Hazardous materials

Power Outage

Police Incident

Building Damage

(Earthquake and Weather Damage)

Drills and Exercises

And others as directed by authorities

***So I have been informed that there is
an evacuation of my building.***

What should I be prepared to do?

BE PREPARED TO ACT !!!

- Remain calm
- Quickly collect your personal items
- Evacuate using your **PRIMARY** route if able

DO NOT USE THE ELEVATOR!

[*How To Use An Evacuation Chair – YouTube*](#)

- If your primary route is unavailable, use your **secondary** route

- Close doors behind you if you are the last person leaving the area
- Walk calmly **WALK! NO RUNNING!**
Assist persons with disabilities to rescue areas
- Report to an assembly area if one is designated by Police or Official

If an assembly area has been established:

- Watch for emergency vehicles arriving
- Attempt accountability of students/co-workers
- Notify authorities of injuries, trapped persons, missing, etc.

FIRE

- ✓ **Activate the fire alarm and call (559) 244-5911 or (VoIP) 5911**
- ✓ **If there is no fire alarm, knock on doors and yell “fire” as you exit**
- ✓ **Watch for smoke and impassible areas**
- ✓ **Move far away from building**
- ✓ **Feel doors with the back of your hand. If hot, DO NOT OPEN!**

HAZARDOUS MATERIALS

- ✓ Call (559) 244-5911 or (VoIP) 5911
- ✓ Once you have evacuated, move everyone away from the building and to the assembly area (if designated), away from hazardous material, and if possible up-wind and up-hill

POWER OUTAGE

- ✓ **Remain Calm**
- ✓ **Collect your personal belongings**
- ✓ **Assist others as needed**
- ✓ **Move to lighted area**
- ✓ **Evacuate building if instructed to do so**
- ✓ **Call (559) 244-5911 or (VoIP) 5911**

POLICE INCIDENTS

- ☐ Most common incidents involve:
 - ☐ Bomb Threats
 - ☐ Suspicious Packages
 - ☐ Violent Incidents
 - ☐ Civil Unrest
 - ☐ Suspicious Persons
- ☐ Call (559) 244-5911 or (VoIP) 5911
- ☐ DO NOT ACTIVATE THE FIRE ALARM

BUILDING DAMAGES

- ❖ Evacuate as soon as shaking stops if earthquake
- ❖ Watch for glass and other debris
- ❖ Move to a safe assembly area outside
