State Center Community College District
Reedley College Science Building - Nursing
Location: Reedley College, PCR – 1:00 PM
Date: 6/21/2017

Darden Project No. 1720

Next Meeting to be held on: TBD

Meeting Minutes

Programming

Nursing Programs to be served by the project: Nursing Assistant

Number of Nursing Students served by the various programs (by semester):

Currently offered M-Th, 4-8 PM only.

Space Types need to support the programs:

Lecture – Number of Students to be accommodated – Hours used per week

Current Classroom Space seats 30
Need Classroom/Lecture Space for 45. These spaces are needed adjacent to each other, so when students leave lectures they go directly into Lab for skills practice.
Provide Standard Desk/Chair per student
Consider possible tables and chairs in future
Provide overhead projector with screen or screens.
Provide TV/DVD
Provide Wall mounted Charging Monitor (Marie to supply Picture)
Computers are not required
Provide a Marker Board for lectures
Provide natural light – positive

Lab – Type of Lab space needed:

Provide Space for Skills practice to simulate an actual patient room
Provide (6) hospital beds with privacy curtains
Provide between each two beds a trash can and nightstand
Provide between each two beds a sink/ countertop
Provide (3) parking spaces for wheelchairs
Provide 1 Geri Chair (recliner) with Manikin
Provide 2 Hampers for linen
Provide (2) lockable 2 - drawer filing cabinets and filing Space

Provide (2) Linen Racks
Provide false utilities to appear as a normal headwall at each bed.

Office Required:

   1 Full Time Staff – Office required.
   3-4 part time staff is anticipated but office space is not required.

Interior Finishes:

   Provide all vinyl flooring, no carpet

Summary:

   This programmed Space will need to be reviewed and approved by California Department of
   Public Health for design requirements. Plans will need to be submitted to CDH for review and
   approval.
   Marie to provide Darden Architects a copy of the Department of Health design requirements
   Bob to provide PDF of a conceptual Floor Plan to Marie for use in preparing a preliminary design
