RAPE SUSPECT'S COMPOSITE SKETCH
CASE #SC17-1102FC

Suspect Vehicle: Unknown Year, Silver, 4 Door, Nissan, Altima

In late September on a Wednesday evening, a Fresno City College female student was walking back to her parked car, which was located in Lot "D" near McKinley Avenue. She was dragged into the back seat of a silver sedan, by a light-complected Hispanic adult, where she was then sexually assaulted. SCCC-PD is currently investigating this crime and is attempting to locate witnesses. **Anyone with information regarding this incident is urged to contact the SCCC-PD at (559) 244-6140.**

Situational Awareness is key to your personal safety. Always walk with several classmates or coworkers to your car. You are less likely to become a victim of crime in a group. If someone or something looks out of place, trust your instincts, seek safety and report it to campus police. When walking in the dark, stay away from hidden doorways, shrubs and other areas that criminals can hide. **If you find yourself alone, call campus police at (559) 244-6140 for an escort to your vehicle. Remember fight for your life not for your property.**
