- B) This agreement shall supersede any rules, regulations, policies, or practices of the POA, District, Board of Trustees, or the Personnel Commission which shall be contrary to or inconsistent with its terms as it pertains to the bargaining unit members only.
- C) This shall constitute the full and complete agreement between both parties and shall supersede and cancel all previous agreements and memorandums of understanding both written and oral. This agreement may be altered, changed, added to, deleted from, or modified only through the voluntary, written mutual consent of the parties.

Article 2 – Recognition

The District recognizes the POA as the sole and exclusive representative of those members of the bargaining unit enumerated in the certification by the Public Employment Relations Board and the parties to this Agreement voluntarily agree not to seek a change in the unit during the term of the Agreement and shall make good faith efforts to resolve new or changed position designation disputes prior to such disputes being submitted to the Public Employment Relations Board for a decision.

Article 3 – Severability

Savings Clause: If, during the life of this Agreement, any law or any order issued by a court or other tribunal of Competent Jurisdiction other than the District, shall render invalid or restrain compliance with or enforcement of any provision of this Agreement, such provisions shall be inoperative so long as such law or order shall remain in effect, but all other provisions of this Agreement shall not be affected thereby and shall continue in full force and effect. Work shifts and days off may either be fixed or rotated. In assigning work periods and schedules, the Chief of Police, or their designee, shall make a reasonable effort to provide the assignment in an equitable and impartial manner with due consideration to departmental and District needs. Unit members shall be assigned their work shifts based on seniority. Work shifts will be six (6) months in duration unless changed by the Chief of Police, or their designee, for reasons pertaining to operational necessity. Unit members will be allowed to select the same work shift three (3) times in a row, but must select a different work shift for the fourth rotation. No unit member will be required to be assigned duty on the graveyard shift for more than three (3) successive rotations. Unit members may not trade work shifts unless there are extenuating circumstance and only with the approval of the Chief of Police, or their designee.
- D) **Work Day:** The length of the work day shall be designated by the District for each classified assignment in accordance with the provisions set forth in this agreement. Non-exempt unit members are required by Federal statute to record the hours worked each day. For purposes of timekeeping, unit members will certify each pay period indicating hours worked or an exception to their schedule. The method of timekeeping records will be determined by the District. The District maintains the right to improve and/or automate the timekeeping recording system. Unit members shall normally not work more than sixteen (16) hours in a 24-hour period and shall normally not work more than six (6) consecutive days in a seven (7) day period. The POA recognizes and agrees that the District retains its right to amend, modify, or suspend this article in cases of emergencies.
- E) **Work Week:** The District agrees to establish the work week for unit members as being any of the combinations below. The length of any unit member work day shall be established by the Board in compliance with the law for each unit member relative to the needs of the District. Temporary flex week hours may be granted at the unit member's request with approval of the Chief of Police, or their designee. Nothing in this section shall prohibit the District from implementing some other flexible schedule.

Unit members cannot work overtime without prior approval of the Chief of Police, or their designee.
- H) **Overtime Distribution:** Except for assignments that require special knowledge, skills, and/or rank, voluntary overtime shall be assigned to those unit members desiring to work overtime. Overtime will first be assigned on a seniority basis. If no unit member responds to the overtime notification, the overtime will be assigned on a first come, first served basis, regardless of seniority. Mandatory overtime may be assigned, on a rotational basis to the least senior unit members when no unit member desiring overtime is available. Mandatory overtime will be filled starting with the least senior unit member available for work, receiving the first such assignment, the next least senior unit member receiving the second such assignment, and rotating on that basis until all available mandatory overtime is covered. Every effort will be made to provide six (6) hours' notice of mandatory overtime assignments. However, in the event that a six (6) hours' notice is not possible, upon approval of management, Sergeants will have the right to assign overtime as needed.

In the event of mandatory assignment of overtime, a unit member may elect to take compensatory time off in lieu of cash compensation for overtime work, unless the Chief of Police, or their designee, determines the election to be disruptive to the department work or one which creates a financial problem for the department. Compensatory time off shall be granted at the appropriate overtime rate and shall be taken during the same fiscal year as it was earned, except in any case where such utilization of compensatory time off would violate any State or Federal law. No unit member shall be allowed to receive compensatory time off in excess of 240 hours. Payment for any hours remaining shall be made by June 30th of that same fiscal year.

- I) **Shift Differential Compensation:** Any unit member required to work four (4) or more hours

per day between the hours of 6:00 p.m. and 12:00 midnight will be paid an additional seven and one-half percent (7-1/2%) of the regular rate of pay for the entire month, providing the assignment is one-half (1/2) or more of the working days in the month. Any unit member required to work four (4) or more hours per day between the hours of 12:00 midnight and 6:00 a.m. will be paid an additional ten percent (10%) of the regular rate of pay for the entire month, providing the assignment is one-half (1/2) or more of the working days in the month.

- J) **Split Shift Differential:** If a unit member's assigned shift contains one (1) or more periods of unpaid time that exceed two (2) hours, unless mutually agreed, the unit member shall be paid a shift differential of five percent (5%) above the regular rate of pay, for all hours worked for the month providing the assignment is for more than one-half (1/2) the working days in the month
- K) **Lunch Periods:** The District will provide all unit members scheduled to work more than a four (4) hour shift with a lunch period. The District shall establish the length of time for such lunch periods but for not less than one-half (1/2) hour.

- M) **Court Time:** After approval of the Chief of Police, or their designee, unit members required to appear in court on a day in which the unit member is not scheduled to work, shall receive a minimum of two (2) hours of pay compensated at one and one-half (1 ½) times the unit member's regular rate of pay. Hours worked in excess of two (2) hours shall be paid in fifteen (15) minute increments until the unit member has completed the court appearance. When appearing in court, unit members may use a District vehicle for transportation if one is available, as determined by the Chief of Police or their designee.
- N) **Minimum Call-in Time:** A unit member required to work on a day when the unit member is not scheduled to work shall receive a minimum of three (3) hours pay at the appropriate rate. This does not apply to pre-scheduled overtime. Article 15 – Take Home Vehicles

The District may assign selected unit members with a take-home vehicle based on its determination of operational efficiency, economic impact to the Department, tactical deployments and other considerations. Assignment of take-home vehicles is determined by either the Chief of Police or if designated, the Lieutenant. These vehicles may only be used to commute to and from the work-site location and for official business.

Unit members must adhere to the following take-home vehicle policy:

1. The unit member must live within thirty (30) miles (based on actual driving distance) of their regularly scheduled worksite. Members who reside outside the permissible boundaries may be required to secure or garage the vehicle at a designated location or central location at the discretion of the Chief of Police or the Police Lieutenant. Unit members may not circumvent the distance provision by obtaining an address within the limits of this policy and frequenting an address beyond the approved distance.
2. The unit member may not reside in an apartment complex.
3. Commute travel time is not compensable, including work performed during commute time that is de minimis.
4. District-owned vehicles shall not be used for personal errands or other personal business unless previously approved by the Chief of Police or the Lieutenant for exceptional circumstances. The unit member may be required to maintain insurance covering any commuting or personal use.
5. The unit member must be in uniform, armed and must carry their department-issued identification when operating the vehicle.
6. Unit members may not transport any unauthorized passengers in the vehicle.
7. Unit members are strictly prohibited from operating a District vehicle while under the influence of alcohol, drugs, or other prescription or over the counter medication which may impair their ability to safely operate a motor vehicle. The use of tobacco products is not permitted in District vehicles.
8. Any unit member operating a vehicle equipped with a two-way communications radio, MDC and/or a GPS device shall ensure the devices are on and set to an audible volume, and the unit member is logged into the computer-aided dispatch system, whenever the vehicle is in operation.
9. All vehicles shall remain locked and the engine off when unattended. The only exceptions are for traffic control, or traffic stops.
10. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed from the interior of the vehicle and properly secured in the unit member's

residence (see the Firearms and Qualification Policy 306 regarding safe storage of firearms at home). All department identification, portable radios and equipment shall be secured. Unit members may not leave sensitive information or public documents (other than reference material) in the vehicle while off duty.

11. The unit member is responsible for the cleanliness (exterior and interior) and overall care and maintenance of their assigned vehicle. Unit members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage. It is the assigned unit member's responsibility to ensure that their assigned vehicle is maintained according to the established service and maintenance schedule. All maintenance or repairs needed shall be reported to their supervisor immediately. Negligence may be subject to discipline.
12. The unit member may not alter the vehicle in any way without obtaining prior written approval from the Chief of Police or the Police Lieutenant. Unit members are responsible for ensuring that a spare key is available and placed in the lock box in the police department office.
13. Unit members assigned to a take-home vehicle shall be issued keys. The unit member is responsible for reporting any lost key(s) immediately in writing to the Chief of Police or the Police Lieutenant. Unit members may not duplicate keys.
14. When a unit member who is assigned a take-home vehicle moves beyond the thirty (30) mile radius of the assigned worksite, the unit member must immediately notify their supervisor and the District of the change.
15. When a unit member is on vacation for periods exceeding one (1) week, the unit member may not keep possession of the take-home vehicle during such leave. The vehicle shall be parked in a secure location on District property or may be assigned to another unit member during that time.
16. A unit member who is on modified duty, or on a leave of absence or suspension, will not keep possession of the take-home vehicle and the vehicle may be reassigned to another unit member while the unit member is on leave or suspension.
17. All persons who drive to work from their homes in a marked patrol car are expected to respond from the field. This means you need to have the proper equipment to respond to any emergency situation. At minimum this includes pistol, police identifier, ballistic vest, and proper footwear. Exceptions to this would be court and training.
18. When operating an assigned vehicle to and from work outside of the jurisdiction of the District Police Department, a unit member should avoid becoming directly involved in enforcement actions except in those circumstances where a potential threat to life or serious property damage exists. Unit members may render public assistance (e.g., to a stranded motorist) when deemed prudent.
19. Unit members are cautioned that under federal and local tax rules, personal use of District-owned vehicle may create an income tax liability to the unit member. Unit members should address questions regarding tax consequences to their tax adviser.

20. All District-owned vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No unit member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.
21. Vehicles may be reallocated due to departmental needs, as determined by the Chief of Police, or their designee. In such cases, the unit member will normally be provided 72 hours' notice, unless there are exigent circumstances.
22. Violations of this policy may result in disciplinary action and could result in the revocation of take-home vehicle privileges.

The District will only assign take-home vehicles as available currently in the District's fleet. Not all unit members will be assigned a vehicle. Nothing in this Article requires the District to purchase new vehicles.

If a contract is not ratified by the District and POA by September 5, 2023, any salary increase for 2023-2024 will be effective the first of the month following the Board ratification date. The range for Police Officers will be increased from range 65 to range 67, and the range for Police Sergeants will be increased from range 74 to range 76, before any COLA is applied to the schedule. Unit members will then be placed on the step on the new range where the base salary is just greater than their base salary for 2022-2023.

2024-2025 Salary

Effective July 1, 2024, the District shall increase each cell of the POA salary schedule in effect during the 2023-2024 fiscal year for unit members by the Statutory Cost-of-Living Adjustment (COLA). “COLA” means funded COLA. Upon valid service of a summons and complaint or of a claim under the Government Tort Claims Act, the District agrees to notify the POA thereof and to cooperate as reasonably

necessary for the defense or settlement of such action.

- D) The State Center Community College District recognizes its obligation to bargain over salary and benefits to unit members represented by the Exclusive Representative.
- E) **Salary Dispute:** Any dispute pertaining to the salary provisions contained herein is subject to the Grievance Procedure of this Agreement except, however that only the POA may bring a grievance concerning such implementation and any such grievance must be filed within ten (10) working days of notice from the District of any proposed implementation of these provisions. The District will notify the POA concerning its calculations pursuant to the salary provisions contained herein. Such notification shall be in writing. If the POA disagrees with the calculations, it shall notify the District within ten (10) working days. Such notice of the disagreement shall include calculations prepared by the POA. The District may implement its proposed calculations, the proposed calculations from the POA, or attempt to resolve the disagreement. If the matter cannot be satisfactorily implemented or resolved, by mutual agreement, the parties shall agree to reopen negotiations regarding salaries at which time these salary formula provisions shall be of no force or effect.

Section 2. Base Rate:

- A) The base rate of pay for each position in the bargaining unit shall be in accordance with the rates established for each classification as provided for in the Salary Schedule, which includes "salary step" increases. Progression on the salary schedule is not automatic, but shall be based on the unit member's performance being evaluated as "meets standards" and shall be based on the unit member's successful completion of twelve (12) months of paid service in a position with the District. At the time of hire, provided that the unit member submits all the required documents by the given deadline, the District shall review and consider the unit member's education and experience above the required minimum qualifications and make a recommendation on step placement for final approval by Human Resources. Initial step placement shall not exceed step C.
- B) Shift differential pay, longevity increases, POST certificate (Intermediate and Advanced), and special assignment pay, required to be paid under this Agreement shall be added to the base rate of pay.

Section 3. Salary/Longevity Schedule Progression:

- A) The following formulas shall determine a classified unit member's progression on the salary/longevity schedule: A unit member may advance in salary step/longevity only if a unit member's performance is evaluated as "meets standards" or better and if a unit member successfully completed twelve (12) months of paid service in a position. If no evaluation is received by the unit member's anniversary date, the unit member will be allowed to progress in the Salary/Longevity Schedule.
- B) If a unit member is not performing to standards, they should not be allowed to advance in salary step/longevity until the unit member is determined to "meet standards" or better upon being evaluated six (6) months following the performance evaluation which indicated a

failure to “meet standards.” A unit member receiving less than “meets standards” on their performance evaluation and who will subsequently be denied their step/longevity increase, may request a review of their performance evaluation by the Chief Human Resources Officer, or their designee. The unit member shall have the right of representation.

Section 4. Longevity Pay:

- A) Longevity pay shall be computed from the base rate of pay at two and one-half percent (2-1/2%) after successful completion of ten (10) years of paid service (based on the unit member’s anniversary date) and two and one-half percent (2-1/2%) at each additional level up to five (5) levels for each classified unit member within the State Center Community College District.

Level 5	25 years	Base Salary + 12 1/2%

Section 5. Promotions:

Unit members who receive a promotion to a classification allocated to a higher salary range shall be placed on the step of the higher classification which is at least a five percent (5%) increase in the base rate of pay, unless the assigned range of the new classification does not provide for such advancement, or unless they qualify for advanced step placement based on additional experience and education beyond what is required for the minimum requirements of the position. The unit member’s anniversary date within the classification to which they are promoted shall be the first of the month following the date of hire in the higher classification, unless the date of hire is the first of the month, then that is considered the anniversary date.

Section 6. Direct Deposit:

Direct deposit is available to all unit members upon request. Upon request, the electronic transfer of payroll shall be deposited directly into a financial institution of the unit member’s choice and the unit member can dis-enroll or make changes at any time. The District holds the right to not allow direct deposit transactions to financial institutions known to have disreputable transactions.

Section 7. Compensation for Working Out of Class:

- A) Classified bargaining unit members are not permitted to perform duties which are not fixed

and prescribed for the position by the Governing Board unless the duties reasonably relate to those fixed for the position by the Board, except as provided in this provision for working out-of- class. If doubt exists concerning any particular classification, the Human Resources office will clarify what is and what is not within classification. Disputed cases may be appealed to the Chief Human Resources Officer. The decision of the Chief Human Resources Officer is final.

- B) A unit member shall work out-of-class only when directed to do so and is therefore required to perform duties inconsistent with the duties for their assigned position. If the period of time the unit member is required to perform the inconsistent duties exceeds five (5) working days within a fifteen (15) calendar day period and the inconsistent duties are in the higher classification than the regular assigned position, the unit member shall be paid for each such day, at the rate commencing the first day of out-of-class work by being placed in the step of the higher salary classification which is greater than but nearest to a five percent (5%) increase in rate. If a bargaining unit member is directed to perform the duties in a higher classification for a management position, and such work period exceeds five (5) working days in any fifteen (15) calendar day period, the unit member shall be paid an additional amount not to exceed fifteen percent (15%) of the current base pay rate of the unit member

Section 8. Compensation for Special Assignment:

Eligible unit members specially assigned as a Field Training Officer (FTO) or Range Master shall receive a special assignment stipend in addition to the unit member's base salary in an amount not to exceed five percent (5%) of the unit member's current base pay rate for all hours spent serving as the assigned FTO or Range Master. These duties and hours must be assigned in advance by the Chief of Police, or their designee. If a unit member is performing more than one (1) of the above assignments at the same time, the maximum stipend amount shall not exceed seven and one-half percent (7.5%) of the unit member's current base pay rate.

Section 9. Intermediate and Advanced POST Certificate Pay:

- A) Each permanent unit member shall receive a 3% differential above their regular rate of pay on the salary schedule upon receipt of an Intermediate POST Certificate.

- C) If the permanent unit member obtains both the Intermediate and Advanced POST Certificates, the unit member shall receive a combined total of a 8% differential above their regular base rate of pay on the salary schedule.

Section 10. Automatic Payroll Deduction (Overpayment):

- A) In the event a unit member is overpaid for any reason, the District may make an automatic payroll deduction in the unit member's paycheck to cover the costs of the overpayment in the same increments as the overpayment, providing the total repayment occurs by the end of the fiscal year unless there is mutual agreement between the District and POA concerning

the affected unit member to extend beyond the fiscal year.

- B) Whenever it is determined that an error has been made in the calculation or reporting of a unit member's payroll, the District shall, within ten (10) working days following such determination, provide the unit member with a statement of the correction and a supplemental payment shall be issued. The District may recover the full overpayment from the next paycheck in cases where the employment of the unit member is terminating either voluntarily or involuntarily.

Progression on the salary schedule is not automatic, but is on a merit basis for performance evaluated as “Meets standards” or better, and based on the unit member successfully completing twelve (12) months of paid service. The step increase anniversary date will be the date which will determine when a unit member will earn a step increase. Step increase anniversary dates may change due to promotions, demotions, lateral transfers into a related classification, or transfers into an unrelated classification in which case the step increase anniversary date will be the first of the month following the unit member’s completion of twelve (12) months of paid service in the new classification, unless the date in the new classification is the first of the month in which case it will be twelve (12) months from the date in the new classification.

 5. Upon death of retiree, eligible surviving spouse/registered domestic partner will not be eligible to participate in plan or for any benefits under this option. The benefit option terminates on the first day of the month following the retiree's death. Spouse/registered domestic partner is the spouse/registered domestic partner enrolled on the retiree medical insurance plan at the time of retirement and who remained continuously covered on the plan with no lapses in coverage.
- B) For bargaining unit members who retire and have served the District in a full-time, benefitted position for a minimum of fifteen (15) consecutive years immediately prior to retiring, the District will contribute a maximum of two thousand five hundred ten dollars and nine cents (\$2,510.09) per year toward the District's retiree medical insurance program supplement to Medicare, or the actual cost of the District's retiree medical insurance program supplement to Medicare, whichever is less, until age seventy (70), as conditioned on the following:
1. The unit member will have attained their age of Medicare eligibility.
 2. The retiree is receiving their regular retirement allowances from PERS or STRS.
 3. This benefit option terminates on the first day of the month in which the retiree reaches seventy (70) years of age.
 4. Upon death of retiree, eligible surviving spouse/registered domestic partner will not be eligible to participate in plan or for any benefits under this option. The benefit option terminates on the first day of the month following the retiree's death. Spouse/registered domestic partner is the spouse/registered domestic partner enrolled on the retiree medical insurance plan at the time of retirement and who remained continuously covered on the plan with no lapses in coverage.
- C) If a retiree or eligible, covered spouse/registered domestic partner drops the District-offered retiree medical insurance plan for any reason, or is terminated due to non-payment of premiums, they are not eligible for re-enrollment. The spouse/registered domestic partner is the spouse/registered domestic partner enrolled on the retiree medical insurance plan at the time of

retirement.

Option 2 (All unit members regardless of hire date):

- A) For unit members retiring early (prior to age of Medicare eligibility), and who wish to continue coverage under the District's retiree medical insurance program, the District will contribute a maximum of seventy percent (70%) of the District's contribution to the active employee premiums per month (see Section 6 above) for the retiree medical insurance program conditioned on the following:
1. The unit member has attained their fifty-fifth (55th) birthday.
 2. The unit member will have served the District in a full-time, benefited position for a minimum of ten (10) consecutive years immediately preceding retirement.
 3. The retiree is receiving their regular retirement allowance from PERS or STRS.
 4. This benefit option terminates on the first day of the month in which the unit member reaches their age of Medicare eligibility.
 5. Upon death of retiree, eligible surviving spouse/registered domestic partner will not be eligible for benefit contribution toward the retiree medical insurance under this option until they reach age sixty (60). Prior to age sixty (60), the surviving spouse/registered domestic partner may continue coverage on the District's plan at their own cost. An eligible surviving spouse/registered domestic partner is the spouse/registered domestic partner enrolled on the retiree medical insurance plan with the unit member at the time of retirement and who remains continuously on the plan with no lapses in coverage. The surviving spouse/registered domestic partner will not be eligible to continue the retiree medical insurance for employees hired on or after July 1, 2013 and benefits under this option will terminate on the first day of the month following the retiree's death.
 6. Eligible surviving spouse's/registered domestic partner's benefit under this option terminates on the first day of the month the eligible surviving spouse/registered domestic partner reaches age of Medicare eligibility. The surviving spouse/registered domestic partner shall not be eligible for benefits under this option for employees hired on or after July 1, 2013.
- B) Unit members who elect Option 2, which provides an enhanced pre-Medicare eligibility age District contribution toward the District's retiree medical insurance plan, will not be eligible for option 1.1A, Option 1.1B, Option 1.2A and Option 1.2B.
- C) If a retiree or eligible covered spouse/registered domestic partner drops the District's retiree medical insurance plan for any reason, or is terminated due to non-payment of premiums, they are not eligible for re-enrollment.

Section 8. Consolidated Omnibus Budget Reconciliation Act (COBRA):

Upon separation from the District, or change from full-time to part-time status, unit members enrolled in health insurance benefits may have the option to continue their District- sponsored medical, dental, and vision insurance plan at their own expense as afforded under COBRA legislation. All COBRA plans are administered directly through the District's third-party administrator.

Section 9. Physical Fitness:

Unit members may use District designated fitness centers at each college during posted hours when the facilities are available to faculty, staff and administrators. Unit members will be required to abide by institutional rules in effect at each campus and to sign a District approved waiver of liability form.

Article 19 – Holidays

- A) Each year the Board of Trustees shall determine the holiday schedule. Effective with the 2022-2023 fiscal year, the Board shall provide thirteen (13) paid holidays for all bargaining unit members. Unit members in unpaid status on the last Friday prior to the last Monday in May and continuing through July 31, shall not receive pay for Memorial Day and Independence Day.
- B) For unit members who have satisfactorily completed six (6) months of service, four (4) additional holidays shall be granted. The board shall determine placement of these holidays.
- C) All new unit members shall not be paid for a holiday preceding their first day of employment.
- D) A unit member leaving the classified service must be in a paid status the day succeeding the holiday to receive compensation for the holiday. Bargaining unit members whose employment terminates the day preceding a holiday shall not receive compensation for the holiday.
- E) Unit members shall only receive holiday pay if they are in paid status during any portion of the working day immediately preceding or succeeding the holiday.
- F) Bargaining unit members shall be given a holiday on every day appointed by the President as a national holiday, or by the Governor of this State as a state holiday, as a public fast, Thanksgiving, or holiday providing such intent is disclosed by the President or Governor that the day be treated as a national holiday or state holiday.
- G) Should a holiday or any other day designated by the Board as a public holiday occur while a unit member is absent from work because of sick leave, vacation, or any other paid leave of absence, the holiday shall be considered as time worked and shall not be deducted from other paid leave of absence.
- H) Unit members, regardless of work schedule, shall be entitled to the same number of holidays as indicated in Paragraph A above. Holiday is defined as eight (8) hours (prorated for less than 40 hours a week and less than 12 months per year unit members).
- I) Unit members scheduled to work on designated holidays shall receive one and one-half (1-1/2) times their regular rate of compensation for hours worked. Unit members may choose to either receive a substitute holiday or be compensated for eight (8) hours at straight time. Substitute holidays must be requested and taken within six (6) months, upon the approval of the Chief of Police, or their designee.
- J) If a holiday falls on a unit member's regular day off, the unit member may choose to either receive a substitute holiday or be compensated for eight (8) hours at straight time, upon approval of the Chief of Police, or their designee. Substitute holidays must be requested and taken within six (6) months, upon the approval of the Chief of Police, or their designee.
- K) Members of the bargaining unit normally employed less than eight (8) hours per day and less than five (5) days per week are entitled to that proportion of paid holidays as the number of

hours they normally work bears to forty (40) hours per week.

- L) **Holiday Assignment:** The Chief of Police, or their designee, will send a memo prior to the beginning of each fiscal year requiring sergeants and officers to sign up for all holidays throughout the upcoming fiscal year. Holiday staffing will be determined by the Chief of Police, or their designee, and will be minimal unless the needs of the District dictate more staffing is required to meet special circumstances as determined by the Chief of Police, or their designee. In the case additional staffing is needed, where practical, assignments will be made by seniority on a rotational basis. The sergeants and officers will have District wide responsibility and will be expected to monitor all District sites except Oakhurst unless the Chief of Police, or their designee, determines differently.

Holiday sign up will be handled on a first come, first served basis. If a holiday shift is not filled, it shall be filled by seniority and rotation. The most senior sergeant will sign up for one holiday shift, then the next most senior sergeant will sign up for one holiday shift and so on. The procedure will then be to rotate back to the most senior sergeant who will sign up for another holiday shift and so on until all shifts are selected.

Officers will sign up using the same procedure as the sergeants. The most senior officer will sign up for one holiday shift, the next most senior officer will sign up for one holiday shift and so on until all officers have chosen one holiday shift. Then the most senior officer will sign up for a second holiday shift, the next most senior officer will sign up for a second holiday shift and so on until all officers have signed up for a second holiday shift. If there are not enough holidays to complete a rotation, the most senior officer may select an assignment or pass to the next most senior officer. This procedure will be repeated until all holidays are covered for the entire fiscal year.

In the case additional holiday staffing is needed and when there is sufficient lead time, the Chief of Police, or their designee, will request bargaining unit members work a holiday using the following procedures. The most senior sergeant or officer may select an assignment or pass to the next most senior sergeant or officer until the shift is covered on a rotational basis. Each subsequent time an additional holiday shift becomes available, the next most senior bargaining unit member who was not given an opportunity to accept or decline will have the first right to accept or decline the shift. This process will continue until all bargaining unit members have had the opportunity to accept or decline an additional shift. If all bargaining unit members decline, the shift will be assigned to the least senior sergeant and/or officer on a rotational basis.

In the case additional holiday staffing is needed and there is not sufficient lead time for the Chief of Police, or their designee, to request bargaining unit members to work the holidays, shifts will be offered on a first come, first served basis. If no bargaining unit members agree to accept the assignment, the shift will be assigned to the least senior sergeant and/or officer on a rotational basis. Each subsequent time an additional holiday shift becomes available, but there is not sufficient lead time, the next most senior bargaining unit member who was not given an opportunity to accept or decline will have the first right to accept or decline the shift. This process will continue until all bargaining unit members have had the opportunity to accept or decline an additional shift. If all bargaining unit members decline, the shift will be assigned to the least senior sergeant and/or officer on a rotational basis.

If a sergeant/officer is on vacation or other leave at the time additional holiday shifts become available, the Chief of Police, or their designee, will send an email to the bargaining unit member(s) offering the shift. If the bargaining unit member does not respond by the deadline, the bargaining unit member will be passed over unless the bargaining unit member is least senior, then the bargaining unit member must accept the assignment.

Article 20 – Vacation Leave

- A) **Eligibility:** Members of the bargaining unit shall accumulate vacation at the regular rate of pay earned at the time vacation is commenced.
- B) **Paid Vacation:** Annual vacation shall be earned according to the following schedule, but prorated for less than 40 hours per week and/or less than 12 months per year unit members:
1. 12-Month Unit Members
 - a) Zero (0) months through five (5) years - 1 day per month of employment (12 days/96 hours)
 - b) Six (6) through nine (9) years - 1-1/2 days per month of employment (18 days/144 hours)
 - c) Ten (10) through nineteen (19) years - 1-3/4 days per month of employment (21 days/168 hours)
 - d) Twenty (20) years and over - 2 days per month of employment (24 days/192 hours)
 2. 11-Month Unit Members
 - a) 11/12 of the Twelve-Month Schedule
 3. 10-Month Unit Members
 - a) 10/12 of the Twelve-Month Schedule
 4. Part-Time Unit Members.
 - a) Prorated vacation for unit members working 39 hours or less per week.
- C) **Vacation Pay Upon Termination:** When a unit member is terminated for any reason, they shall be entitled to compensation for all earned and unused vacation, except that unit members who have not completed 130 working days of employment in regular status shall not be entitled to such compensation.
- D) **Vacation Scheduling:**
1. Vacations shall be scheduled by the unit member and approved by the Chief of Police, or their designee, and may be taken at the convenience of the District at any time during the fiscal year. Management will circulate a vacation schedule at the beginning of the fiscal year in order to survey unit member annual vacation preferences to assist in anticipation of work coverage. Unit members are not obligated to the dates indicated and are not required to provide dates if vacation plans are not known in advance. If a unit member does not use their full annual vacation, the amount not taken shall accumulate and be carried over for use in the next fiscal year. Maximum amount of accrued vacation time shall not exceed two (2) years of their annual accrual rate. When the accumulated vacation balance reaches this limit, the unit member ceases to accrue vacation leave hours until the vacation balance is reduced below the

maximum accrual. In a work unit where vacation schedules are staggered, the unit member with the most seniority in the classification shall be given priority for scheduling their vacation. If seniority in the classification is equal, for the unit members with equal seniority within the classification the unit member with the most seniority within the District will be given priority for scheduling their vacation. The approval of vacation shall be at the discretion of the Chief of Police, or their designee.

2. Vacation time may be taken in increments of fifteen (15) minutes. If an absence slip is not recorded in fifteen (15) minute increments, it will be adjusted to the nearest fifteen (15) minutes per the Federal 7/8 rounding rule.
3. Earned vacation shall not become a vested right until completion of the initial 130 working days of employment, and may not be used until the first day of the calendar month after the completion of 130 working days of active service with the District.

Article 21 – Sick Leave

Section 1. General Sick Leave:

- A) Members of the bargaining unit employed by the District 40 hours per week and 12 months per year shall be entitled to 96 hours per fiscal year (prorated for less than 40 hours per week and 12 months per year unit members) leave of absence for illness or injury, exclusive of days they are not required to render service. Day, as used in this Article, means the employee's regularly assigned work-day, exclusive of overtime.
- B) Members of the bargaining unit employed full time for 40 hours per week, but less than a full fiscal year are entitled to a proportion of 12 days or 96 hours leave of absence for illness or injury as the number of months they are employed bears to 12. Example: a 40 hour per week 12-month employee earns one day (8 hours) of sick leave per month. Therefore, a 40 hour per week ten-month employee will earn 10/12 of 12 days or ten 8-hour days (80 hours) of sick leave per fiscal year.
- C) Members of the bargaining unit employed 12 months per year, but less than 40 hours per week are entitled to that proportion of 12 days or 96 hours leave of absence for illness or injury as the number of hours they are employed per week bears to 40. Example: a 40 hour per week 12 month employee earns 96 hours of sick leave per year. Therefore, a 30 hour per week 12-month employee will earn 30/40 or 75% of 96 hours or 72 hours of sick leave per fiscal year.
- D) When such persons are employed for less than a full fiscal year of service and less than 40 hours per week, the preceding paragraphs shall determine that proportion of absence for illness or injury to which they are entitled. Example: a 30 hour per week and 10 month employee would earn $\frac{3}{4}$ of 8 hours per month which is 6 hours for each of the 10 months worked.
- E) If for any reason it is impossible to report for work, the unit member shall notify the on-duty Sergeant, as soon as possible, but not later than one (1) hour before the reporting time. If there is no on-duty Sergeant or the on-duty Sergeant cannot be reached, the unit member shall notify the Police Lieutenant. Absences shall be reported to the Chief of Police, or their designee on a daily basis unless the unit member has submitted a doctor's note to Human Resources excusing the unit member from work for a designated period of time. Persons absent because of illness shall inform the on-duty Sergeant, in a timely manner as to when they expect to return to work. The on-duty Sergeant shall inform the Chief of Police, or their designee, as to when the unit member is expected to return to work.
- F) The rate of pay for sick leave shall be at the same rate the unit member would have received had they worked that day. Pay for any hour(s) or day(s) of illness or injury need not be accrued prior to taking such leave by the unit member and such leave may be taken at any time during the unit member's assigned work year. Probationary unit members of the District shall not be eligible to take more than six (6) days, or the proportionate amount to which they may be eligible under paragraphs A through D.
- G) A unit member who has been with the District for five (5) years or more, has received advanced sick leave payment, and does not return to active employment during the year the sick leave

was advanced long enough to earn the sick leave that was advanced will not be required to make any repayment of the advanced sick leave.

- H) A unit member who has worked for the District less than five (5) years, has received advanced sick leave payment, and does not return to active employment during the year the sick leave was advanced will have their case reviewed individually to determine if repayment will be requested.
- I) Except where otherwise provided by law, medically verified pregnancy disability shall be treated the same as any illness absence.
- J) If a member of the bargaining unit does not take the full amount of leave allowed in any year, the amount not taken shall be accumulated from year to year.
- K) Any unit member who does not use Sick Leave or Personal Necessity leave during an entire fiscal year (July 1 – June 30) shall accrue one additional day of sick leave for use in any subsequent fiscal year.
- L) Members of the bargaining unit absent due to illness for more than three (3) consecutive assigned work days may be required to submit a medical release from a Health Care Provider to the Chief of Police, or their designee, prior to being permitted to return to work. The medical release shall certify that the employee is capable of performing the duties required of their regular position. The unit member shall notify the District of their approximate return date.

1. "Health Care Provider" means:

- a) doctors of medicine or osteopathy authorized to practice medicine or surgery by the state in which the doctor practices; or
- b) podiatrists, dentists, clinical psychologists, optometrists and chiropractors (limited to manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice, and performing within the scope of their practice, under state law;
- c) nurse practitioners, nurse-midwives, clinical social workers and physician assistants authorized to practice, and performing within the scope of their practice, under state law.

2. At the discretion of the District, members of the bargaining unit may be required to submit to a medical examination by a Health Care Provider selected and paid for by the District.

- M) A unit member who has been employed by some other school district for a period of one (1) calendar year or more and who terminates such employment for the sole purpose of accepting a position in this District and who subsequently accepts within one (1) year of such termination of their former employment a position with this District, and upon employee request, shall have transferred with them all of the unused accumulated sick leave. If the unit member is in a probationary status, they may not use more than six (6) days or the prorated amount to which they may be entitled to under paragraphs A-D of this Article.

- N) All sick leave rights or accumulations shall be canceled when a unit member severs all official

connection with the District as an employee, except that accumulated leave may be transferred to a subsequent employing district upon employee written request. Upon retirement any accumulated sick leave shall be credited toward a unit member's retirement, except as otherwise provided by law. (G.C. 20963).

- O) Unit members can access a current accounting of their sick leave on the internet.
- P) **Extended Illness Leave:** Upon medical verification by a physician and after exhaustion of all paid leave; i.e., sick leave, accumulated vacation and accumulated compensatory time, a member of the classified service shall be credited once a year (July 1) with a total of not less than one hundred (100) working days of paid sick leave, including days to which he or she is entitled under Section 1.A. These days of paid sick leave, in addition to those required by Section 1.A., shall be compensated at not less than fifty percent (50%) of the unit member's regular salary. The paid sick leave authorized under such a rule shall be exclusive of any other paid leave, holidays, vacation, or compensatory time to which the unit member may be entitled.
- Q) After exhaustion of all paid sick leave, and ninety (90) days from the first day of absence, a unit member with two (2) years of service or more may be placed on unpaid leave upon request and with the approval of the Board of Trustees. The unpaid leave may not exceed twelve (12) months. (See Article 26.)
- R) Unit members who take time off during the workday for medical or dental appointments shall utilize sick leave for this purpose or, with permission of the Chief of Police, or their designee, be allowed the alternative of making up all or a portion of the time on the same day. Unit members who have a one (1) hour lunch period may use up to one-half (1/2) hour to make up the time lost.
- S) If there exists a reasonable belief that abuse of any sick leave has occurred, as a condition of paid sick leave, a unit member may be requested to submit a medical certification or other acceptable verification from a licensed Health Care Provider. Medical certification must be submitted within five (5) working days of the request to Human Resources.
- T) A unit member may apply time when they are absent because of illness to unused vacation time upon approval of the Chief of Police, or their designee. In such an instance, a unit member may request consideration at the time of absence to have the absence applied against vacation time rather than sick leave. The minimum sick leave shall be fifteen (15) minutes. If an absence slip is not recorded in fifteen (15) minute increments, it will be adjusted to the nearest fifteen (15) minutes per the Federal 7/8 rounding rule.
- U) Once the Payroll department has processed the monthly absence slips and if a unit member will be docked pay, assuming all the absence slips were submitted in a timely manner, the Payroll department will notify the unit member by sending notification to the unit member's district email address informing them of the insufficient leave balance.
- V) **Quarantine:** All regular unit members are entitled to receive full salaries when quarantined by City or County health officials because of another's illness. Such quarantine must be verified by a physician or health official.

Section 2. Catastrophic Leave:

- A) Catastrophic leave is sick leave and/or vacation time donated by members of the bargaining unit for the benefit and use of other members of the bargaining unit who have been absent from work for an extended period of time due to medical necessity. Members of the bargaining unit may only be granted catastrophic leave when they have exhausted all sick leave, vacation leave and compensatory time available to them as identified in the collective bargaining agreement and who have been absent from work for an extended period of time due to medical necessity.
- B) To participate in the Catastrophic Leave Bank program, members of the bargaining unit may donate accumulated and unused sick leave or vacation time to the Catastrophic Leave Bank. Catastrophic leave is to be awarded on a case-by-case basis.
- C) **Definitions:**
1. **Catastrophic Illness or Injury:** Catastrophic illness or injury means an illness that is expected to incapacitate the member of the bargaining unit for an extended period of time, or that incapacitates a member of the employee's family which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking such extended time off from work creates a financial hardship for the employee because they have exhausted all of their sick leave and all other applicable paid time off available to the employee. Catastrophic illness or injury does not include stress-related illness, elective surgery, normal pregnancy, workers' compensation, disabilities resulting from the current use of alcohol or drugs, intentionally self-inflicted injuries, or normal illness such as colds, flu, allergies, headaches, etc.
 2. **Family Member:** For the purposes of this section, family member is defined as spouse or registered domestic partner, child, parent, or member of the immediate household.

- D) **Eligibility Criteria:** Eligible leave credits may be donated to the Catastrophic Leave Bank for use by a member of the bargaining unit who has verified that they, or a family member, is suffering a medical condition that qualifies them to apply for catastrophic leave if all of the following requirements are met:
1. The unit member who is, or whose family member is suffering from a catastrophic illness or injury requests that eligible credits be donated and provides verification of the catastrophic illness or injury by a licensed physician's statement.
 2. The Chief Human Resources Officer, or their designee, determines and agrees that the unit member is unable to work due to the unit member's or their family member's catastrophic illness or injury.
 3. The member of the bargaining unit has exhausted all their own accrued paid leave credits

5. The unit member has contributed a minimum of eight (8) hours/one (1) day of leave to the Catastrophic Leave Bank.

E) **Request for Donations:** Request for donations to the Catastrophic Leave Bank shall be solicited by the Chief Human Resources Officer, or their designee.

F) **Deposits to the Catastrophic Leave Bank:**

1. All unit members may voluntarily participate in the Catastrophic Leave Bank program by contributing a minimum of eight (8) hours between July 1 and August 31.
2. The member of the bargaining unit, at their option, may donate only the available sick leave accrued above fifteen (15) days.
3. Whenever the Catastrophic Leave Bank becomes depleted, each participating unit member will automatically donate one (1) additional day per year from their accumulated leave bank to restock the bank. Leave placed in the bank by participating unit members are irrevocable and:
 - a) May not subsequently be withdrawn from the bank except as they are used for sick leave purposes as defined herein;
 - b) May not be transferred to another district should that unit member obtain employment elsewhere;

2. The maximum amount of donated credit that may be used by one individual under this section shall be forty (40) working days within a rolling twelve (12) month period, based on the date of first request.
3. Catastrophic leave credits shall not be used for bargaining unit members for illness or injury

which qualifies for workers' compensation benefits.

4. Credits shall not be considered available leave for the purposes of qualifying for PERS retirement disability.
5. For a member of the bargaining unit to be eligible to receive catastrophic leave donations, the employee must have been employed by State Center Community College District for at least two years.

H) **Withdrawal from the Catastrophic Leave Bank program:** A unit member may withdraw from participation in the Catastrophic Leave Bank program at any time by notifying the Chief Human Resources Officer, or their designee, in writing of such withdrawal; however, any days contributed previously may not be withdrawn.

2. The requesting unit member shall attach a physician's statement verifying that the unit member is unable to return to work due to their medical condition and/or the medical condition of the family member. J) **District Responsibility:**

1. The District Human Resources Office will request donations for the Peace Officers' Association Catastrophic Leave Bank for a new unit member on an annual basis, and at any time the bank has been depleted.

3. The distribution of the leave credits shall be approved by the Chief Human Resources Officer, or their designee.

Article 22 – Personal Necessity Leave

- A) A unit member may elect to use accumulated sick leave, not to exceed seven (7) days (pro-rated for less than forty-four hour a week unit members) in any fiscal year, for personal necessities. The following reasons allow a unit member to take personal necessity leave:
1. The death of a member of the immediate family when additional leave is required beyond that provided in Article 23 and any other leave approved by the Chancellor, or their designee.
 2. Accident or occurrence, involving their person or property or the person or property of a member of their immediate family. Immediate family has the same meaning as provided in Article 23.
 3. Appearance in any court or before any administrative tribunal as a litigant.
 4. Illness or injury requiring hospitalization, transportation or personal care by the employee of a member of their immediate family.
 5. Upon completion of 130 working days, two (2) of the seven (7) days may be granted for any reason deemed appropriate by the unit member. Prior approval of the Chief of Police, or their designee, is necessary. In no case will there be more than two (2) unit members off at any one (1) time in any one (1) work unit under this paragraph.
- B) Certification of personal necessity leave shall be made on the absence slip provided by the District and signed by the unit member. Absence slips will be revised by the District to include reference to POA Personal Necessity article the next time absence slips are reprinted, unless the District and POA agree to move an electronic time keeping system.

- D) Payment for wages lost on any day will not, when added to an award granted the unit member under the workers' compensation laws of this state, exceed normal wages for the day.
- E) Industrial accident or illness leave is to be used in lieu of normal sick leave benefits. When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave, vacation or other paid leave may then be used. If, however, a unit member is still receiving temporary disability payments under the workers' compensation laws of this state at the time of the exhaustion of benefits under this section, they will be entitled to use that amount of their accumulated and available normal sick leave and vacation leave, which, when added to the workers' compensation award, provides for a day's pay at the regular rate of pay.
- F) In order to qualify for industrial accident or illness leave coverage, a unit member claiming such leave will be subject to examination by a designated licensed physician to verify their condition.
- G) If the unit member had not previously notified the District of their designated licensed physician, the unit member will receive treatment from an employer-designated licensed physician. However, after thirty (30) days treatment by the employer-designated licensed physician, the unit member may request treatment by another licensed physician of the unit member's choice in the Medical Provider Network (MPN).
- H) Unit members can predesignate a personal doctor of medicine (M.D.) or doctor of osteopathy (D.O.) by following the requirements listed in the Predesignation of Personal Physician form (DWC Form 9783). The written notice of layoff will include:

- 1. Reason for layoff;
- 2. Effective date of layoff action;

- B) An administrative law judge (ALJ) shall conduct a hearing and issue a proposed decision

to the District and the classified employee on or before May 7, in accordance with the Administrative Procedures Act.

- C) None of the ALJ's findings, recommendations or determinations are binding on the District.

- B) Unit members who elect service retirement in lieu of layoff shall be eligible for the District contribution toward the health insurance premium for retirees. See Contract, Article 17. The requirement for ten (10) years of District service is waived for early service retirement to avoid layoff. Health benefits shall be paid by the District for one (1) additional month in case of layoff.

Section 5. Order of Layoff:

The order of layoff shall be based on seniority (within classification) throughout the District. A unit member with the least seniority shall be laid off first. Seniority shall be based on the hire date, plus seniority acquired under Articles 29 of the POA/SCCCD Agreement. Seniority shall be based on paid status in a class and higher related classes.

Section 6. Displacement Rights:

- A) A unit member laid off from their present class may displace the least senior unit member in that class;
- B) The least senior unit member in a class may bump into a lower class in which the unit member has served previously providing the unit member has more seniority in the lower class than the least senior unit member in that class.
- C) A unit member who cannot exercise a displacement right under A or B above, may displace

Unit members who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the option of the unit member, returned to a position in their former class or to positions with increased assigned time as vacancies become available, and without limitation of time, but if there is a valid reemployment list they shall be ranked on that list in accordance with their proper seniority.

reemployment, the unit member must report to work within fourteen (14) calendar days after acceptance. The District may extend these time frames for reasonable cause. A unit member given notice of reemployment may decline the reemployment offer on two occasions and still maintain eligibility on the reemployment list, provided the unit member notified the District of refusal of reemployment within five (5) working days from receipt of the reemployment notice.

Section 11. Reemployment in Highest Class:

Unit members shall be reemployed in the highest rated job classification available in accordance with their class seniority. Such unit member shall within ten (10) working days prior to the effective date of proposed layoff complete and submit a retirement form provided by the District for this purpose. This unit member's name shall be placed on a reemployment list for thirty-nine (39) months.

In the event of a layoff, the District shall provide POA an updated seniority roster indicating bargaining unit members' classification and hire date (including lower classifications when layoffs occur for those unit members affected by the layoff) in which the unit member served.

Section 18. Probationary Employees:

Nothing in this article shall be construed to interfere with the right of the District to release probationary employees who do not become permanent without notice or hearing.

If the release is based on charges that stigmatize the employee's reputation (for example, theft, dishonesty, or immoral conduct), and there is some type of public disclosure of the charge, the unit member and their representative would be entitled to a conference with the Chief of Police, or their designee, within 14 calendars after their release to clear their name.

- b) Failure to report for a District-required medical examination after due notice.
- c) Conviction of a sex offense as defined in Education Code Section 87010 or other provisions of the law.
- d) Conviction of a narcotics offense as defined in Education Code Section 87011 or other provisions of the law.
- e) Conviction of a felony or a misdemeanor involving moral turpitude. A plea of guilty or a plea of nolo contendere to a charge of a felony or any misdemeanor involving moral turpitude is deemed to be a conviction within the meaning of this section.
- f) Advocacy of overthrow of federal, state, or local government by force, violence or other unlawful means.
- g) Inducement or attempt to induce any unit member to commit an unlawful act or to act in violation of any District policy, rule, or regulation.

- E) **Time Period for Bringing Disciplinary Action:** No disciplinary action shall be taken for any cause which arose more than one (1) year before the unit member is provided with the proposed Notice of Intent or Notice of Adverse Action unless such cause was concealed or not disclosed by the unit member or such cause could not have reasonably been discovered by the District. The District and POA will comply with the provisions set forth in California Government Code §3304, as may be amended. A complete copy of the Public Safety Officers Procedural Bill of Rights Act (POBRA) is attached as Appendix IV.

F) Short Term Suspension and Paid Administrative Leave:

1. Short Term Suspension:

- a) The Chancellor, Chief Human Resources Officer, or the Vice Chancellor of Operations, or their designee, after consultation with Human Resources, may immediately suspend a unit member without pay for up to and including five (5) working days. In such cases, the Chancellor, Chief Human Resources Officer, or Vice Chancellor of Operations, or their designee, shall orally notify the unit member of the reason(s) for the suspension and the unit member shall be allowed the opportunity to respond orally at that time.
- b) Within a reasonable time after the suspension, written charges will be prepared and served upon the unit member. The Governing Board shall make its determination to ratify, reject, or modify the suspension at the next available Board meeting after the suspension. If the Board upholds the suspension, the unit member shall be notified in writing of the Board's decision.
- c) The decision of the Board shall be final unless the unit member requests a hearing in writing within fourteen (14) calendar days after notice of the Board's action has been served. If the unit member requests a hearing, the Personnel Commission shall conduct a hearing within fourteen (14) calendar days.

2. Paid Administrative Leave: Paid administrative leave is a separation from employment with pay. If the Chancellor, Chief Human Resources Officer, Vice Chancellor of Operations, or their designee, determines that it is in the best interest of the District, they may, after consultation with Human Resources, place a unit member on leave with pay pending investigation preliminary to taking disciplinary action. The District shall comply with all disciplinary procedures required by this Article at the earliest possible time.

G) General Disciplinary Provisions (Informal): Informal discipline is a memo of concern or a letter of reprimand. A letter of reprimand is placed in a unit member's personnel file and subject to the provisions described in the SCCCD/POA Agreement and the Public Safety Officer Procedural Bill of Rights Act (POBRA). A memo of concern will stay in the supervisory file for two (2) years from the date of issuance unless the Vice Chancellor, Human Resources in consultation with the Chief of Police, or their designee determine it will be removed earlier. However, if there have been reoccurrences of the behavior indicated in the memo of concern, within two (2) years, the memo will not be removed from the supervisory file and destroyed. Informal discipline does not require written notice of recommended disciplinary action and charges. No informal discipline is a necessary prerequisite to any other disciplinary action, formal or informal. The following administrative appeal process is established pursuant to California Government Code §3304.5. It shall supplement, though not replace, the existing disciplinary appeal process utilizing the District Personnel Commission hearing process. This procedure shall not apply to disciplinary actions for which bargaining unit members already are entitled to receive an appeal utilizing the District Personnel Commission hearing process. It shall only apply to punitive actions, as that term is defined by California Government Code §3303, for which bargaining unit members do not already receive an appeal hearing before the District Personnel Commission. This provision is not intended, and shall not be construed, as a waiver of any of

the rights set out in California Government Code §3304(b). The appeal process for informal discipline is as follows:

1. Right to Administrative Appeal:

- a) Any public safety officer (as defined by California Government Code §3301) who is subjected to punitive action (as defined by California Government Code §3303) consisting of a letter of reprimand, or a reassignment resulting in a reduction of pay is entitled to an administrative appeal only pursuant to this procedure. A unit member shall not be entitled to appeal an action prior to its imposition.
- b) A unit member who appeals a punitive action under this procedure shall bear their own costs associated with the appeal hearing, including, but not limited to any and all attorney fees. The cost of a hearing officer shall be divided equally between the unit member/Association and the District.

2. Appeal of Letter of Reprimands:

- a) Within five (5) calendar days of receipt by a unit member of notification of punitive action consisting of a letter of reprimand, the unit member shall provide written notice to the Chief of Police, or their designee, of the unit member's intent to appeal the letter of reprimand.
- b) The notice of appeal shall specify the substantive and procedural grounds for the appeal.

3. Hearing Officer (Appeal of Letter of Reprimands Only):

- a) The Chief Human Resources Officer shall hear appeals of letter of reprimands, and may adopt, modify or reject the letter of reprimand. The decision of the Chief of Human Resources Officer shall be final and binding. If a District reorganization affects the reporting structure of the District police department in that the police department would report directly to the Chief Human Resources Officer, the two (2) parties will reopen negotiations on the designation of a hearing officer.
- b) The hearing before the Chief Human Resources Officer shall not be a trial-type evidentiary hearing. The limited purpose of the hearing shall be to provide the unit member with an opportunity to establish a record of the circumstances surrounding the action and to seek modification or rejection of the letter of reprimand. There shall be no subpoenas issued (for people or documents.)

4. Appeal of Other Punitive Action:

- a) Appeal of punitive action consisting of a reduction in salary caused by a reassignment shall be subject to appeal by means of the unit member filing an appeal with the Chief of Police within five (5) calendar days of receipt by the unit member of notice of punitive action being implemented on a date certain. The unit member shall notify the Chief of Police in writing of the officer's intent to appeal said action.
- b) The notice of appeal shall specify the action being appealed and the substantive and

procedural grounds for appeal.

- c) The appeal shall be presided over by a hearing officer selected from a list of nine (9) provided by the State Mediation and Conciliation Service. The hearing officer shall be selected by alternate striking of names by the respective parties.

5. Conduct of Hearing (Reassignment for Purposes of Punishment, Reduction in Salary Caused by a Reassignment):

- a) The formal rules of evidence do not apply, although the hearing officer shall have discretion to exclude evidence that is incompetent, irrelevant or cumulative, or the presentation of which will otherwise consume undue time.
- b) The parties may present opening statements.
- c) The parties may present evidence through documents and direct testimony.
- d) The parties shall have the right to cross-examine witnesses.
- e) Following the presentation of evidence, if any, the parties may present closing arguments.
- f) The hearing shall be audio recorded or reported by a court reporter.
- g) The unit member may be represented by a representative of their choice at all stages of the proceedings. All costs associated with such representation and the presentation of the unit member's case shall be borne by the unit member.
- h) The District shall also be entitled to representation at all stages of the proceedings. The District shall bear its cost of representation and presentation of its case.
- i) The cost of a hearing officer shall be divided equally between the POA and the District.
- j) The decision of the hearing officer shall be final subject to the right of each party to the proceeding to contest the hearing officer's determination by means of a C.C.P. § 1094.5 petition for writ of mandate.

H) General Disciplinary Provisions (Formal):

1. It is the District's responsibility to present the unit member to be disciplined with a "notice of recommended disciplinary action and charges" prior to the imposition of discipline unless otherwise specified in this Article.
2. Discipline may be recommended in accordance with this section if, in the judgment of the Chief of Police, or their designee, or other authorized administrator, disciplinary action is needed. Prior to the Skelly conference, a unit member against whom disciplinary action has been recommended shall be presented with the Notice of Recommended Disciplinary Action and Charges.
3. **Notice of Recommended Disciplinary Action and Charges:** The Notice of Recommended Disciplinary Action and Charges shall include the following:
 - a) A statement of the charges upon which the disciplinary action is recommended; a statement in ordinary and concise language of each specific incident upon which the charges are based; the Recommended Disciplinary Action; and a statement as to provisions of Section D, if any which has been violated.

- b) A statement that the unit member will be accorded a Skelly conference with the Vice Chancellor of Operations or Chancellor, or their designee, at a time and place prescribed in the Notice of Recommended Disciplinary Action and Charges, with an opportunity at that time to respond to each charge and incident.
- c) The unit member's right to have copies of the material upon which the disciplinary action is based.
- d) The unit member's right to appear personally and to be represented by a person or counselor of their choice.
- e) The Chief Human Resources Officer, or their designee, shall file the Notice for Recommended Disciplinary Action and Charges and shall be deemed complete upon personal delivery or upon deposit in the U.S. registered/certified mail, return receipt requested, and addressed to the last known address of the unit member as contained in district human resources office records.

4. Skelly Conference:

- a) The purpose of the Skelly Conference is to review the Notice of Recommended Disciplinary Action and Charges, charge by charge, incident by incident, to allow the unit member to respond to each charge and incident.
- b) The conference shall be an informal meeting and shall not be conducted by formal evidentiary rules. The conference may be tape recorded by mutual agreement. The conference shall be conducted on the date stated on the original Notice of Recommended Disciplinary Action and Charges provided to the unit member, unless a change is mutually agreed to by the Vice Chancellor of Operations, or their designee, and the unit member. The Vice Chancellor of Operations, or their designee, will serve as the administrator responsible for conducting the conference. During the conference the unit member may be represented by a person of their choice.
- c) The Vice Chancellor of Operations, or their designee shall, after the conclusion of the conference, make a determination of the appropriateness of the recommended disciplinary action and the charges and incidents upon which such disciplinary action is recommended. The District will retain the taped copy of the conference for possible reference, and a copy shall be made available to the unit member upon request.
- d) The Vice Chancellor of Operations, or their designee, may accept, modify, or reject the Notice of Recommended Disciplinary Action and Charges prior to forwarding their recommendation to the Board of Trustees

5. Revision of Notice of Recommended Disciplinary Action and Charges: Following service of the Notice of Recommended Disciplinary Action and Charges upon the unit member, an amended or supplemental Notice of Recommended Disciplinary Action and Charges may be served upon the unit member. If the amended or supplemental recommendation presents new charges or incidents, the unit member shall be afforded a reasonable opportunity to discuss the new matters with the Chief of Police and the Vice Chancellor of Operations.

6. **Unit Member Status Pending Decision by Governing Board:** With the exception of a unit member placed on short-term suspension or administrative leave, the recommended disciplinary action shall not take effect until the Governing Board takes action. The unit member against whom disciplinary action has been recommended shall remain on active duty status and shall be responsible for fulfilling the duties of the position pending a decision by the Board unless otherwise stated in these rules.
7. **Governing Board:** The Board retains the right to accept, modify, or reject any portion of the Notice of Recommended Disciplinary Action. The Board may also accept, increase, or decrease the disciplinary penalty. The Board may ask for further evidence or information prior to mailing its decision. Finally, the Board may accept the recommendation of the district administration, take action in closed session, and report that action.
8. **Personnel Commission Hearing:**
- a) The decision of the Board is final, unless the unit member requests within fourteen (14) calendar days, in writing, a hearing. The unit member's failure to request a hearing shall constitute a final waiver of the unit member's right to a hearing. The Chief Human Resources Officer, or their designee, shall correspond to the unit member describing their appeal rights.
 - b) In the event of elimination of the Personnel Commission, the unit member shall have the right to request the appointment of an arbitrator as provided in Article 34, Section 5, D.

Article 34 – Grievance Procedure

Purpose: To provide an orderly procedure for reviewing and resolving grievances promptly.

Section 1. Definitions

- A) "Grievance" is a formal written allegation by a grievant that there has been a violation, misapplication, or misinterpretation of any provision of this Agreement. It is the intent of the parties to review and resolve grievances at the lowest possible administrative level. Other matters for which a specific method of review is provided by law, by policies, rules and regulations of the Board of Trustees, or by the administrative regulations and procedures of this District are not within the scope of this Article.
- B) A "grievant" may be any member or members of the bargaining unit covered by the terms of this Agreement or POA and who have been adversely and specifically affected by the misapplication of a specific term or condition of the bargaining agreement.
- C) A "day" (for the purposes of this grievance policy) is any day on which the central administrative office, also known as the District Office, of the State Center Community College District is open for business.
- D) The "immediate supervisor" is the first administrator not within the same bargaining unit as the grievant and having immediate jurisdiction over the grievant.

Section 2. Time Limits

- A) A grievant who fails to comply with the established time limits at any step shall forfeit all rights to further application of this Grievance Procedure relative to the grievance in question.
- B) Failure of the District to respond within established time limits to any step entitles the grievant to proceed to the next step.
- C) Time limits and steps may be extended or waived by mutual written consent of the parties.

Section 3. Other Provisions

- A) Unit members have the right to present grievances to the District and have such grievances adjusted without intervention of the exclusive representative as long as the adjustment:
 - 1. does not constitute a violation of this Agreement;
 - 2. occurs before mutual agreement between the District and exclusive representative to refer the matter to the PERB;
 - 3. is not involved in a failure of the District or exclusive representative of that unit to comply with agreed-to procedures necessitating a court order to enforce compliance;

4. has not previously been adjusted under the above procedures; and
 5. provided the District has submitted a copy of the grievance and the proposed resolution to the exclusive representative, and the exclusive representative has been permitted ten (10) working days to file a response with the District prior to a final decision.
- B) "Application" - Grievances as defined in this Agreement in Article 34, Section 1, shall be brought only through this procedure.
- C) "Grievance Processing - Limits" - The grievance procedure must be invoked within thirty (30) calendar days of the time the grievance or alleged grievance could reasonably have become known to the member.
- D) Unit Member Legal Rights -- Nothing contained herein shall deny to any unit member their rights under state or federal constitution laws. The District strictly prohibits retaliation against any unit member for filing a grievance or for participating in a grievance investigation. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion. Any unit member who believes they have been retaliated against should immediately report such incidents by following the procedures described in Administrative Regulation 3435.
- E) Any grievance involving all unit members may begin at Level III.
- F) The unit member's grievance, all appeals, and responses shall be kept in a file separate from the unit member's personnel file.

Section 4. Informal Discussion – Oral

Within thirty (30) days of the time a unit member knew or reasonably should have known of an alleged grievance, the unit member, either directly or accompanied by the POA representative, "grievance chairperson," or their designee, shall orally discuss with the Chief of Police, or their designee, the alleged grievance. Within ten (10) days, the Chief of Police, or their designee, shall give their oral response.

Section 5. Formal Level:

A) Level I:

1. Within ten (10) days of the oral response, if the grievance is not resolved, it shall be stated in writing on the "Classified Grievance Form" which may be in an electronic format, as provided by the District (and shown as Appendix III of this Agreement), signed by the grievant, and presented to the Chief of Police, or their designee.

2. The Chief of Police, or their designee, shall communicate their decision to the unit member in writing within ten (10) days after receiving the grievance.
3. Within the above time limits, either the grievant or the Chief of Police, or their designee, may request a personal conference with the other party.

B) Level II:

1. In the event the grievant is not satisfied with the decision at Level I, they may appeal the decision on the appropriate form to the Vice Chancellor of Operations, or their designee, within ten (10) days.
2. This statement shall include a copy of the original grievance and a written copy of the decision rendered by the Chief of Police, or their designee.
3. The Vice Chancellor of Operations, or their designee, shall communicate the decision to the grievant in writing within twelve (12) days of receiving the appeal. Either the grievant or Vice Chancellor of Operations, or their designee, may request a personal conference within the above time limits.

C) Level III:

1. If the grievant is not satisfied with the decision at Level II, they may, within ten (10) days, appeal the decision on the appropriate form to the Chancellor, or their designee.
2. This statement shall include copies of the original grievance and appeals, and written copies of the decisions rendered.
3. The Chancellor, or their designee, shall communicate their decision in writing to the grievant within fifteen (15) days.

D) Level IV: Arbitration

1. Within fifteen (15) days after receipt of the decision of the Chancellor, or their designee, the grievant may, upon written notice to the POA, request the grievance be submitted to arbitration under and in accordance with the prevailing rules of the American Arbitration Association. Only the POA (exclusive representative) may demand arbitration.
2. Within ten (10) working days after the District receives written notification of the Association's desire to arbitrate, the parties shall discuss whether they are willing to participate in voluntary mediation before a mutually agreed-upon mediator and upon such terms and conditions that they agree upon. In the event the parties agree to mediation, the selection of the arbitrator shall be held in abeyance until the conclusion of the mediation process. Either party can terminate the medication process at any time by giving written notice to the other party.

3. If the parties do not agree to mediation, or if one party terminates the mediation process, the parties shall have fifteen (15) working days to agree upon an arbitrator. If no agreement is reached, the parties shall request seven (7) names from the California State Conciliation Service and shall, by alternate striking of names, select an arbitrator. The arbitrator shall be bound by the arbitration standards enumerated below.
4. **Powers of the Arbitrator:** The arbitrator shall have no power to disregard, alter, amend, change, modify, add to, or subtract from any of the terms of this Agreement nor establish, alter, or modify any salary structure, but shall determine whether or not there has been a violation of this Agreement as complained of by the grievant and the arbitrability of any grievance where arbitrability is questioned by either party. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to them by the respective parties in the presence of each other, and upon post-hearing briefs of the parties. However, the arbitrator may also make official notice of a matter of fact or law that is appropriate for official notice by the statutory or decisional law of the State of California or of the United States.

The arbitrator shall, therefore, not have authority, nor shall they consider it their function to decide any issue not properly before them or to interpret or apply the Agreement so as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The arbitrator shall not render any decision or award, or fail to render any decision or award, merely because in their opinion such decision or award is fair or equitable. No decision or award rendered by the arbitrator shall be retroactive beyond the beginning of the period specified in Level I of the grievance procedure set forth in this Article.

5. All fees and expenses of the arbitrator shall be shared equally by the District and POA. Other expenses shall be borne by the party incurring them. Neither party shall be responsible for the expense of non-employee witnesses called by the other party.
6. The decision of the arbitrator shall be final and binding on all parties.

Section 6. Witness and Grievant Release Time

The District and POA (exclusive representative) may call witnesses. Any unit member attending the hearing as a witness in connection with the grievance procedure during working hours, shall request release time according to Article 7, Section I.

The grievant and their representative shall be provided release time without loss of compensation for the purpose of attending grievance conferences or hearings. Release time shall not be provided for a grievance investigation or preparation. Reasonable release time shall be made available for the express purposes set forth in the Educational Employment Relations Act.

Section 7. Complaints Not Covered in This Article

Any complaint not covered by the grievance definition shall be resolved through the District

complaint procedure. A complaint procedure form shall be made available through the Human Resources Office.

Article 35 – Classification Studies

Classification studies designed to analyze and study a whole class or classes and/or job families, shall be performed only by mutual agreement by and between POA and the District which shall be limited in frequency to not more than one (1) such study in any five (5) year period. The District and POA shall meet and confer regarding the comparator agencies used in the salary study.

Article 36 – Distribution of Contract

The District agrees it shall make this Agreement available on the District's website as soon as practicable after settlement is reached. The District shall provide the website link to each bargaining unit member, and to each new bargaining unit member within the effective period of the Agreement.

Article 37 – Openers

- A) The District and POA agree that except as expressly set forth herein, this contract shall not be subject to reopening on any item for the duration of the Agreement or unless mutually agreed to by both parties. Neither party is obligated to agree to reopen this contract except as stated herein, and any agreement to reopen this contract must be signed in writing by the parties. The contract will run through June 30, 2025.

- B) If, during the term of this Agreement, the Personnel Commission is terminated, the parties agree to negotiate articles for classification, and reclassification.

Article 38 – CalPERS Safety Retirement

Appendix IV – Police Officers Bill of Rights

PEACE OFFICERS BILL OF RIGHTS (as may be amended) Public Safety Officers Procedural Bill of Rights Act Government Code Sections 3300-3312

3300 – Title

This chapter is known and may be cited as the Public Safety Officers Procedural Bill of Rights Act.

3301 – Definition; Legislative findings and declaration

For purposes of this chapter, the term public safety officer means all peace officers specified in Sections 830.1, 830.2, 830.3, 830.31, 830.32, 830.33, except subdivision (e), 830.34, 830.35, except subdivision ©, 830.36, 830.37, 830.38, 830.4, and 830.5 of the Penal Code.

The Legislature hereby finds and declares that the rights and protections provided to peace officers under this chapter constitute a matter of statewide concern. The Legislature further finds and declares that effective law enforcement depends upon the maintenance of stable employer-employee relations, between public safety employees and their employers. In order to assure that stable relations are continued throughout the state and to further assure that effective services are provided to all people of the state, it is necessary that this chapter be applicable to all public safety officers, as defined in this section, wherever situated within the State of California.

3302 – Political activity: Membership on school board

(a) Except as otherwise provided by law, or whenever on duty or in uniform, no public safety officer shall be prohibited from engaging, or be coerced or required to engage, in political activity.

(b) No public safety officer shall be prohibited from seeking election to, or serving as a member of, the governing board of a school district.

3303 – Investigations interrogations; conduct; conditions; representation; reassignment

When any public safety officer is under investigation and subjected to interrogation by his or her commanding officer, or any other member of the employing public safety department, that could lead to punitive action, the interrogation shall be conducted under the following conditions. For the purpose of this chapter, punitive action means any action that may lead to dismissal, demotion, suspension, reduction in salary, written reprimand, or transfer for purposes of punishment.

(a) The interrogation shall be conducted at a reasonable hour, preferably at a time when the public safety officer is on duty, or during the normal waking hours for the public safety officer, unless the seriousness of the investigation requires otherwise. If the interrogation does occur during off-duty time of the public safety officer being interrogated, the public safety officer shall be compensated for any off-duty time in accordance with regular department procedures, and the public safety officer shall not be released from employment for any work missed.

(b) The public safety officer under investigation shall be informed prior to the interrogation of the rank, name, and command of the officer in charge of the interrogation, the interrogating officers, and all other persons to be present during the interrogation. All questions directed to the public safety officer under interrogation shall be asked by and through no more than two interrogators at one time.

(c) The public safety officer under investigation shall be informed of the nature of the investigation prior to any interrogation.

(d) The interrogating session shall be for a reasonable period taking into consideration gravity and complexity of the issue being investigated. The person under interrogation shall be allowed to attend to his or her own personal physical necessities.

(e) The public safety officer under interrogation shall not be subjected to offensive language or threatened with punitive action, except that an officer refusing to respond to questions or submit to interrogations shall be informed that failure to answer questions directly related to the investigation or interrogation may result in punitive action. No promise of reward shall be made as an inducement to answering any question. The employer shall not cause the public safety officer under interrogation to be subjected to visits by the press or news media without his or her express consent nor shall his or her home address or photograph be given to the press or news media without his or her express consent.

(f) No statement made during interrogation by a public safety officer under duress, coercion, or threat of punitive action shall be admissible in any subsequent civil proceeding. This subdivision is subject to the following qualifications:

(1) This subdivision shall not limit the use of statements made by a public safety officer when the employing public safety department is seeking civil sanctions against any public safety officer, including disciplinary action brought under Section 19572.

(2) This subdivision shall not prevent the admissibility of statements made by the public safety officer under interrogation in any civil action, including administrative actions, brought by that public safety officer, or that officer's exclusive representative, arising out of a disciplinary action.

(3) This subdivision shall not prevent statements made by a public safety officer under interrogation from being used to impeach the testimony of that officer after an in camera review to determine whether the statements serve to impeach the testimony of the officer.

(4) This subdivision shall not otherwise prevent the admissibility of statements made by a public safety officer under interrogation if that officer subsequently is deceased.

(g) The complete interrogation of a public safety officer may be recorded. If a tape recording is made of the interrogation, the public safety officer shall have access to the tape if any further proceedings are contemplated or prior to any further interrogation at a subsequent time. The public safety officer shall be entitled to a transcribed copy of any notes made by a stenographer or to any reports or complaints made by investigators or other persons, except those which are

deemed by the investigating agency to be confidential. No notes or reports that are deemed to be confidential may be entered in the officer's personnel file. The public safety officer being interrogated shall have the right to bring his or her own recording device and record any and all aspects of the interrogation.

(h) If prior to or during the interrogation of a public safety officer it is deemed that he or she may be charged with a criminal offense, he or she shall be immediately informed of his or her constitutional rights.

(i) Upon the filing of a formal written statement of charges, or whenever an interrogation focuses on matters that are likely to result in punitive action against any public safety officer, that officer, at his or her request, shall have the right to be represented by a representative of his or her choice who may be present at all times during the interrogation. The representative shall not be a person subject to the same investigation. The representative shall not be required to disclose, nor be subject to any punitive action for refusing to disclose, any information received from the officer under investigation for noncriminal matters.

This section shall not apply to any interrogation of a public safety officer in the normal course of duty, counseling, instruction, or informal verbal admonishment by, or other routine or unplanned contact with, a supervisor or any other public safety officer, nor shall this section apply to an investigation concerned solely and directly with alleged criminal activities.

(j) No public safety officer shall be loaned or temporarily reassigned to a location or duty assignment if a sworn member of his or her department would not normally be sent to that location or would not normally be given that duty assignment under similar circumstances.

3304 – Lawful exercise of rights; insubordination; administrative appeal

(a) No public safety officer shall be subjected to punitive action, or denied promotion, or be threatened with any such treatment, because of the lawful exercise of the rights granted under this chapter, or the exercise of any rights under any existing administrative grievance procedure. Nothing in this section shall preclude a head of an agency from ordering a public safety officer to cooperate with other agencies involved in criminal investigations. If an officer fails to comply with such an order, the agency may officially charge him or her with insubordination.

(b) No punitive action, nor denial of promotion on grounds other than merit, shall be undertaken by any public agency against any public safety officer who has successfully completed the probationary period that may be required by his or her employing agency without providing the public safety officer with an opportunity for administrative appeal.

(c) No chief of police may be removed by a public agency, or appointing authority, without providing the chief of police with written notice and the reason or reasons therefore and an opportunity for administrative appeal. For purposes of this subdivision, the removal of a chief of police by a public agency or appointing authority, for the purpose of implementing the goals or policies, or both, of the public agency or appointing authority, for reasons including, but not limited to, incompatibility of management styles or as a result of a change in administration, shall

be sufficient to constitute “reason or reasons.” Nothing in this subdivision shall be construed to create a property interest, where one does not exist by rule or law, in the job of Chief of Police.

(d) Except as provided in this subdivision and subdivision (g), no punitive action, nor denial of promotion on grounds other than merit, shall be undertaken for any act, omission, or other allegation of misconduct if the investigation of the allegation is not completed within one year of the public agency’s discovery by a person authorized to initiate an investigation of the allegation of an act, omission, or other misconduct. This one-year limitation period shall apply only if the act, omission, or other misconduct occurred on or after January 1, 1998. In the event that the public agency determines that discipline may be taken, it shall complete its investigation and notify the public safety officer of its proposed disciplinary action within that year, except in any of the following circumstances:

(1) If the act, omission, or other allegation of misconduct is also the subject of a criminal investigation or criminal prosecution, the time during which the criminal investigation or criminal prosecution is pending shall toll the one-year time period.

(2) If the public safety officer waives the one-year time period in writing, the time period shall be tolled for the period of time specified in the written waiver.

(3) If the investigation is a multijurisdictional investigation that requires a reasonable extension for coordination of the involved agencies.

(4) If the investigation involves more than one employee and requires a reasonable extension.

(5) If the investigation involves an employee who is incapacitated or otherwise unavailable.

(6) If the investigation involves a matter in civil litigation where the public safety officer is named as a party defendant, the one-year time period shall be tolled while that civil action is pending.

(7) If the investigation involves a matter in criminal litigation where the complainant is a criminal defendant, the one-year time period shall be tolled during the period of that defendant’s criminal investigation and prosecution.

(8) If the investigation involves an allegation of workers’ compensation fraud on the part of the public safety officer.

(e) Where a predisciplinary response or grievance procedure is required or utilized, the time for this response or procedure shall not be governed or limited by this chapter.

(f) If, after investigation and any predisciplinary response or procedure, the public agency decides to impose discipline, the public agency shall notify the public safety officer in writing of its decision to impose discipline, including the date that the discipline will be imposed, within 30 days of its decision, except if the public safety officer is unavailable for discipline.

(g) Notwithstanding the one-year time period specified in subdivision (c), an investigation may be reopened against a public safety officer if both of the following circumstances exist:

(1) Significant new evidence has been discovered that is likely to affect the outcome of the investigation.

(2) One of the following conditions exist:

(A) The evidence could not reasonably have been discovered in the normal course of investigation without resorting to extraordinary measures by the agency.

(B) The evidence resulted from the public safety officer's predisciplinary response or procedure.

(h) For those members listed in subdivision (a) of Section 830.2 of the Penal Code, the 30-day time period provided for in subdivision (e) shall not commence with the service of a preliminary notice of adverse action, should the public agency elect to provide the public safety officer with such a notice.

3304.5 – Administrative appeal

An administrative appeal instituted by a public safety officer under this chapter shall be conducted in conformance with rules and procedures adopted by the local public agency.

3305 – Comments adverse to interest; personnel files; opportunity to read and sign; refusal to sign
No public safety officer shall have any comment adverse to his interest entered in his personnel file, or any other file used for any personnel purposes by his employer, without the public safety officer having first read and signed the instrument containing the adverse comment indicating he is aware of such comment, except that such entry may be made if after reading such instrument the public safety officer refuses to sign it. Should a public safety officer refuse to sign, that fact shall be noted on that document, and signed or initialed by such officer.

3306 – Response to adverse comment in personnel file; time

A public safety officer shall have 30 days within which to file a written response to any adverse comment entered in his personnel file. Such written response shall be attached to, and shall accompany, the adverse comment.

3306.5 – Inspection of personnel files; request for correction of file; time

(a) Every employer shall, at reasonable times and at reasonable intervals, upon the request of a public safety officer, during usual business hours, with no loss of compensation to the officer, permit that officer to inspect personnel files that are used or have been used to determine that officer's qualifications for employment, promotion, additional compensation, or termination or other disciplinary action.

(b) Each employer shall keep each public safety officer's personnel file or a true and correct copy thereof, and shall make the file or copy thereof available within a reasonable period of time after a request therefore by the officer.

(c) If, after examination of the officer's personnel file, the officer believes that any portion of the material is mistakenly or unlawfully placed in the file, the officer may request, in writing, that the mistaken or unlawful portion be corrected or deleted. Any request made pursuant to this subdivision shall include a statement by the officer describing the corrections or deletions from the personnel file requested and the reasons supporting those corrections or deletions. A statement submitted pursuant to this subdivision shall become part of the personnel file of the officer.

(d) Within 30 calendar days of receipt of a request made pursuant to subdivision (c), the employer shall either grant the officer's request or notify the officer of the decision to refuse to grant the request. If the employer refuses to grant the request, in whole or in part, the employer shall state in writing the reasons for refusing the request, and that written statement shall become part of the personnel file of the officer.

3307 – Polygraph examination; right to refuse; effect

(a) No public safety officer shall be compelled to submit to a lie detector test against his or her will. No disciplinary action or other recrimination shall be taken against a public safety officer refusing to submit to a lie detector test, nor shall any comment be

entered anywhere in the investigator's notes or anywhere else that the public safety officer refused to take, or did not take, a lie detector test, nor shall any testimony or evidence be admissible at a subsequent hearing, trial, or proceeding, judicial or administrative, to the effect that the public safety officer refused to take, or was subjected to, a lie detector test.

(b) For the purpose of this section, "lie detector" means a polygraph, deceptograph, voice stress analyzer, psychological stress evaluator, or any other similar device, whether mechanical or electrical, that is used, or the results of which are used, for the purpose of rendering a diagnostic opinion regarding the honesty or dishonesty of an individual.

3307.5 – Use of photograph; penalties

(a) No public safety officer shall be required as a condition of employment by his or her employing public safety department or other public agency to consent to the use of his or her photograph or identity as a public safety officer on the Internet for any purpose if that officer reasonably believes that the disclosure may result in a threat, harassment, intimidation, or harm to that officer or his or her family.

(b) Based upon his or her reasonable belief that the disclosure of his or her photograph or identity as a public safety officer on the Internet as described in subdivision (a) may result in a threat, harassment, intimidation, or harm, the officer may notify the department or other public agency to cease and desist from that disclosure. After the notification to cease and desist, the officer, a district attorney, or a United States Attorney may seek an injunction prohibiting any official or unofficial use by the department or other public agency on the Internet of his or her photograph or identity as a public safety officer. The court may impose a civil penalty in an amount not to exceed five hundred dollars (\$500) per day commencing two working days after the date of receipt of the notification to cease and desist.

3308 – Financial disclosure; right to refuse; exceptions

No public safety officer shall be required or requested for purposes of job assignment or other personnel action to disclose any item of his property, income, assets, source of income, debts or personal or domestic expenditures (including those of any member of his family or household) unless such information is obtained or required under state law or proper legal procedure, tends to indicate a conflict of interest with respect to the performance of his official duties, or is necessary for the employing agency to ascertain the desirability of assigning the public safety officer to a specialized unit in which there is a strong possibility that bribes or other improper inducements may be offered.

3309 – Search of locker or storage space; consent; search warrant

No public safety officer shall have his locker, or other space for storage that may be assigned to him searched except in his presence, or with his consent, or unless a valid search warrant has been obtained or where he has been notified that a search will be conducted. This section shall apply only to lockers or other space for storage that are owned or leased by the employing agency.

3309.5 – Local public safety officers; applicability of chapter; jurisdiction; remedies

(a) It shall be unlawful for any public safety department to deny or refuse to any public safety officer the rights and protections guaranteed to him or her by this chapter.

(b) Nothing in subdivision (h) of Section 11181 shall be construed to affect the rights and protections afforded to state public safety officers under this chapter or under Section 832.5 of the Penal Code.

(c) The superior court shall have initial jurisdiction over any proceeding brought by any public safety officer against any public safety department for alleged violations of this chapter.

(d) (1) In any case where the superior court finds that a public safety department has violated any of the provisions of this chapter, the court shall render appropriate injunctive or other extraordinary relief to remedy the violation and to prevent future violations of alike or similar nature, including, but not limited to, the granting of a temporary restraining order, preliminary, or permanent injunction prohibiting the public safety department from taking any punitive action against the public safety officer.

(2) If the court finds that a bad faith or frivolous action or a filing for an improper purpose has been brought pursuant to this chapter, the court may order sanctions against the party filing the action, the parties attorney, or both, pursuant to Sections 128.6 and 128.7 of the Code of Civil Procedure. Those sanctions may include, but not be limited to, reasonable expenses, including attorney's fees, incurred by a public safety department, as the court deems appropriate. Nothing in this paragraph is intended to subject actions or filings under this section to rules or standards that are different from those applicable to other civil actions or filings subject to Section 128.6 or 128.7 of the Code of Civil Procedure.

(e) In addition to the extraordinary relief afforded by this chapter, upon a finding by a superior court that a public safety department, its employees, agents, or assigns, with respect to acts taken within the scope of employment, maliciously violated any provision of this chapter with the intent to injure the public safety officer, the public safety department shall, for each and every violation,

be liable for a civil penalty not to exceed twenty-five thousand dollars (\$25,000) to be awarded to the public safety officer whose right or protection was denied and for reasonable attorney's fees as may be determined by the court. If the court so finds, and there is sufficient evidence to establish actual damages suffered by the officer whose right or protection was denied, the public safety department shall also be liable for the amount of the actual damages. Notwithstanding these provisions, a public safety department may not be required to indemnify a contractor for the contractor's liability pursuant to this subdivision if there is, within the contract between the public safety department and the contractor, a "hold harmless" or similar provision that protects the public safety department from liability for the actions of the contractor. An individual shall not be liable for any act for which a public safety department is liable under this section.

3310-Procedures of public agency providing same rights or protections; application of chapter
Any public agency which has adopted, through action of its governing body or its official designee, any procedure which at a minimum provides to peace officers the same rights or protections as provided pursuant to this chapter shall not be subject to this chapter with regard to such a procedure.

3311 – Mutual aid agreements; effect of chapter upon

Nothing in this chapter shall in any way be construed to limit the use of any public safety agency or any public safety officer in the fulfilling of mutual aid agreements with other jurisdictions or agencies, nor shall this chapter be construed in any way to limit any jurisdictional or interagency cooperation under any circumstances where such activity is deemed necessary or desirable by the jurisdictions or the agencies involved.

3312 – American Flag; pins

Notwithstanding any other provision of law, the employer of a public safety officer may not take any punitive action against an officer for wearing a pin or displaying any other item containing the American flag, unless the employer gives the officer written notice that includes all of the following:

- (a) A statement that the officer's pin or other item violates an existing rule, regulation, policy, or local agency agreement or contract regarding the wearing of a pin, or the displaying of any other item, containing the American flag.
- (b) A citation to the specific rule, regulation, policy, or local agency agreement or contract that the pin or other item violates.
- (c) A statement that the officer may file an appeal against the employer challenging the alleged violation pursuant to applicable grievance or appeal procedures adopted by the department or public agency that otherwise comply with existing law.
