SCCCD FMP UPDATE

Carol introduced the Facilities Master Planning Team. Bob presented the FMP-update scope of work.

- Security plan is needed as a part of the Technology Master Plan.
- Doors may need access control.
- Consider a plan like Reedley College has.
- Do we need to consider additional safety measures?
- It was requested that there be at least one evening community meeting and one daytime community meeting.
- Science Building Architect has been selected, programming will begin soon.
- FUSD & SCCCDC has an M.O.U. regarding shared use of each of their facilities. SCCCDC wants more access or the community.
- FUSD needs to build a stadium.
- SCCCDC similarly would like to use Fresno High School's pool.
- Fresno Middle College, the desire is to bring those students onto FCC Campus.
