

SCCCD FMP- Update Introductory Meeting Campus Facilities Committee  
Location: Reedley Campus, Room RC/PCR/MCCC 114-13  
January 18, 2018

Darden Project No. 1794

## LISTING OF PARTICIPANTS

(see attached)

### *SCCCD FMP UPDATE*

- City of Reedley planning to do Road resurfacing water and sewer line work that will impact access to Parking Lot B. Facilities Office is in communication with City regarding how to minimize impacts.
- Bob presented the FMP- Update with scope of work
- Donna indicated the need to pull together the participant for planning sub committees. ADA, Technology & Ed Master Plan
- Christine; our next meeting would be in a month
- Christine was looking for a couple people from each campus to be on ADA, Technology & Educational planning committees
- Christine thought we should get directors from IT that also have Instructional Design experience, Donna wanted to make sure the Technology infrastructure upgrades were extended to the Student Housing.

~~~ *END OF MEETING* ~~~
