**Out of state/international students:**

- May pay by cashier’s check, money order, or personal check drawn on a local bank.

**International students:**

- Must submit proof of international student insurance coverage.

**Wait List Rules and Information**

When unable to find an open section of a course, students may have the option of being placed on a “Wait List” for a specific section of the course. Please note that the following rules apply:

1. Students may add their name to any available “Wait List” up to the last day of registration prior to the beginning of the class.
2. Students will be added to a “Wait List” on a first come, first serve basis.
3. Students cannot be placed on a “Wait List” prior to their registration appointment date.
4. Students on a “Wait List” will have first priority for any seats in a “full” class that may subsequently become available during the first 20% of the course PROVIDED that they attend each and every class meeting (for 18 week semester courses, this is the first 3 weeks of class).
5. A “Wait List” will be available only for current class sections that are “full” (that is, the class has reached its “maximum class size”). No “Wait List” will be available for “canceled” class sections or class sections that are not yet “full”. Not all classes have wait lists.
6. Students cannot be placed on a “Wait List” for a section of a course when already enrolled in another section of that same course.
7. Students cannot be on more than one “Wait List” for the same course.
8. The Admissions and Records Office will regularly monitor all classes with existing “Wait List” up to the start of the semester. When an open seat becomes available, the top student on the wait list will receive “Permission To Register” and be notified by email.
9. On the first day of class, instructors will determine the number of openings available in the class, and then offer spaces to students who are on the “Wait List” (providing they are present in the class) in the order in which their names appear on the list. Student is responsible for officially adding the class within published registration dates.
10. After the “Wait List” for the class is exhausted, the instructor in accordance with existing college and district policy will fill additional openings, if any.
11. Any and all other registration rules (conflicts, overload, administrative or student holds) may prevent the student from enrolling in a class. See Schedule of Classes for details or visit www.scccd.edu/waitlist

**Please include student’s name and ID number on the check.**
