What can the campus get for 21 million?

Discussed Feasibility Study:

It was Determined the district does not want to go forward this scope of work

What is expected for the center:

1. Auditorium 500-550 Seats minimum
2. Lobby- Seating of 150 for a sit-down dinner.  
200 for a cocktail venue  
Some Indoor/Outdoor space for the lobby
3. Art Gallery = 1000 SF
4. Ticket office is not a must have
5. Need small office
6. Concessions Area
7. Faculty Donor Tree is a must have
8. The center is to be a musical & lecture venue- no Theater Arts programs
9. It is desired that the current design be retained but scaled down to meet the budget.
10. Campus is not looking for the same sound quality of the Shaqoian Hall.

All correspondence is to go through John Krueger

Location: Consider locating the facility at the North end of campus near the grove.
