## Legislative Requirements

Title IX is a federal law that applies to educational institutions receiving federal financial assistance and prohibits discrimination on the basis of sex in an educational institution's programs or activities, including employment, academic, educational, extracurricular and athletic activities (both on and off-campus). Title IX protects all people regardless of their gender or gender identity from sex discrimination, including sexual harassment and sexual violence, which are forms of sex discrimination. Title IX requires institutions to take necessary steps to prevent sexual assault on their campuses and to respond promptly and effectively to a report of an offense. The Clery Act requires colleges and universities to report annual statistics on crime, including sexual assault and rape, on or near their campuses, and to develop and disseminate prevention policies. The Violence Against Women Reauthorization Act (VAWA) which includes the Campus SaVE Act clarifies that "sexual violence" includes domestic violence, dating violence, and stalking, which must be included in campus Clery reports, and also requires that institutional policies address and prevent sexual violence through training, education, and certain disciplinary procedures. The California Equity in Higher Education Act prohibits discrimination based on any protected status, including gender or sex, in all postsecondary institutions in the state. California Education Code § 67385.7 et seq. requires the California Community Colleges to provide educational and preventive information about sexual violence to students.

Together, these laws require California Community College campuses to (1) publish and widely disseminate a notice of nondiscrimination on the basis of gender or sex; (2) designate one employee to coordinate Title IX compliance (including compliance with VAWA/Campus SaVE Act, and all other relevant sexual discrimination, harassment and violence legislation); (3) adopt appropriate complaint and investigation procedures; (4) implement education and prevention programs for students and employees, as well as victim resource programs for victims of sexual harassment or sexual violence; (5) provide written rights and options information to victims of sexual violence; (6) provide training to the campus community on how to prevent, identify and report sex discrimination (including sexual harassment and sexual violence); (7) provide training on how to conduct investigations to those employees who investigate allegations of sex discrimination (including sexual harassment and sexual violence); (8) provide training to student conduct hearing officers.

The State Center Community College District is committed to creating and sustaining an educational and working environment free of sex discrimination, sexual harassment, sexual violence, domestic violence, dating violence, and stalking. The safety and well-being of the campus community is a priority for the State Center Community College District.

### **Jeanne Clery**

On April 5, 1986, a fellow student raped and murdered Jeanne Clery, a 19-year-old Lehigh University freshman in her dorm room. Ms. Clery's parents later discovered there were approximately 38 violent crimes on the Lehigh campus in the three years before Jeanne's murder. They joined with other victims of campus crime and persuaded Congress to enact a law, formerly known as the "Crime Awareness and Campus Security Act of 1990."

### **The Clery Act**

In 1990, the Higher Education Act of 1965 (HEA) was amended to include the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101- 542). This amendment required all postsecondary institutions participating in Title IV student financial aid programs to disclose campus crime statistics and security information. In 1998, Congress renamed the act the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This act is more commonly known as the "Clery Act." The Clery Act requires colleges and universities to:

- Collect, classify and count crime reports and statistics
- Issue campus alerts
- Publish an annual security report
- Submit crime statistics to the Department of Education
- Maintain a daily crime log
- Disclose missing student notification procedures
- Provide fire safety information

State Center Community College District Police Department (SCCCD Police Department) publishes an Annual Campus Security and Fire Safety Report under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998 ("Clery Act"), 20 U.S.C. § 1092(f), Title 34 U.S. Code of Federal Regulations Section 668.46, and the California Education Code Sections 67380-67385. This report includes important information about safety and security policies implemented to protect the welfare of our campus community, as well as crime statistics for all of the campuses and centers within the District. You may view this report on the district website [www.scccd.edu](http://www.scccd.edu). You may also request a copy of the report by contacting the District Police Department at 1940 N. Calaveras Avenue, Fresno, CA 93704.

Crime Statistics for each campus within the State Center Community College District for the calendar years 2016 thru 2018 are available for viewing at the U.S. Department of Education, Campus Safety and Security Data Analysis Cutting Tool Website at the following link, <https://ope.ed.gov/campussafety/#/>.

### **The Campus SaVE Act**

The Campus Sexual Violence Elimination Act or Campus SaVE Act was signed into law on March 7, 2013, and has four central components in which institutions of higher learning must comply.

- Identify the institution's Campus Security Authority personnel
- Create a Campus Sexual Assault Victim Bill of Rights

- Expand sexual crime reporting on campus
- Ensure the college has standard operating procedures for handling incidents of sexual violence.

State Center Community College District is committed to providing a safe learning and working environment. In compliance with federal law, specifically, the Jeanne Clery Act (Clery Act) and the Campus Sexual Violence Elimination Act (SaVE Act), State Center Community College District has adopted policies and procedures to prevent and respond to incidents of sexual assault, domestic violence, dating violence, and stalking. These guidelines apply to all members of the State Center Community College District (students, faculty, and staff) as well as contractors and visitors.

State Center Community College District will not tolerate sexual assault, domestic violence, dating violence, or stalking, as defined in this report, in any form. Board Policy, AR 3540 prohibits sexual and other assaults on campuses of the State Center Community College District, as well as state and federal laws. Individuals who the District determines more likely than not engaged in these types of behaviors are subject to penalties up to and including dismissal or separation, regardless of whether they are also facing criminal or civil charges in a court of law.

### **Written Notification of Right and Options:**

Any student or employee, who reports an incident of sexual assault, domestic violence, dating violence, or stalking, whether the incident occurred on or off-campus, shall receive a written explanation of their rights and options as provided for under this policy. Which are:

- Go to court, and file a domestic abuse complaint requesting an order restraining your attacker from abusing you, and an order directing your attacker to leave your household, building, school, college, or workplace;
- Seek a criminal complaint for threats, assault and battery, or other related offenses;
- Seek medical treatment (the police will arrange transportation for you to the nearest hospital or otherwise assist you in obtaining medical treatment if you wish);
- Request the police remain at the scene until your safety is otherwise ensured;
- Request that a police officer assist you by arranging transportation or by taking you to a safe place, such as a shelter or a family or friend's residence; and
- Obtain a copy of the police incident report at no cost from the police department.
- Student victims have the option to change their academic or on-campus living situations after an alleged sexual assault if such changes are reasonably available.

### **Procedures for Victims:**

If an incident of sexual assault, domestic assault, dating violence, or stalking occurs, it is important to preserve evidence so that successful criminal prosecution remains an option.

The victim of a sexual assault should not wash, shower or bathe, douche, brush teeth, comb hair, or change clothes prior to a medical exam or treatment. If a survivor has removed the clothing he or she was wearing during the assault before seeking medical treatment, that clothing should be placed in a brown paper, not plastic, and brought to the hospital when treatment is sought. If the victim is still wearing the clothes that he or she was wearing during an assault, he or she should bring a change of clothes with him or her to the hospital so that the clothes containing possible evidence can be preserved and examined for evidence of the crime.

Evidence of violence, such as bruising or other visible injuries, following an incident of sexual assault, or domestic or dating violence, should be documented by taking a photograph. Evidence of stalking, including any communications such as written notes, email, voice mail, or other electronic communications sent by the stalker, should be saved and not altered in any way.

### **Victim Confidentiality:**

State Center Community College District recognizes the sensitive nature of sexual assault, domestic violence, dating violence, and stalking incidents. We are committed to protecting the privacy of individuals who report incidents of abuse, to the extent that doing so is permitted by law and consistent with the District's need to protect the safety of the community. Different officials and personnel of the District are able to offer varying levels of privacy protections to victims.

Reports made to the SCCC District Police Department will be shared with the Title IX Coordinator, as well as the accused, at time of trial, in cases where criminal prosecution is pursued. Reports received by Campus Security Authorities or any other member of the District concerning the abuse of a minor or juvenile must be reported to state officials in compliance with state law requiring mandatory reporting of child abuse. All members of the State Center Community College District are required by policy, BP 3518 Child Abuse Reporting to report any instances of known child abuse or neglect to the SCCC District Police Department. The SCCC District Police Department will report such information to the appropriate state authorities.

Reports and information received by medical professionals, licensed mental health counselors, are considered legally protected or 'privileged' under California law. This information will not be shared with others within the institution (including any of the District's Title IX Coordinators) or with any third party except in cases of imminent danger to the victim or third party. Absent such circumstances of imminent danger, the only information that these employees will report to the District concerning these incidents is statistical information, which does not identify the victim so that the incident can be included in the annual Clery Report. Such crime reporting statistics are also included in a Title IX trend report maintained by the District.

Reports of sexual assault, domestic or dating violence, or stalking which are shared with the District's Title IX Coordinator or other College officials, will be treated with the greatest degree of respect and privacy possible while still fulfilling the District's obligation to investigate and effectively respond to the report. Every effort will be made to limit the scope of information shared to keep it to a minimum of detail, and only when absolutely necessary. It is the victim's choice whether to participate in the investigation; however, the College may proceed with the investigation without the victim's participation if there is a potential threat to other members of the community.

A victim's ability to speak in confidence and with confidentiality may be essential to his or her recovery. The District thus expects employees to treat information they learn concerning incidents of reported sexual assault, domestic violence, dating violence, and stalking with as much respect and as much privacy as possible. College employees must share such information only with those College officials who must be informed of the information pursuant to College policy. Failure by any District employee to maintain privacy in accordance with the State Center Community College policy will be grounds for discipline.

While federal law requires State Center Community College District to include certain reported incidents of sexual assault, domestic violence, dating violence, and stalking among its annual campus crime statistics, such information will be reported in a manner that does not permit the identification of victims.

### **Policies Regarding Campus Sex Offense Programs and Procedures Missing Policy**

#### **State Center Community College District Educational Programs:**

The District is committed to increasing the awareness of and prevention of violence. The District makes continued efforts to provide students and employees with education programming, and strategies intended to prevent rape, acquaintance rape, sexual assault, domestic violence, dating violence, and stalking before they occur.

To address the issue of sexual assaults, domestic violence, dating violence, and stalking in a college environment, the District offers practical guidance for risk reduction, violence prevention, and bystander intervention.

**Personal Safety Workshops** – The SCCCD Police Department provides the District community training about safety, situational awareness, safety precautions, alcohol awareness, the definition of consent and sexual assault, and wellness.

**Safety Escorts** – The SCCCD Police Department provides safety escorts twenty-four hours a day, seven days a week. This service provides students, faculty, and staff a uniformed member of our department to walk or transport individuals to locations on campus or a car in the parking lot. Call the non-emergency phone number 559 244-5911 or ext. 5911 if you require this service.

**Social Media Bulletins and Alerts** – The SCCCD Police Department periodically distributes Social Media bulletins or alerts to inform members of the District community about incidents of crime or public interest in the areas surrounding campuses of the District that may pose an imminent threat of harm to members of the campus community. SCCCD Police Department posts on the following social media platforms, Facebook, Twitter, and Instagram.

The posting of Social Media Bulletins and Alerts are not in response to any specific incidents, but as general reminders to the campus community members about preventative measures they can take to enhance personal and property security.

**New Employee Orientation** –The Police Department, in partnership with SCCCD Human Resources, provides new employees with information concerning issues of Safety, Situational Awareness, Emergency Preparedness, Campus Security Authorities, and Personal Safety. At New Employee Orientation Seminars new employees also receive training on Sexual Harassment, Title IX and the Clery Act.

**Residence Hall Programs** – These programs are run through the Resident Hall Supervisor and inform students on a wide variety of topics, such as alcohol awareness, sexual assault, consent, bystander awareness, personal safety, and fire safety.

**Situational Awareness Presentations** – Two years ago, the SCCCD Police Department developed a course on Situational Awareness and has offered this training to the campus community ever since. Situational awareness is being aware of what is happening around you in terms of where you are, where you are supposed to be, and whether anyone or anything around you is a threat to your health and safety. At the course Students, Faculty and Staff learn the life skills to develop a frame of mind of knowledge, awareness, confidence, and calmness. Attendees learn that there are many strategies for preventing or mitigating major threats. All that is required is dedicating time and some soft skills such as creativity, teamwork, adaptability, communication, and leadership. The attendees learns to envision possible life risks and develop multiple plans for each threat. The military developed the strategies taught in the course and have been field-tested. The Course also exposes the attendees to the mental and hard skills needed for an emergency evacuation, emergency concealment, and personal defense.

### **Conduct Proceedings**

State Center Community College District strictly prohibits all acts of sexual assault, domestic violence, dating violence, and stalking. In addition to facing criminal investigation and prosecution, students, employees, and other affiliates may also face disciplinary action by the District. When students or staff is accused of the above offenses, the College may issue interim safety measures before the resolution of the charges. Such interim safety measures might include issuing No Contact orders between the parties, altering an individual's work or class schedule or a student's on-campus housing assignment, placing an employee accused of misconduct on administrative leave, or placing a student accused of misconduct on an interim suspension.

The District's Title IX Coordinators will oversee all investigations of allegations of gender-based violence. Employees who are found responsible for having committed such a violation could face termination of employment, and students who are found responsible for having committed such a violation may face disciplinary probation, deferred suspension, suspension from college housing, dismissal from college housing, suspension from the college, or dismissal from the college. In addition, the SCCCD Police Department may issue No Contact Orders and No Trespass Orders to those found responsible.

If a Title IX investigation concludes that evidence exists which suggests a student more likely than not engaged in sexual assault, domestic violence, dating violence, or stalking, the matter will be referred to the Dean of Students' office for adjudication pursuant to the Student Code of

Conduct. The Office of Human Resources will handle any incidents involving employees and College affiliates who are found by the College to have engaged in behavior that violates College policy, including but not limited to sexual assault, domestic violence, dating violence, or stalking.

All conduct proceedings, whether the conduct is reported to have occurred on or off-campus, shall provide a prompt, fair, and impartial investigation and resolution. All investigations and proceedings shall be conducted by officials who receive annual training on the nature of the types of cases they are handling, how to conduct an investigation, and how to conduct a proceeding in a manner that protects the safety of survivors and promotes accountability.

The District seeks to investigate and adjudicate any official complaints of sexual abuse, domestic violence, dating violence, or stalking that are filed with the College within sixty (60) days of receipt of that complaint unless mitigating circumstances require the extension of time frames beyond sixty (60) days. Such circumstances may include the complexity of the allegations, the number of witnesses involved, the availability of the parties or witnesses, the effect of a concurrent criminal investigation, College breaks or vacations that occur during the pendency of an investigation or other unforeseen circumstances. In these matters, the complainant and the respondent shall be notified, provided an explanation, and given information about the amount of additional time required.

In all investigatory and adjudication proceedings conducted by the College concerning charges of sexual misconduct, domestic violence, dating violence, or stalking, including any related meetings or hearings, both the complainant and the respondent will be afforded the same process rights, including equal opportunities to have others present. This includes the right to be accompanied by an advisor of their choice. Both the complainant and respondent will also be afforded an equal opportunity to introduce evidence and identify witnesses.

When a student is accused of any violation of the student conduct code, including but not limited to charges that he or she engaged in sexual assault, domestic or dating violence, or stalking, the charges will be decided using the preponderance of evidence standard, which means that it is more likely than not that the reported misconduct occurred. The Title IX Coordinators and the Dean of Students have the discretion to decide whether sufficient evidence warrants referring charges of misconduct against a student to an Administrative/Faculty Hearing Board (a "Board"). If a Board hears such charges and issues a finding of responsibility against a student respondent, the Board may also recommend sanctions to the Dean of Students. However, the Dean of Students retains the authority to determine the penalties that will be issued to any student who has been found responsible for violating the Code of Conduct.

When the Title IX Coordinators complete an investigation and/or when a Board issues a decision, both the complainant and the respondent shall simultaneously be informed in writing within seven business days of the outcome of the investigative or adjudicative proceeding. Both the complainant and respondent will be given the same procedures and timeframe to appeal the result of the proceeding; both parties will receive the same process rights if an appeal is granted, and the parties will both receive timely notice when the outcome becomes final. Disclosure of the outcome shall be made to both parties unconditionally, and each shall be free to share or not share the details with any third parties.

## Preparing the Annual Security Report

The SCCC Police Department compiles the information and prepares the District's Annual Security and Fire Report. The Department retrieves Statistical data for the activity that occurs off-campus from the Fresno Police Department, Clovis Police Department, Reedley Police Department, Madera County Sheriff's Office and Fresno County Sheriff's Office. For purposes of issuing timely warnings and the annual statistical disclosure required under Clery, the campus community should report all crimes to the SCCC Police Department.

The SCCC Police Department does not provide law enforcement services to off-campus residences or organizations. There are currently no fraternities or sororities located off-campus that is recognized by the State Center Community College District. Criminal activity occurring off-campus is monitored and recorded by the following agencies: Fresno Police Department, Clovis Police Department, Reedley Police Department, Madera County Sheriff's Office and Fresno County Sheriff's Office. Students involved in criminal activity off-campus may be contacted, cited, or arrested by one of these agencies. During the preparation of the Annual Security Report, SCCC Police Department communicates with each of the above agencies, and a good faith effort is made to obtain information as to crimes that are reportable under the Clery Act.

## Campus Security Authorities

### Who is a Campus Authority?

2016 Handbook: "Even at institutions with a police department on campus, a student who is the victim of a crime may report it to someone other than the campus police." The handbook also says, "For this reason, the Clery Act requires all institutions to collect crime reports from a variety of individuals and organizations that Clery considers to be "campus security authorities" under the law."

### Who is a Campus Security Authority?

- A campus police department or a campus security department of an institution
- Local Police/Sheriff (Good Faith Request)
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).

Although the reporting of criminal activity directly to the SCCC Police Department is encouraged, crimes may also be reported to college officials who have significant responsibility for student and campus activities. The faculty and staff of State Center Community College District Police are trained to assist students in contacting (CSA's) Campus Security Authorities in the event the student needs to report a crime. Campus Security Authorities (CSA) are responsible for forwarding non-identifying information to the SCCC Police Department for inclusion in the annual security report, regardless of whether or not the victim chooses to file a report with law enforcement or press charges. As defined under the Clery Act, CSA's include college deans and assistant deans, college directors, assistant directors, athletic team coaches, athletic assistant coaches, faculty advisors to student groups, and campus staff involved in

disciplinary and judicial proceedings. Please be aware that information forwarded by CSA's is for statistical purposes only.

### Professional and Pastoral Counselors

When acting in their official capacity, professional and pastoral counselors are not required to report crimes for inclusion in the annual disclosure of crime statistics under 20 U.S.C. Section 1092(f). Professional and pastoral counselors are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures available for reporting crimes on a voluntary, confidential basis for inclusion in the annual crime statistics. A "pastoral counselor" is a person who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling, and functioning within the scope of that recognition as a pastoral counselor. A "professional counselor" is a person whose official responsibilities include providing mental health counseling to members of the State Center Community College District and who is functioning within the scope of his or her license or certification.

### COUNSELING SERVICES DIVISION

Although counselors typically have significant responsibility and involvement in student and campus activities, they are exempt from Clery reporting requirements. They are, however, contacted and encouraged to forward non-identifying information to the SCCC District Police Department on crimes that may be reported through their offices for inclusion in the annual security report.

### Psychological Services

Each District Campus provides psychological services for its students. Students may seek Psychological Services for various reasons. The following are some common student concerns: adjustment to college, anxiety, depression, relationship and family issues, personal growth and exploration, grief and loss, stress and anger management, and LGBTQ students who are struggling due to harassment or exclusion, or questions regarding sexual orientation or gender identity.

### What is a crisis?

A crisis is a life event that an individual perceives as stressful to the extent that normal coping mechanisms are insufficient. A student experiencing significant distress (e.g., suicidal/homicidal thoughts) or severe emotional turmoil need immediate access to a clinician. Call for help!

- Call your College's Psychological Services at the phone number listed above.
- Do not hesitate to call District Police at (559) 244-5911 or 9-1-1.
- If you think a student may be suicidal, **DO NOT LEAVE THE STUDENT ALONE!** You may be the critical link in assisting the student. Know that whatever the situation is, campus resources are available.
- Listen to what the student is saying.
- Assess the situation for unusual emotions, behavior, and thoughts.

### Voluntary/Confidential Reporting

If you are the victim of a crime, we encourage you to file a crime report with the SCCCD Police Department. If you would like to maintain confidentiality and do not wish to pursue action within the college or criminal justice system, you are encouraged to consider filing a confidential report for purposes of inclusion in the annual disclosure of crime statistics. By filing a confidential report, the victim's contact information will be registered confidentially and only accessible to authorized campus officials. This information can only be disclosed to law enforcement personnel in furtherance of a missing person investigation. These types of reports can be made to the SCCCD Police Department. Individuals can do this by mail or by going to the SCCCD Police Department website at <http://sccdpolice.com/report-a-crime> and complete the report template. The information can enhance community safety by allowing the District to keep a more accurate record of crimes, helping to determine whether a pattern of offenses exists and alerting the campus community to potential danger.

### Security and Access to District Facilities

During business hours, District facilities are open to the community. During non-business hours, the District restricts access to facilities to only those with issued keys, or those admitted for scheduled, or unscheduled access by the SCCCD Police Department. Many of the buildings within the District utilize intrusion alarms, panic buttons, and surveillance video cameras to enhance security in these areas.

### Clery Act's Timely Warning

Timely Warning

- Scope: Narrow focus on Clery crimes.
- Why: Timely warnings are triggered when the Chief of Police of SCCCD Police Department determines that a crime for which the Department must report statistics — such as a homicide, sex offense or robbery — presents a serious or continuing threat to students and employees of a college.
- Where: Applies to Clery Reportable Crimes that occur anywhere in the jurisdiction of the SCCCD Police Department.
- When: The Chief of Police will issue a Timely Warning as soon as the pertinent information is available and in constitutes an ongoing or continuing threat of a criminal

nature to the campus community. Examples of Clery Reportable Crimes that qualify for Timely Warnings include, but are not limited to, the following:

- Homicide
- Manslaughter
- Rape
- Sex Offenses
- Robbery
- Aggravated Assault
- Arson
- Burglary
- Hate Crimes
- Motor Vehicle Theft
- Any crime considered to represent a threat to the public

The warning will be distributed utilizing one or more of the following systems

- Campus e-mail (First2Know)
- Text message (First2Know)
- InformaCast Alert Broadcasts
- Public address system
- Police Department website
- Posted flyer
- Social Media Postings

### **Clery Act's Emergency Notifications**

- **Scope:** Wide focus on any significant emergency or dangerous situation (may include Clery crimes).
- **Why:** Emergency notification is triggered by an event that is currently occurring on or imminently threatening the District. Initiate emergency notification procedures for any significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees.
- **Where:** Applies to situations that occur on District property.
- **When:** Upon confirmation of an emergency that poses an immediate threat to the health or safety of the campus community, The Chief of Police will be disseminated a campus-wide notice, unless issuing such notification will, in the judgment of the responding authorities, compromise the efforts to assist victims or hinder the response to contain the threat. As specified by the Clery Act, an Emergency Notification can be broad or limited as compared to the Timely Warning. The Emergency causing the notification does not have to be a Clery Reportable Crime. Reasons for issuing an emergency notification include, but are not limited to:
  - An outbreak of infectious diseases, e.g., meningitis, norovirus, etc.
  - During extreme weather conditions, e.g., tornado, hurricane, etc.
  - Earthquake
  - Gas leak
  - Terrorist incident

- Active Shooter/Armed Intruder
- Bomb Threat
- Civil Unrest
- Explosion
- Nearby chemical or hazardous waste spill
- Aircraft crash
- Fire

The notification will be distributed as soon as possible under the following guidelines: Authority to initiate and create the Emergency Notification will rest with the Chief of Police or his designee. SCCCD Police Department Staff will forward the completed notification to the District's Executive Director of Public and Legislative Relations and the Districts General Counsel for their review and input. SCCCD Police Department Staff will seek final authorization from the Vice-Chancellor of Operations to publish and distribute the Emergency Notification. The Vice-Chancellor of Operations will authorize the District Chief Technology Officer or his designee to email the notification. The SCCCD Police Department Communication Center will broadcast utilizing emergency notification platforms available at the Communication Center.

In situations when there is no time for consultation, a Police Officer or Dispatcher from the SCCCD Police Department may initiate a notification.

In matters of a criminal nature, the SCCCD Police Department will determine whether notifications are appropriate and necessary. The Chief of Police or designee will determine an incident's extent and scope, and whether it meets the criteria for an emergency notification.

In matters not of a criminal nature, the campus department or District function that has jurisdiction will determine whether notifications are appropriate and necessary. When a campus department that has jurisdiction over an incident is not available to make a determination about notifications, the Chief of Police or designee may determine an incident's extent and scope and whether it meets the criteria for an emergency notification.

Once requested by a designated authority, notifications will be made as soon as practicable. Notifications will generally be made by a police dispatcher or an officer who has been trained and are authorized to send notifications.

All messages should include the type of situation, the location of the situation, the time and date, instructions for the recipient, and an additional method for the public to obtain information. One or more of the following systems will be used for sending notifications:

- Campus e-mail
- Police Department website
- Text Message
- Social Media Postings
- Public address system
- InformaCast Alert
- Posted Flyers

## **Emergency Response and Evacuation Procedures**

The campus Emergency Operations Plan provides the framework for an organized response to various human-caused and natural emergency situations including fires, hazardous spills, earthquakes, flooding, explosion and civil disorders.

The Emergency Operations Plan includes information about Incident teams, parameters; incident priorities and performance expectations; shelter-in-place and evacuation guidelines; and local contingency and continuity planning requirements. The police and Environmental Health and Safety Departments as well as numerous District Administrators are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility. The District conducts numerous emergency response exercises each year, such as tabletop exercises, field exercises, and tests of the emergency notification systems on campus. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution. District Police Officers and supervisors have received training in Incident Command and Responding to Critical Incidents on campuses. When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually from the SCCC Police Department, Fire, and Emergency Medical Services, and allied law enforcement agencies. These departments typically respond and work together to manage the incident. Depending on the nature of the incident, other departments and other local or federal agencies could also be involved in responding to the incident.

General information about the emergency response and evacuation procedures are publicized each year as part of the institution's Clery Act compliance efforts and that information is available on the SCCC Police Department web page.

All members of State Center Community College District are notified on an annual basis that they are required to notify the SCCC Police Department of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of students and/or employees on campus. The SCCC Police Department has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, the SCCC Police Department has a responsibility to respond to such incidents to determine if the situation does in fact, pose a threat to the community. If that is the case, Federal Law requires that the institution immediately notify the campus community or the appropriate segments of the community that may be affected by the situation.

In the event of a serious incident that poses an immediate threat to members of the State Center Community College District, the police department has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to any of the campus community. These methods of communication include network emails, emergency text messages that can be sent to a phone or PDA (individuals can sign up for this service by logging into Web Advisor and selecting

that they would like to receive notifications). There are also loudspeakers placed throughout each campus that provide voice messages. Additionally, State Center Community College District has upgraded its phone system with VoIP phones that can receive audio messages, much like a loudspeaker.

### **Evacuation Training and Drills**

Evacuation drills are planned events involving a specific building, classroom or worksite. Because every location is unique, the SCCCD Police Department schedules emergency preparedness course with Student or Staff Groups to provide training tailored for their specific site. Attendees of the training are instructed on how to evaluate the challenges and opportunities that are present at their location. An inventory of resources is made, so the attendees learn how to call for help and develop multiple plans for evacuation within their classroom or worksite. In case of fire, attendees are shown how to use a fire extinguisher and a Stryker Chair.

Attendees participate in developing evacuation responses for hazardous material, earthquake, fire, and active-shooter situations. Students, instructors, and managers are encouraged to call the SCCCD Police Department at (559) 244-6140 to schedule Evacuation Training as well as Situational Awareness training.

Evacuation Training is available for the residents of the Reedley College Residence Hall, which is the only student housing facility in the District.

### **Testing of the Emergency Notification System at State Center Community College District**

The SCCCD Police Department coordinates the testing of the Emergency Notification System once a month. The testing can occur on any day of the week and at any time of the day, to approximate a realistic exigent situation. The Department will publish a testing announcement, a week before the test. The announcement will also have a link to a survey so feedback can be provided to the Police Department so that the system can be improved. The Police Department's Communications Center will initiate the testing of the following systems:

- Campus e-mail (First2Know)
- Text message (First2Know)
- InformaCast Alert Broadcasts
- Public address system (Loudspeakers)

By the end of the 2019 Fall Semester "First2Know" will be upgraded to deliver improved performance. Students will be included and registered for the emergency text notification by default. Staff will have to register themselves and opt-in to receive the notifications. The Department recommends all District employees register for this service. Emergency and General information will often be posted on Facebook, @scccdpd and Twitter, @SCCCD\_PD. This report and other information are also available at the Police Department's website, <http://scccdpolice.com/>.

During each of the testing dates, an audible test message is sent via our InformaCast system to all VoIP phones and exterior speakers throughout each campus. In addition to the audible test message, the police department sends a text message to all students, faculty, and staff that have subscribed to our First2Know text notification system. The testing is monitored closely by police department personnel as well as the Information Systems Department.

**Shelter-in-Place Procedures—What it Means to "Shelter-in-Place"** If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to "shelter-in-place" means to make a shelter of the building that you are in, and with a few adjustments, this location can be made even safer and more comfortable until it is safe to go outside.

### **Campus Safety and Crime Prevention Education**

The SCCCD Police Department is available to conduct crime prevention presentations on a variety of topics. While the police department may offer advice and assistance regarding campus safety, all members of the campus community are encouraged to take responsibility for their safety and, when possible, assist others. Members of the campus community are encouraged to report crimes or suspicious circumstances to the SCCCD Police Department.

### **Sexual Assault Prevention Program**

Members of the SCCCD Police Department are available for video and slide presentations that outline ways to maintain personal safety and residence hall security. Students are told about crime on-campus and in surrounding neighborhoods. Similar information is presented to new employees. Crime Prevention Programs and Sexual Assault Prevention Programs are offered on a continual basis. Periodically, during the academic year, the police department, in cooperation with other campus organizations and other departments, present crime prevention awareness sessions on sexual assault (rape and acquaintance rape), Rohypnol abuse, theft, and vandalism, as well as educational sessions on personal safety and residence hall security. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their security and the security of others.

Crime Prevention Programs on personal safety and theft prevention are sponsored by various campus organizations throughout each year. SCCCD Police Department personnel facilitate programs for students, parents, faculty, and new employee orientations, student organizations, community organizations, in addition to quarterly programs for Resident Advisers and residents within the residence hall providing a variety of educational strategies and tips on how to protect themselves from sexual assault, theft, and other crimes.

The SCCCD Police Department has developed a course on Situational Awareness and offers the training to Female Students. Situational awareness is being aware of what is happening around you in terms of where you are, where you are supposed to be, and whether anyone or anything around you is a threat to your health and safety. At the course Students, Faculty and Staff learn the life skills to develop a frame of mind of knowledge, awareness, confidence, and calmness. Attendees learn that there are many strategies for preventing becoming a victim of sexual

assault. The attendees learn to envision possible threat situations and learn to develop multiple plans to avoid potential threats. The Attendees are also taught the steps to take for Bystander Intervention. A proactive bystander is an individual who accepts personal responsibility for a situation and intervenes to ensure the well-being or safety of others.

**Steps to Intervention:**

1. Notice the event
2. Interpret the event as problematic
3. Assume personal responsibility
4. Take action

In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets, security alert posters, displays, videos, and articles and advertisements in the student newspapers.

When time is of the essence, information is released to the campus community through security alerts posted prominently throughout campus, or sent by electronic mail and/or an audible broadcasting system.

**Reporting Suspected Misconduct**

If those suspected of committing a crime are registered students, members of student organizations, or faculty/staff, you may, in addition to filing a police report, report the suspected misconduct for possible disciplinary action. To report suspected misconduct of a registered student, call the Office of the Vice-President of Student Services.

**Standard of Conduct for Students**

Regulations shall be established for the imposition of discipline on students in accordance with the requirements for due process of the federal and state law. The regulations shall clearly define the conduct that is subject to discipline, and shall identify potential disciplinary actions, including but not limited to the removal, suspension, or expulsion of a student. **Sexual Assault Prevention and Response**

State Center Community College District does not tolerate sex offenses in any form, including sexual assault, sexual misconduct, harassment, exploitation, or intimidation. Reports of sex offenses may be made to the SCCCD Police Department, Vice President for Student Services, the Health Center, and Psychological Services.

Persons who believe that they have been sexually assaulted or were the object of any sex offense should immediately contact District Police, either by telephone (559-224-5911) or in person, to initiate a crime report. We encourage all victims to obtain necessary medical treatment as soon as possible. The SCCCD Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a police officer, Health Center personnel, Psychological Services, campus administrators, and/or to a Housing and Residential Education representative. Filing a police report with the police department will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Victims of sexual assault are strongly encouraged to take the following actions:

- Get to a safe place as soon as possible
- Call the police by dialing 9-1-1
- To preserve evidence that will be helpful in prosecution, do not eat, drink, wash, shower, go to the bathroom, douche, or clean up prior to a medical exam.

Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free, confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system as well as the campus disciplinary process. A representative from the Police Department will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from psychological services at State Center Community College District. Counseling and support services outside those available at State Center Community College District can be obtained through various organizations listed on page 26 of this document.

The preservation of criminal evidence is essential to the successful prosecution of a sex offense. Therefore, it is essential that in cases of sexual assault, District Police should be contacted as soon as possible. Staff counselors are available to assist and to accompany the victim of a sex offense from the initial report to the final resolution of the case.

If you do not wish to make a report to the police, you are still encouraged to seek professional medical advice. (Please note that all health-care providers are legally required to report all cases of suspected sexual or physical assault to law enforcement).

Students and employees of State Center Community College District suspected of committing a sex offense of any kind are subject to criminal prosecution in addition to disciplinary action under District policies, regulations and collective bargaining agreements. Campus disciplinary action can be initiated even if criminal charges are not pursued.

In addition to criminal prosecution, complaints against students accused of sexual battery, attempted rape, rape, or other sex offenses will be processed in accordance with the procedures in the student Code of Conduct. The accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding, and both shall be informed of the outcome of any campus disciplinary proceeding brought forth alleging a sex offense.

Sex offenses can be addressed both through college administrative procedures and through the criminal justice system. Any criminal proceeding is entirely separate from administrative proceedings of the college. In addition; students have the option of changing their academic situations after an alleged sexual assault if such changes are reasonably available.

The college will disclose to an alleged victim of a crime of violence (as defined under United States Code Title 18, Section 16) or a non-forcible sex offense the report on the results of any disciplinary proceeding. If the alleged victim is deceased as a result of the alleged crime, the next of kin shall be treated as the alleged victim for this purpose.

**Sex Offender Registration Information**

The federal Campus Sex Crimes Prevention Act requires institutions of higher learning to issue a statement in their annual security report detailing where members of their campus community can obtain information concerning registered sex offenders. It also requires sex offenders who are required to register under state law, to provide notice of their enrollment or employment at any institution of higher learning in the state where he/she resides. In addition, California law requires sex offenders who attend a campus, and all campus affiliated sex offenders, to register

with campus law enforcement. Members of the public may access sex offender information at the Megan's Law website maintained by the Department of Justice: [www.meganslaw.ca.gov](http://www.meganslaw.ca.gov).

### Sources for Crime Statistics

This report contains State Center Community College District crime statistics compiled for 2016, 2017 and 2018 calendar years. The SCCCD Police Department compiled the information used in this report.

### Crime Statistics

Under the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the campuses of State Center Community College District annually report statistics on occurrences of the following offenses to the U.S. Department of Education.

- Homicide
- Manslaughter
- Robbery
- Aggravated Assault
- Sex offenses (Forcible and non-forcible)
- Burglary
- Motor vehicle theft
- Arson
- Hate Crimes

Statistics for the above-mentioned offenses are made available through the Department of Education's Office of Post-Secondary Education. Statistics are available on-line at: <http://ope.ed.gov/security/>.

### Offense Definitions

Per the Clery Act, crimes are classified based on the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting Handbook (UCR). For sex offenses only, the definitions used are from the FBI's National Incident-Based Reporting System (NIBRS) edition of the UCR. Hate crimes are classified according to the FBI's Uniform Crime Reporting Hate Crime Data Collection Guidelines and Training Guide for Hate Crime Data Collection. Although the law states that institutions must use the UCR for defining and classifying crimes, it does not require Clery Act crime reporting to meet all UCR standards.

**Murder and Non-Negligent Manslaughter:** the willful (non-negligent) killing of one human being by another.

**Negligent Manslaughter:** the killing of another person through gross negligence.

**Sex Offenses, Forcible:** any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. There are four types of forcible sex offenses:

- **Forcible Rape** is the carnal knowledge of a person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity (or because of his/her youth). This offense includes the forcible rape of both males and females.
- **Forcible Sodomy** is oral or anal sexual intercourse with another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/ her youth or because of his/her temporary or permanent mental or physical incapacity.
- **Sexual Assault with an object** is the use of an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity. An object or instrument is anything used by the offender other than the offender's genitalia. Examples are a finger, bottle, handgun, stick, etc.
- **Forcible Fondling** is the touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will; or, not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/ her temporary or permanent mental incapacity. Forcible fondling includes "indecent liberties" and "child molesting."

**Sex Offenses, Non-forcible** are incidents of unlawful, non-forcible sexual intercourse. Only two types of offenses are included in this definition:

- **Incest** is non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- **Statutory Rape** is non-forcible sexual intercourse with a person who is under the statutory age of consent. If force was used or threatened, or the victim was incapable of giving consent because of his/her youth, or temporary or permanent mental impairment, the offense should be classified as forcible rape, not statutory rape.

**Robbery:** the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**Aggravated Assault:** an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury.

This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

**Burglary:** the unlawful entry of a structure to commit a felony or a theft. The UCR classifies offenses locally known as Burglary (any degree); unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts at these offenses as Burglary.

**Motor Vehicle Theft:** the theft or attempted theft of a motor vehicle.

**Arson:** any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

**Hate Crimes:** any of the aforementioned offenses, larceny, simple assault, intimidation and vandalism reported to local police agencies or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. Categories of bias are:

- **Race.** A preformed negative attitude toward a group of persons who possess common physical characteristics (color of skin, eyes, and/or hair; facial features, etc.) genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind (Asians, blacks, whites).
- **Gender.** A preformed negative opinion or attitude toward a group of persons because those persons are male or female. Gender bias is also a Clery Act-specific term, not found in the FBI's Hate Crime Data Collection Guidelines.
- **Religion.** A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being (Catholics, Jews, Protestants, atheists).
- **Sexual orientation.** A preformed negative opinion or attitude toward a group of persons based on their sexual attraction toward, and responsiveness to, members of their own sex or members of the opposite sex (gays, lesbians, heterosexuals).
- **Ethnicity/national origin.** A preformed negative opinion, or attitude, toward a group of persons of the same race or national origin who share common or similar traits, languages, customs and traditions (Arabs, Hispanics).
- **Disability.** A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments/challenges, whether such disability is

temporary or permanent, congenital or acquired, accident, by heredity, accident, injury, advanced age or illness.

**Liquor Law Violations:** the violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness.

**Drug Law Violations:** the violation of laws prohibiting the production, distribution and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use; the unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation or importation of any controlled drug or narcotic substance.

**Weapons Law Violations:** the violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices or other deadly weapons.
