

TK12 Request to Amend or Establish a New College and Career Access Pathway

Senate Bill 1244, (Newman-D,2024), signed by the Governor on September 27, 2024, with changes becoming effective January 1, 2025. Changes amended Education Code 76004.

Legislation requires a community college district to allow an existing College and Career Access Pathways (CCAP) partnership to be amended, or a new CCAP agreement to be established, with a school district or county office of education and a community college district outside of the primary community college district's service area, if one of the following conditions are met:

- The primary community college district has declined a request from the school district or county office of education; or
- The primary community college district has failed to act within 60 calendar days of a request by the school district or county office of education, to either amend into the existing CCAP partnership the requested courses, or to approve another community college district to enter a CCAP partnership to offer those courses.

Current CCAP Partnership Information between:

High School District: _____

S CCCD College: _____

Please select an option from below:

1. The school district or county office of education is requesting to amend the current CCAP to include the following college(s):

2. The school district or county office of education is requesting to create a new CCAP agreement with

Additional information for the amendment or creation of a CCAP
