lecture hours, pass/no pass. Advisories: English 1A and Mathematics 103.** Revised units to *1*, lecture hours to *1*. (unique) (voc)

**NEW COURSE PROPOSALS
EFFECTIVE SPRING 2017**

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

DEGREE APPLICABLE, NON TRANSFER

- 1. Flight 104 Remote Pilot Ground School (small Unmanned Aircraft Systems (sUAS)), 1 unit, 1 lecture hour, pass/no pass. Advisories: English 125 or 130 and 126 and eligibility for Mathematics 201.** The Remote Pilot Ground School (sUAS) course provides classroom training for individuals seeking a remote pilot's license. This course will prepare students to take the FAA written examinations required for certification. Some of the topics covered will include applicable regulations relating to sUAS, airspace classification and operating requirements, the effects of weather on small UA performance, small UA loading and performance, emergency procedures, and maintenance and inspection procedures. (unique) (voc)
- 2. Nursing Assistant Training 102 Nursing Assistant Theory, 5.5 units, 5.6 lecture hours. Advisories: Mathematics 250, Office Technology 10, and English 125 and English 126.** The content of the Nursing Assistant Training course includes personal care skills and communication skills with emphasis on caring for the geriatric and rehabilitative resident, for entry level positions. This competency-based course prepares students in core skills needed for more advanced courses in the health care careers and is held in the classroom located at the skilled nursing facility. This course prepares the student to be eligible to attend NAT clinical 103. Upon successful completion of this course students are able to practice skills at the bed side during NAT- clinical 103. (unique)
- 3. Nursing Assistant Training 103 Nursing Assistant Clinical, 2 units, 6 lab hours, pass/no pass only. Prerequisites: Nursing Assistant Training 102.** The content of the Nursing Assistant Clinical course includes personal care skills and communication skills with emphasis on caring for the geriatric and rehabilitative resident, for entry level positions. This competency-based course prepares students in core skills needed for more advanced courses in the health care careers and is held in a community training site. This course prepares the student to be employed in a licensed extended care facility, an intermediate care facility, an acute hospital, hospice services agencies, or clinic. Upon successful completion of this course students are able to take a state mandated test and be approved as Certified Nursing Assistant by the Department of Health Services. (unique)

- 1. Animal Science 2 Beef Production, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125 and 126.** Revised advisories to *English 125 and 126*. (unique) (voc)
- 2. Animal Science 3 Sheep Production, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125 and 126.** Revised title to *Small Ruminant Production*, catalog description, advisories to *English 125 and 126*, and student learning outcomes. (unique) (voc)
- 3. Animal Science 4 Swine Production, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125 and 126.** Revised catalog description and advisories to *English 125 and 126*. (unique) (voc)
- 4. Animal Science 5 Animal Nutrition, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125 and 126.** Revised advisories to *English 125, 126, and Mathematics 201*. (unique) (voc)
- 5. Animal Science 6 Livestock Selection and Evaluation, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125 and 126.** Revised advisories to *English 125 and 126*. (unique) (voc)
- 6. Animal Science 10 Meat Evaluation and Processing, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125, 126 and Mathematics 201.** Revised advisories to *English 125, 126, and Mathematics 201* and student learning outcomes. (unique) (voc)
- 7. Animal Science 21 Equine Science, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125 and 126.** Revised advisories to *English 125 and*. (unique) (voc)
- 8. Animal Science 22, Equine Reproduction, 3 units, 2 lecture hours, 3 lab hours.** Revised advisories to *English 125 and 126*. (unique) (voc)
- 9. Animal Science 23 Introductory Farrier Science, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 1A.** Revised catalog description, advisories to *English 125 and 126*. (unique) (voc)

10. **Animal Science 24 Equitation, 2 units, 1 lecture hour, 3 lab hours, pass/no pass, 2 repeats. Advisories: Eligibility for English 125 and 126.** Revised catalog description and advisories to *English 125 and 126*, repeats to 3. (unique) (voc)
11. **Animal Science 25 Basic Equine Handling, 1 unit, 3 lab hours. Advisories: English 125 and English 126.** Revised catalog description. (unique) (voc)
12. **Animal Science 26 Western Riding & Horsemanship, 2 units, 1 lecture hours, 3 lab hours, 3 repeats. Advisories: English 125 and 126.** Revised catalog description and course objectives. (unique) (voc)
13. **Animal Science 31 Prerequisite Programs for Food Safety, 1 unit, 1 lecture hour. Corequisites: Animal Science 32 and 33. Advisories: English 125 English 126.** Revised catalog description. (unique) (voc)
14. **Animal Science 32 Introduction to Hazard Analysis and Critical Control Points, 1 unit, 1 lecture hour. Corequisites: Animal Science 31 and 33. Advisories: English 125 English 126.** Revised catalog description. (unique) (voc)
15. **Animal Science 33 Verification and Validation of HACCP Systems, 1 unit, 1 lecture hour. Corequisites: Animal Science 31 and 32. Advisories: English 125 English 126.** Revised catalog description. (unique) (voc)
16. **Animal Science 34 Internal Auditing of Food Safety Management, 3 units, 2 lecture hours, 3 lab hours. Prerequisites: Animal Science 31, 32, and 33. Advisories: English 125 English 126.** Revised catalog description. (unique) (voc)
17. **Animal Science 40 Fairs and Expositions, 2 units, 1 lecture hour, 3 lab hours. Advisories: Eligibility for English 125 and 126, 3 repeats.** Revised title to *Livestock Exhibition and Marketing*, catalog description and advisories to *English 125 and 126*. (unique) (voc)
18. **Automotive Technology 9 Automotive Essentials, 3 units, 3 lecture hours. Advisories: Eligibility for English 125 or 130 and 126.** Revised advisories to *English 125 and 126*. (in-lieu FCC's AUTOT 9) (voc)
19. **Automotive Technology 10 Automotive Technician Program, 16 units, 9 lecture hours, 21 lab hours. Prerequisites: Automotive Technology 9. Advisories: Eligibility for English 125 or 130, 126 and Mathematics 201.** Revised advisories to *English 125, 126, and Mathematics 201*. (unique) (voc)
20. **Automotive Technology 11 Automotive Technician Program, 16 units, 9 lecture hours, 21 lab hours. Prerequisites: Automotive Technology 9. Advisories: Eligibility for**

English 125 or 130, 126 and Mathematics 201. Revised advisories to *English 125, 126, and Mathematics 201*. (unique) (voc)

- 21. Automotive Technology 19V Cooperative Work Experience, Automotive Technician, 1-8 units, 75 hours = 1 unit; for volunteer work, 60 hours = 1 unit. Prerequisites: Automotive Technology 9 and 10. Corequisites: Automotive Technology 11.** Revised catalog description. (unique) (voc)
- 22. Information Systems 50B Intermediate Game Programming, 3 units, 3 lecture hours, 1 lab hour. Advisories: Eligibility for English 125, 126, and Mathematics 201. Prerequisites: Information Systems 15.** Revised title to *Introduction to Game Programming using Unity 3D*, catalog description, advisories to *English 125, 126, and Mathematics 201*, student learning outcomes, and course objectives. (in-lieu CCC's IS 50B) (voc)
- 23. Manufacturing Technology 19V Cooperative Work Experience - Manufacturing Technology, 1-8 units, 75 hours = 1 unit; for volunteer work, 60 hours = 1 unit.** Revised advisories to *English 125, 126 and Mathematics 103*, prerequisites to *Manufacturing Technology 60 or 80*. (unique) (voc)
- 24. Manufacturing Technology 21, Industrial Materials, 2 units, 2 lecture hours, .5 lab hour, pass/no pass. Prerequisites: Industrial Technology 205.** Revised catalog description and advisories to *English 125,126 and Mathematics 103*. (unique) (voc)
- 25. Manufacturing Technology 22, Blueprint Reading, 2 units, 2 lecture hours, .5 lab hour, pass/no pass. Prerequisites: Industrial Technology 205.** Revised catalog description and advisories to *English 125,126 and Mathematics 103*. (unique) (voc)
- 26. Manufacturing Technology 23, Electricity, 2 units, 2 lecture hours, .5 lab hour, pass/no pass. Prerequisites: Industrial Technology 205.** Revised catalog description and advisories to *English 125,126 and Mathematics 103*. (unique) (voc)
- 27. Manufacturing Technology 24, Hydraulics, 2 units, 2 lecture hours, .5 lab hour, pass/no pass. Prerequisites: Industrial Technology 205.** Revised catalog description and advisories to *English 125, 126 and Mathematics 103*. (unique) (voc)
- 28. Manufacturing Technology 60 Introduction to Welding, 6 units, 4 lecture hours, 5.5 lab hours, pass/no pass. Prerequisites: Industrial Technology 205.** Revised lecture hours to 5, lab hours to 6 and advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
- 29. Manufacturing Technology 61 Intermediate Welding, 4 units, 1.5 lecture hours, 8 lab hours, pass/no pass. Prerequisites: MFGT 60 or equivalent course or verified work**

- experience in the field. Revised advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
30. **Manufacturing Technology 62 Advanced Welding, 4 units, 1.5 lecture hours, 8 lab hours, pass/no pass. Prerequisites: MFGT 61 or equivalent course or verified work experience in the field.** Revised catalog description and advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 31. **Manufacturing Technology 63 Welding Certification Preparation, 1 unit, 3 lab hours, pass/no pass. Corequisites: Manufacturing Technology 61 (previously or concurrently).** Revised corequisites to *none*, prerequisites to *Manufacturing Technology 61* and advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 32. **Manufacturing Technology 80 Introduction to Machine Shop, 6 units, 4 lecture hours, 5.5 lab hours, pass/no pass. Prerequisites: Industrial Technology 205.** Revised units to 5, lecture hours to 3, lab hours to 6 and advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 33. **Manufacturing Technology 81 Intermediate Machine Shop, 4 units, 1.5 lecture hours, 8 lab hours, pass/no pass.** Revised advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 34. **Manufacturing Technology 82 Advanced Machine Shop, 4 units, 1.5 lecture hours, 8 lab hours, pass/no pass. Prerequisites: Manufacturing Technology 81 or equivalent course or verified work experience in the field.** Revised advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 35. **Manufacturing Technology 83 Machine Shop Certification Preparation, 1 unit, 3 lab hours, pass/no pass. Corequisites: Manufacturing Technology 81 (Previous or Concurrent).** Revised advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 36. **Manufacturing Technology 91 Motor Control 1, 2 units, 1.5 lecture hours, 1.5 lab hours. Prerequisites: Manufacturing Technology 23.** Revised advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 37. **Manufacturing Technology 92 Motor Controls 2, 2 units, 1.5 lecture hours, 1.5 lab hours. Prerequisites: Manufacturing Technology 91.** Revised catalog description and advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
 38. **Manufacturing Technology 93 Programmable Logic Controllers (PLC's), 2 units, 1.5 lecture hours, 1.5 lab hours. Prerequisites: Manufacturing Technology 92.** Revised title to *Programmable Logic Controllers (PLCs)*, catalog description and advisories to *English 125, 126, and Mathematics*. (unique) (voc)

39. **Manufacturing Technology 94 Introduction to Solar Technology, 2 units, 2 lecture hours, .5 lab hour, pass/no pass. Prerequisites: Manufacturing Technology 93.** Revised advisories to *English 125, 126, and Mathematics 103*. (unique) (voc)
40. **Mechanized Agriculture 20 Equipment Technician: Diesel Engines, Service Fundamentals, Machine Systems, 11 units, 8 lecture hours, 9 lab hours. Advisories: Eligibility for English 125 or 130, 126, and Mathematics 201.** Revised advisories to *English 125, 126 and eligibility for Mathematics 201*. (unique) (voc)
41. **Mechanized Agriculture 21 Equipment Technician: Transmissions, Torque Converters, & Air Conditioning, 8 units, 6 lecture hours, 6 lab hours. Advisories: Eligibility for English 125 or 130, 126, and Mathematics 201.** Revised title to *Equipment Technician: Power Train I and Mobile Vehicle Air Conditioning* and advisories to *English 125, 126 and eligibility for Mathematics 201*. (unique) (voc)
42. **Mechanized Agriculture 30 Equipment Technician: Electrical, Hydraulic Systems & Welding, 11 units, 8 lecture hours, 9 lab hours. Advisories: Eligibility for English 125 or 130, 126, and Mathematics 201.** Revised advisories to *English 125, 126 and eligibility for Mathematics 201*. (unique) (voc)
43. **Mechanized Agriculture 31 Equipment Technician: Fuel Systems & Machine Undercarriage, 8 units, 6 lecture hours, 6 lab hours. Advisories: Eligibility for English 125 or 130, 126, and Mathematics 201.** Revised title to *Equipment Technician: Fuel Systems & Power Train II*, advisories to *English 125, 126 and eligibility for Mathematics 201* and catalog description. (unique) (voc)
44. **Mechanized Agriculture 40 Introduction to Agricultural Mechanics, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised advisories to *English 125, 126 and eligibility for Mathematics*. (unique) (voc)
45. **Mechanized Agriculture 41 Introduction to Agricultural Welding, 3 units, 2 lecture hours, 3 lab hours.** Revised advisories to *English 125, 126, and eligibility for Mathematics 201*. (unique) (voc)
46. **Mechanized Agriculture 42 Small Gasoline and Diesel Engines, 3 units, 2 lecture hours, 3 lab hours.** Revised advisories to *English 125, 126, and eligibility for Mathematics 201*. (unique) (voc)
47. **Mechanized Agriculture 43 Electrical and Hydraulic Fundamentals, 3 units, 2 lecture hours, 3 lab hours.** Revised advisories to *English 125, 126, and eligibility for Mathematics 201*. (unique) (voc)

48. **Mechanized Agriculture 44 Agriculture Welding Fabrication 3 units, 2 lecture hours, 3 lab hours.** Revised advisories to *English 125, 126, and eligibility for Mathematics 201.* (unique) (voc)
49. **Mechanized Agriculture 50 Heavy Duty Brake Systems, 4 units, 2 lecture hours, 6 lab hours. Advisories: Eligibility for English 1A and Math 201.** Revised advisories to *English 125, 126, and eligibility for Mathematics 201.* (unique) (voc)
50. **Mechanized Agriculture 51 Heavy Duty Suspension and Steering, 4 units, 2 lecture hours, 6 lab hours. Advisories: Eligibility for English 1A and Math 201.** Revised advisories to *English 125, 126, and eligibility for Mathematics 201.* (unique) (voc)
51. **Natural Resources 1 Introduction to Forestry, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, advisories to *English 125 and 126,* and course objectives. (unique) (voc)
52. **Natural Resources 3, Computers in Natural Resources, 1 unit, .5 lecture hour, 1.5 lab hours. Advisories: Eligibility for English 126.** Revised advisories to *English 125 and 126,* student learning outcomes and course objectives. (unique) (voc)
53. **Natural Resources 4 Forest Ecosystems, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised advisories to *English 125 and 126,* student learning outcomes, and course objectives. (unique) (voc)
54. **Natural Resources 5 Wildland Fire Technology, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, advisories to *English 125 and 126,* and course objectives. (unique) (voc)
55. **Natural Resources 6 Dendrology, 3 units, 2 lecture hours, 3 lab hours. Advisories: Natural Resources 4, eligibility for English 125 and 126.** Revised catalog description, advisories to *English 125 and 126,* student learning outcomes, and course objectives. (unique) (voc)
56. **Natural Resources 7 Conservation of Natural Resources, 3 units, 3 lecture hours. Advisories: Eligibility for English 125 and 126.** Revised catalog description, advisories to *English 125 and 126,* and course objectives. (unique) (voc)
57. **Natural Resources 8 Natural Resources Career Preparation, 1 unit, 1 lecture hour. Advisories: Eligibility for English 125 and 126.** Revised advisories to *English 125 and 126.* (unique) (voc)
58. **Natural Resources 11 Silviculture, 3 units, 2 lecture hours, 3 lab hours, Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog

description, advisories to *English 125 and 126* and student learning outcomes. (unique) (voc)

59. **Natural Resources 12 Watershed Ecology, 3 units, 2 lecture hours, 3 lab hours, Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, advisories to *English 125 and 126*, and course objectives. (unique) (voc)
60. **Natural Resources 14 Principles of Wildlife Management, 3 units, 2 lecture hours, 3 lab hours, Advisories: Natural Resources 6, eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, advisories to *English 125 and 126*, student learning outcomes, and course objectives. (unique) (voc)
61. **Natural Resources 17 Introduction to Forest Surveying, 3 units, 2 lecture hours, 3 lab hours, Advisories: Mathematics 103 or 4A and eligibility for English 125 and 126.** Revised catalog description, advisories to *Mathematics 103 or 4A, English 125 and 126*, and student learning outcomes. (unique) (voc)
62. **Natural Resources 18 Aerial Photo Interpretation & Geographic Information Systems, 3 units, 2 lecture hours, 3 lab hours, Advisories: Eligibility for English 125, 126 and Mathematics 201.** Revised title to *Aerial Photo Interpretation & Geographic Information Systems*, catalog description and advisories to *English 125 and 126*. (unique) (voc)
63. **Natural Resources 19V Cooperative Work Experience – Forestry, 1-8 units, 75 hours = 1 unit; for volunteer work, 60 hours = 1 unit.** Revised catalog description. (unique) (voc)
64. **Natural Resources 20 Forest Measurements, 3 units, 2 lecture hours, 3 lab hours. Advisories: Mathematics 103, 11, and eligibility for English 125 and 126.** Revised catalog description, advisories to *Mathematics 103, English 125 and 126*, student learning outcomes, and course objectives. (unique) (voc)
65. **Natural Resources 21 Forest Products, 3 units, 2 lecture hours, 3 lab hours. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, advisories to *English 125 and 126*, student learning outcomes, and course objectives. (unique) (voc)
66. **Natural Resources 25 Forest and Resource Management, 1 unit, 1 lecture hour. Prerequisites: Natural Resources 1. Advisories: Previous or concurrent enrollment in Natural Resources 11 and 14; eligibility for English 125, 126, and Mathematics 201.** Revised catalog description and advisories to *English 125 and 126*. (unique) (voc)
67. **Natural Resources 30 Forest Recreation, 3 units, 2 lecture hours, 3 lab hours. Advisories: Natural Resources 1 and 6; and eligibility for English 125, 126, and**

- Mathematics 201. Revised catalog description, advisories to *English 125 and 126*, and course objectives. (unique) (voc)
68. **Natural Resources 31 Animal Packing, 2 units, 1 lecture hour, 3 lab hours. Advisories: Eligibility for English 125 and 126.** Revised repeats to 3, catalog description, advisories to *English 125 and 126*, student learning outcomes, and course objectives. (unique) (voc)
69. **Natural Resources 32 Museum Techniques – Taxidermy, 1 unit, 3 lab hours, pass/no pass. Advisories: Eligibility for English 126.** Revised number to 32A, title to *Museum Techniques-Beginning Taxidermy*, lecture hours to .5, lab hours to 2.5, grading basis to *graded only*, advisories to *English 126*, student learning outcomes, and course objectives. (unique) (voc)
70. **Natural Resources 35 Interpretation of Natural Resources, 3 units, 2 lecture hours, 3 lab hours, pass/no pass. Advisories: Corequisites: Natural Resources 1 and 6. Eligibility for English 1A.** Revised catalog description, grading basis to *graded only*, advisories to *English 125, 126, and Natural Resources 1*, student learning outcomes, and course objectives. (unique) (voc)
71. **Natural Resources 36 Natural Resources Law Enforcement, 3 units, 3 lecture hours. Advisories: Eligibility for English 125 and 126.** Revised catalog description and advisories to *English 125 and 126*. (unique) (voc)
72. **Natural Resources 42 Advanced Wildland Fire Technology, 2 units, 1 lecture hour, 3 lab hours. Prerequisites: Natural Resources 5. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, advisories to *English 125 and 126*, student learning outcomes, and course objectives. (unique) (voc)
73. **Natural Resources 43 Wildland Fire Technology 2, 3 units, 2 lecture hours, 3 lab hours. Prerequisites: NR-5 Wildland Fire Technology. Advisories: English 126.** Revised advisories to *English 125 and 126*. (unique) (voc)
74. **Natural Resources 44 Fire Ecology, 3 units, 3 lecture hours. Advisories: English 126.** Revised catalog description and advisories to *English 125 and 126*. (unique) (voc)
75. **Natural Resources 45 Fuels Management, 3 units, 2 lecture hours, 3 lab hours. Advisories: English 126.** Revised catalog description and advisories to *English 125 and 126*. (unique) (voc)
76. **Natural Resources 46 Wildland Fire Technology 3, 1 unit. .5 lecture hour, 1.72 lab hours. Advisories: English 126.** Revised advisories to *English 125 and 126*. (unique) (voc)

77. **Natural Resources 90 Backpacking, 1 unit, .5 lecture hour, 1.5 lab hours, pass/no pass. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, grading basis to *graded only*, advisories to *English 125 and 126*, student learning outcomes, and course objectives. (unique) (voc)
78. **Natural Resources 91 Wilderness Navigation, 1 unit, .83 lecture hours 23.94 lab hours. Advisories: English 125 and 126.** Revised catalog description, student learning outcomes, and course objectives. (unique) (voc)
79. **Natural Resources 92 Wilderness Survival, 1 unit, .5 lecture hour, 1.5 lab hours, pass/no pass. Advisories: Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description, grading basis to *graded only*, and advisories to *English 125 and 126*. (unique) (voc)

DEGREE APPLICABLE, NON TRANSFERABLE

1. **Natural Resources 108 Introduction to Forestry Field Studies, .5 unit, .23 lecture hour, 1 lab hour, pass/no pass only. Advisories: English 126.** Revised catalog description and student learning outcomes. (unique) (voc)
2. **Natural Resources 109 Forestry Field Studies I, .5 unit, .23 lecture hour, 1 lab hour, pass/no pass only. Advisories: English 126.** Revised catalog description. (unique) (voc)
3. **Natural Resources 110, Forestry Field Studies II, .5 unit, .23 lecture hour, 1 lab hour, pass/no pass only. Advisories: English 126.** Revised student learning outcomes. (unique) (voc)
4. **Natural Resources 115 Advanced Field Studies I, .5 unit, .23 lecture hour, 1 lab hour, pass/no pass only. Advisories: English 126.** Revised catalog description. (unique) (voc)
5. **Natural Resources 116 Advanced Field Studies II, .5 unit, .23 lecture hour, 1 lab hour, pass/no pass only. Advisories: English 126.** Revised catalog description. (unique) (voc)
6. **Natural Resources 133, Introduction to Chainsaw Operations, 1 unit, .5 lecture hour, 1.5 lab hours pass/no pass. Eligibility for English 125, 126, and Mathematics 201.** Revised catalog description and advisories to *English 125 and 126*. (unique) (voc)

NON DEGREE APPLICABLE, NON TRANSFERABLE

1. **Industrial Technology 205 Foundation Skills in Industrial Technology, 2 units, 2 lecture hours, .5 lab hour, pass/no pass. Advisories: Eligibility for English 252 or English as a Second Language 225W, English 262 or English as a Second Language**

226R, and Mathematics 256. Revised catalog description and advisories to *English 125, 126, and Mathematics 201*. (unique) (voc)

- 2. Manufacturing Technology 277E Assistance in Welding, 1 unit 3 lab hours pass/no pass only. Prerequisites: IT 205 or equivalent. Corequisites: MFGT 60 or equivalent.** Revised units to .5-2, lab hours to *1.5-6*. (unique) (voc)

**NEW COURSE PROPOSALS
EFFECTIVE FALL 2017**

Approved and Recommended by the Curriculum Committee

To ECPC November 18, 2016

DEGREE APPLICABLE, TRANSFER

- 1. Agriculture Education 50 Agriculture Education Orientation, 3 units, 2 lecture hours, 3 lab hours. Advisories: English 125 and 126.** This course is an overview of agricultural education in California, including the principle components of agricultural education, developing academic and career plans, and observation in a secondary agricultural education classroom. In addition to class time, the course requires a minimum of 45 hours of structured fieldwork in K-12 classrooms that represent California's diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher. Students need to do their observation in a classroom that is in line with their degree plans. Single subject agriculture credential require that candidates observe in subject area at high school or junior high. This course requires verification of measles vaccination and pertussis, freedom of tuberculosis, and verification of flu vaccination within the past 12 months. (unique) (voc)
- 2. Business Administration 61 Field Studies in Business, 3 units, 3 lecture hours, pass/no pass. Advisories: English 1A and two of the following: Economics 1A, 1B, Business Administration 18. Stand Alone Course.** This course provides opportunities for students to integrate their academic work with experiences in the business community; which is a key objective for Business Administration majors. To achieve this objective, students will research multiple industries within the business sector and interact with management level personnel in selected enterprises. Learning will occur both in and outside of the classroom. (unique) (voc)
- 3. Manufacturing 51 Manufacturing Essentials, 5 units, 3 lecture hours, 6 lab hours, pass/no pass. Prerequisites: Industrial Technology 205. Advisories: English 125, 126, and Mathematics 103.** The study of manufacturing blueprints, materials, fabrication processes, and finishing techniques as used in today's industry. (unique) (voc)
- 4. Manufacturing 52 Manufacturing Fabrication, 4 units, 3 lecture hours, 3.33 lab hours, pass/no pass. Prerequisites: Industrial Technology 205 and Manufacturing Technology 51. Advisories: English 125, 126, and Mathematics 103.** This course will provide instruction on metal fabrication. Instruction will be provided in the areas of welding techniques, project planning, sketches/working drawings, material selection, project layout, cutting, fitting, tacking, squaring, and finishing of student projects. (unique) (voc)

5. **Mathematics 11C Elementary Statistics with Support, 5 units, 5 lecture hours.**
Prerequisites: Mathematics 103 or 211. Advisories: English 125 and 126. Fulfills RC's Math Competency Graduation Requirement. This course is an introduction to statistical methods and techniques with applications in the fields of business, behavioral and social science, as well as in science, technology, engineering, and mathematics. Topics include descriptive measures of central tendency and variability, probability, binomial and normal distributions, random variables, sampling, estimating, hypothesis testing
6. (parametric and nonparametric), correlation and regression, just-in-time-support learning and study skills. Not open to students with credit in MATH 11. (in-lieu FCC's MATH 11, CCC's MATH 11 & STAT 7)
7. **Plant Science 21 Fermentation Science, 3 units, 2 lecture hours, 3 lab hours, pass/no pass. Advisories: English 125, 126 and Mathematics 103.** Overview of beer brewing, including history, malting, brewing, fermentation, finishing and packaging. In addition, sensory analysis, lab analysis and quality assurance in beer production. Course enrollment is restricted to students 21 years of age or older. (unique) (voc)
8. **Plant Science 31 Prerequisite Programs for Food Safety, 1 unit, 1 lecture hour.**
Corequisites: Plant Science 32 and 33. Advisories: English 125 and 126. This course provides an introduction to food safety principles including identification of potential food safety hazards and sources of contamination, understanding the benefits of implementing Good Agricultural Practices (GAPs) and Good Manufacturing Processes (GMPs) into food operations, and identification of the U.S. Regulatory Agencies that enforce food safety standards. (unique) (voc)
9. **Plant Science 32 Introduction to Hazard Analysis and Critical Control Points, 1 unit, 1 lecture hour. Corequisites: Plant Science 31 and 33. Advisories: English 125 and 126.** Introduction to Hazard Analysis and Critical Control Points as a systematic and scientifically based approach to food safety through the identification, monitoring and corrective control of critical hazards in food production facilities. (unique) (voc)
10. **Plant Science 33 Verification and Validation of HACCP Systems, 1 unit, 1 lecture hour. Corequisites: Plant Science 31 and 32. Advisories: English 125 and 126.** Introduction to the verification and validation processes necessary to prove that a food safety management system is scientifically valid by gathering evidence to assure that safe food products will be produced once the food safety management system is implemented. (unique) (voc)
11. **Plant Science 34 Internal Auditing of Food Safety Management, 3 units, 2 lecture hours, 3 lab hours. Prerequisites: Plant Science 31, 32, and 33. Advisories: English 125 and 126.** An introduction to the knowledge and skills necessary to conduct an effective internal audit of food safety management systems to evaluate regulatory compliance, detect deficiencies, and implement corrective and preventative actions. (unique) (voc)

12. **Speech Language Pathology Assistant 1 Introduction to Communication Disorders, 3 units, 3 lecture hours. Advisories: Eligibility for English 1A. Stand Alone Course.** This course is designed to address speech and language disorders in children and adults. Topics include speech, hearing, and language disorders, trends in legislation and education, and a review of available community resources. The course provides information to the student exploring a career related to speech and language therapy. (unique) (voc)
13. **Speech Language Pathology Assistant 2 Speech, Language and Hearing Development, 3 units, 3 lecture hours. Eligibility for English 1A. Stand Alone Course.** This course is the study of speech, language and hearing development across the normal human life span. It includes genetic, cultural, and social aspects of communication development. Theories of language acquisition are discussed. Phonological, morphological, syntactic, semantic and pragmatic development will be considered and language sample analysis with typically developing children is practiced. (unique) (voc)

NON DEGREE APPLICABLE, NON TRANSFERABLE

1. **Mathematics 211 Pre-Statistics, 5 units, 5 lecture hours, pass/no pass. Prerequisites: Mathematics 250 or 252. Advisories: English 125 or 130 and English 126 or 128.** Pre-statistics, a non-STEM course, covers core algebra skills needed to understand the concepts, formulas, and graphs used in transfer-level statistics. Pre-statistics integrates numeracy, proportional reasoning, algebraic reasoning, and functions. This course develops conceptual and procedural tools that support the use of key mathematical concepts in statistics in a variety of contexts. This course is NOT intended for math, science, computer science, business, or engineering majors. (unique)
2. **Mathematics 252 College Arithmetic and Prealgebra, 5 units, 5 lecture hours, pass/no pass.** This course covers arithmetic and key concepts in elementary algebra which are typically difficult for elementary algebra students. Topics include arithmetic operations on integers, fractions and decimals, application of order of operations to simplifying arithmetic and algebraic expressions, solving linear equations, graphing linear equations, and applications. (unique)

PROPOSED DISTANCE EDUCATION

Effective Fall 2017

Approved and Recommended by the Curriculum Committee

- 1. 100% Internet, new**
 - a. Business 30, Personal Finance

PROPOSED NEW COURSES

Effective Fall 2017

Approved and Recommended by the Curriculum Committee

1. Business Administration 30, Personal Finance, 3 units, 3 weekly lecture hours. Advisories: Eligibility for English 1A and Math 201.

This course examines the integration of personal financial management with physiological and psychological well-being, and the life-long impact financial decisions have on individuals, families, and society. Topics include time value of money; financial planning strategies; money and credit management; home ownership; home, health, and auto insurance needs; savings and investment strategies; and retirement and estate planning. (voc) (In lieu FCC and RC BA-30)

2. English 205, Skills for Success in English, 2 units, 2 weekly lecture hours. Co-requisite: English 1A.

This course will be taught in conjunction with English 1A College Reading and Writing. It will emphasize critical reading, expository and argumentative writing, and mastery of library research techniques. It includes instruction and practice in critical thinking, in analytical reading and evaluation of written work, and in the methods of clearly communicating and supporting ideas in organized, coherent essays.

3. Information Systems 20, Technology in Society, 3 units, 3 weekly lecture hours and 1 weekly lab hours. Advisories: Eligibility for English 125 and English 126.

An introduction to the nature and function of technology, and the relationship between society and technology. This class will focus on the nature and impact of technology on society, paying particular attention to computing technology and digital communication while using previous technological advances as a basis for comparison. We will consider the social, business, computer science, political, historic, economic and philosophic contexts that both shaped and have been shaped by technological change. Students will explore the emerging field of technology and will learn procedures borrowed from business, computer science, sociology, psychology, and philosophy.

4. Interdisciplinary Studies 251, Academic Literacy, 6 units, 6 weekly lecture hours. Prerequisites: English 252 and English 262.

This course is designed to provide intensive instruction in critical thinking, reading, and writing as will be required in English 1A and other college-level courses. Using theme based readings from a variety of academic genres, coursework will emphasize independent reading of complex academic texts, critical response to ideas and information in academic texts, and writing essays that integrate ideas and information from academic texts.

5. Philosophy 3, Introduction to Social and Political Philosophy, 3 units, 3 weekly lecture hours. Advisories: Eligibility for English 1A.

An introduction to and analyses of key concepts in social-political philosophy as discussed by both classical and contemporary philosophers and social-political theorists. Engagement with key arguments and concepts prepares students to develop arguments of their own on contemporary social-political issues.

To ECPC November 18, 2016

PROPOSED COURSE MODIFICATIONS

PROPOSED NEW COURSES

Effective Fall 2018

Approved and Recommended by the Curriculum Committee

1. Geography 1, Physical Geography, 3 units, 3 weekly lecture hours. Advisories: Eligibility for English 1A recommended.

The course is a spatial study of the Earth's dynamic physical systems and processes. Topics include:

Earth-sun geometry, weather, climate, water, landforms, soil, and the biosphere. Emphasis is on the interrelationships among environmental and human systems and the processes and their resulting patterns and distributions. Tools of geographic inquiry are also briefly covered; they include: maps, remote sensing, Geographic Information Systems (GIS) and Global Positioning Systems (GPS) (In lieu FCC GEOG-1)

2. Geography 2, Cultural Geography, 3 units, 3 weekly lecture hours. Advisories: Eligibility for English 1A recommended.

This course is the study of diverse human populations, their cultural origins, diffusion, and contemporary spatial expressions. Topics include: demography, languages, and religions, urbanization and landscape modification, political units nationalism, and economic systems and development. (In lieu FCC GEOG-2)

3. Geography 10, Introduction to Geographic Information Systems, 3 units, 2.5 weekly lecture hours and 2 weekly lab hours. Advisories: Eligibility for English 1A recommended.

This is an introduction to the fundamental concepts, principles and methods of geographic information systems, focusing on the basic analysis, interpretation, display and communication of spatial information. Topics include the Identification and acquisition of GIS data, the assessment of different data types, understanding map projections and coordinate systems, and spatial analysis using GIS. (In lieu FCC and RC GEOG-10)

4. Geography 20, California Geography, 3 units, 3 weekly lecture hours. Advisories: Eligibility for English 1A recommended.

This course is a thematic approach to the state's issues, processes and topics relevant to geography including climate, landforms, natural vegetation, water resources, cultural landscape, ethnic diversity, urban and agricultural regions, and the economy. It explores the physical, and human landscapes that have evolved as a result of the human-environment interface. (In lieu FCC GEOG-20)

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Approve Out-of-State
Student Travel for Fresno City College
Theatre Arts Students

ITEM NO. 16-155G

EXHIBIT: None

Background

The Fresno City College Theatre Arts/Dance Department is requesting permission for students to participate in the Kennedy Center/American College Theatre Region VIII Festival in Mesa, Arizona. The festival will take place February 14-18, 2017, at Mesa Community College. This festival is important to students because it offers workshops, trainings, theatre networking and performance activities for our students and includes the Irene Ryan Acting Scholarship competition. Fresno City College Theatre Arts students have done well in past festivals.

The Theatre Arts/Dance Department is hoping to take 15 students. Debra Erven, Chuck Erven and James Knudsen will accompany the students on this trip as faculty advisors. The students will be raising funds through a SCCC Foundation account to defray the costs of the trip. Neither the college nor the district will be responsible for any of the funding for this event.

Recommendation

It is recommended that the Board of Trustees approve out-of-state travel for the 15 students in the Fresno City College Theatre Arts/Dance Department to travel to Arizona in February 2017 for participation in the Kennedy Center/American College Theatre Region VIII Festival with the understanding that the trip will be financed without requiring expenditures of college or district funds.

PRESENTED TO BOARD OF TRUSTEES

DATE: July 2, 2015

SUBJECT: Resolution Seating Board Member,
Trustee for Area VII

ITEM NO. 16-53

EXHIBIT: Resolution No. 2016.32

Background:

Since incumbent Trustee Richard M. Caglia (Area VII) was unopposed in his bid for reelection and there was no petition filed in accordance with the provisions of Education Code §5328, no election was held for this trustee position.

Recommendation:

It is recommended the Board of Trustees adopt Resolution No. 2016.32 in the Matter of Unopposed and Insufficient Nominations of Governing Board Elections and appoint thereto, as presented, and file a copy of said resolution with the Office of the County Superintendent of Schools; thereby notifying that office that Richard M. Caglia (Area VI) has been seated as trustee for Area VI in accordance with the provisions of Education Code §5328.

BEFORE THE GOVERNING BOARD OF THE
STATE CENTER COMMUNITY COLLEGE DISTRICT
OF FRESNO, MADERA, TULARE, KINGS COUNTIES, CALIFORNIA

In the Matter of Unopposed and Insufficient)
Nominations of Governing Board) RESOLUTION NO. 2016.32
Elections; No Election; Seating at)
Annual Organizational Meeting)

WHEREAS, no governing board member election was held and conducted in the above-named district on the last governing board member election date due to an insufficient number of persons nominated to fill the positions or board member terms expiring on the first Friday in December, and no petition signed by 10 percent of the voters or 50 voters, whichever is the smaller number, in the district or trustee area if elected by trustee area, was filed with the Elections Department of Fresno, California, at least 83 days prior to the last governing board member election date requesting an election; and

WHEREAS, Section 5328 of the California Education Code requires that those persons nominated to run in the election shall be seated at the organizational meeting of the board as if elected at a board member election.

NOW, THEREFORE, BE IT RESOLVED, that the governing board of the above-named district hereby submits that the following are seated either by operation of law because they ran unopposed for the office or by appointment of the governing board:

1. Trustee Area/Seat: VII
Name: RICHARD M. CAGLIA
Address: 3457 S. CEDAR, FRESNO, CA 93725

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Election of Officers, Appointment of
Representatives and Adoption of Board
Calendar

ITEM NO. 16-54

EXHIBIT: None

Background:

At its meeting on November 1, 2016, the Board of Trustees established the December 13, 2016, meeting as the date for the annual organizational meeting required by the California Education Code.

ELECTION OF OFFICERS AND REPRESENTATIVES

The following officers are elected for a one-year term, and representatives are to be appointed to serve for one year, unless otherwise indicated:

1. President
2. Vice President
3. Secretary
4. Board Voting Representative, Fresno County Committee on School District Organization Election (1 year)
Voting representative participates in electing persons to the Fresno County Committee on School District Organization in fall 2017
(2016 representative was Trustee Eric Payne)
5. Alternate Board Voting Representative, Fresno County Committee on School District Organization Election (1 year)
The Fresno County Office of Education is also asking that an alternate voting representative be named.
(2016 alternate was Trustee Richard Caglia)

6. Board Representative, Executive Board of the Madera County School Boards Association (1 year)
Representative represents the District as a voting member at meetings called three to four times each year by the Madera County School Boards Association.
(2016 representative was Trustee Bobby Kahn and the alternate was Trustee Miguel Arias)
7. Board Representative, State Center Community College District Retirement Board (1 year)
The SCCCDC Retirement Board consists of the vice chancellor of finance and administration, the director of finance and one trustee selected at the annual SCCCDC organizational meeting. The members of the Retirement Board meet periodically, but not less than every six months, to review the investments held in the trust, transact other business, and make decisions as required by the Retirement Board.
(2016 representative was Trustee John Leal)
8. Districtwide Legislative Committee Representative (1 year)
The representative will be a legislative advocate in general for community colleges, provide information on pending legislation, provide direction on legislative matters and make recommendations to the chancellor and the board, when possible. The strength and effectiveness of the committee is as a collective unit, not as a group of individuals, and the recommendations of this committee are not binding on all the representative groups unless agreed to in advance.
(2016 representative was Trustee Eric Payne)
9. Fresno Area Self-Insured Benefits Organization (FASBO, also known as ED CARE) (2 years)
Representative attends monthly meetings on the third or fourth Tuesday at Barthuli & Associates in Fresno. This board reviews the administrator's reports, broker's reports, and financial status, authorizes expenditures, establishes policy, and hears appeals.
The term is for two years from 2017 through 2018.
(2015-2016 representative was Trustee John Leal.)
10. Two Board Representatives for the State Center Community College Foundation Board (2 years)
Representatives attend quarterly meetings, an annual meeting, and a few special events.
The term is for two years from 2017 through 2018.
(2015-2016 representatives were Trustees Ron Nishinaka and Pat Patterson.)
11. Director, Valley Insurance Program Joint Powers Agency (VIPJPA) Board (2 years)
The Board of Directors of the Valley Insurance Program Joint Powers Agency consists of three appointees from each member district: one trustee and the vice chancellor of finance and administration, with the director of finance serving as an alternate director. There are quarterly full board meetings in February, April, June and November; and a two-day strategic planning meeting in April. The term is for two years from 2017 through 2018.
(2015-2016 representative was Trustee Pat Patterson.)

The following is for a two-year term and does not require an appointment until 2017:

12. Fresno City School Liaison Subcommittee (2 Years)

The subcommittee is a partnership between the Fresno City Council and local school districts. The purpose is to facilitate solutions to overlapping issues such as integrating general plan growth and planning, coordinating public transportation needs, and improving school safety through coordination with city fire and police departments. Meetings will be held twice a year or as needed. Up to three representatives may serve.

(Trustees Richard Caglia, Miguel Areas and John Leal will continue as representatives through 2017)

2017 BOARD CALENDAR

The board should also adopt a calendar of meetings for the next year. The regular meetings of the Board of Trustees shall be on the first Tuesday of each month, with the recommended exceptions* of January and July 2017. The proposed calendar is as follows, with a recommended start time of 4:00 p.m. for regular meetings.

DATE	MEETING	LOCATION
January 10, 2017*	Regular Meeting	SCCCD
February 7, 2017	Regular Meeting	SCCCD
March 7, 2017	Regular Meeting	Reedley College
April 4, 2017	Budget Study Session and Regular Meeting	FCC
April 21-22, 2017	Board Retreat	The Pines
May 2 2017	Regular Meeting	Oakhurst Center
June 6, 2017	Regular Meeting: Tentative Budget	SCCCD
July 11, 2017*	Regular Meeting	SCCCD
August 1, 2017	Regular Meeting	CCC
August 15, 2017	Budget Study Session	SCCCD
September 5, 2017	Regular Meeting: Public Hearing and Budget Adoption	SCCCD
October 3, 2017	Regular Meeting	Madera Center
November 7, 2017	Regular Meeting	SCCCD
December 5, 2017	Regular Meeting: Organizational Meeting	SCCCD

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Adopt Resolution
Honoring Trustee Patrick E. Patterson

ITEM NO. 16-55

EXHIBIT: Resolution No. 2016.29

Background:

The Board of Trustees recognizes individuals for their service to the district by adopting formal resolutions to acknowledge their contributions to the educational mission of the district. The board is being presented with a resolution to recognize the contributions of Trustee Patrick E. Patterson.

From 1983 to 2016 Mr. Patterson has served on the State Center Community College District Board of Trustees with integrity, wisdom and unfailing commitment to ensuring educational opportunities for all. Mr. Patterson has served as a champion for student success as well as equitable and fair treatment for faculty, staff and administration. A strong supporter of career and technical education, Mr. Patterson advocated for the development and advancement of programs that provide students with meaningful employment.

During his tenure as trustee, Mr. Patterson represented the board at many events and served on several organizational committees. In addition, Mr. Patterson has served as board president numerous times. Mr. Patterson's ability to bring a historical perspective to issues will be missed by all at State Center Community College District and on the Board of Trustees.

Recommendation:

It is recommended that the Board of Trustees adopt Resolution No. 2016.29 honoring Patrick E. Patterson and extending the heartfelt gratitude of the entire State Center Community College District for his exemplary service and leadership on the State Center Community College District Board of Trustees, and wish him well in his future endeavors.

STATE CENTER COMMUNITY COLLEGE DISTRICT
RESOLUTION NO. 2016.29

A RESOLUTION OF THE BOARD OF TRUSTEES
HONORING PATRICK E. PATTERSON

WHEREAS, Mr. Patrick E. Patterson has served with integrity, wisdom and unfailing commitment to ensuring educational opportunities for all;

WHEREAS, Mr. Patterson has served as a champion for student success as well as equitable and fair treatment for faculty, staff and administration;

WHEREAS, Mr. Patterson has been a strong supporter of career and technical education leading to meaningful employment for students;

WHEREAS, Mr. Patterson has represented the Board of Trustees at many events and has served on multiple organizational committees;

WHEREAS, Mr. Patterson has served as board president multiple times;

WHEREAS, Mr. Patterson's ability to bring a historical perspective to issues will be missed by all at State Center Community College District and the Board of Trustees;

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE STATE CENTER
COMMUNITY COLLEGE DISTRICT DOES HEREBY RESOLVE AS
FOLLOWS:

The Board of Trustees extends the heartfelt gratitude of the entire State Center Community College District to MR. PATRICK E. PATTERSON for his exemplary service and leadership on the State Center Community College District Board of Trustees from 1983 to 2016, and wishes him the best in all of his future endeavors.

ADOPTED, SIGNED AND APPROVED this 13th day of December 2016.

President, Board of Trustees

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Adopt Resolution
Supporting Deferred Action for Childhood
Arrivals Programs

ITEM NO. 16-56

EXHIBIT: Resolution No. 2016.33

Background:

State Center Community College District prides itself on empowering our colleges in their efforts to promote innovative educational opportunities that provide safe, inclusive and supportive learning environments leading to student success and global competitiveness which will transform our valley.

Since President Obama's 2012 executive order of the Deferred Action for Childhood Arrivals (DACA) program, we have seen the benefits of this program for our students and our communities. DACA beneficiaries on our campuses have been exemplary student scholars and student leaders. With DACA, our students have been able to pursue opportunities in science, technology, engineering, business, education and the non-profit sector. They are actively contributing to their local communities and economies.

The Center for American Progress estimates that DACA programs have the potential to increase California's state gross domestic product by \$75.8 billion, beneficiary wage earnings by \$32.8 billion and jobs by 9,500 over ten years.

Recommendation:

It is recommended that the Board of Trustees adopt Resolution No. 2016.33 and send a resolution supporting Deferred Action For Childhood Arrivals programs.

STATE CENTER COMMUNITY COLLEGE DISTRICT
RESOLUTION NO. 2016.33

RESOLUTION IN SUPPORT OF
DEFERRED ACTION FOR CHILDHOOD ARRIVALS (DACA)

WHEREAS, in 2012 President Obama issued an Executive Order providing deportation relief to certain undocumented immigrants who entered the U.S. before their 16th birthday, Deferred Action for Childhood Arrivals (DACA) recipients; and

WHEREAS, California has the largest population of immigrants, both documented and undocumented where one in ten workers is an undocumented immigrant, and immigrants are a vibrant, productive, and vital part of the state's growing economy, holding jobs in key industries such as agriculture, science, technology, service, health care and manufacturing; and

WHEREAS, California is home to one-third of Deferred Action for Childhood Arrivals (DACA) recipients; and

WHEREAS, the Pew Research Center estimates that there are between 200,000 and 225,000 undocumented immigrants enrolled in college; and

WHEREAS, California Community Colleges are open access institutions and welcomes everyone who enters its doors; and

WHEREAS, under AB 540 (Chapter 814, Statutes of 2001), undocumented students in California can seek an exemption from paying nonresident tuition if they attend a California high school for three or more years, graduate from a California high school, and file an affidavit with a college or university stating that he/she will apply for legal residency as soon as possible; and

WHEREAS, DACA has decreased the anxiety and fear that many undocumented students experience living in the shadows; and

WHEREAS, DACA has enabled many community college graduates to obtain better employment, pursue higher education, and provide greater economic security for their families; and

WHEREAS, the Center for American Progress estimates that deferred action programs like DACA have the potential to increase California's state Gross Domestic Product by \$75.8 billion, beneficiary wage earnings by \$32.8 billion, and jobs by 9500 over 10 years.

WHEREAS, a recent study by the University of California, San Diego, the National Immigration Law Center, the Center for American Progress and United We Dream found that DACA has increased wages for recipients by 42 percent, enabled recipients to purchase cars and even homes, strengthening the local economy; and

WHEREAS, the future of DACA is uncertain as President-elect Trump has pledged to “cancel every unconstitutional executive action, memorandum and order issued by President Obama” in his first 100 days in office.

THEREFORE, BE IT RESOLVED that the State Center Community College District Board of Trustees will work to assure that all students feel welcome and safe on our campuses, regardless of immigration status.

BE IT FURTHER RESOLVED that State Center Community College District stands in strong support of DACA and other programs that support undocumented students.

PASSED AND ADOPTED on this 13th day of December 2016, by the following vote:

AYES: _____ NOES: _____ ABSENT: _____

President of the Board (Signature)

Printed Name

STATE CENTER COMMUNITY COLLEGE DISTRICT
1525 E. Weldon
Fresno, California 93704

PRESENTED TO BOARD OF TRUSTEES

DATE: December 13, 2016

SUBJECT: Consideration to Authorize Agreement for
Program and Construction Management
Services for Capital Projects, Districtwide

ITEM NO. 16-57

EXHIBIT: None

Background:

The passage of Measure C in June 2016 will provide \$485 million dollars for capital projects districtwide. The district also has \$30 million in Measure E funds as well as other local capital project funds designated for construction. In addition, the district continuously applies for and receives state funding for a variety of other capital projects. This state funding is received as projects are approved and as the California Community Colleges Chancellor's Office receives the funds from the sale of State of California bonds. Measure C, Measure E, and state-funded bond projects contain provisions to fund program and construction management services. The intent of this funding is to contract with a consultant firm to assist with project cost estimating, scheduling, reporting, fiscal controls, and provide project and/or construction management services for district projects as needed.

In August 2016, Request for Qualification (RFQ) #1617-02 was released, requesting qualifications for program and construction management services for Measure C and state funded capital projects. The RFQ was advertised and proposals were solicited from interested firms throughout the state with a particular emphasis on regional/local firms. Four proposals were received. These proposals were initially evaluated based upon the thoroughness of the submission, relevant experience of the firm in management of community college projects and working with state agencies, and the ability of the firm to successfully manage multiple projects. Based upon these evaluations, three firms were selected for interviews. These three firms include Kitchell CEM, Inc., SGI Construction Management, and Vanir Construction Management, Inc.

The interview committee was tasked with determining the best firm(s) for the services required and provided input, guidance, and experience to the selection process. The interview committee included the Chancellor, Assistant to the Chancellor for Capital Projects, Presidents from Fresno City College and Clovis Community College, Vice President Administrative Services at Reedley College, Associate Vice Chancellor Business and Operations, Construction Services Manager, Director of Purchasing and purchasing staff. After interviews, reference checks, follow up

questions, and information searches, the committee is recommending Kitchell CEM, Inc. to provide program and construction management services for capital projects districtwide.

Kitchell performed similar services for the district during the Measure E process and provides a local office and personnel familiar with the needs and requirements of the district. They are proficient in performing all of the services described in the RFQ and established the best record of success to meet the goals and needs of the district capital projects program.

Fiscal Impact:

Administration estimates a not to exceed fee of \$3 million for the first three years of program and construction management as required for Measure C, Measure E, and other approved capital project funding. Services may increase or decrease as demand requires and as the capital construction program progresses.

Recommendation:

In accordance with Board Policies 6340 and 6600, administration recommends that the Board of Trustees:

- a) authorize an agreement not to exceed three years, with Kitchell CEM, Inc., to provide program and construction management services for capital projects, districtwide; and
- b) authorize a not to exceed expenditure amount of \$3 million for the duration of this agreement for program and construction management services as required; and
- b) authorize the chancellor or vice chancellor of finance and administration to sign the agreement on behalf of the district.
