

Proposed Guiding Principles and Priorities for Development of the 2014-2015 Budget

BOARD OF TRUSTEES

MARCH 4, 2014

Proposed Guiding Principles and Priorities for Development of the 2014-2015 Budget

- Focus on student equity, success, and completion;
- Strategically manage enrollment to enhance student access;
- Align programs, services, and staffing to the California Community Colleges' core mission (CTE, basic skills/ESL, transfer) and the colleges'/centers' and district strategic plans;

Proposed Guiding Principles and Priorities for Development of the 2014-2015 Budget

- Ensure sound financial practices and financial stability/sustainability (Accreditation Standard IIID)
- Advance the Board's vision for technology
