

# Achievement Recognition

The Classified Professional Achievement Recognition was created to recognize and honor the achievements of classified professionals and classified managers that was/will be completed between March 23, 2018 through April 11, 2019.

This achievement can be a degree, professional certification or license, election/appointment of a leadership position on or off-campus and/or any other significant accomplishment.

Any employee of the district may submit a nomination for this recognition (there are no entry limits). The achiever will be recognized at the annual Classified Professionals Mega Conference on April 16, 2019.

**The deadline to submit a nomination(s) is Thursday, April 11, 2019.**
