

MEETING NOTES

Project: State Center Community College District – Facilities Master Plan
Campus: District Wide
Group: Accessibility Committee – Meeting No. 2
Date: 5/22/18

Reviewed 5/7 Meeting Notes

- Additions/Corrections were discussed and updated meetings with additions/correction notes to be sent out.
- Stephine indicated she is still working with Harry on the IT components
- George is working on Mass Notification system in concert with TK1SC

Discuss Campus/District Priorities

- The Colleges are still in the process of working through the issues and preparing prioritized list
- It was noted that the Campus Priorities will be taken to the Chancellor's Cabinet for review

Review current FMP – Accessibility Policy Goals

- Accessibility Policy Goals to included suggested Standards such as:
 - Multi-Accommodation restrooms, District would prefer that they be designed to eliminate doors to provide easier accessibility, provide magnetic hold open device if required by fire code.
 - Add a statement regarding the ability of district or community to report accessibility concerns via a form on the district website (***Stephine to provide necessary language and work with Distirct IT to set up the link on the district website)***)

New Items

- ***George to forward email comments from Sam Morgan***
- ***Brian will discuss CASP surgery of OAB Phase III with Christine.***

Next Meeting

- TBD
- Topics to include priorities
